

STUDENT-ATHLETES

A student-athlete found in violation of the prohibition against knowingly participating in any sports wagering activities or providing information to individuals involved in or associated with any type of sports wagering activity that involves intercollegiate, amateur or professional athletics competition shall be ineligible for further intercollegiate competition, subject to appeal to the Committee on Student-Athlete Reinstatement for restoration of eligibility.

POSTSEASON

In championships in which a bracket format is used, student-athletes, coaches and administrators may not participate in bracket competitions when there is both a required entry fee and an opportunity to win a prize. Student-athletes and administrators may participate under current NCAA rules in bracket contests when there is no entry fee but a possibility of winning a prize. Some NCAA member schools, however, have chosen to ban student-athletes from participating in these types of bracket contests.

HOSTING OPPORTUNITIES

On May 16, 2018, the Board of Governors voted to suspend the NCAA championships policy related to sports wagering and to allow for championships to be hosted in locations regardless of whether a state is considering, or has legalized, sports wagering. The board's decision provides championship location continuity as states contemplate whether to allow legalized sports betting.

Section 4•6 Student-Athlete Experience Survey

After each championship, institutional administrators, coaches and student-athletes will be asked to participate in a post-event survey intended to capture feedback on their recent championship experience. Institutional administrators and coaches will receive an email containing a link to the survey and will be asked to ensure participation from all student-athletes.

Section 5 • Elite 90™ Award

The Elite 90 award was created to recognize the true essence of the student-athlete by honoring the individual who has reached the pinnacle of competition at the national championship level in his or her sport, while also achieving the highest academic standard among his or her peers. The award is presented in every sport, every division, and goes to the student-athlete who has the highest cumulative grade-point average of all student-athletes on all teams competing at the finals site. Each institution that has at least one student-athlete qualify for the final round/site is eligible to nominate a student-athlete for the award. One student-athlete per championship will receive the award, and the announcement of the winner will be made at the finals site.

Institutions that wish to nominate a student-athlete must do so through an online nomination process. To receive more information or access the online form and submit a nomination, go to ncaa.org.

Section 6 • Fan Travel

NCAA Travel provides an easy and affordable way for family and fans to follow their favorite student-athlete(s) and team(s) as they participate in NCAA championships competition. Travel arrangements completed through NCAA Travel help support NCAA student-athletes. Please direct your fans to NCAA.com/travel to search and book online hotel, car and air travel, all in one easy transaction.

A minimum of 22 games against Division II teams must be played during the regular season (conference tournament games do not count toward this minimum). Of those 22, a minimum of 18 must be in-region games. Only games played against varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams of four-year, degree-granting institutions located in Canada and the United States, its territories or possessions shall be considered in meeting the 22-game minimum or counted in a team's won-lost record.

Exhibition contest(s) against a non-Division II four-year collegiate institution exempted per Bylaw 17.3.6.4-(c) may be played at any time during the basketball playing and practice season (Bylaw 17.3.3.1).

Results against NCAA members in Puerto Rico count in only the overall win-loss record.

PARTICIPATION PROCEDURES

An institution desiring to participate in the championship must complete all games (including conference tournament games) before the final scheduled selection call of the Division II Women's Basketball Committee Sunday, March 10. If a conference is going to have a conflict with meeting this deadline, the conference commissioner should notify the Division II Women's Basketball Committee and/or the NCAA championship manager.

QUALIFYING STANDARDS

Between teams that qualify automatically by conference berth and teams that are selected by the committee at large, eight teams will comprise each of the eight regional tournaments and these teams shall be paired strictly within region.

The following required selection criteria shall be employed by a governing sports committee in selecting participants for NCAA championships competition:

- Overall Division II in-region winning percentage.

- Nullification.

In addition, the Women's Basketball Committee has received approval from the Division II Championships Committee to consider the following criteria in the selection of at-large teams for the women's basketball championship (not necessarily in priority order):

Sport-Specific Selection Criteria.

- Division II results versus teams with a .500 record or better.
- In-region Rating Percentage Index.
- Performance Indicator.

Section 2•5 Site Selection

Any institution interested in hosting preliminary-round competition of the 2019 championship must submit a proposed budget, respond to sport-specific questions (if applicable) and ensure that the institution's key contacts and facility information are complete and current in the Championships Bid and Profile System. Please note that in order to submit a bid, you must first locate the desired championship in the "Championships Available for Bidding" section and select "Start Bid."

Committee/site representative's per diem, mileage and luggage fees will be paid by the NCAA instead of the host institution. Game officials will be reimbursed via the ArbiterPay system for their game fee, per diem, mileage and luggage fees.

