Runners will not be able to run on the course until it is cleared by meet management in order to preserve best possible course conditions for Saturday races. Please call (850)645-GAME or check Twitter at @FSU_Track on Twitter for possible frost or weather delays.

Evacuation/Severe Weather Plan

Lightning Policy

Following NCAA protocol, we will be using an online lightning detection and weather monitoring system. Once lightning enters a 30-mile radius of the competition venue, we will begin preparations to protect the student-athletes and spectators. Once lightning enters within an eight-mile radius of our site, competition must stop and student-athletes and spectators will be moved to safe areas. We will not begin any activity until 30 minutes have passed since the last lightning strike inside the warning ring.

Shelter Locations

In the event of inclement weather teams, coaches and spectators should seek shelter in their cars, vans, or buses.

Severe Weather Policy for NCAA Cross Country Championships

For the safety of all spectators, student-athletes, officials and coaches the following will be used in case of severe weather (e.g., cold temperatures, heavy snow, lightning):

1. The meet director and NCAA cross country/track and field committee will monitor the weather during the week and morning of the championships.
2. A phone number and Twitter account for information on delays and/or postponement has been established. The phone number is (850)645-GAME and Twitter handle is @FSU_Track on Twitter. The host will leave a message at both the phone number and Twitter handle alerting coaches of different start times or a delay in course inspection times due to inclement weather.
3. The NCAA Cross Country/Track and Field Committee, in consultation with the host and head referee, will determine whether the start of the meet should be delayed or if the meet should be postponed until the following day.
4. If the race has already begun and would have to be suspended in the middle of the competition, the cross country/track and field committee would recommend the following:

Men's 10,000 meter - If competition is suspended before the 3,000 meter mark you may run the same day with a two-hour delay. If competition is suspended after 3,000 meters they would recommend postponement until the next day.

Women's 6,000 meter - If competition is suspended before the 2,000 meters mark you may run the same day with a two-hour delay. If competition is suspended after 2,000 meters they would recommend postponement until the next day.

5. If necessary, competition may be postponed until the next day, per NCAA policy, with similar if not the same start times. This information must be communicated with all involved institutions.

****** Appropriate provisions will be made to the facility to ensure the safety of competitors and spectators. The NCAA Cross Country/Track and Field Committee reserves the right to make changes to the above policies and schedules as they see fit.

Course Markings:

White lines, natural boundaries, and fencing will mark the course. Umpires will be stationed on the course. Kilometer and mile markers will be located at all men's and women's mile and kilometer locations.

Declarations/Entry Forms:

Institutions are required to declare during packet pickup on Friday between 10 a.m. and 2 p.m. at Apalachee Regional Park (7550 Apalachee Pkwy, Tallahassee, FL 32311). The runners declared for the national championships may be different from those that competed at the regional meet, but all must have appeared on the original entry form submitted prior to the regional championships. If an institution declares more than seven student-athletes during packet pickup (i.e. takes an eighth or ninth set of chips and bibs), those additional chips and bibs **must** be returned to meet management at the clerking tent no later than 20 minutes prior to the start of the race. **Please note that institutions qualifying as a team will receive no more than 14 total student-athlete credentials.** Teams are encouraged to declare down as far as possible during packet pickup. For additional information regarding entry forms and declarations please see the NCAA Division I Cross Country Pre-Championship Manual.

Championships Clerking. Final Declaration and Check-in Process

The head coach of each institution will be allowed to complete the check-in process on behalf of their team and/or student-athlete(s). Coaches will be required to ensure student-athletes comply with all uniform and logo requirements as well as ensuring their student-athletes report to the starting line not only wearing their hip numbers, bibs and chips, but wearing the **proper** hip numbers, bibs and chips. Uniform and logo rules contained in Rule 22-3 of the NCAA Cross Country/Track and Field Rule Book and Bylaw 12.5.4 in the NCAA Manual shall apply. Failure to comply with these championship policies and the requirements surrounding uniform and logo rules may result in disqualification.

