MEET INFORMATION

Awards

Awards will be presented at approximately 1:30 p.m. for both the women and men. Team awards are presented to the top four teams. The top 15 individuals will be recognized and will receive an NCAA award. The USTFCCCA All America awards presentation, recognizing the top 40 individuals, will take place at this time as well. The award ceremonies will take place in the Big Spring High School gymnasium.

Banquet

The Division III Track and Field and Cross Country Committee has elected to provide enhanced gift options to the student-athletes this year in place of a formal banquet. Gifts will be distributed in conjunction with packet pickup. Gifts will only be provided to competing student-athletes (7 per qualified team and 1 per qualified individuals).

Packet Pick-Up

Packets will be available Friday, Nov. 17, from 11:00 a.m. to 12:30 p.m. in the Big Spring High School gymnasium. Late packet pickup will be available by contacting Laura Peterson (317-544-9425, lpeterson@ncaa.org) to make arrangements to meet at the course. **Note: Student-athletes are not allowed in the packet pick-up area.**

Credentials

All credentials will be issued during packet pickup. Each institution that qualifies a team will receive a maximum of 12 credentials (up to 10 student-athletes (seven declared and three replacements), two coaches). Institutions qualifying individuals to the championships will receive a credential for each student-athlete and up to two additional coaches passes.

Each institution will be allowed one additional credential for each of the following:

- 1) if a medical trainer or physician is accompanying the team;
- 2) if an institutional administrator is attending the championship.

[The medical credential will be administered by the host school's sports medicine staff at packet pickup. All medical credentials require the individual to be present and show their photo identification to receive the credential.]

Course Practice

The course will be open for practice at the following times:

- **Thursday, November 16, 9:00 a.m. to 2 p.m.; 3:30 p.m. to 5 p.m.**
- **Friday, November 17, 9 a.m. – 5 p.m.**

The course **MAY** be closed due to weather or during early-morning hours if there is considerable frost on the course. Runners will not be able to run on the course until it is cleared by meet

management in order to preserve the best possible course conditions for Saturday races. Please stay tuned to Event Direct notifications for possible frost or weather delays.

Tickets

Upon arrival, spectators will be charged **\$20 per vehicle** for entry. Cash will be accepted (exact change please) or tickets can be purchased digitally [HERE](#). If purchasing digitally, the live screen from Ticket Spicket must be shown at the entrance. Print outs and screenshots will not be accepted.

Evacuation/Severe Weather Plan

Lightning Policy

Following NCAA protocol, we will be using an online lightning detection and weather monitoring system. Once lightning enters a 30-mile radius of the competition venue, we will begin preparations to protect the student-athletes and spectators. Once lightning enters within an eight-mile radius of our site, competition must stop and student-athletes and spectators will be moved to safe areas. We will not begin any activity until 30 minutes have passed since the last lightning strike inside the warning ring.

Shelter Locations

Immediate shelter should be in your school vehicle. Those without a nearby vehicle will be directed indoors at the school.

Severe Weather Policy for NCAA Cross Country Championships

For the safety of all spectators, student-athletes, officials and coaches the following will be used in case of severe weather (e.g., cold temperatures, heavy snow, lightning):

1. The meet director and NCAA cross country/track and field committee will monitor the weather during the week and morning of the championships.
2. Dickinson's Twitter account for information on delays and/or postponement has been established. The handle is @DsonRedDevils. The host will leave a message on Twitter alerting coaches of different start times or a delay in course inspection times due to inclement weather. Event Direct will also be used to send notice to coaches of any changes while on site.
3. The NCAA Cross Country/Track and Field Committee, in consultation with the host and head referee, will determine whether the start of the meet should be delayed or if the meet should be postponed until the following day.
4. If the race has already begun and would have to be suspended in the middle of the competition, the cross country/track and field committee would recommend the following:

Men's 8,000 meter - If competition is suspended before the 3,000 meter mark you may run the same day with a two-hour delay. If competition is suspended after 3,000 meters they would recommend postponement until the next day.