For both the game officials and committee/site representatives, institutional hosts will pay for their lodging expenses and be reimbursed by the NCAA. However, if the NCAA manages the hotel block for the game officials, the officials' lodging expenses shall be directly billed to the NCAA. The NCAA typically manages the officials' hotel block at the final site for its championships.

The Championships Bid and Profile System can be accessed at championships.ncaa.org. The deadline to submit all materials for hosting regionals is March 1.

FINAL FINANCIAL REPORT

[Reference: Bylaw 31.4 in the NCAA Manual.]

A final financial report from each championship site must be submitted via the online host reporting system to the NCAA not later than 60 days after the competition.

CONTACT INFORMATION

If you have any questions regarding the bid process, please contact Kelsey Jones at 317-917-6651 or kjones@ncaa.org.

HOST REPORTING SYSTEM

An online proposed budget must be completed for each round of competition you wish to host. In addition to projected ticket sales and game expenses, prospective hosts should include the following when completing a proposed budget:

- Committee/site representative lodging.
- Game officials lodging.
- State and city taxes/fees
- Ticket and facility fees

Committees/site representative's per diem, mileage and luggage fees will be paid by the NCAA, not the host institution. All game officials fees also will be paid by the NCAA.

FACILITY PROFILE

Institutions interested in hosting regional competition of the 2019 championship must add (or ensure accuracy of) facility information for the applicable competition venue. This information is located at championships.ncaa.org. Any supporting information — e.g., facility diagram, pictures — may be uploaded and attached to that facility's profile. This information will be made available to the sport committee to aid in their deliberations of prospective host sites.

If you submitted a facility evaluation form for this championship last year, please verify and/or edit all responses as needed.

KEY CONTACTS

Each institution should list and then maintain its key contacts associated with each sport and the institution. Individuals can be added or removed via the Championships Bid and Host Profile portal at championships.ncaa.org.

Personnel who will administer the competition should be listed on the key contacts form. **Please include the proper mailing address for overnight deliveries. The system will not accept P.O. Box addresses.**

SAFETY AND SECURITY PLAN

Based on a review of current and future championships competition venues, discussions with safety and security experts, and their own expertise and knowledge, the NCAA has established a Safety and Security Advisory Group (SSAG) to develop a compilation of [Best Practices for NCAA Championships](#), which can be found in the "Help/Other Resources" tab in the championship host portal. We urge each competition venue to take these Best Practices into account when developing its safety and security program.

As part of your bid, please submit a safety and security plan for your venue, which would be inclusive of the NCAA Championships Safety and Security Team contact information form, located in Appendix A of the Best Practices document.

GAME ADMINISTRATION AND TABLE CREW REFERENCE SHEET**
Edited by Jon M. Levinson, Women's Basketball Secretary-Rules Editor
jonlevinson@icloud.com

GAME ADMINISTRATION

Game administration shall make available an individual at each basket with a device capable of untangling the net when necessary. The individual must ensure that play has clearly moved away from the affected basket before going onto the playing court.

SCORER

It is strongly recommended that the scorer be present at the table with **no less than 15 minutes** remaining on the pregame clock.

Signals

1. For a team's fifth foul, the scorer will display two fingers and verbally state the team is in the bonus. The public-address announcer is not to announce the number of team fouls beyond the fifth team foul.
2. In a game with replay equipment, record the time on the game clock when the official signals for reviewing a two- or three-point goal.
3. For a disqualified player, the scorer will inform the officials as soon as possible by displaying five fingers with an open hand and verbally state that this is the fifth foul on the number of the disqualified player.

GAME CLOCK TIMER

TIMER must:

1. Confirm with the officials that the game clock is operating properly, which includes displaying tenths-of-a-second under one minute, the horn is operating, and the red/LED lights are functioning. These tests are to be performed before arriving at the pregame meeting with the officials. If these tests have not been conducted prior to the meeting, they are to be done immediately following the meeting.
2. Not sound the horn at the media-timeout mark unless the officials fail to recognize the media-timeout window.
3. Not to sound the horn for a disqualified player until the reporting official notifies the timer to start the clock for the disqualified player.
4. Have a digital stopwatch available (may **not** be a cell phone) to time the length of timeouts, the intermission following the first and third periods, any injury/blood, or displaced lens situation. The game clock may not be used to track time during any of these situations.
5. Notify the official of any timing mistake or malfunction of the timing device.

