

REAL ID Deadline Approaching:

Reminder about the upcoming REAL ID Act being enforced starting May 7, 2025. Travelers 18 and over will need a REAL ID-compliant license or another acceptable ID to board commercial domestic flights and access federal facilities.

REAL ID has been discussed for many years, so this is just a reminder to check you/your travelers driver's license for the star icon on the top right corner and your ID's expiration date.

If you need a REAL ID, please reach out to your states department of motor vehicles and be prepared to have additional documents available like proof of identity, Social Security Number, and residency information.

If you need additional information, visit the [Department of Homeland Security's website](#) or contact your local [Department of Motor Vehicles](#).