Women's 6,000 meter - If competition is suspended before the 2,000 meters mark you may run the same day with a two-hour delay. If competition is suspended after 2,000 meters they would recommend postponement until the next day.

5. If necessary, competition may be postponed until the next day, per NCAA policy, with similar if not the same start times. This information must be communicated with all involved institutions.

****** Appropriate provisions will be made to the facility to ensure the safety of competitors and spectators. The NCAA Cross Country/Track and Field Committee reserve the right to make changes to the above policies and schedules as they see fit.

Course Markings:

White lines, natural boundaries, and fencing will mark the course. Umpires will be stationed on the course. Kilometer and mile markers will be located at all men's and women's mile and kilometer locations.

Declarations/Entry Forms:

The qualifying finish of teams and individuals at the regional meets will constitute entry into the national meet. **NEW in 2023: Coaches DO NOT need to re-declare their team(s) after regionals to be eligible for championships selection. However, any roster changes (if applicable) must be submitted to DirectAthletics by 9 p.m. Eastern time, Sunday, November 12.** Any exceptions to this policy will only be considered in extraordinary circumstances and should be addressed in writing to the committee and NCAA championship manager.

If a team or individual chooses not to compete for whatever reason, including medical, they must notify the NCAA committee by 9 p.m. Eastern standard time, Sunday, Nov. 12. If between Sunday and the national championships a student-athlete becomes unable to participate due to a medical condition, this must be certified in writing by a doctor that the student-athlete's medical condition warrants that they not participate.

Championships Clerking, Final Declaration and Check-in Process

The head coach of each institution will be allowed to complete the check-in process on behalf of their team and/or student-athlete(s). Coaches will be required to ensure student-athletes comply with all uniform and logo requirements as well as ensuring their student-athletes report to the starting line not only wearing their hip numbers, bibs and chips, but wearing the proper hip numbers, bibs and chips. Uniform and logo rules contained in Rule 22-3 of the NCAA Cross Country/Track and Field Rule Book and Bylaw 12.5.4 in the NCAA Manual shall apply. Failure to comply with these championship policies and the requirements surrounding uniform and logo rules may result in disqualification.

Coaches must check-in their student-athletes with the clerks at the assigned clerking location (inside each respective student-athlete tent) prior to the start of their race. Clerking will open at 9:40 a.m. for both men and women. Coaches are encouraged to check-in as soon as possible, but not later than 20 minutes prior to each respective race. Check-in will **NOT** be allowed at the start line and coaches must check-in all teams/student-athletes at the assigned clerking location. Again, be reminded that if an institution declares more than seven student-athletes during packet pickup (i.e. takes an eighth or ninth set of hip numbers, chips and bibs), those additional hip numbers, chips and bibs **must** be returned to meet management, in the clerking area, no later than 20 minutes prior to the start of each respective race.

Please note that teams and/or individuals that are checked-in late and not in accordance with the times outlined in this manual will jeopardize participation in their race, will have a letter sent to their institutional athletics director and will have a financial fine assessed for failing to abide by championship policies.

SQUAD SIZE: Teams are limited to a maximum of seven (7) competitors. A team running more than seven will be disqualified and the action will be considered misconduct. Institutions entering **five to seven** runners in the meet must compete as a team. If fewer than five competitors run, they will compete as individuals.

NCAA Division III Cross Country Championships Protest Process

A protest tent/area will be located near the finish line. Forms will be available at the tent for the head coach to provide information about the alleged incident or problem, citing the NCAA rulebook. The head referee's ruling and explanation will be posted along with the results of the race. All institutions involved in the protest will be notified of the protest and the decision. The protest period does not begin until the results of the last race have been posted. There is a \$100 protest fee (cash only) for each protest. The \$100 fee will be returned should the protest be upheld.

