## 2. Concerning the restricted-area arc and lower defensive box:

A. Keep the current rule for the restricted-area arc and lower defensive box.

B. Keep the current rule for the restricted-area arc and lower defensive box, but the rule would only apply when the offensive player is airborne.

C. Eliminate the restricted area and lower defensive box.

3. Currently, there may be no electronic transmission to or from the bench area for coaching purposes (Exceptions: (1) the transmission of data pertaining to the health and safety of a player may be transmitted to the medical staff in the bench area but may not be shared with the coaching staff for coaching purposes (2) the transmission of live data for coaching purposes.) Which of the following would you support?

A. Allow live video to be transmitted to the bench area from any location within the facility.

B. Do not permit live video to be transmitted to the bench area from any location within the facility.

Point of Emphasis #6 – Contact On/By the Ball Handler/Dribbler

The defender is only permitted a one handed “hot stove” touch on the ball handler/dribbler. Any other touching by the defender with one hand or two, continual or continuous, or an arm-bar is a foul. Body bumping by a defender that affects the rhythm, speed, balance, or quickness of the dribbler or reroutes the dribbler off her path is a foul.

**1. Officials consistently enforced the ball handler/dribbler rule as stated above.**
