**CHAMPIONSHIPS FORMAT**

**DECLARATIONS**

All information regarding declarations is located in the [Pre-Championships Manual](#).

**PROTEST TENT**

The protest table will be located on the southeast corner of TRIUST STADIUM. Protests MUST be made in writing on the official protest form, which will be available at the protest table. The head coach must provide information about the alleged incident or problem, citing the NCAA rulebook. A protest must be filed no later than 15 minutes after the official results are posted. The protest shall be in writing and submitted to the referee who shall render a decision. All institutions involved in the protest will be notified of the protest and the decision. The referee’s decision shall be written on each copy of the protest. One copy shall be returned to the protesting coach and one shall be placed in the committee’s files. A $50 deposit is required for all protests, which will be returned if the protest is successful in reversing the decision. The ruling and explanation will be posted along with the results of the race.

If the violation that is being protested was called by the referee, the protest will be referred directly to the jury of appeals for review. As part of the protest process, the decision of the referee may be appealed through the appointed jury of appeals, in writing, not later than 15 minutes after the decision of the referee has been announced. Any official evidence available to the referee may be reviewed. If such evidence is not conclusive, the decision of the referee shall be upheld. No further appeal is available. The result of an appeal shall be posted and the affected coaches notified. A $50 deposit is required for all appeals, which will be returned if the appeal is granted. The games committee will serve as the jury of appeals for the DIII outdoor track and field championships.

**RESULTS**

Results will be posted on the result boards located in the grass area west of the finish line, and at the protest table. Spectators and coaches may also go online to [ncaa.com](#) and [https://tf.deltatiming.com/ncaa/2021-ncaa-d3-outdoor-championships](#) to follow live results.

**HEAT SHEETS**

Thursday’s heat sheets will be available at packet pick-up. Friday and Saturday heat sheets will be available online.
**CHAMPIONSHIPS OPERATIONS**

**CHECK-IN AND CLERKING**
The student-athlete clerking area will be located at the north east corner of the track. All student-athletes are required to check-in at the clerking area and will be escorted to the staging tent located at the north end of the stadium. Line clerks will escort the student-athletes to the starting line or event area. Event and clerking schedules (student-athlete flow schedule) are provided in your meet packet. Student-athletes MUST follow this procedure.

Student-athletes are required to bring their competition spikes and uniforms to the clerking area for inspection. Spike lengths will be checked. Student-athletes will not be allowed to change into their spikes until they are at the staging tent. All running events will leave their warm-ups in the bins at the staging tent. Student-athletes must return to the staging tent to retrieve their warm-ups when they are finished competing.

All same-day, combined-event competitors must check in for their first event of the day in the clerking area. At this time, same-day, combined-event competitors will be provided the option of clerking/checking in for the individual's remaining events for that day.

**COACHES' BOXES**
One coach per institution will receive a color-coded sticker to be placed visibly on their credential for access to the field-event coaches' box in which they have a student-athlete participating. Stickers will be provided in each teams' packet which will be picked up during packet pick-up.

**ELECTRONIC DEVICES**
Coaches, athletes, competitors and officials will not use video or audio devices, radio transmitters or receivers, mobile phones, computers or any similar devices in the competition areas, except as authorized by the games committee.

Coaches are permitted to record their student-athletes during the competition from the coach’s box. In accordance with the rules change for this year, it will not be considered assistance for athletes competing in field events to view images of previous trial(s), recorded on their behalf by individuals not placed in the competition area. The viewing device or images taken will not be taken into the competition area, but must stay within the designated coaches' box.

**EQUIPMENT (STARTING BLOCKS, WEIGHTS AND BATONS)**
All student-athletes will be required to use the blocks and batons as supplied by Gill and exclusive for this NCAA Championship. A limited number of throwing implements will also be supplied for use by competitors. Competitors may use their own throwing implements if they pass certification and weigh-in. The available implements are as follows:

AWARDS

MEDALS AND TROPHIES

Official NCAA awards will be presented to the top eight finishers in each event of the championships. Team trophies will be awarded to first through fourth place in each of the championships. In case of ties, the awards will be shipped after the championship by the NCAA office.

A team/individual may order additional awards, granted that it is an award they received during competition. A team/individual may not order awards they did not receive. Go to http://services.mtmrecognition.com/ncaa/ to order additional awards.

MEDALLIONS

Participation medallions will be provided during packet pick-up to all student-athletes (EXCEPT ALTERNATES) competing at the championships.

STUDENT-ATHLETE PARTICIPANT AWARD

Student-athletes advancing to the championships will receive a participant award, which the NCAA will provide after the conclusion of the championships. The NCAA, in conjunction with Main Gate, Inc., will send an email directly to the participating institutions head coaches regarding the ordering and delivery process of championship participant awards. If you do not receive information for ordering the awards within two weeks’ post event, would like to purchase additional awards, or have questions with the ordering process, please contact Paige Newman (pnewman@ncaa.org) at the NCAA.

