UK Outdoor Track & Field Complex

The University of Kentucky Outdoor Track and Field Complex opened in the fall of 2012. The thirteen (13) million dollar facility provides our program with a state-of-the-art training and competition venue.

The complex is equipped with grandstand seating for nearly 3,000 spectators, along with standing room around the entire track. Concessions and restrooms are located behind the main grandstand. Along with the large video board in the north-east corner, there is a stats board on the west-end of the track to assist with following performances throughout the meet. The full complement of LED lighting around the competition venue makes our facility one of the more beautiful places to be in Lexington, on a Saturday evening.

The facility is outfitted with a world class, nine-lane, 400 meters, Beynon BSS 2000 blue polyurethane track. The width of each lane is approximately 48". The primary finish line is located in the south-east corner of the facility. The horizontal jumps and pole vault areas feature double runways with a maximum of 170' for the long jump, 143' for the triple jump and 150' for the pole vault. For throwing events, the Outdoor Complex offers seven (7) shot put rings, three (3) discus rings, two (2) javelin runways and one (1) hammer cage. For warm-ups, there is an eight (8) lane, 60 meter track surface in the north-west corner of the facility.

The Outdoor Track & Field Complex most recently hosted the SEC Outdoor Track & Field Championships in 2014 and NCAA East Track & Field First Rounds in 2017.

COACHES MEETING

There will be a virtual coaches meeting on Friday, May 17 at 1 p.m. ET. A virtual link will be provided to all qualifying head coaches after selections. All aspects of the competition and administrative procedures will be discussed. It is **MANDATORY** that each institution's head coach, or a representative of the institution, be present during the meeting. A minimum fine of $200 per gender/per team will be assessed for those participating institutions not in attendance.

COACHING BOXES AND FIELD EVENT VENUE DESIGNATION

Coaching boxes will be available outside of the track, adjacent to all field events (see Appendix B). A few select events will have a coaching box on the infield due to site line issues. Wristbands will be distributed for access to each location. Only one coach from each institution (provided they have an athlete competing in that event), will be admitted to the coaching box area.

CREDENTIALS

Credentials will be provided for all coaches, student-athletes, media, officials, and other personnel as stipulated in NCAA Bylaw 11. Credentials for each institution will be distributed at packet pick-up for coaches, athletic trainers, university personnel, and student-athletes. Credentials for media will be available at media will call, located at the main entrance to the outdoor track complex. Media will call will open when the complex opens each day (Wednesday and Thursday at 9:00am, Friday and Saturday at 12:00pm).

Competitors must have credentials in order to access ticketed and credentialed areas. At the conclusion of each event, unless it is a final, competitors will be directed to leave the track. No competitor shall be on the track unless involved in an event or an approved warm-up period for an upcoming event.

Credentials should be worn accordingly at all times.

DRUG TESTING

Drug testing facilities will be located in the Jim Green Track & Field Center, should drug testing be conducted at this event.

Student-athletes who compete in this championship may be subjected to a drug test in accordance with bylaws 18.4.1.5 and 31.2.3, and may be determined to be ineligible as a result thereof. If drug testing occurs at this session of the championships, couriers will make contact with the student-athletes immediately following the 10-minute cooling off period. The student-athletes who are to be tested will be escorted to the drug-testing area within one hour after the conclusion of the competition. Student-athletes selected for drug-testing should first attend any post meet interviews (if designated by the sports information director) before reporting to the drug-testing area.

Note that if drug testing does not occur during this championship round and/or a test is required outside of the standard championship protocol (e.g. national record, world junior record, etc.), the cost associated with such a test will be the responsibility of the tested student-athlete's institution.

However, each institution will also be allowed to name up to four alternates by no later than the close of packet pick-up. Additionally, any other student-athlete who is competing in another event during the championships is considered a substitute and is eligible as a replacement on the relay team. No other student-athlete other than those on the original qualifying team, those listed as an alternate or those already in the meet in another event may run on the relay.

Relay cards must be completed by coaches during the packet pick-up period. Changes in relay teams must be reported to the clerk during athlete check-in. All relay procedures must abide by the regulations as detailed above and as further outlined in the Outdoor Technical Manual.

For exchange zones, tape or similar material that is adhered to the track are the only materials that will be allowed for marking in track events.

RULES

The NCAA Division I Men's and Women's Outdoor Track and Field Championships First Rounds will be conducted according to 2023-2024 NCAA Track and Field Rules.

SPIKES/SHOES

A maximum of 7mm spike length may be used for all events (pyramids and Christmas tree spikes are acceptable for running events) with the exception of the high jump and javelin. Participants in the high jump and javelin may use spikes up to 9mm in length.

World Athletics/USATF Requirements: In accordance with World Athletics/USATF requirements, in order for marks to be recognized by both World Athletics and USATF (e.g., ranking points, event qualification, and records) legally worn shoes are required during competition as recognized by World Athletics/USATF. Random checking of up to 10% of athletes' shoes will occur during competition clerking to ensure shoes are legal for purposes of World Athletics and USATF. Athletes should bring shoes to clerking in case they are randomly selected for shoe check. If shoes are illegal per World Athletics/USATF rules, the athlete will be given the opportunity to correct the shoes prior to competition or need to understand that any mark achieved will not be recognized for World Athletics or USATF purposes.

Additionally, per World Athletics/USATF requirements, in order for marks to be recognized by both World Athletics and USATF (e.g., ranking points, event qualification, and records) in laned track events, any two steps on the inside lane line while running on the bend at any point during a competition, including across multiple rounds of the same event in a meet, will result in

WA/USATF mark disqualification. In track events not run completely in lanes, any two steps over the line at any point during a competition will result in WA/USATF mark disqualification.

Note: These two items do NOT supersede NCAA rules for conduct of NCAA championship competition and would only disqualify athletes' marks for consideration for WA/USATF purposes.

Additional details can be found at 2022-23PRTF_USOPCNCAATrackandFieldPilot.pdf (ncaaorg.s3.amazonaws.com).

BLOCKS AND BATONS

The NCAA Division I Track and Field and Cross Country Committee has elected to require the use of starting blocks by all student-athletes that compete in the 100m, 200m, 400m, 100 hurdles, 110 hurdles, 400 hurdles, 4x100m relay and 4x400m relay. The committee has also elected to approve the use of an electronic start information system that shall be used by the starters to its fullest capabilities. Starters shall use information provided by this system to detect false starts and disqualify student-athletes or recall the race.

The only starting blocks that may be used are those as provided on site by the host meet management and Gill Athletics.

Additionally, batons will be provided by Gill Athletics and will be the only batons allowed for use during the relay events.

TENTS / TEAM AREAS

The team camp/tent area will be located on the practice football fields next to the Jim Green Track & Field Center. We ask that all setups are confined within this area. Institutions will be permitted to assign a maximum of six (6) tickets per qualified student-athlete. For example, if an institution qualifies 4 student-athletes, they may assign a maximum of 24 tickets for each day of competition. It will be important when submitting your player guest pass lists to note how many single day tickets are needed for Wednesday, how many single day tickets are needed for Thursday, how many single day tickets are needed for Friday, how many single day tickets are needed for Saturday, and/or how many 4-day all-session tickets are needed. If specific days are not indicated, the guest will be assigned an all-session ticket. All tickets will be General Admission.
