

Make-A-Wish® **DONATION PROCESS**

NCAA Division II has a long-standing relationship with the Make-A-Wish Foundation, which grants wishes to children with life-threatening illnesses. Since 2003, Division II has donated more than \$6.6 million to Make-A-Wish. These contributions have funded more than 770 wishes. Thank you for your support!

Over the last few years, Division II and Make-A-Wish have worked to streamline the donation process for conferences, institutions and fans. All donations should be submitted directly to Make-A-Wish. The NCAA national office does not accept Make-A-Wish fundraising donations. Championship and Enforcement fines should continue to be sent to the national office.
