The logo may not be closer than one inch from the number. Other logos on the game jersey (institutional, conference, commemorative/memorial, manufacturer, and/or the institution's national flag, must fit within a four-sided geometrical shape no larger than 2 ¼ square inches (Rule 1-25.2). On the game shorts, there is no size restriction on institutional logos, names, nicknames or mascots. However, a single conference logo and/or single manufacturer's logo is permitted as long as it meets the size requirement noted above.

3. Are any words other than the player's name allowed on the back?

Yes, the back of the jersey may contain one of the following: player's name, school name, a school mascot reference, or other names intended to celebrate or memorialize persons, events, or other causes.

4. Are words allowed on headbands, wristbands, or sleeves?

Women: Words are not permitted on headbands, wristbands, or sleeves, as they must be a single solid color of white, black, beige, or any color contained in the game jersey (Rule 1-

24.1 and .4). A color contained in the game jersey refers to the fabric of the jersey (neutral zone, trim around any opening or the side panels). Colors contained in numbers, names/words or any logo may not be used as a legal color for these items. The only permitted item on a headband or wristband is one manufacturer's logo or one institutional logo that shall meet the size restriction of Rule 1-25.2.

Men: Words are not permitted on headbands, wristbands, or sleeves, as they must be a single solid-colored item similar to the dominant color of the game jersey, white, black, or beige (Rule 1-24.1 and .4). The only permitted item on a headband or wristband is one manufacturer's logo or one institutional logo that shall meet the size restriction of Rule 1-25.2.

5. *Are words, slogans, messaging, etc. allowed on items (e.g., taped wrists) that are not required apparel/equipment?*

The rules do not specifically address words, slogans, messaging, etc. on items that are not required by rule (other than as noted in no. 4 above).

6. *What is unsportsmanlike conduct and how are these acts penalized?*

Women: Misconduct is behavior or an act that is unbecoming to a fair, ethical, and honorable individual. It may be penalized by a player-substitute technical foul or a bench technical foul (Rules 10-12.3.a and 10-12.4.a).

7. *What are the rules about jersey colors for opposing teams?*

The rules specify that the home team shall wear light game jerseys and game shorts and the away team shall wear dark game jerseys and game shorts. This rule may be altered by mutual consent of the competing institutions as long as the color of the shirts are still contrasting (Rule 1-22.4). Final authority on contrasting shirts rests with the Referee.

8. *What are the rules about the contrast of jerseys and numbers?*

Numbers must be one single solid color that is clearly in distinct contrast (strikingly different in color and shade) with the neutral zone and may be bordered by no more than a ½-inch border of any color(s). The border is not part of the number and may not be used to fulfill the requirement that the number contrasts with the neutral zone (Rule 1-22.7.b.6).

9. *What is the penalty for wearing a jersey whose numbers do not contrast?*

The penalty is an administrative technical foul. When more than one team member violates, only one administrative technical foul shall be assessed (Women: Rule 10-12.2.c.3, Men: No Penalty).

10. *What is the purpose of the rules regarding numbering and visibility?*

The rules for contrasting numbers and visibility are intended to provide clearly visible numbers for the stakeholders: officials, players, coaches, fans, media, television audience,

etc. This means that the numbers should be clearly visible at a distance under a variety of weather and lighting conditions.

An institution shall not, for statistical purposes, declare a forfeit for non-fulfillment of a contract, but rather shall declare a "no contest." When officials are not present or available to officiate, there cannot be a sanctioned game/contest.
