## ENTRY PROCEDURES

In order to be eligible for participation in the regional and national meets, institutions must submit an NCAA official online entry roster form through [DirectAthletics](#) prior to the regional cross country championships. Coaches will be allowed to submit a maximum of 14 student-athletes on the entry form, of which no more than seven must be declared to participate prior to competition. Only the 14 student-athletes listed on the entry form may compete in the regional and/or national championship meets. Coaches will not be able to change the 14 student-athletes on the entry form should the team qualify for the national championship meet. **Teams are strongly encouraged to maximize their rosters by submitting names to fill all 14 allowable spots when submitting your entries.**

The entry form will be available beginning at 8 a.m. Eastern time, **Monday, November 4. Coaches must submit the forms ONLINE by 5 p.m. Eastern, Thursday, November 7.** The late deadline, with fine, for regional entries is 5 p.m. Eastern on Friday, November 8. A late fine will be assessed in the amount of \$400 per team/per gender. A fine will be assessed to any changes you may make to initial entries during the late window. **Entries officially close at this time and no entries will be received after this deadline.** Each institution should print a copy of its entry forms to take to the regional and national sites.

The online entry roster form can be accessed through DirectAthletics at [www.directathletics.com](http://www.directathletics.com). If you experience technical difficulty using the online entry system, please contact DirectAthletics ([support@directathletics.com](mailto:support@directathletics.com)).

Entries will be posted by the host at [www.wsucougars.com/2024NCAAXC](http://www.wsucougars.com/2024NCAAXC) by 5 p.m. local time on Monday, November 11.

The qualifying finish of teams and individuals at the regional meets will constitute entry into the national meet. **No further entry is required for the national meet.**

Please follow instructions below to complete your entries for the regional/national championship.

***Please note: If you already have a DirectAthletics account for your team, you should login at [www.directathletics.com](http://www.directathletics.com) and use your existing account to submit your entries. The NCAA entry process is no different than submitting entries to other DirectAthletics meets. If you know you have an account but have forgotten your username/password, you can click the “Login Trouble” link next to the login box.***

### **STEP 1—Creating a DirectAthletics Account**

*If you are new to DirectAthletics, you will be able to create an account for your team by following the instructions below:*

1. Go to [www.directathletics.com/ncaa.html](http://www.directathletics.com/ncaa.html).
2. On the right side (in the New Account Creation box), select your division.
3. Select your team, choosing only the genders for which you are submitting entries. Enter your contact information—this information will be used only by the NCAA and the meet hosts. Last, enter the username and password you would like for your account. Please choose a username that is unique—common usernames like “bears” or “adam” or “track” are likely to be taken.
4. Click Continue and you will be brought to the default Team Roster page. You can see what team you are controlling by looking at the Team dropdown on the navigation bar across the top of your account [i.e., Texas (Men)]. If you have a men’s and women’s account, it will usually default to men first.
5. Follow Step 2 below to enter your roster.

### **STEP 2—Setting Up Your Online Roster**

*Before submitting your entries for the championships, you must first add all attending student-athletes to your DirectAthletics roster:*

1. On the default Team Roster page, click the green “Add Athletes” link above “Welcome to your DirectAthletics account!”

2. Select the number of student-athletes you wish to enter. You can always add more later.
3. Enter your student-athletes' first names, last names and school years and click "Submit". Please be aware of what gender you are entering—you will complete the roster and entry process for one gender first, and then repeat the process for the other gender (see the Important Notice after Step 3 below)
4. The system will display the student-athletes you have added to your roster. You are now ready for the final step of Submitting Your Roster/Entries.

### **STEP 3--Submitting Your Roster/Entries**

*Once your student-athletes are added to your roster, you must submit your roster to the NCAA Division I Championships.*

1. Click the HOME tab in the upper left of the site. Under Upcoming Meets, click the green Register button next to the NCAA Division I Championships.
2. Check-off the box for each student-athlete you wish to enter. You can check the top box to select (or un-select) your entire roster. If you have left anyone off your roster accidentally, you can add them using the "Add New Entry" box.
3. When you have completed your entries, click "Submit". You MUST click "Submit" to submit your entries.
4. You will see your current, submitted entries on the "View Entries" page. For entry confirmation, click the link for a printable receipt or click the Email Confirmation link at the top of the "View Entries" page. An Email Confirmation will be sent to the email address in your account.
5. At any time before the entry deadline, you may edit your entries by clicking the "Edit Entries" link next to the meet in the HOME tab.

***Please note if you are entering Men AND Women, you will now repeat Steps 2 and 3 with the other gender. Select the opposite gender from the Team dropdown on the navigation bar across the top of your account. Repeat Steps 2 and 3. You must request separate email confirmations for Men and Women.***

**REMINDER:** It is the coach's responsibility to inform the cross country/track and field committee immediately if for some reason a student-athlete entered and selected to compete in any national competition cannot compete.

**DECLARATIONS:** Onsite declarations will be held during packet pickup from 11:00 a.m. – 4:00 p.m., Thursday, November 14 at the Colfax Golf Club. If an institution declares more than seven student-athletes during packet pickup (i.e. takes an eighth or ninth set of hip numbers, chips and bibs), those additional hip numbers, chips and bibs **must** be returned to meet management, in

the clerking area, no later than 20 minutes prior to the start of each respective race. Late packet pickup will be available the morning of the race at the clerks tent beginning at 9:00 a.m.

