SECTION V: LODGING

General Guidelines:

The NCAA has partnered with On Location. to manage the NCAA Championship Housing Program and all championship housing needs. On Location serves as the housing partner for hundreds of events annually and, through strong relationships with various hotel brands, can deliver the appropriate mix of amenities, location and price for hundreds of thousands of room nights each year. Utilizing their expertise, On Location will be responsible for managing the selection and contracting process for all championship housing accommodations.

Housing will be required for all participating teams, NCAA staff, committee members, media, game officials, and other special guests as designated by the NCAA. Separate hotels are needed for the NCAA, media, officials and participating teams unless specified otherwise by the NCAA. It may be permissible for the media or game officials to be assigned to the same property as the NCAA headquarters hotel. (Game officials and teams may not stay in the same hotel.) Efforts will be made to provide some deference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

Bids will be awarded contingent upon the successful negotiation of housing needs at reasonable rates. Failure to secure such reasonable rates and properties may result in rescinding of the bid award.

The host institution/conference or sponsoring agency must guarantee sufficient housing is available to meet the room block needs identified in the sport specific bid specification. Properties must meet the required service levels and be in reasonable proximity to the event venues. Rooms should not be secured or contracted nor should rates be discussed with specific properties, unless requested to do so by the NCAA.

Bid responses may highlight any recommended properties On Location should consider when contracting. Specifications should also disclose any special relationships, agreements and/or financial arrangements you may have in place with the recommended properties. On Location will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

All hotels contracted must have experience with and understand the needs of large groups. For certain championship events, additional room blocks may be required for fan travel.

The NCAA or its designees shall have the exclusive right to sell products licensed by the Association for merchandising at the selected hotels (inside and outside the premises controlled by the hotels). The hotel will provide adequate space in its lobby for such sales.

Contracted properties will be responsible for complying will all requirements in the contract terms as presented in the sample contract.

Specific Guidelines

1. **Hotel Room Block.** The following is the hotel room block required for this championship:

	Number of Hotels	Service Level	Mon	Tue	Wed	Thu	Fri	Sat	Sun	Mon	Tue	Wed	Notes
Teams ¹	1	Full-Service		144	144	144	144	144	72	36	36	36	Please ensure breakfast is included.
Headquarters & Officials	1	Full-Service	3	11	23	23	23	23	23	23	23	23	Please ensure laundry services and breakfast is included.
Total	2	See above	3	155	167	167	167	167	95	59	59	59	

¹ **Room Types:** 15 Doubles, 2 King, 1 Suites, per team

All hotels shall be within 30 miles of the event venue. The team hotels must be of comparable quality and distance from the playing venue.

The host institution is financially responsible for the official accommodations to be reimbursed by the NCAA.

Teams will pay for their own rooms.

- a. Participating Teams. Teams may arrive the Tuesday prior to finals and depart the Thursday after finals so availability of hotels in the area should be checked beginning with that date through Wednesday night. Generally, each team will need 14 to 15 double rooms and two single rooms (the official traveling party is 26 per team). Remember that as teams lose, they may leave; be sure to communicate this to the hotels.

Institutions that do not utilize these accommodations are financially responsible for said rooms and must receive written release before staying elsewhere.

- b. NCAA Committee. The national softball committee shall serve as the games committee. On Location will make a reservation for each committee member (eight) plus the championship manager (one) and NCAA Playing Rules staff member (one) at the headquarters hotel (ten rooms total). The staff liaison and chair may arrive Monday or Tuesday (please confirm with them prior to arrival), and committee members will arrive Tuesday. All may check out by the following Thursday.
- c. Umpires. Umpires will arrive Wednesday. Again, confer with umpires to determine checkout. On Location will secure a single room for each umpire, six (6) umpires and one (1) umpire-in-chief. The NCAA will confirm umpire reservations at least one week prior to the tournament.

NOTE: Umpires and NCAA committee representatives should not be housed in the same hotel as the participating teams unless there are no other accommodations available. At a minimum, they should stay on a different floor or wing of the hotel.

2. Meeting Rooms.

- a. Participating Teams. Each participating team should be provided one meeting room to use for the duration of their stay. All meeting rooms should have a 24 hour hold.
- b. Umpires. A meeting room for umpires should be reserved for umpires Wednesday evening from 7 to 11 p.m. local time.

The prospective host that is bidding on this championship agrees to all terms and conditions as outlined above in this Championship Bid Specifications Agreement. We agree to comply with all the requirements listed in this document and to administer the designated championship in accordance with the policies of the NCAA and the applicable NCAA sports committee. Prospective hosts that agree with all the requirements listed in this document for the designated championship shall signify agreement by selecting "Yes" below.
