MEMORANDUM

Nov. 2, 2026

TO: NCAA Division I Conference Commissioners.

FROM: Anthony Holman
Vice President of Championships Operations.

SUBJECT: 2027-28 Automatic-Qualification Online Process.

NCAA Division I conferences eligible for automatic qualification for future championships are required to submit an automatic-qualification form for all seasons by **Feb. 1, 2027**.

The NCAA currently grants automatic qualification to the following Division I championships:

Baseball
Men's and Women's Basketball
*Women's Beach Volleyball
*Women's Bowling
Field Hockey
Football (FCS)
Men's and Women's Golf
*Men's Gymnastics
Men's Ice Hockey
*Women's Ice Hockey
Men's and Women's Lacrosse
Women's Rowing
Men's and Women's Soccer
Softball
Men's and Women's Tennis
*Men's Volleyball
Women's Volleyball
*Men's Water Polo
*Women's Water Polo
Men's Wrestling

* Denotes a National Collegiate Championship.

Before completing the forms, review the legislative provisions outlined in NCAA Bylaws 18.5 and 31.3.4 pertaining to automatic qualification. Links to these bylaws are embedded in the online form for your convenience. Additionally, please be sure to review your current written conference policy regarding teams subject to postseason restrictions (e.g., APP penalties, reclassifying institutions, etc.). This policy must align with the conference's current practice in consideration of automatic qualification for championships. Please review your written conference policy describing how the conference will designate a replacement automatic qualifier per the Division I and National Collegiate Team Replacement Policy for all sports other than basketball.

The AQ Forms application may be accessed via My Apps, requiring single-source sign-on credentials. Users who do not have access to the AQ Forms application in their My Apps account should contact their conference's NCAA Application Administrator and request the app be added to their menu options. In addition to submitting the automatic qualification applications, the app allows for the following:

- Request to have a sport added to the existing list of sponsored sports.
- Request late access to the previous year's automatic qualification forms.
- Request late access to the current year's automatic qualification forms.

Detailed instructions on how to add a sport, request late access and report conference automatic qualifiers are available here.

Please complete the necessary information for all your sports, then fill out the final confirmation and contact section. Submission of this final section will complete the process for all sports. You are not required to complete the form at one time; you may save at any point and continue later. A progress bar, as well as checkmarks next to completed sports, will assist you in keeping track of where you are in the process. You may access and, if necessary, edit the form at any time before the due date.

All automatic-qualification data is retained at the national office. Therefore, for previously submitted applications, most questions will populate with last year's responses. Please confirm information copied from the previous year and adjust as necessary.

REMINDER: Conferences should now use the AQ Forms application to notify the NCAA of their automatic qualifier by sport. To do so, click on the button entitled Report AQ for 2026-27 at the top of the home page. Scroll to the appropriate sport and click on the Report AQ link next to it. Select the appropriate school from the drop-down menu. Note: If the AQ has already been captured in our statistics application, the AQ team will prepopulate. Otherwise, select from the drop-down menu. Click Report.

Also attached for planning purposes is a summary of selection dates and automatic qualifier notification due dates for 2027-28. Specific information regarding each championship's reporting timeline also can be found in the respective prechampionships manual. Selection and notification

dates for future years also are available via the NCAA Championships Schedule application on ncaa.org.

Please contact Kerstin Hunter, coordinator for championships and alliances, at 317-917-6222 or khunter@ncaa.org if you have any questions regarding this process or access to the application.
