Please see APPENDIX III for all course maps and legends.

DRESSING ROOMS

Locker rooms are available in the golfcourse Club House – one male and one female locker room provided.

DRUG TESTING

Please see the 2019 NCAA Division I Cross Country Pre-Championship Manual for information.

Note that if drug testing does not occur during this championship round and/or a test is required outside of the standard championship protocol (e.g. national record, world junior record, etc.), the cost associated with such a test will be the responsibility of the tested student-athlete’s institution.

ENTRY PROCEDURES

In order to be eligible for participation in the regional and national meets, institutions must submit an NCAA official online entry roster form through DirectAthletics prior to the regional cross country championships. Coaches will be allowed to submit a maximum of 12 student-athletes on the entry form, of which no more than seven must be declared to participate prior to competition. Only the 12 student-athletes listed on the entry form may compete in the regional and/or national championship meets. Coaches will not be able to change the 12 student-athletes on the entry form should the team qualify for the national championship meet.

The entry form will be available beginning at 8 a.m. Eastern time, Monday, November 4. Coaches must submit the forms ONLINE by 5 p.m. Eastern, Thursday, November 7. The late deadline, with fine, for regional entries is 5 p.m. Eastern on Friday, November 8. A late fine will be assessed in the amount of $400 per team/per gender. No entries will be received after this deadline. Each institution should print a copy of its entry forms to take to the regional and national sites.
The online entry roster form can be accessed through DirectAthletics at www.directathletics.com. If you experience technical difficulty using the online entry system, please contact DirectAthletics (support@directathletics.com; phone: 347-674-3002).

Entries will be posted at 2019 NCAA Mountain Region XC Results by 5 p.m. local time on Monday, November 11.

The qualifying finish of teams and individuals at the regional meets will constitute entry into the national meet. No further entry is required for the national meet.

Please follow instructions below to complete your entries for the regional/national championship.

Please note: If you already have a DirectAthletics account for your team, you should login at www.directathletics.com and use your existing account to submit your entries. The NCAA entry process is no different than submitting entries to other DirectAthletics meets. If you know you have an account but have forgotten your username/password, you can click the “Login Trouble” link next to the login box.

STEP 1—Creating a DirectAthletics Account
If you are new to DirectAthletics, you will be able to create an account for your team by following the instructions below:

2. On the right side (in the New Account Creation box), select your division.

3. Select your team, choosing only the genders for which you are submitting entries. Enter your contact information—this information will be used only by the NCAA and the meet hosts. Last, enter the username and password you would like for your account. Please choose a username that is unique—common usernames like “bears” or “adam” or “track” are likely to be taken.

4. Click Continue and you will be brought to the default Team Roster page. You can see what team you are controlling by looking at the Team dropdown on the navigation bar across the top of your account [i.e., Texas (Men)]. If you have a men’s and women’s account, it will usually default to men first.

5. Follow Step 2 below to enter your roster.

STEP 2—Setting Up Your Online Roster
Before submitting your entries for the championships, you must first add all attending student-athletes to your DirectAthletics roster:

1. On the default Team Roster page, click the green “Add Athletes” link above “Welcome to your DirectAthletics account!”
2. Select the number of student-athletes you wish to enter. You can always add more later.

3. Enter your student-athletes’ first names, last names and school years and click “Submit”. Please be aware of what gender you are entering—you will complete the roster and entry process for one gender first, and then repeat the process for the other gender (see the Important Notice after Step 3 below)

4. The system will display the student-athletes you have added to your roster. You are now ready for the final step of Submitting Your Roster/Entries.

**STEP 3—Submitting Your Roster/Entries**

*Once your student-athletes are added to your roster, you must submit your roster to the NCAA Division I Championships.*

1. Click the HOME tab in the upper left of the site. Under Upcoming Meets, click the green Register button next to the NCAA Division I Championships.

2. Check off the box for each student-athlete you wish to enter. You can check the top box to select (or un-select) your entire roster. If you have left anyone off your roster accidentally, you can add them using the “Add New Entry” box.

