Separate hotels are needed for the NCAA, media, officials and participating teams unless specified otherwise by the NCAA. It may be permissible for the media or game officials to be assigned to the same property as the NCAA headquarters hotel. (Game officials and teams may not stay in the same hotel.) Efforts will be made to provide some deference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

REGIONAL: The host institution shall hold 16 non-smoking hotel rooms (14 doubles and 2 singles) May 18-21 (May 17-20 for Thursday-Saturday regional sites) for each team that travels to the regional site. The host institution is responsible for reserving hotel accommodations for (a) the participating teams that are traveling to the site; (b) game umpires; and (c) NCAA committee and media. The tournament manager conducts a survey of the recommended properties and executes contracts with those selected. The host institution is financially responsible for the official accommodations to be reimbursed by the NCAA.

The tournament manager will recommend team hotels of comparable quality, rates and proximity to the facility. Hotels should be as close to the facility as possible (ideally within walking distance), but not be more than 30-minutes from the facility. The team hotel(s) must be of comparable quality and distance from the arena. In addition, host must be prepared to make additional reservations for members of official parties as requested by visiting teams. The best possible rates should be obtained to reduce participant's expenses.

Guarantee: The 15 double-double, non-smoking rooms for the teams should be guaranteed. If a team prefers to stay at a hotel other than the one to which it has been assigned, it must (a) obtain from the hotel manager a written release of the 15 rooms, or (b) use the rooms for persons accompanying the official party. If an institution fails to make satisfactory arrangements with the hotel for the use of the 15 rooms, full charges for these rooms will be deducted from that teams per diem.