NCAA ACADEMIC RECOGNITION PROGRAM – ELITE 90

The Elite 90 award is presented to the student-athlete with the highest cumulative grade-point average competing at the final site for each of the 90 NCAA championships. Each institution that has at least one student-athlete qualify for the final round/site is eligible to nominate a student-athlete for the award. All ties are broken by number of credits completed. For more information regarding this program, please contact Mark Bedics, Andrew Louthain or Quintin Wright at elite90@ncaa.org or 317-917-6222. All documents, including eligibility, deadlines and nomination forms are located at http://www.ncaa.org/about/resources/events/awards/elite-90-academic-recognition-award-program.

The nomination submission deadline for Division III outdoor track and field is 5 p.m. Eastern time, Tuesday, May 25.

COACHES’ ADMINISTRATIVE MEETING

The coaches administrative meeting will be held Tuesday, May 18 virtually over Microsoft TEAMS. There will not be an administrative meeting held on site. For specific questions contact Laura Peterson-Mlynski at lpeterson@ncaa.org or 317-544-9425.
CREDENTIALS - PARTICIPANTS
The following credentials will be distributed after being cleared through COVID-19 testing:

1. Each student-athlete registered to compete will receive one credential for access to the championships.

2. Each program will receive credentials according to the travel party guidelines as follows:
   - 1-10 student-athletes – 2 non-athlete credentials.
   - 11-15 student-athletes – 3 non-athlete credentials.
   - 16+ student-athletes – 4 non-athlete credentials.

3. Each team with qualified relays will receive up to two (2) additional participant credentials per qualified relay to allow alternates access to the venue.

4. Each institution will be allowed one additional pass per gender, per program if a medical trainer or physician is accompanying the team. Medical credentials will be administered by the host agency’s sports medicine staff. (See Medical Credentials on page 17)

5. Credentials are non-transferable. Any student-athlete, coach, administrator, media or athletic training personnel found giving or selling his/her credential to another person is subject to sanctions by the NCAA Division III Men’s and Women’s Track and Field and Cross Country Committee.

6. Coaches with field event student-athletes will receive a color-coded sticker in the team packet which will denote which coaches’ boxes they are allowed access to. Only coaches with the correct credentials and the listed event sticker will be allowed in the coaches’ box. One coach per institution will be allowed in the coach’s box.

DRUG TESTING
NCAA championships committees, following a recommendation from the NCAA drug-testing subcommittee, have discontinued the practice of announcing whether drug testing will be conducted at NCAA championship events.

Although knowing prior to competition whether NCAA drug testing was to occur had value for reasons of convenience, it left open the possibility that student-athletes might be tempted to use banned substances if they knew that NCAA testing was not being conducted at the site of competition.

Therefore, all coaches and student-athletes should presume that NCAA drug testing will occur at this championships event. Please inform your student-athletes that in the event they are notified of their selection for drug testing, the student-athlete must inform an official representative of your institution (e.g., coach, athletic trainer) before proceeding to the drug-testing site. Student-athletes will be reminded by the courier to contact their team representative.

If drug testing were to occur, the following format would be followed:
# Tested: Division III – 96

Test Plan: Winner and random participant from individual events; winning team and one random from relay after student-athlete’s last event of that day.

**MEDIA SERVICES**

**CREDENTIALS – WORKING MEDIA**

Anyone requesting credentials must apply for them through the NCAA. To do so, go to the website [http://www.ncaa.com/media](http://www.ncaa.com/media) and scroll down to the “Credential Application” portion of the appropriate event (NCAA Division III Outdoor Track and Field Championships). All media credential requests will be reviewed by Brian Halloway (bmhollow@ncat.edu). Media credentials may be obtained at the ticket entrance of the stadium during competition hours.

If you have media wishing to cover the event, please forward this information to the appropriate sports writer or editor. Their requests must come on company letterhead. Media sending photographers should make arrangements well in advance of the championships date. Photographer access will be tightly controlled and limited to professional photographers who have applied for media credentials. Meet information is currently available on the championship website [http://www.ncaa.com/championships/trackfield-outdoor-men/d3](http://www.ncaa.com/championships/trackfield-outdoor-men/d3). Links to the results will also be available at this address after the competition.

NCAA guidelines dictate that each institution competing in the championships is entitled to one credential for its sports information staff. The credentialed person MUST be an employee of the requesting institution. Each competing team’s sports information director should request credentials through the host sports information director.