**FINAL DECLARATION AND CHECK-IN (RACE DAY) – NOTE NEW PROCESS FOR 2024:** If during initial declarations during packet pickup the institution declared down to seven athletes, or the institution is only contesting an individual(s) and not a team, there is no further action required the day of the race. The only check-in or declaration required the day of the race is for teams that did not declare down to a final seven, for teams that must make a change to the seven declared during packet pickup, or for teams that have to scratch an athlete that will not start (DNS). The head coach of each institution should complete the final check-in process, if necessary, on behalf of their team and/or student-athlete(s). Coaches will be required to ensure student-athletes comply with all uniform and logo requirements as well as ensuring their student-athletes report to the starting line not only wearing their hip numbers, bibs and chips, but wearing the **proper** hip numbers, bibs and chips. Uniform and logo rules contained in Rule 22-3 of the NCAA Cross Country/Track and Field Rule Book and Bylaw 12.5.4 in the NCAA Manual shall apply. Failure to comply with these championship policies and the requirements surrounding uniform and logo rules may result in disqualification.

Coaches needing to complete the final check-in/declaration process the day of the race must do so, with the clerks, at the assigned clerking location up to 80 minutes prior to the start of their race. Coaches needing to complete this process on race day are encouraged to check-in/declare as soon as possible, but not later than 20 minutes prior to the race. Check-in will **NOT** be allowed at the start line and coaches needing to complete this process on race day, must check-in all teams/student-athletes at the assigned clerking location. Again, be reminded that if an institution declares more than seven student-athletes during packet pickup (i.e. takes an eighth or ninth set of hip numbers, chips and bibs), those additional hip numbers, chips and bibs **must** be returned to meet management, in the clerking area, no later than 20 minutes prior to the start of each respective race.

**Please note that teams and/or individuals that are checked-in late and not in accordance with the times/policies outlined in this manual will jeopardize participation in their race, will have a letter sent to their institutional athletics director and will have a financial fine assessed for failing to abide by championship policies.**

**SQUAD SIZE:** Teams are limited to a maximum of seven (7) competitors. A team running more than seven will be disqualified and the action will be considered misconduct. Institutions entering **five to seven** runners in the meet must compete as a team. If fewer than five competitors run, they will compete as individuals.

## **EVACUATION/SEVERE WEATHER PLAN**

**Lightning Policy.** Following NCAA protocol, we will be using a lightning detection and weather monitoring system. Once lightning enters the 30-mile radius of competition, we will begin preparations to protect the student-athletes and spectators. Once lightning enters within an eight-mile radius of our site, competition must stop and student-athletes and spectators will be moved to safe areas. We will not begin any activity until 30 minutes have passed since the last lightning strike inside the warning ring.

**Shelter Locations.** Meet personnel and media should proceed to the Golf Course Clubhouse. Student-Athletes and Coaches should head to their team buses/vans in McDonald Park and Patrons will be shuttled back to their vehicles.

### **Severe Weather Policy for NCAA Cross Country Regional Championships**

For the safety of all spectators, student-athletes, officials and coaches the following will be used in case of severe weather (e.g., lightning, cold temperatures and/or heavy snow):

1. The meet director and NCAA cross country/track and field committee will monitor the weather during the week and morning of the championships.
2. Information on delays and/or postponements will be available at 509-554-7570. The host will provide all necessary information alerting coaches of different start times or delays in course inspection times due to any inclement weather.
3. The games committee will determine whether the start of the meet should be delayed or if the meet should be postponed until the following day. The games committee at the regional will make their recommendation to the NCAA with the NCAA approving the final plan.
4. If the race has already begun and would have to be suspended in the middle of the competition, the cross country/track and field committee would recommend the following:

**Men's 10,000 meter** - If competition is suspended before the 3,000 meters mark you may run the same day with a two-hour delay. If competition is suspended after 3,000 meters we would recommend postponement until the next day.

**Women's 6,000 meter** - If competition is suspended before the 2,000 meters mark you may run the same day with a two-hour delay. If competition is suspended after 2,000 meters we would recommend postponement until the next day.

5. If necessary, competition may be postponed until Saturday, per NCAA policy, with similar if not the same start times. This information must be communicated with all involved institutions.

**\*\* *Appropriate provisions will be made to the facility to ensure the safety of competitors and spectators. The games committee reserves the right to make changes to the above policies and schedules as they see fit.***

## **FINISH LINE PROCEDURES AND TIMING/RESULTS**

The order of finish will be verified with Finish Lynx system. Two independent Finish Lynx and chip systems will be used as well as a secondary video system as a backup. Splits points will be at each kilometer.

Runners should continue racing past both sets of mats at the finish line. Once they have crossed the mats, runners should continue to move through the finish chute as quickly as possible.

Runners need not maintain their order of finish in the chute. Water and trainers will be available at the end of the finish area. Chips will already be affixed to each runner's bib and do not need to be returned. Coaches and fans can wait for runners outside of the finish chute.

Utilizing chip technology, unofficial results will be posted and available in real time both onsite and online. However, note that results from chip technology are not official results. Results will not become official until the timing company has completed all necessary video review and the official protest window has closed.

## **PACKET PICK UP**

Packets will be available Thursday, November 14, from 11:00 – 4:00 p.m. at the Colfax Golf Club **2402 N. Cedar Street Colfax, WA**. Late packet pickup will be available the morning of the race at the clerks tent beginning at 9:00 a.m.

Course maps and descriptions will also be available during Thursday packet pickup and host representatives will be there to answer any questions about the course.