If the violation that is being protested was called by the referee, the protest will be referred directly to the jury of appeals for review. As part of the protest process, the decision of the referee may be appealed through the appointed jury of appeals, in writing, not later than 15 minutes after the decision of the referee has been announced. Any official evidence available to the referee may be reviewed. If such evidence is not conclusive, the decision of the referee shall be upheld. No further appeal is available. The result of an appeal shall be posted and the affected coaches notified. A \$100 deposit is required for all appeals, which will be returned if the appeal is granted.

Locker Rooms/Showers:

Showers are provided upon request. Athletes will need to bring their own towels. Lockers will not be provided.

Drug Testing:

Please see the NCAA Division III Cross Country Pre-Championships Manual for information.

***If drug testing does not occur during this championship round and/or a test is required outside of the standard championship protocol (e.g. national record, world junior record,**

etc.), the cost associated with such a test will be the responsibility of the tested student-athlete's institution.

Meetings:

NCAA Mandatory Coaches Meeting: Tuesday, Nov. 14: 12 p.m. ET

Link will be sent to qualifying team head coaches in selections materials.

NOTE: Failure to attend the coaches' technical meeting will result in a minimum \$200 fine/gender/institution.

Scoring:

NCAA rules for cross-country scoring will be followed. For scoring procedures, please consult the 2023 and 2024 NCAA Cross Country/Track and Field Rules Book.

Results:

Results will be available at the following websites. No hard copy results will be provided.

Merchandising and Programs:

Official NCAA cross country championships merchandise and programs may be purchased at the course on Friday from 9 a.m. – 5 p.m. and Saturday from 8 a.m. until the conclusion of the Awards Ceremony.

NCAA Academic Recognition Program – Elite 90 Award:

The Elite 90 award is presented to the student-athlete with the highest cumulative grade-point average competing at the finals site for each of the NCAA's 90 championships. Each institution that has at least one student-athlete qualify for the finals round/site is eligible to nominate a student-athlete to win the award for that championship. All ties are broken by number of credits completed. For more information regarding this program, please contact Mark Bedics at elite90@ncaa.org or 317-917-6222. All documents, including eligibility and nomination forms can be obtained at the following location – [Elite 90 forms](#). The deadline to submit your student-athlete is 5 p.m. Eastern, Tuesday, November 14.

Student-Athlete Participation Awards

Student-athletes will receive a participation award on site provided to members of the official travel party of institutions that advance to the championship final sites.

UNIFORMS/LOGOS/MISCONDUCT

[Reference: Rule 22-3 in the NCAA Cross Country Track and Field Rules Book and Bylaw 12.5.4 in the NCAA Manual.]

Uniform and logo rules contained in Rule 22-3 of the NCAA Cross Country Track and Field Rules Book and Bylaw 12.5.4 in the NCAA Manual shall apply in all championship related events, press conferences and award ceremonies. Competitors must wear the proper uniform (warm-ups included) of the institution they represent in the championships.

The bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.

Misconduct (Bylaw 31.1.10)

Misconduct Incident to Competition. If the act of misconduct occurs during the competition, under normal circumstances the individual shall be allowed to complete the competition in which he or she is participating at the time of the incident. An administrative hearing shall be held at the conclusion of the day's competition, during a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition and conduct the hearing following this action. Other acts of misconduct may be dealt with at the governing sports committee's convenience.

Penalty for Misconduct. A governing sports committee (or the games committee authorized to act for it) may impose any one or a combination of the following penalties on an institution or any student-athlete or representative of an institution guilty of misconduct that occurs incident to, en route to, from or at the locale of the competition or practice:

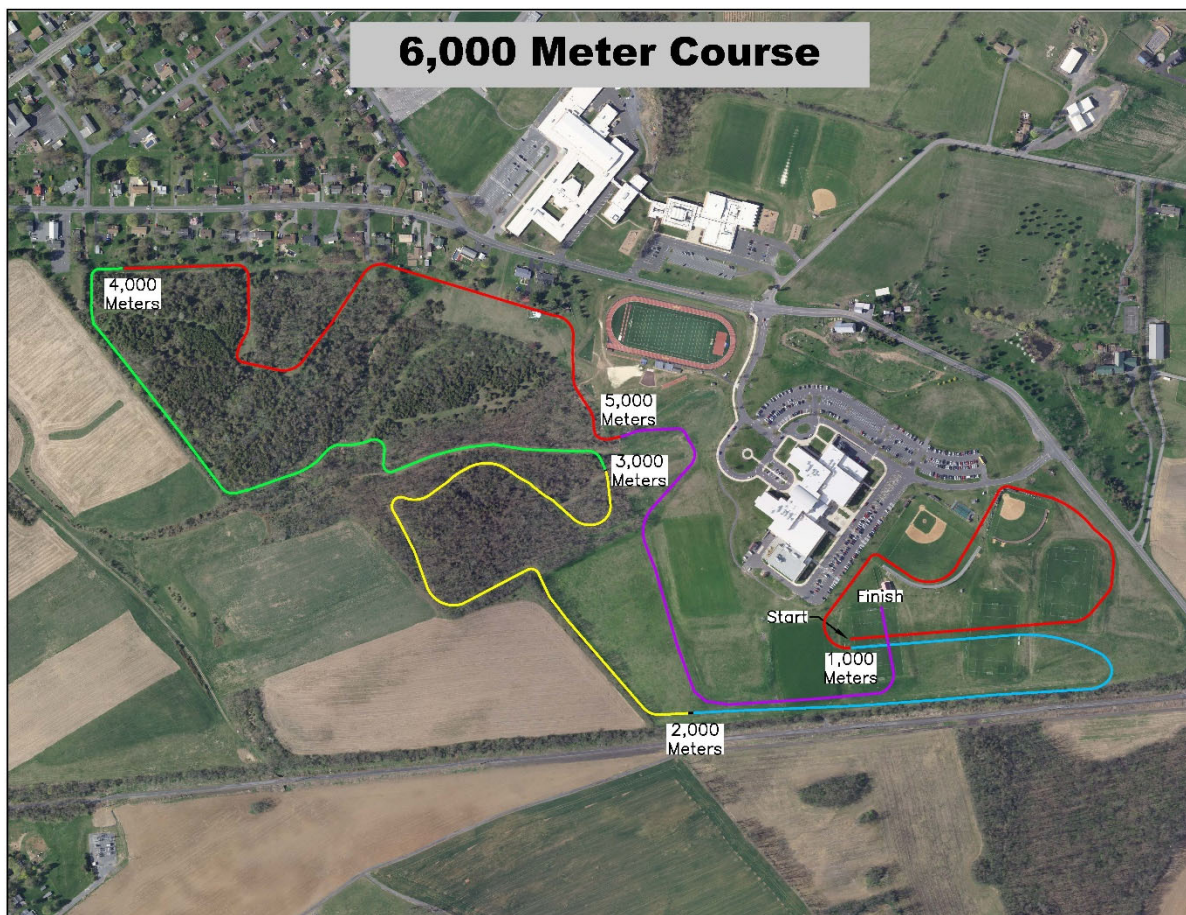

- a) Public or private reprimand of the individual;
- b) Disqualification of the individual from further participation in the NCAA championship involved;
- c) Banishment of the individual from participation in one or more following championships of the sport involved;
- d) Cancellation of payment to the institution of the Association's travel guarantee for the individuals involved;
- e) Withholding of all or a portion of the institution's share of revenue distribution;
- f) Banishment of the institution from participation in one or more following championships in which its team in that sport otherwise would be eligible to participate;
- g) Disqualification of an institution for a period of time from serving as host institution for one or more NCAA championships;
- h) Cancellation of all or a portion of the honorarium for hosting an NCAA championship; and

- i) Financial or other penalties different from (a) through (h) above, but only if they have prior approval of the Division I Competition Oversight Committee.

