

REPORT OF THE
NCAA WOMEN'S ACROBATICS AND TUMBLING COMMITTEE
SEPT. 16, 2026, VIDEOCONFERENCE

ACTION ITEMS.

- None.

INFORMATIONAL ITEMS.

1. **Approve prior meeting report.** The committee approved the July 21, 2026, videoconference report.
2. **Selection criteria contractor update.** The committee received an update on the selection criteria contractor. That individual has been identified and staff is in the process of finalizing the contract for the 2026-27 academic year.
3. **National assignor and rules interpreter hiring process update.** The committee received an update on the hiring process for the national assignor and rules interpreter. Both positions are posted through Sept. 18. The hiring panel will be comprised of the championship manager, playing rules liaison, committee chair and a coach on the committee. Interviews will take place the week of Sept. 21 with the goal of having these two individuals start on Oct. 12.
4. **2027 and 2028 bids.** The committee reviewed bids submitted for the 2027 and 2028 championships. The committee identified the preferred site for the 2027 championship and directed staff to begin the hotel contracting process. Provided there are enough hotel rooms in the area, the committee will make the official recommendation on the host site on a future videoconference. Due to the low number of bids received for the 2028 championship, the bid portal remains open and the committee will review those submissions at a later date.
5. **Other business.** The committee was reminded to complete the annual conflict of interest form, which is due Sept. 25. Additionally, it was noted that a new championship manager has been identified as a result of the current championship manager accepting a new position at the national office.
6. **Future videoconferences.**
