

**REPORT OF THE
NCAA DIVISION II MEN'S AND WOMEN'S BASKETBALL COMMITTEES
FEBRUARY 5, 2025, VIDEOCONFERENCE**

ACTION ITEMS.

- None.

INFORMATIONAL ITEMS.

1. **KPI overview.** The committees received an overview of the KPI. Both committees added KPI as one of the three sport-specific selection criteria for the 2024-27 three-year cycle. The committees requested additional educational material be made available for use during ranking calls. Staff will share that resource once finalized.
2. **Final site hotel blocks.** The committees reviewed the historical room pickup at the final site for both championships since the 2021 championships. Based on that data, the committees agreed to modify the final site room blocks to 18 rooms per team.
3. **Championships Committee updates.** The committees were informed that the Division II Championships Committee is requesting feedback from sport committee members regarding the potential use of the NCAA Power Index (NPI) for selections. The committees will schedule a separate meeting to provide this feedback before the Championship Committee's June meeting.
4. **Future meetings.**
 - April 28-29, 2025 (annual meeting in Indianapolis).
