Section 4: Accommodations

Each participating institution is responsible for contacting area hotels to make all arrangements and providing the hotel with a rooming list.

Hotels in the Area

Explore local hotels [here](#).

Section 5: Mandatory Administrative Meeting

Coaches are required to attend the virtual mandatory administrative meeting on Wednesday, November 18th at 1:00 p.m. (Central Time).

[D2XCC South Regional Coaches Meeting](#) | [Meeting-Join](#) | [Microsoft Teams](#)

Section 6: Clerking and Declaration Procedures

Clerking

The window for check-in will open 80 minutes before the start of each race. Teams are encouraged to check in as soon as possible, but not later than 20 minutes before their race.

Coaches must check in their student-athletes at the clerking tent, they will be required to confirm that they have the bibs on their jerseys, and that their uniforms meet the NCAA logo requirements. Reminder: Teams may not run more than seven student-athletes.

Teams will not be allowed to check in at the start line. All teams must check in at the clerking tent located near the fan entrance on site.

The head clerk controls the master list of all the teams/individual qualifiers that have and have not completed the check-in process. The clerks at the line will only be responsible for ensuring teams have reported to their appropriate boxes. There should be no need to check uniforms, chips, bibs, etc. at the start line.

If a team is missing from a box, the assistant clerk will communicate via radio to the head clerk. If a team has not checked in with the head clerk, the head clerk will radio the assistant clerk(s) to see if it is at the start line and have the team/competitors report immediately to the tent for check-in.

Declarations/Packet Pick-Up

Declarations and packet pick-up will be held from Noon to 5:00 p.m. (Central Time), Friday, Nov. 20, at John Hunt Cross Country Park. Declarations must be made in person. The seven student-athletes competing in the meet must be declared at this time. Coaches can only declare student-athletes from the entry form submitted on DirectAthletics during the official NCAA declaration period. Medical circumstances for declaring a student-athlete not on the entry roster will be reviewed by the sport committee. A representative of the student-athletes' institution must declare for a team/individual. Missing declarations/packet pick-up will result in a fine.

Course maps and descriptions also will be available and host representatives will be there to answer questions about the course.

Substitutes

Substitutions are allowed up to 45 minutes before the start of the race at the championships. A certification of illness or injury by the designated meet physician/athletic trainer is required, and the substitution must be approved by the referee. All participating student-athletes must be eligible to compete. The possible substitute must be on initial entry form.

Squad Size

Teams are limited to a maximum of seven competitors. Institutions entering **five to seven** runners in the meet must compete as a team. If fewer than five competitors run, they will compete as individuals.

Banners and Artificial Noisemakers

No banners may be posted at the tournament other than the NCAA approved banners. Artificial noise makers, air horns, and electronic amplifiers are not permitted and shall be removed on discovery.

Locker Rooms

There will not be any locker rooms available onsite.

Team Parking

Team vehicles (NOT including buses) may use the parking lot between the Sand Beach Volleyball Courts and the Cross Country Park. This allows for close and easy access to Athlete Village. Buses may drop off athletes and coaches at the designated area, and bus

parking will be provided across Airport Road. Huntsville Parking Services will assist with bus parking.

Participant/Spectator Entrance

Participants and spectators can exit off Airport Road towards John Hunt Park and enter the park using the Russell Brown entrance. There are several parking lots with access to the course from each of them. Directional signage will help guide you through the venue site. Teams will be given a parking pass for vans to park near the team tent area. All buses will dropoff at the bus loop and park across Airport Road. City of Huntsville Parking Services will be onsite to assist. All fans parking will be charged \$20 per car. Admission to the event is free.

Restrooms

There will be portable and indoor restrooms available on site.

Starting Boxes

Starting boxes will be assigned to teams and individuals by a random draw. Starting box assignments will be posted on NCAA.org.