**MEDICAL**

**MEDICAL CREDENTIALS**

Teams traveling with an athletic trainer or team physician must include them in their total tested travel party allotment. Athletic trainers or team physicians traveling with their student-athletes should contact Janah Fletcher (see contact information below) to confirm attendance and to communicate any specific needs while on site. Upon arrival, the AT or MD must present a photo ID at packet pickup to receive their credential. Per NCAA regulations, this credential will allow access to any of our athletic training facilities and into the competition area only under the following conditions:
1. Your credential is visible.

2. Your student-athlete is injured.

If your team is traveling without an athletic trainer or physician, please provide the necessary supplies and documentation. A letter from an AT or MD detailing treatment parameters will be needed for any modalities other than ice-related treatments. Each team is expected to bring a fully-stocked medical kit with emergency contact and insurance information. **Additionally, if your student-athlete requires specific treatment before practice or competition or post-competition, please contact the host medical staff well in advance of the championships so they can try and accommodate your needs.**

**Medical Facilities**

There are several areas that credentialed student-athletes and credentialed team medical personnel will have access to before, during and following the championships.

**Athletic Training Area.** The main athletic training facility is found in the Bryan Fitness Center. The phone number is (336) 256-0533. An area for visiting trainers and visiting teams will be set-up on the east side of the track near the warm-up area. A University certified athletic trainer will be on-site at all times. Team physicians and support staff will be on-site throughout the meet. Available equipment in the warm-up area includes: water, ice, hydrocollator, ultrasound and E-stim.

All requests for trainer credentials must be submitted in writing to Janah Fletcher MEd, LAT, ATC, Sports Medicine, 1601 East Market Street, Greensboro, NC 27411 (email listed in contact directory).

Emergency equipment including a spine board, sports chair, crutches, and vacuum splints will be readily available. Guilford County EMS is located just to the north of the University property with fully staffed paramedics. There will be a Physician in the sports medicine tent each afternoon during the meet. During this time, a physician will be on site throughout the meet for illnesses, injuries, etc., however, arrangements must be made with a North Carolina A&T State University certified athletic trainer in advance.

**Athletic Training Services Hours**

**Medical Disqualification**

As the event sponsor, the NCAA has valid authority to ensure that all student-athletes are physically fit and able to participate in its championships. This includes that a student-athlete’s participation will not expose other participants to a significantly enhanced risk of harm.
The student-athlete’s team physician can determine whether an individual with an injury, illness, or other medical condition should be able to continue to participate or be disqualified. In the absence of a team physician, the NCAA championships physician, as designated by the host school, has the unchallengeable authority to examine the student-athlete and make a decision regarding continued participation or medical disqualification.

If, in the opinion of the tournament physician, continued participation by the injured student-athlete may expose others to a significantly enhanced risk of harm, the tournament physician has the final decision regarding participation by the student-athlete. The chair of the governing sports committee (or a designated representative) should be responsible for administrative enforcement of the medical judgment, if it involves disqualification.

Please refer all medical and athletic training related questions to the medical coordinator.

**PARTICIPANT EXPECTATIONS AND GUIDELINES**

**MISCONDUCT**

Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship that discredits the event or intercollegiate athletics. Each games committee shall hold an administrative meeting with the coaches of participating institutions to review and explain the policies related to misconduct.

**FAILURE TO ADHERE TO POLICIES AND PROCEDURES**

A governing sports committee may assess a financial penalty against an institution for failure of any of its representatives to adhere to the policies and procedures governing the administration of the
competition. This includes, but is not limited to, failure to comply with the procedures and deadlines for submitting scores, score sheets, schedules, rosters and entry/march-in forms for qualification and other materials necessary for the efficient administration of the competition.

**Seating Areas**

Spectator seating will be designated in the stands. There will also be a designated seating section for individuals who are a part of the tested travel party. Designated areas will be marked with signage.

**Tickets**

Only members of the official travel party receive credentials and are admitted free of charge. Other institutional personnel not in the official travel party or tested travel party must purchase a ticket to access the venue. Code of Conduct policies must be followed for all members of the tested travel party.
Irwin Belk Track and all competition venues will open to spectators 60 minutes prior to the beginning of competition each day. Tickets will be sold for $10 per day at the gate.

All spectators will receive a wristband each day for entry.

**Travel and Accommodations**

**Transportation**

Any participating institution located within 500 miles of the competition site must drive. Please note mileage is calculated using the shortest route through the NCAA’s Travel Expense System (TES) ([https://web1.ncaa.org/TES/exec/login?js=true](https://web1.ncaa.org/TES/exec/login?js=true). Click on Mileage Calculator underneath the Login area). All transportation needs will be the responsibility of the participating team.