START the clock when an official signals that an inbound player touches the ball during:

1. The jump ball.
2. Any throw-in after the ball has been released by the thrower-in.
3. An unsuccessful free throw that will remain live.

STOP the game clock when:

1. An official's whistle sounds.
2. A goal is successful (clears the bottom of the net) in the last 59.9 seconds of the fourth and all extra periods.

SOUND A WARNING HORN 15 seconds before time expires for:

1. The 20-second time limit to remedy a blood or lost/displaced contact lens situation or to replace an injured player.
2. The 15-second time limit to replace a disqualified player.
3. Intermission.
4. Any timeout.

DIVISION II WOMEN'S BASKETBALL

SOUND A FINAL HORN when time expires for:

1. The 20-second time limit to remedy a blood or lost/displaced contact lens situation or to replace an injured player.
2. The 15-second time limit to replace a disqualified player.
3. Intermission.
4. Any timeout.

For more information on duties of the timer, see Rule 2-10. When the Precision Timing System is used, the timer is still required to start and stop the game clock by rule.

ALTERNATING-POSSESSION ARROW

SET arrow to start the game or any extra period when:

1. A team obtains the initial possession/control of the ball.
2. After a violation or non-personal foul, the ball is placed at the disposal of the thrower-in.
3. After a personal foul, the ball is placed at the disposal of the thrower-in or free throw shooter.

SWITCH arrow when:

1. A throw-in ends (an inbounds player legally touches the ball on throw-in).
2. The throw-in team violates (example: thrower-in steps over the boundary line).

DO NOT SWITCH arrow when:

1. A team fouls on an alternating-possession throw-in.
2. Ball is intentionally kicked or fisted during an alternating-possession throw-in.

For more information on the alternating possession procedure, see Rules 6-3 and 6-4

SHOT CLOCK OPERATOR

SHOT-CLOCK OPERATOR must:

1. Confirm that the shot clocks are operating properly, which includes the horn sounding at zero and the red lights connected to the game clock do **NOT** engage at zero on the shot clock. This test is to be performed before arriving at the pregame meeting with the officials. If these tests have not been conducted prior to the meeting, they are to be done immediately following the meeting.

START shot clock when:

1. A team gains possession on a:
 - a. Rebound.
 - b. Jump ball.
 - c. Loose ball after a rebound or jump ball.
2. An official signals that an inbounds player legally touches the ball on a throw-in.

STOP shot clock when an official's whistle sounds.

FULL RESET when:

1. There is a change of possession with a new team in control.
2. There is a single personal, unsportsmanlike, or disqualifying foul.
3. Opponents commit fouls which stop play and one foul is unsportsmanlike or disqualifying.
4. There is a single technical foul on the defensive team
5. A try/shot (not a pass) hits the rim or flange then a team possesses the ball.
6. There is a violation (except a kicking or fisting violation).
7. There is an inadvertent whistle with no team control.

RESET to 15 seconds when there is an intentionally kicked or fisted ball with 14 seconds or less on the shot clock.

NO RESET when:

1. The offense retains possession after the following:
 - a. A held ball.
 - b. An out-of-bounds violation.
2. There is an intentionally kicked or fisted ball with 15 seconds or more on the shot clock.
3. There is an injured player.
4. There is a timeout.
5. A double foul occurs, or opponents commit fouls of equal gravity.
6. There is a technical foul on the offensive team.
7. There is an inadvertent whistle with team control.

ALLOW shot clock to run:

1. During loose ball situations.
2. During a try for goal.

TURN OFF shot clock when there is a reset situation and there is less than 30 seconds remaining on the game clock.

For more information on duties of the shot clock operator, see Rule 2-11.

MEDIA TIMEOUT (See Rule 5-14.10 for timeout rules)

1. Media timeouts are permitted in any game.
2. The length of a media timeout is determined by the host institution/conference or the electronic-media agreement between the host institution/conference and their media partner.
3. The media-timeout format includes one scheduled media timeout at or below the 5-minute mark in each period.
4. A team-called timeout called before the 5-minute mark or anytime at or under the mark when there has been no other whistle, will become the media timeout in that period.
5. The first team-called timeout of the second half will become the electronic-media timeout. This does not replace the 5-minute media timeout in that period.
6. The official will give the media timeout signal regardless of what kind of timeout is being requested. Following the media timeout signal, the official will then report to the scorer whether the timeout is charged as a 30- or full timeout depending on what the coach requested. Teams are charged with what they request even when that timeout becomes a media timeout.
7. The intermission between the first and second periods and between the third and fourth periods may be used as an electronic-media timeout (per the media agreement).