Section 8: Drug Testing

Student-athletes who compete in this championship round may be subjected to a drug test in accordance with bylaws 18.2.1.2, and may be determined to be ineligible as a result thereof. If drug testing occurs at this session of the championships, couriers will make contact with the student-athletes immediately following the 10-minute cooling off period. The student-athletes who are to be tested will be escorted to the drug-testing area within one hour after the conclusion of the competition. Student-athletes selected for drug-testing should first attend any post meet interviews (if designated by the sports information director) before reporting to the drug-testing area.

Please also be aware of the following as it relates to drug testing for record ratification purposes:

1. **If NCAA drug testing occurs during this championship round**, Drug Free Sport (DFS) will be onsite and has the authority to conduct testing for tests required outside of the standard championship protocol (e.g., national record, world junior record, etc.) for United States athletes ONLY.
2. **If NCAA drug testing does not occur during this championship round and/or a test is required outside of the standard championship protocol (e.g., national record, world junior record, etc.), or your athlete is an international athlete**, it will be the responsibility of the student-athlete's school to contact the appropriate drug testing agency (e.g., USADA, DFS, etc.) as authorized by the

appropriate national/governing body to set up and confirm the necessary test during the event. Schools that anticipate a possible record requiring drug testing for ratification, are encouraged to be proactive in contacting an authorized testing agency in advance to inform them of a possible need for testing.

3. Additionally, any cost associated with such a test will be the responsibility of the tested student-athlete's school.

Please see the [2026 NCAA Division II Cross Country Pre-Championship Manual](#) for information.

Section 9: Entry Procedures

In order to be eligible for participation in the regional and national meets, institutions must have met outlined minimum qualification requirements (outlined in the pre-championships manual) and submit an online entry form through [DirectAthletics](#) during the outlined entry period. Coaches may enter up to their whole roster on the online entry form, of which no more than seven must be declared to participate during packet pick-up (regionals and nationals). Coaches may make changes to the student-athletes listed on the entry form up through the end of the online entry period but will NOT be able to make changes to online entries if the team qualifies for the national championships. It is not necessary for student-athletes representing a qualified team at the finals to have competed in regional competition. Any student-athlete competing at regionals and/or nationals must be eligible for NCAA competition.

The online entry form will be available beginning at 8 a.m. Eastern time, Monday, Nov. 9. **All entry forms must be submitted by 11:59 p.m. Eastern time, Monday, Nov. 16. Late online entry form submissions may be considered by the committee until 11:59 p.m. Eastern time, Tuesday, Nov. 17. If allowed, late entry form submissions will result in a fine of \$1,500 per team per gender (men's and women's teams are considered separate teams). This includes corrections to the original submission or additions/deletions to the submission. Institutions wishing to submit a late entry form must email the NCAA liaison. No late entry form requests will be considered after 11:59 p.m. Eastern time, Tuesday, Nov. 17.**

The online entry form is located at DirectAthletics at www.directathletics.com. If you experience technical difficulty using the online entry system, please contact DirectAthletics (support@directathletics.com).

Please follow instructions below to complete your entries for the regional/national championship.

Please note: If you already have a DirectAthletics account for your team, you should log in at www.directathletics.com and use your existing account to submit your entries.

The NCAA entry process is no different than submitting entries to other DA meets. If you know you have an account but have forgotten your username/password, you can click the “Login Trouble” link next to the login box.

STEP 1—Creating a DirectAthletics Account

If you are new to DirectAthletics, you will be able to create an account for your team by following the instructions below:

1. Go to www.directathletics.com/ncaa.html.
2. On the right side (in the New Account Creation box), select your division.
3. Select your team, choosing only the genders for which you are submitting entries. Enter your contact information—this information will be used only by the NCAA and the meet hosts. Last, enter the username and password you would like for your account. Please choose a username that is unique—common usernames like “bears” or “adam” or “track” are likely to be taken.
4. Click Continue and you will be directed to the default Team Roster page. You can see which team you are controlling by looking at the Team dropdown on the navigation bar across the top of your account [e.g., Texas (Men)]. If you have a men’s and women’s account, it will usually default to men first.
5. Follow Step 2 below to enter your roster.