Any institution over 500 miles is permitted to fly and all airline reservations must be made through Short’s Travel Management (866-655-9215). The participating institution shall be completely responsible for making its own travel reservations. Institutions can also enter travel manifest and other travel party information through the travel portal at [www.shortstravel.com/ncaachamps](http://www.shortstravel.com/ncaachamps).

If an institution is eligible to use air transportation to the site of the championship, and there is a major airport located within 150 miles of the championship site, then the participating institution is required to fly into/out of that airport and use ground transportation to and from the site of competition. This also applies if the originating airport isolated within 150 miles of the participating institution’s campus.

This policy only applies when airfare is less expensive from the more distant airport. In addition, the NCAA travel staff will have discretion to increase the hub rule mileage if necessary and reasonable. When teams competing in individual-team sports are eligible to fly to the competition site, the institutions will be allowed to book travel before the official selection announcement. However, should you pre-book and any of your travelers not qualify for reimbursement, your institution will be billed for the cost of those tickets after the championship is completed. If an institution is eligible to use air transportation, they may choose to drive to the site of competition due to difficulties in arranging air travel. Should this occur, the institution will be reimbursed the lesser of what airfare would have cost, or the eligible ground transportation. For individual-team sports, eligible ground transportation is mileage per person.

**Lodging**

For courtesy room blocks reserved for the championship, visit the Division III Outdoor Track and field landing page on NCAA.org. ([HERE](http://www.ncaa.org))

**Uniforms**

**Bibs**

Competition bibs for each participating student-athlete will be included in each team’s packet along with eight safety pins per competitor. Bibs must be worn on the front and the back of the uniform jersey during competition. Field event competitors must wear their name bib on the front or back of the uniform jersey during the competition.
**HIP NUMBERS**

Hip numbers will be provided for all races. For student-athletes competing in races not finishing in lanes (800m and up), three numbers will be given to each student-athlete. The third number should be on the left chest. For relays, all runners will receive numbers.

**UNIFORMS**

When engaged in competition, each competitor must wear an official team uniform with components governed by these rules or be subject to disciplinary action. Wearing any part of the official team competition uniform illegally (that is, top off or intentionally shortened, shoulder straps lowered) while in the area of competition shall lead to a warning by the nearest official and a report of uncorrected violations shall be made to the games committee, referee and offending competitor’s coach.

1. On any single day of competition, all team members must wear uniforms clearly indicating through color, logo and combination of all outer garments worn as a uniform, that they are the same team.

   a. Teams may change uniform colors from one day to another for multiple-day meets.

   b. Men’s and women’s programs are considered separate teams, and are not required to have uniforms of identical color.

2. A uniform consists of two school-issued components – shorts or briefs, and a top. A one-piece body suit is acceptable as a combination of the two components. Any outer garment (that is, sweatpants, tights) that is school-issued becomes the official uniform, when worn.

   a. The uniform must be of a material and design deemed to not be objectionable or offensive by the athletics department of the issuing institution.

   b. The uniform top must, by design and size, cover the full length of the torso, meeting or hanging below the waistband of the bottoms, while the competitor is standing, and allow for the competitors’ numbers to be placed above the waist, front and back.

   c. Uniform tops must be worn so to not obscure hip numbers.

   d. Additional visible clothing is an undergarment. It must be worn under the uniform and be of a solid color.

   e. All relay and cross country team members must wear uniforms clearly indicating, through color, logo and combination of all outer garments worn as a uniform, that members are from the same team.

   f. Other visible garments useful in team recognition (that is, T-shirts, arm warmers, tights of any length, leg-warmers, each taken separately) worn by team members must be of an identical solid color. This does not apply to items of apparel above the shoulder or those covering the hands/feet.
3. Competitors shall not use or wear artificial noisemakers.

Note 1: Individual or team uniform, logo, number and shoe rules shall be enforced through inspection by the clerk or the head field event official at initial event check-in. Violators shall be warned, given the chance to correct the violation and reported as provided in the rule.

Note 2: Clothing defined as an ‘undergarment’ does not include items commonly defined as ‘underwear’.

Note 3: The effect of this rule is that no imagination shall be required to justify a clear sense of belonging to a team.

**LOGO POLICY**

An institution’s official uniform and all other items of apparel (e.g., team jersey, socks) that are worn by student-athletes in competition may bear a single manufacturer’s or distributor’s normal trademark, not to exceed 2¼ square inches, including any additional material (e.g. patch surrounding the normal trademark or logo). The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, parallelogram).

In addition, an institution’s official uniform cannot bear a design element similar to the manufacturer’s that is in addition to another logo or that is contrary to the size restriction.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo of an apparel manufacturer or distributor. This restriction shall not include logos that identify the student-athlete’s institution or conference.

These restrictions apply to all apparel worn by student-athletes during the conduct of competition, including pre-meet or post-meet activities.