3. When you have completed your entries, click “Submit”. You MUST click “Submit” to submit your entries.

4. You will see your current, submitted entries on the “View Entries” page. For entry confirmation, click the link for a printable receipt or click the Email Confirmation link at the top of the “View Entries” page. An Email Confirmation will be sent to the email address in your account.

5. At any time before the entry deadline, you may edit your entries by clicking the “Edit Entries” link next to the meet in the HOME tab.

*Please note if you are entering Men AND Women, you will now repeat Steps 2 and 3 with the other gender. Select the opposite gender from the Team dropdown on the navigation bar across the top of your account. Repeat Steps 2 and 3. You must request separate email confirmations for Men and Women.*

**REMINDER:** It is the coach’s responsibility to inform the cross country/track and field committee immediately if for some reason a student-athlete entered and selected to compete in any national competition cannot compete.

**DECLARATIONS:** Onsite declarations will be held during packet pickup from 2-4 p.m. Thursday, November 14 at the Rose Park Golf Course. The pick-up location will be at a labeled tent on the East side of the Club House. If an institution declares more than seven student-athletes during packet pickup (i.e. takes an eighth or ninth set of chips and bibs), those
additional chips and bibs must be returned to meet management, in the clerking area, no later than 20 minutes prior to the start of the race.

**FINAL DECLARATION AND CHECK-IN:** Student-athletes must check-in with the clerks at the assigned clerking location up to 80 minutes prior to the start of their race. Teams are encouraged to check-in as soon as possible, but not later than 20 minutes prior to their race. Check-in will NOT be allowed at the start line and all teams must report and check-in at the assigned clerking location. When teams check-in at the clerking location, they will be required to show that they have their hip numbers, chips on their spikes/bib, bibs on their jersey, and that their uniforms meet the NCAA logo requirements.

Please note that teams and/or individuals that check-in late and not in accordance with the times outlined in this manual will jeopardize participation in their race, will have a letter sent to their institutional athletics director and will have a financial fine assessed for failing to abide by championship policies.

**SQUAD SIZE:** Teams are limited to a maximum of seven competitors. A team running more than seven will be disqualified and the action will be considered misconduct. Institutions entering five to seven runners in the meet must compete as a team. If fewer than five competitors run, they will compete as individuals.

**EVACUATION/SEVERE WEATHER PLAN**

**Lightning Policy.** Following NCAA protocol, we will be using WeatherBug weather tracking system, utilized by the University of Utah Athletics Department. Once lightning enters the 30-mile radius of competition, we will begin preparations to protect the student-athletes and spectators. Once lightning enters within an eight-mile radius of our site, competition must stop and student-athletes and spectators will be moved to safe areas. We will not begin any activity until 30 minutes have passed since the last lightning strike inside the warning ring.

**Shelter Locations.** All student athletes, coaches, team staffs, University of Utah staff, NCAA staff, and other working persons shall seek shelter in the Rose Park Golf Course Club House. All spectators and media personnel will be directed to exit the Golf Course and seek shelter in their vehicles. Fans and media will be notified of the restart of competition via our Twitter link: @Utah_trackfield.

**Severe Weather Policy for NCAA Cross Country Regional Championships**

For the safety of all spectators, student-athletes, officials and coaches the following will be used in case of severe weather (e.g., lightning, cold temperatures and/or heavy snow):

1. The meet director and NCAA cross country/track and field committee will monitor the weather during the week and morning of the championships.

2. Information on delays and/or postponements will be available at @Utah_trackfield on Twitter. The host will provide all necessary information alerting coaches of different start times or delays in course inspection times due to any inclement weather.
3. The games committee will determine whether the start of the meet should be delayed or if the meet should be postponed until the following day. The games committee at the regional will make their recommendation to the NCAA with the NCAA approving the final plan.

4. If the race has already begun and would have to be suspended in the middle of the competition, the cross country/track and field committee would recommend the following:

**Men’s 10,000 meter** - If competition is suspended before the 3,000 meters mark you may run the same day with a two-hour delay. If competition is suspended after 3,000 meters we would recommend postponement until the next day.