STEP 2—Setting Up Your Online Roster

Before submitting your entries for the championships, you must first add all attending student-athletes to your DirectAthletics roster:

1. On the default Team Roster page, click the green “Add Athletes” link above “Welcome to your DirectAthletics account!”
2. Select the number of student-athletes you wish to enter. You can always add more later.
3. Enter your student-athletes’ first names, last names and school years and click “Submit.” Please be aware of which gender you are entering—you will complete the roster and entry process for one gender first, and then repeat the process for the other gender. (See the Important Notice after Step 3 below.)
4. The system will display the student-athletes you have added to your roster. You are now ready for the final step of Submitting Your Roster/Entries.

STEP 3--Submitting Your Roster/Entries

Once your student-athletes are added to your roster, you must submit your roster to the NCAA Division II Championships.

1. Click the HOME tab in the upper left of the site. Under Upcoming Meets, click the green Register button next to the NCAA Division II Championships.
2. Check off the box for each student-athlete you wish to enter. You can check the top box to select (or un-select) your entire roster. If you accidentally omitted someone from your roster, you can add them by using the “Add New Entry” box.
3. When you have completed your entries, click “Submit.” You MUST click “Submit” to submit your entries.
4. You will see your current, submitted entries on the “View Entries” page. For entry confirmation, click the link for a printable receipt or click the Email Confirmation link at the top of the “View Entries” page. An email confirmation will be sent to the email address associated with your account.
5. At any time before the entry deadline, you may edit your entries by clicking the “Edit Entries” link next to the meet in the HOME tab.

Please note that if you are entering men AND women, you will now repeat Steps 2 and 3 for the other gender. Select the opposite gender from the Team dropdown on the navigation bar across the top of your account. Repeat Steps 2 and 3. You must request separate email confirmations for men and women.

NOTE: If you do not receive a confirmation of entry, the registration was not submitted. Please ensure you receive a confirmation email to validate the entries.

REMINDER: It is the coach’s responsibility to inform the cross country committee immediately if for some reason a student-athlete entered and selected to compete in any national competition cannot compete.

Section 10: Evacuation/Severe Weather Plan

Lightning and Weather Detection Service

Following NCAA protocol, the host will be using MxVision Weather Sentry Online lightning-detection and weather-monitoring system. Once lightning enters the 30-mile radius of competition, we will begin preparations to protect the student-athletes and spectators. Once lightning enters an eight-mile radius of our site, competition must stop and student-athletes and spectators will be moved to safe areas. Activities will not begin until 30 minutes have passed since the last lightning strike inside the warning ring.

Shelter Locations

Please review the [Emergency Action Plan](#) which includes the shelter locations in the case of inclement weather.

Severe Weather Plan

For the safety of all spectators, student-athletes, officials and coaches the following procedures will be used in case of severe weather:

1. The meet director, NCAA championships manager and NCAA site representative will monitor the weather during the week and morning of the championships.
2. The NCAA site representative, in consultation with the NCAA championships manager, host and head referee, will determine whether the start of the meet will be delayed or if the meet will be postponed until the following day.
3. If the race has already started and a suspension would need to take place in the middle of the competition, the committee will recommend the following:

Men's 10,000-meter - if competition is suspended before the lead runner reaches the 3,000-meter mark, the race may be run the same day with a two-hour delay from the time the race was stopped, weather permitting. If competition is suspended after the lead runner reaches the 3,000-meter mark, the race will be postponed until the next day.

Women's 6,000-meter - if competition is suspended before the lead runner reaches the 2,000-meter mark, the race may be run the same day with a two-hour delay from the time the race was stopped, weather permitting. If competition is suspended after the lead runner reaches the 2,000-meter mark, the race will be postponed until the next day.

