SECTION IV: MARKETING

1. **Marketing Plans.** Upon selection, the host is required to submit a marketing plan for review and approval prior to activation by the NCAA marketing staff. Please refer to the appropriate marketing plan template as a guideline when submitting your plan for review.

2. **Budgets.** When the proposed budget is submitted, a minimum of $4,000 should be allocated for these purposes. The marketing budget should only include items needed for: marketing, advertising, printing costs, grassroots opportunities and promotions.

3. **Creative Process.** A creative marketing assistance website is available to the host for their marketing needs. This marketing website, [NCAAChampsPromotion.com](http://NCAAChampsPromotion.com), is a comprehensive tool designed to help hosts create marketing pieces which will generate awareness and promote tickets and or attendance for the championship.

   Hosts should customize and download all necessary artwork to promote the championship. Every effort should be made to use the online marketing templates, produce the items locally and obtain reimbursement for production costs, up to the reimbursable allocation provided.

   All requests, for both artwork and reimbursement, must be approved by the NCAA prior to proceeding with production. Artwork requests and approvals will be managed through the website. Should you not have a local vendor, a list of preferred NCAA vendors is available on the website.

Housing will be required for all participating teams, NCAA staff, committee members, media, game officials, and other special guests as designated by the NCAA. Separate hotels are needed for the NCAA, media, officials and participating teams unless specified otherwise by the NCAA. It may be permissible for the media or game officials to be assigned to the same property as the NCAA headquarters hotel. (Game officials and teams may not stay in the same hotel.) Efforts will be made to provide some deference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

Anthony Travel will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

All hotels contracted must have experience with and understand the needs of large groups. For certain championship events, additional room blocks may be required for fan travel.

The NCAA or its designees shall have the exclusive right to sell products licensed by the Association for merchandising at the selected hotels (inside and outside the premises controlled by the hotels). The hotel will provide adequate space in its lobby for such sales.

Contracted properties will be responsible for complying with all requirements in the contract terms as presented in the sample contract.
