- **Southwestern University (Texas) sport sponsorship waiver.** The Division III Men’s and Women’s Track and Field and Cross Country Committee supported deadline waiver request to allow Southwestern University (Texas) to include men’s and women’s indoor track and field as a sponsored sport for 2024-25 and to allow its student-athletes to qualify to the championships should a student-athlete achieve a qualifying mark. The committee understands that Southwestern (TX) has not previously sponsored indoor track and field but intends to do so moving forward. The inclusion of men’s and women’s indoor track and field in the institutions sport sponsorship was an oversight and the committee supports Southwestern’s inclusion in the championships.