4. If necessary, competition may be postponed until the next day, per NCAA policy, with similar if not the same start times. This information will be communicated with all involved institutions.
- * The 2,000 and 3,000-meter marks for the course must be clearly marked to ensure above procedures can be adequately followed.
 - ** Appropriate provisions will be made to the competition site to ensure the safety of competitors and general public/spectators. The NCAA cross country committee reserves the right to make changes to the above policies and schedules as they see fit.

Section 11: Finish-Line Procedure & Timing/Results

The order of finish will be verified using two FinishLynx Fully Automatic Timing Vision Pro Cameras rated at 2000fps along with two Trident UHF mats. A completely independent backup FinishLynx system will be utilized. Trident UHF split mats will be used on the course at two locations.

Runners should continue racing past the mats at the finish line. Once they have crossed the mats, runners should continue to move through the finish chute as quickly as possible. Water and trainers will be available at the end of the finish area. All chips are disposable. Coaches and fans can wait for runners outside the finish chute.

Utilizing chip technology, unofficial results will be posted and available in real time both onsite and online. However, note that results from chip technology are not official results. Results will not become official until the timing company has completed all necessary video review and the official protest window has closed.

Participants will be given two bibs prior to race time. Both bibs must be clearly visible with one on the front and one on the back of the athlete's uniform.

Section 12: Merchandise

Merchandise will be available during Friday practice for purchase from Noon to 5:00 p.m. (Central Time), and on Saturday from 7:00 a.m. (Central) through the conclusion of the second race.

Section 13: Participant Expectations and Guidelines

Code of Conduct

Participation in an NCAA championship is an accomplishment and it is expected that individuals and teams are committed to ensuring that the championship is a positive experience for all participants, fans and volunteers. All members of the travel party must sign the [Division II Code of Conduct form](#) before the start of competition. The institution shall keep the signed form on file and make it available on request by NCAA staff or the sport committee. Additionally, the sport administrator must also **complete and submit** the online [Division II Code of Conduct Attestation Form](#) to the NCAA prior to competing in championship competition.

Sports Wagering

The NCAA defines sports wagering as putting something at risk – such as an entry fee or a wager – with the opportunity to win something in return. The NCAA opposes all forms of legal and illegal sports wagering on college sports. Student-athletes and athletics administrators cannot place a sports wager for any NCAA-sanctioned sport. This includes wagering on the intercollegiate, amateur or professional level.

A student-athlete involved in sports wagering on the student-athlete's institution permanently loses all remaining regular-season and postseason eligibility in all sports. A student-athlete who is involved in any sports wagering activity that involves college sports or professional athletics, through Internet gambling, a bookmaker, a parlay card or any other method employed by organized gambling, will be ineligible for all regular-season and postseason competition for at least one year.

In championships in which a bracket format is used, student-athletes, coaches and administrators may not participate in bracket competitions where there is both a required entry fee and an opportunity to win a prize. Student-athletes and administrators may participate under current NCAA rules, in bracket contests where there is no entry fee but a possibility of winning a prize. Some NCAA member schools, however, have chosen to ban student-athletes from participating in these types of bracket contests.

Tobacco Ban

The use of tobacco products is prohibited by all game personnel (e.g., coaches, trainers, managers and game officials) in all sports during practice and competition. Uniform penalties (as determined by the applicable rules-making committees and sports committees with rules-making responsibilities) shall be established for such use.

Section 14: Practice Schedule

The course will be available for practice from 12:00 p.m. to 5:00 p.m. (Central Time), Thursday, Nov. 19 and 8:00 a.m. to 5:00 p.m. (Central Time), Friday, Nov. 20. A certified athletic trainer will be available during these times. The course will be officially marked by Wednesday afternoon.

A text messaging system will be used to communicate a change in schedule to all coaches and officials. The host will send out a text message alert notifying coaches and officials of the start times or a delay in course inspection times due to inclement weather.