Coaches must check-in their student-athletes with the clerks at the assigned clerking location up to 80 minutes prior to the start of their race (9 a.m. for the women and 9:50 a.m. for the men). Coaches are encouraged to check-in as soon as possible, but not later than 20 minutes prior to the race. Check-in will **NOT** be allowed at the start line and coaches must check-in all teams/student-athletes at the assigned clerking location. Again, be reminded that if an institution declares more than seven student-athletes during packet pickup (i.e. takes an eighth or ninth set of hip numbers, chips and bibs), those additional hip numbers, chips and bibs **must** be returned to meet management, in the clerking area, no later than 20 minutes prior to the start of each respective race.

Please note that teams and/or individuals that are checked-in late and not in accordance with the times outlined in this manual will jeopardize participation in their race, will have a letter sent to their institutional athletics director and will have a financial fine assessed for failing to abide by championship policies.

SQUAD SIZE: Teams are limited to a maximum of seven (7) competitors. A team running more than seven will be disqualified and the action will be considered misconduct. Institutions entering **five to seven** runners in the meet must compete as a team. If fewer than five competitors run, they will compete as individuals.

NCAA Division I Cross Country Championships Protest Process

A protest tent/area will be located near the finish line. Forms will be available at the tent for the head coach to provide information about the alleged incident or problem, citing the NCAA rulebook. The head referee's ruling and explanation will be posted along with the results of the race. There will be no jury of appeals and the referee's decision will be final. There will be two 15-minute protest periods, one following each of the races (women and men). Each of the protest windows will begin

when the results of the race have been posted at the protest tent. There is a \$100 protest fee (cash only) for each protest. The \$100 fee will be returned should the protest be upheld.

Locker Rooms:

Locker rooms and showers will not be available.

Drug Testing:

Please see the NCAA Division I Cross Country Pre-Championships Manual for information.

***If drug testing does not occur during this championship round and/or a test is required outside of the standard championship protocol (e.g. national record, world junior record, etc.), the cost associated with such a test will be the responsibility of the tested student-athlete's institution.**

Packet Pick-Up:

Declarations and packet pick-up will be from 10 a.m. to 2 p.m. on Friday, November 19, at Apalachee Regional Park (7550 Apalachee Pkwy, Tallahassee, FL 32311).

Meetings:

NCAA Mandatory Coaches Technical Meeting:

Tuesday, Nov. 16: 1 p.m.

Link will be sent to qualifying team head coaches after selections.

NOTE: Failure to attend the coaches' technical meeting will result in a minimum \$200 fine/gender/institution.

NCAA Press Conference with select student-athletes and coaches

Tuesday, Nov. 16: 4 - 5:30 p.m.

Press conference will be conducted virtually.

Scoring:

NCAA rules for cross-country scoring will be followed. For scoring procedures, please consult the 2021 and 2022 NCAA Cross Country/Track and Field Rules Book.

NCAA Academic Recognition Program – Elite 90 Award:

The Elite 90 award is presented to the student-athlete with the highest cumulative grade-point average competing at the finals site for each of the NCAA's 90 championships. Each institution that has at least one student-athlete qualify for the finals round/site is eligible to nominate a student-athlete to win the award for that championship. All ties are broken by the number of credits completed. For more information regarding this program, please contact NCAA staff at elite90@ncaa.org or 317-917-6222. All documents, including eligibility and nomination forms can be obtained at the following location – [Elite 90 forms](#). The deadline to submit your student-athlete is 5 p.m. Eastern, Tuesday, November 16.

Student-Athlete Participation Awards

An online gift-suite will serve as the participation awards provided to members of the official travel party of institutions that advance to the championship final sites.

After the championships, MainGate/Legends Global Merchandise will send the **head coach** an email providing ordering process details, along with a unique Certificate Code (valid for one participation award per member of your official travel party), that can be redeemed only at www.NCAA-Awards.com. In order to ensure that each participant receives his or her award, a member of your administration must place your team's order, including size information, at www.NCAA-Awards.com using **your Certificate Code**.

Your institution may select different items per participant; men's and women's sizes are available for apparel items. If you would like to purchase additional awards, you will have the opportunity to do so online via personal credit card at the end of the checkout process.

Participation award items will be sent to your institution for distribution to your student-athletes within four to six weeks after your order is placed. If you do not receive information for ordering awards within two weeks of the conclusion of the championship, please contact Erin Hannoy (ehannoy@legends.net), Legends Global Merchandise Customer Service (866-945-7267), or your NCAA championship manager.

