IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE SPECIFICATIONS THAT FOLLOW AND ANY SUCH SPECIFICATIONS IN THE GENERAL BID SPECIFICATIONS DOCUMENT, THE FORMER SHALL PREVAIL AND GOVERN THE MATTER.

SECTION I: INTRODUCTION

The National Collegiate Athletic Association (“NCAA” and/or “Association”) is pleased to provide to member institutions/conferences the opportunity to submit a proposal to host one or more NCAA championships.

The information contained in this document and the accompanying attachments provides the minimum bid specifications for hosting any of these championships, as well as essential information that will provide assistance in the development of a creative, comprehensive and competitive bid proposal. The NCAA awards the privilege of hosting an NCAA championship to institutions’ several years in advance so those communities may work collaboratively with the NCAA to create positive experiences for its student-athletes, participating institutions, fans and the community.

A member institution or member conference of the NCAA must be designated as the host institution/conference for the championship. The administration of the championship is under the authority of the respective sports committee subject to final authority from the NCAA DII Championships Committee. All activities and events associated with the championship are to be approved by the sports committee.

SECTION II: CHAMPIONSHIP STRUCTURE

DATE FORMULAS	
Regionals (8)	SECOND WEEKEND IN MARCH (SATURDAY, SUNDAY AND TUESDAY)
Elite Eight	FOURTH WEEKEND IN MARCH (TUESDAY, THURSDAY AND SATURDAY) Note: Elite Eight will always occur the week prior to the Division I Men's Final Four, even if the date formula conflicts due to the number of weekends in March in a given year. When there are five Saturdays in March, the Elite Eight will be a week later. Should the date formula change during the bid cycle, the NCAA will work with selected hosts to ensure the playing venue is available.

ELITE EIGHT DATES	
2027	March 23, 25 & 27
2028	March 21, 23 & 25

The Division II Men's Basketball Championship provides for a maximum field of 64 teams. All eight regional qualifiers will advance to a regional site. The eight regional tournaments will be conducted to determine the eight quarterfinalists, who will advance to the Elite Eight.

*Should the Division II Men's Basketball Championship be played in conjunction with the Division I Men's Final Four, the Elite Eight site may host only the quarterfinals and semifinals of the Division II Men's Basketball Championship. If this were to occur, quarterfinal games may be played on Thursday with semifinal games on Saturday.

The Division II Men's and Women's Basketball committees are open to exploring bids from potential hosts who have an interest in hosting both the Division II Men's Basketball Championship and the Division II Women's Basketball Championship in the same year as a joint championship experience. For those interested in potentially hosting both championships, please reference the respective bid document for tentative schedules for each championship. Please include additional documentation in your bid submission on how you may execute this concept in your city.

SECTION III: GENERAL FACILITY REQUIREMENTS

NCAA activities at the facility traditionally have been the responsibility of the facility personnel (or host institution/conference representatives), due to their familiarity and experience with the respective Elite Eight facilities. SECTION V: LODGING

General Guidelines:

The NCAA has partnered with On Location. to manage the NCAA Championship Housing Program and all championship housing needs. On Location serves as the housing partner for hundreds of events annually and, through strong relationships with various hotel brands, can deliver the appropriate mix of amenities, location and price for hundreds of thousands of room nights each year. Utilizing their expertise, On Location will be responsible for managing the selection and contracting process for all championship housing accommodations.

Housing will be required for all participating teams, NCAA staff, committee members, media, game officials, and other special guests as designated by the NCAA. Separate hotels are needed for the NCAA, media, officials, and participating teams unless specified otherwise by the NCAA. It may be permissible for the media or game officials to be assigned to the same property as the NCAA headquarters hotel. (Game officials and teams may not stay in the same hotel.) Efforts will be made to provide some preference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

Bids will be awarded contingent upon the successful negotiation of housing needs at reasonable rates. Failure to secure such reasonable rates and properties may result in rescinding of the bid award.

The host institution/conference or sponsoring agency must guarantee sufficient housing is available to meet the room block needs identified in the sport specific bid specification. Properties must meet the required service levels and be in reasonable proximity to the event venues. Rooms should not be secured or contracted nor should rates be discussed with specific properties, unless requested to do so by the NCAA.

Bid responses may highlight any recommended properties On Location should consider when contracting. Specifications should also disclose any special relationships, agreements and/or financial arrangements you may have in place with the recommended properties. On Location will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

All hotels contracted must have experience with and understand the needs of large sports related groups. For certain championship events, additional room blocks may be required for fan travel.

The NCAA or its designees shall have the exclusive right to sell products licensed by the Association for merchandising at the selected hotels (inside and outside the premises controlled by the hotels). The hotel will provide adequate space in its lobby for such sales.

