August 2019

WELCOME

- ▶ Dan Calandro, NCAA Director of Championship, Playing Rules and Officiating

PROGRAM OVERVIEW (CONTINUED)

- Background check reports will include all criminal offenses (e.g. misdemeanors, felonies) reportable by the jurisdiction.
- Officials will be asked to designate a conference(s) that NCAA has permission to share report with.
- NCAA will use the results of the background check report to assist in the selection of officials for NCAA championships.

PROGRAM OVERVIEW (CONTINUED)

- An official will be automatically eliminated from working NCAA championships if:
 - The official does not grant permission for the NCAA to conduct a background check.
 - The official has been convicted of a felony within the past seven (7) years,
 - The official is listed on a national or state sex offender registry, and
- At the NCAA's discretion, background checks with a record outside of the criteria above will be reviewed.

PROGRAM OVERVIEW (CONTINUED)

- It is suggested that conferences develop their own policy for reviewing and handling background check reports.
- NCAA will have no role in deciding whether or how a conference chooses to use the reports.
- Cost of the background check is included in the official's registration.

ARBITER ACCOUNT ACCESS

- Conferences must designate the specific user(s) who will have access to the background check reports for each sport.
- Contact Dave Yeast at ArbiterSports to designate conference users.

ARBITERSPORTS FUNCTIONALITY

- Access to background check reports is currently available for individuals designated on the conference account(s).
- Background checks will be processed daily following the Central Hub's opening date.
- Conferences should create filters to review background reports with issues.
- The Fair Credit Reporting Act (FCRA) is the federal law that covers the background check process.
- Conferences will need to provide pre-adverse letter to officials they determine ineligible to officiate based on the results of the background check.