**Women’s 6,000 meter** - If competition is suspended before the 2,000 meters mark you may run the same day with a two-hour delay. If competition is suspended after 2,000 meters we would recommend postponement until the next day.

5. If necessary, competition may be postponed until Saturday, per NCAA policy, with similar if not the same start times. This information must be communicated with all involved institutions.

**Appropriate provisions will be made to the facility to ensure the safety of competitors and spectators. The games committee reserves the right to make changes to the above policies and schedules as they see fit.**

**FINISH LINE PROCEDURES AND TIMING/RESULTS**

The order of finish will be verified with the Finish Lynx system. Two Lynx cameras will be on the finish line, with one camera on each side of the finish line. A secondary video system will be used as a backup. Timing equipment will be used on the course at each kilometer that will include a clock. Live results will be displayed of all timing data.

The timing chips are on the reverse of each bib number and do not need to be returned. Please advise your athletes that the bib number must NOT be crumpled or damaged in any way as that will damage the antenna of the timing chip. At the finish runners should continue racing past the finish line. Once they have crossed the finish line, runners should continue to move through the finish chute as quickly as possible. Runners need not maintain their order of finish in the chute. Water and trainers will be available at the end of the finish area. Coaches and fans can wait for runners outside of the finish chute.

If there is a frost delay, the races will not start until at least 1 hour after clearance is received to enter the course.

Utilizing chip technology, unofficial results will be posted and available in real time both onsite and online. However, note that results from chip technology are not official results. Results will not become official until the timing company has completed all necessary video review and the official protest window has closed.
PACKET PICK UP
Packets will be available Thursday, November 14, from 2-4 p.m. at a labeled tent on the East side of the Rose Park Golf Course Clubhouse. Please see map in APPENDIX III.

MANDATORY COACHES’ MEETING
Coaches are required to attend the mandatory coaches’ meeting on Thursday, November 14 at 4:30 p.m. at Hotel RL: Rooms Avenues 1&2. **Failure to attend the mandatory coaches’ meeting will result in a minimum of a $200 fine/gender/institution.** Hotel address is available in APPENDIX II.

**Please check @Utah_trackfield on Twitter on race and practice days before leaving for the course for frost warning or severe weather updates if necessary.**

PROTESTS
A protest area will be located near the finish line. Forms will be available at the tent for the head coach to provide information about the alleged incident or problem, citing the NCAA rulebook. The head referee’s ruling and explanation will be posted along with the results of the race. There will be no jury of appeals and the referee’s decision will be final. There will be two 15-minute protest periods, one following each of the races (women and men). Each of the protest windows will begin when the results of the race have been posted at the protest tent. There is a $100 protest fee (cash only) for each protest. The $100 fee is refundable only if the protest is overturned.

UNIFORMS

In all events and award ceremonies, competitors must wear the proper uniform (warm-ups included) of the institution they represent in the championships. Uniforms for all cross country
team members must meet the following criteria: (1) school-issued; they must be identical; (2) pants may be of any length, but must have identical color; and (3) visible undergarments, including arm and leg-warmers, must be of an identical solid color. Uniforms must be clean and of a material and design so as not to be objectionable. Bare midriff tops are not acceptable. (Note: The uniform top must meet or hang below the waist band when the competitor is standing.) Uniforms must allow for competitors’ numbers to be placed above the waist (front and back) and for hip numbers to be placed on the hip, not on the leg or thigh. Uniform tops must not obscure hip numbers.

**Logos.** An institution’s official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, arm-warmers, wristbands, visors and hats) that are worn by student-athletes in competition may bear a single manufacturer’s or distributor’s normal trademark, not to exceed 2.25 square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, parallelogram). In addition, an institution’s official uniform cannot bear a design element similar to the manufacturer’s that is in addition to another logo or that is contrary to the size restriction. A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2.25 square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity, other than the student-athlete’s institution. These restrictions apply to all apparel worn by student-athletes during the conduct of competition, which includes prerace or post race activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.