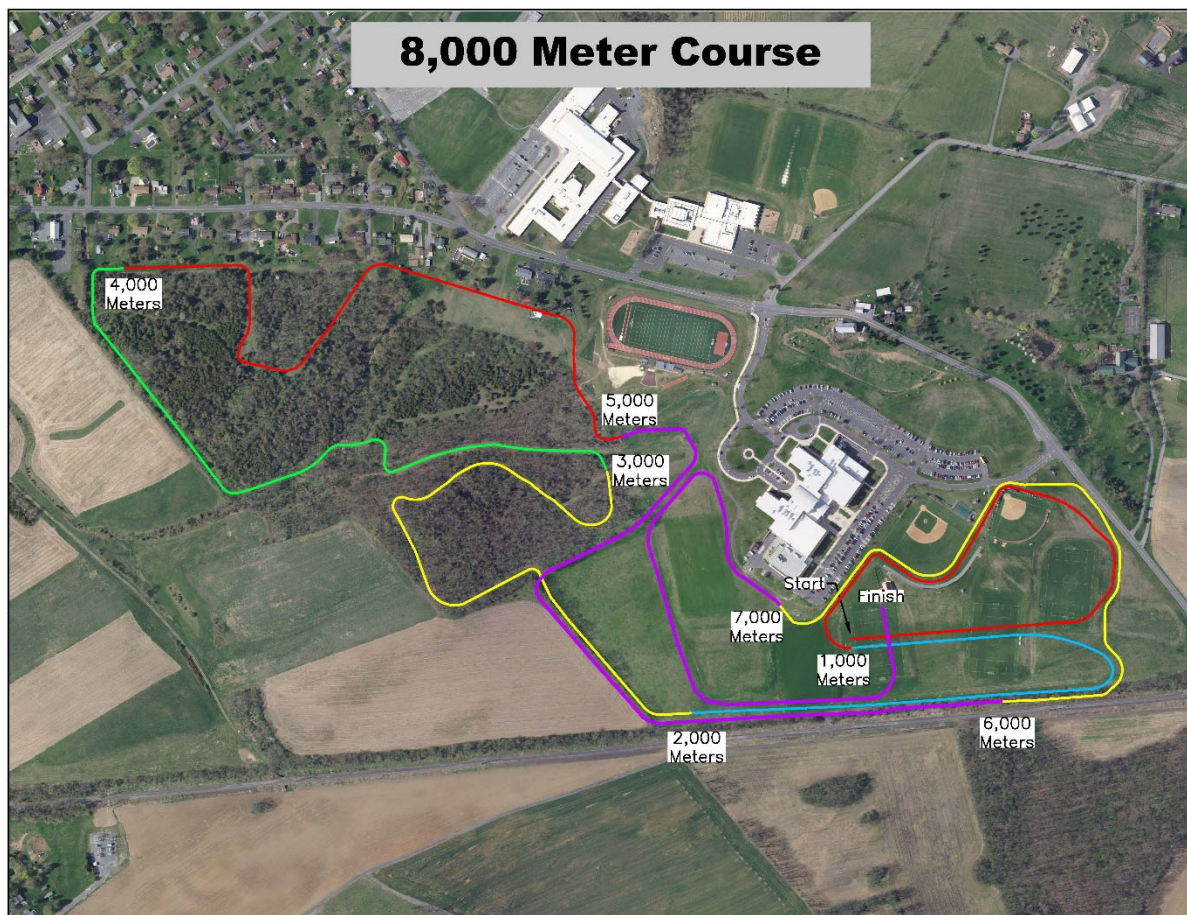

Gameday the DIII Way

Division III promotes an atmosphere that is a respectful and engaging educational environment through athletics, for everyone through Gameday the DIII Way. Gameday the DIII Way establishes an expectation for championship hosts, coaches, student-athletes and spectators to focus on the common standards of safety, responsiveness, dignity and experience while participating or attending a championship event. We ask that each participant and attendee be personally accountable for their actions and do their part to ensure this event is a positive reflection of Gameday the DIII Way.