[Reference: Rules 4-3 in the Rules Book and Bylaw 12.5.4 in the NCAA Manual.]

Uniform and logo rules contained in Rule 4-3 and Bylaw 12.5.4 in the NCAA Manual shall apply in all championship related events, press conferences and award ceremonies. Competitors must wear the proper uniform (warm-ups included) of the institution they represent in the championships.

The bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.

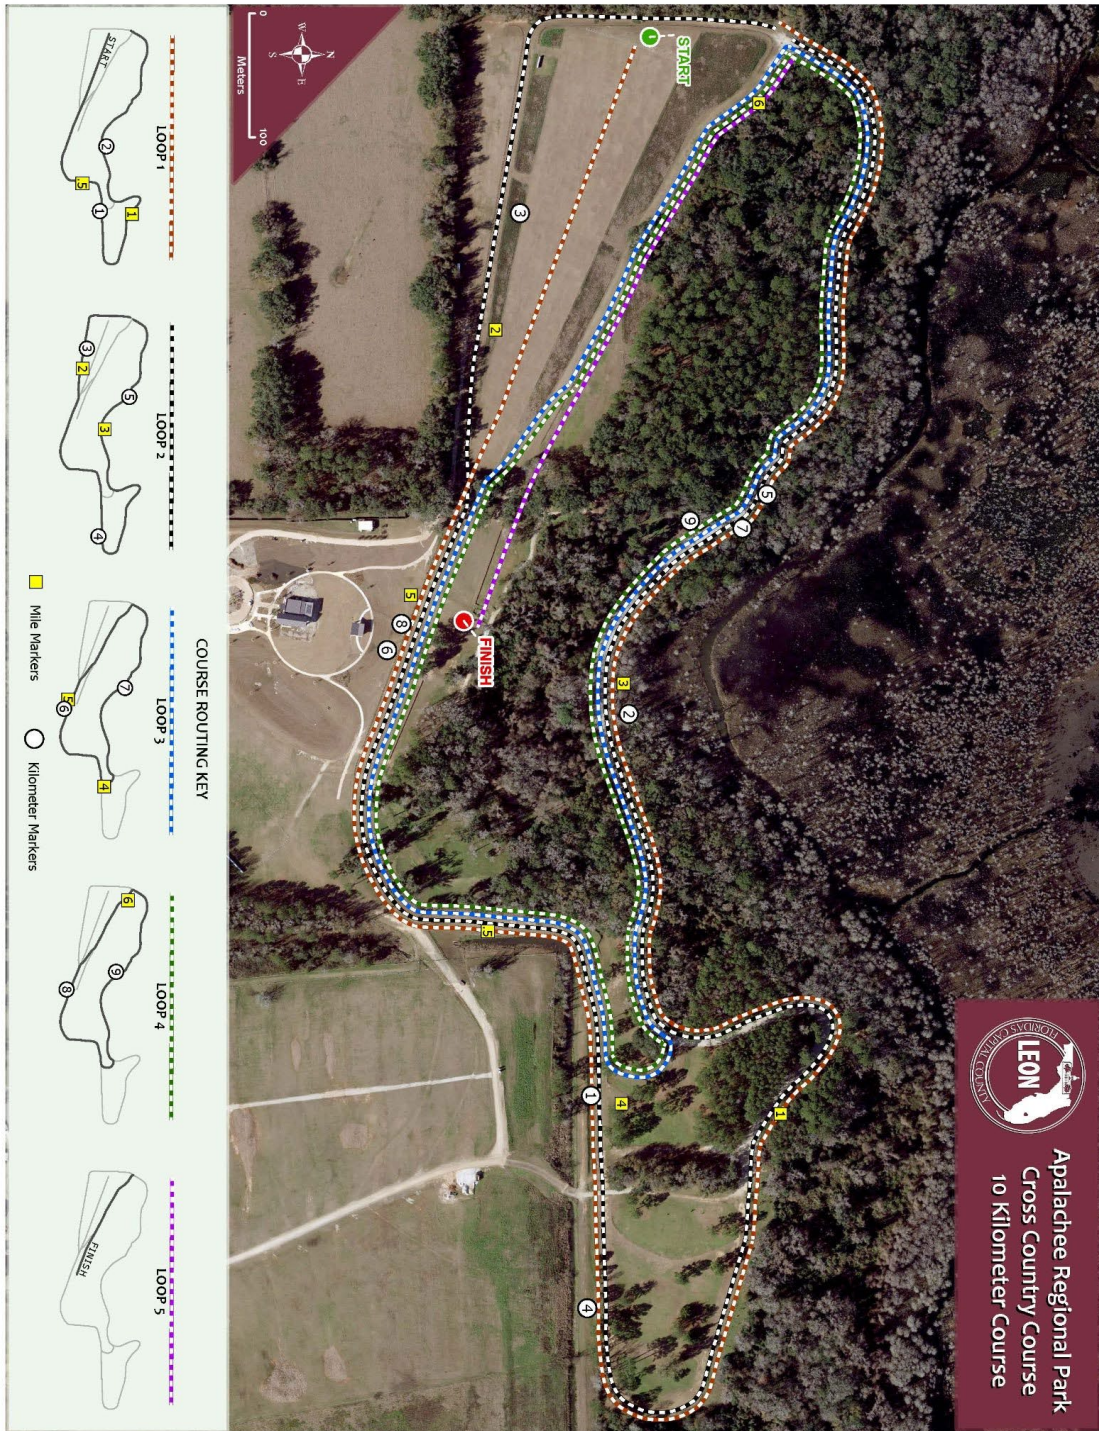

Misconduct (Bylaw 31.1.10)

