Randy Bruns,  
NCAA Baseball Secretary-Rules Editor

SUBJECT: Baseball Call for Proposals.

The NCAA Division I Baseball Rules Subcommittee and Divisions II & III Baseball Rules Committee are now accepting your rules change proposals. Each rules proposal will be considered for placement on the annual rules survey, which will be distributed to head coaches, commissioners, conference sport administrators, directors of athletics and registered umpires in early-May. Head coaches and umpires will be contacted directly with a survey link. Campus and conference athletics administrators should access the survey on the NCAA Rules Survey Dashboard. The rules committee or subcommittee will discuss all rules proposals at its annual meeting in July.

Please use this [link](#) to record your proposal and rationale. This form must be fully completed in order for the proposal to be accepted. **All proposals must be received by March 28, 2025.**

If you have any questions about the proposal process, please contact Stanley Broaden at [sbroaden@ncaa.org](mailto:sbroaden@ncaa.org).