Contracted properties will be responsible for complying will all requirements in the contract terms as presented in the sample contract.

	Number of Hotels	Service Level	Room Type	Sun.	Mon.	Tues.	Wed.	Thurs.	Fri.	Sat.	Total
Teams ¹	4 max	Full service preferred but not required	Double/Double	88	88	88	44	44	22	22	396
			Kings	64	64	64	32	32	16	16	288
Headquarters and Officials	1 minimum	Full service preferred but not required	Kings	15	28	36	32	32	28	25	196
			Suites	2	2	2	2	2	2	2	14
Total				169	182	190	110	110	68	65	

Each team will receive 11 double/doubles and 8 kings.

The host institution is financially responsible for the officials and committee member accommodations to be reimbursed by the NCAA.

All hotels shall be in close proximity (ideally within walking distance) from the event venue. The team hotels must be of comparable quality and distance from the playing venue.

Hotel Room Needs.

Basketball Committee/NCAA Staff Accommodations. The NCAA staff and men’s basketball committee will arrive Saturday/Sunday. A list of individuals who will stay at the headquarters hotel will be forwarded to the headquarters hotel on or about the Monday before the quarterfinals. Checkout will be the following Saturday or Sunday.

Two of the rooms in the standard block are to be upgraded to suites when possible for the basketball committee.

Competing Institutions’ Responsibility. Each competing institution is obligated to confirm or cancel the accommodations. An institution is not obligated to stay at the designated property; however, it is responsible for the cost of rooms if canceling its reservations and then securing its own accommodations. The participating institutions are responsible only for the rooms reserved. If an institution prefers to stay at another hotel, it must (1) obtain a release for the rooms (in writing) from the hotel manager; or (2) use the rooms for persons accompanying the official traveling party. If an institution fails to make satisfactory arrangements for use of rooms with the hotel, full charges for the rooms will be billed to the institution.

Complimentary Suite and Meeting Space. One complimentary suite for the director of athletics or head coach and complimentary meeting space should be provided to each team as part of the block (if available).

Early Departure. The host shall familiarize the properties with the tournament format so the management understands in advance that a losing team customarily departs the area after its last game or the next morning.

Officials Accommodations. 13 rooms (**which must be at a separate hotel from the student-athletes**) for the officials. All hotel expenses (single room and tax, but not incidentals) for officials required to stay overnight at the championship site shall be paid by the host institution and later reimbursed by the NCAA.

During the week of the Elite Eight, the NCAA shall advise the hotel management of the game officials' names. Otherwise, the game officials' names shall be kept confidential.

Reservations. The team rooms should be reserved beginning Monday night before the competition. It is possible that teams could arrive as early as Sunday.

Room Blocks. Every effort should be made to block each team's rooms together on the same floor, with effort to keep rooming blocks as separate from each other as possible.

Room Rate. Room rates for the NCAA, press and participating teams must be comparable in range. The NCAA also will select a complimentary meeting room. This will be provided outside the complimentary block.

Welcome Banners.

The NCAA shall provide standard "welcome" banners for the headquarters hotel and team hotels (two for each property). It is requested that no signs with commercial identification be displayed in the hotels (except banquet). If the LOC chooses to distribute its own banners, the NCAA must approve the design in advance.

The prospective host that is bidding on this championship agrees to all terms and conditions as outlined above in this Championship Bid Specifications Agreement. We agree to comply with all the requirements listed in this document and to administer the designated championship in accordance with the policies of the NCAA and the applicable NCAA sports committee. Prospective hosts that agree with all the requirements listed in this document for the designated championship shall signify agreement by selecting "Yes" below.

SECTION X: ANCILLARY EVENTS

Championship Celebration Event. The host is expected to plan and prepare for a banquet for approximately 200 people on the Sunday prior to the championship. The banquet should include a food and beverage plan, audio visual and entertainment component (e.g. speaker, video). Banquets are at the discretion of the NCAA sport committee. The NCAA Elite 90 award is presented to the student-athlete with the highest cumulative grade point average participating in the Elite Eight.

Coaches Association:

The National Association of Basketball Coaches (NABC) is involved with the All-Star Game that takes place on Friday of championship week. The host is expected to work with the NABC to appropriately staff the facility for this event. Separate practice facilities may be needed for the All-Star teams to practice on Thursday and Friday, which they may ask for assistance in securing. Typically, the NABC will secure their own hotel rooms for the All-Star game. All coaches association activities held in conjunction with the championship are conducted at the discretion of the NCAA and are subject to NCAA approval. Please note, however, that the coaches association does not sponsor its annual convention in conjunction with the championship.