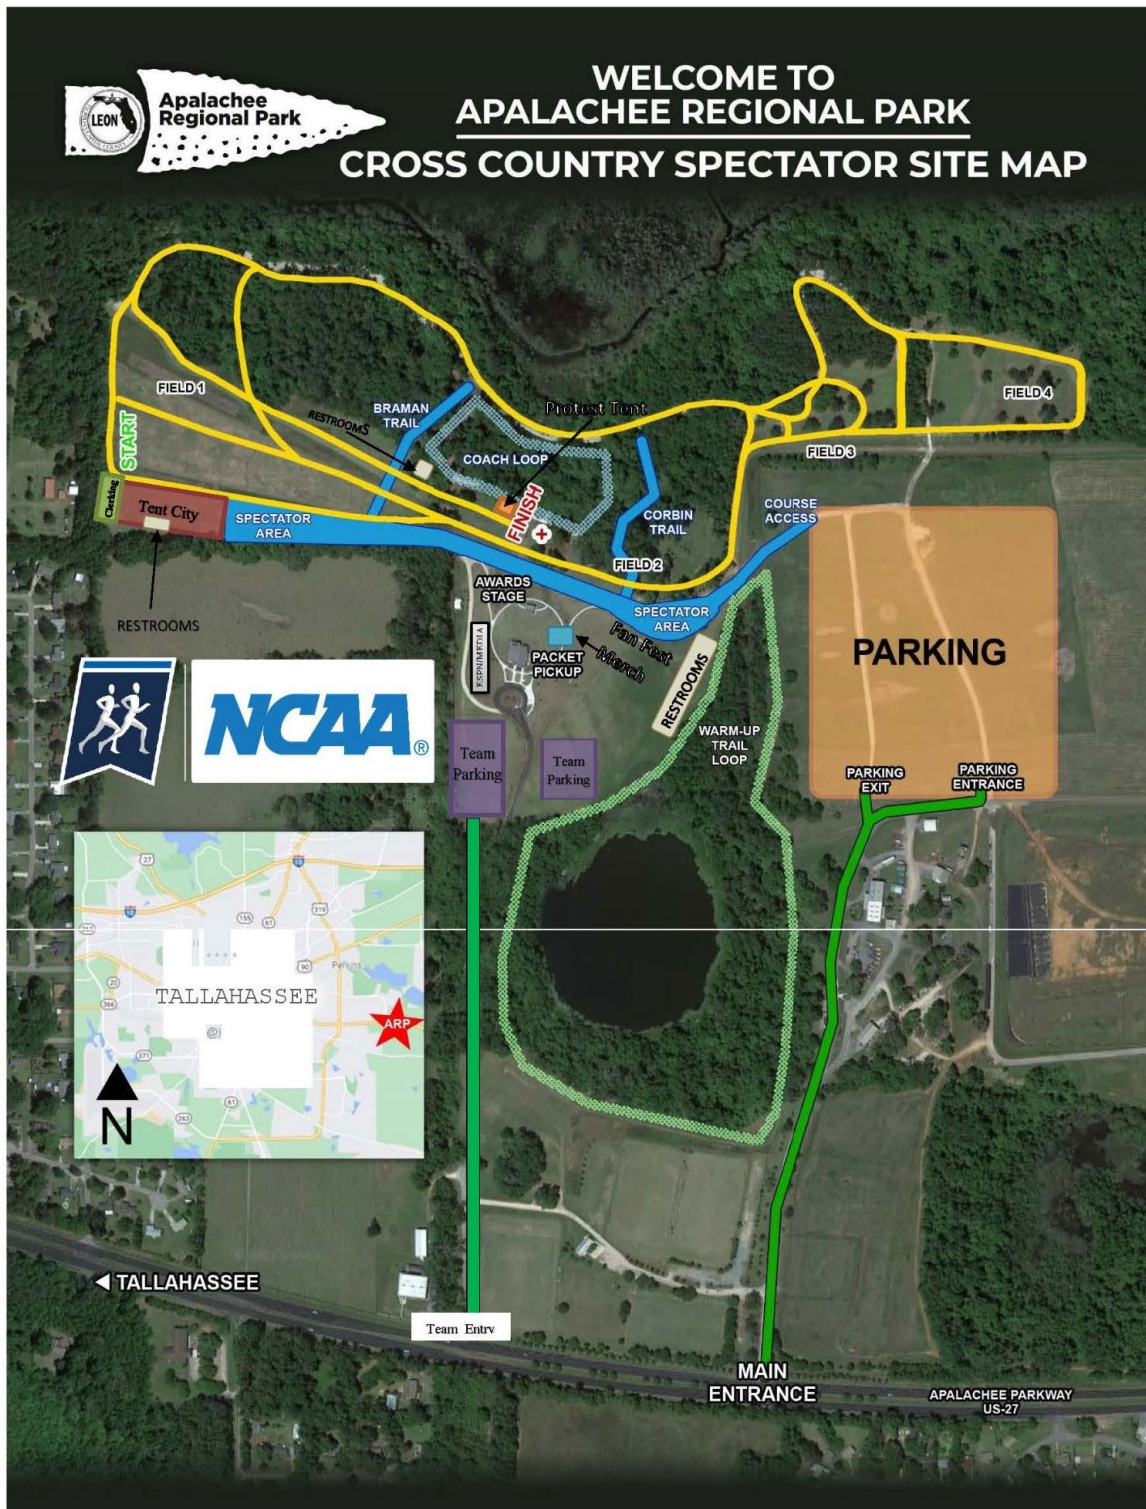

Misconduct Incident to Competition. If the act of misconduct occurs during the competition, under normal circumstances the individual shall be allowed to complete the competition in which he or she is participating at the time of the incident. An administrative hearing shall be held at the conclusion of the day's competition, during a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition and conduct the hearing following this action. Other acts of misconduct may be dealt with at the governing sports committee's convenience.

Penalty for Misconduct. A governing sports committee (or the games committee authorized to act for it) may impose any one or a combination of the following penalties on an institution or any student-athlete or representative of an institution guilty of misconduct that occurs incident to, en route to, from or at the locale of the competition or practice:

- a) Public or private reprimand of the individual;
- b) Disqualification of the individual from further participation in the NCAA championship involved;
- c) Banishment of the individual from participation in one or more following championships of the sport involved;
- d) Cancellation of payment to the institution of the Association's travel guarantee for the individuals involved;
- e) Withholding of all or a portion of the institution's share of revenue distribution;
- f) Banishment of the institution from participation in one or more following championships in which its team in that sport otherwise would be eligible to participate;
- g) Disqualification of an institution for a period of time from serving as host institution for one or more NCAA championships;
- h) Cancellation of all or a portion of the honorarium for hosting an NCAA championship; and
- i) Financial or other penalties different from (a) through (h) above, but only if they have prior approval of the Division I Competition Oversight Committee.
