- **Southern California Intercollegiate Athletic Conference Waiver Request.** The Division III Men’s and Women’s Track and Field and Cross Country Committee reviewed a waiver request to allow the conference meet scheduled on Saturday, March 1 hosted by California Institute of Technology to contest the pole vault competition on Friday, February 28 and for the marks to count toward championships selection. The committee supported the waiver request to allow marks outside of the qualifying window and contested at an alternate location (University of La Verne) to count toward selection to the 2025 NCAA Division III Men’s and Women’s Outdoor Track and Field Championships recognizing that CalTech was impacted by the recent California wildfires and will not have replacement pole vault pits in time for the scheduled meet.