Section 15: Protest Procedures/Appeals

All protests shall be written on the carbon copy NCAA Cross Country/Track and Field Protest Form, which will be located at the pavilion at John Hunt Cross Country Park. One copy shall be posted, and the other copies shall be given to the referee. The referee's decision shall be written on each copy of the protest. One copy shall be returned to the protesting coach, and the other copy shall be placed in the committee's files. A \$100 deposit is required for all protests, which will be returned if the protest is successful in reversing the official decision. Protests will be accepted up to 15 minutes after the posting of the results of the last events.

Section 16: Sports Information/Results

Official race results will be online at NCAA.com after the completion of each race. Live results will be available at <https://xpresstiming.com/>.

At the meet, results will be displayed on a videoboard located at the finish line. Contact Paul Richardson (paul@xpresstiming.com) at Xpress Timing or David Cain (caind@uah.edu; 256-824-2222) at University of Alabama Huntsville for more information.

Media may contact Scott Fields (sef0047@uah.edu) at University of Alabama Huntsville for more information.

Section 17: Sports Medicine

Ambulance

An ambulance will be on site during the championships.

Athletic Trainers

Certified athletic trainer(s) shall be available in the athletic training facility and assist the participating institutions' sports medicine staff. Certified athletic trainer(s) shall be on site for each scheduled practice or competition. Physician shall be on call for all practice and race days.

Athletic Training Hours

Athletic trainers will be available at the course the duration of practice and competition.

Friday 8:00 a.m. – 5:00 p.m.

Saturday 6:00 a.m. – End of Meet

The training area will be set up on course near the finish line. If you have any special needs, please contact Adam Depew (ajd0054@uah.edu ; 256-656-3297).

Student-athletes needing treatments on race day should go to the medical tent on-site. Each team is responsible for bringing a fully-stocked medical kit along with insurance and emergency contact information.

Any student-athlete needing modality treatment without their athletic trainer present must have a signed letter from their certified athletic trainer or team physician stating the parameters of the treatment to be rendered.

Hydration

An Athlete Hospitality tent will be located near Athlete Village and will have water coolers and snacks for the athletes. There will also be water available in the finish line chute for athletes at the end of the race.

Section 18: Team Tents

Team tents should be placed in Athlete Village which is located to the left of the course alongside the start line straight-a-way. See the [Site Map](#) for more information.

Teams are responsible for bringing or renting their own tents. If you need to rent a tent, please contact one of the three companies below.

Logo Policy

[Reference: 17.1.10 Bylaw in the NCAA Division II Manual.]

A student-athlete may use athletics equipment or wear athletics apparel that bears the trademark or logo of an athletics equipment or apparel manufacturer or distributor in athletics competition and pre- and postgame activities (e.g., celebrations on the court,

pre- or postgame press conferences), provided the applicable sports playing rules are satisfied and the following criteria are met. (Adopted: 12/15/22)

- a. Athletics equipment (e.g., shoes, helmets, baseball bats and gloves, batting or golf gloves, hockey and lacrosse sticks, goggles and skis) shall bear only the manufacturer's normal label or trademark, as it is used on all such items for sale to the general public; and (Adopted: 12/15/22)
- b. The student-athlete's institution's official uniform (including numbered racing bibs and warm-ups) and all other items of apparel (e.g., socks, head bands, T-shirts, wrist bands, visors or hats, swim caps and towels) shall bear only a single manufacturer's or distributor's normal label or trademark (regardless of the visibility of the label or trademark), not to exceed four square inches in area (i.e., rectangle, square, parallelogram) including any additional material (e.g., patch) surrounding the normal trademark or logo. (Adopted: 12/15/22, Revised: 7/21/26 effective 8/1/26)

These restrictions apply to all apparel worn by student-athletes during the conduct of competition, including pre-meet or post-meet activities.
