**Administrative Meeting**

The administrative meeting will be conducted Thursday morning at 8 a.m. on Microsoft Teams. The purpose of the meeting is to review policies and procedures governing the conduct of the championship and to introduce the games committee. The head coach and athletics administrator of each team must be present; the assistant coach(es) may attend. Coaches must turn in the team pass gate list (APPENDIX F) to the NCAA

championship administrator at this meeting via email. The agenda for this meeting can be found in APPENDIX B.

### **Practices**

Teams will not be allowed to practice on the competition field earlier than the day before the competition. Arrangements may be made to practice at an alternate facility two days before the competition, but the host institution is not obligated to assist with these arrangements.

Each team is allotted one hour and 30 minutes Thursday and Saturday. A brief practice time (30 minutes) will be offered to teams on Friday and Sunday before the games. Practices will be closed and supervised by the games committee. The game clock will be used to time all practice sessions.

### **Pregame**

All teams are guaranteed 45 minutes of warmup on the game field for semifinal games, with all pregame warmup activities confined to the half of the field that is assigned by the team's game bench. The music will begin when the clock is started for warmup. The host institution will provide all music for the championship. Interaction with the umpires can only occur at the scorer's table with an NCAA representative and both coaches present.

## ***SECTION 4 – Championship Format***

---

### **Bracket Format**

The championship provides for a 18-team, single elimination tournament. Opening round games will be conducted Wednesday prior to the first- and second-round games at two campus sites. First- and second-round competition will be conducted on the campus of one of the competing institutions at four sites. The four advancing teams will compete in the finals at George J. Sherman Family Sports Complex on the campus of the University of Connecticut. The semifinal games will be Friday, November 18, and the championship game will be Sunday, November 20.

### **Determination of Home/Away Teams**

For all rounds of competition, teams will be designated as home or visitor by the sport committee. Each team must have two sets of shirts and socks; one light set and one dark set.

Teams are required to submit colors of uniform jersey, kilt, socks and goalie jersey to the games committee for each round of the championship. In turn, umpires will review the selected colors to ensure adequate contrast between the two competing teams. Head coaches will be prepared to share their uniform colors on the Participant Call on Monday.

### **Lineups**

Game rosters will be submitted and exchanged with 30 minutes on the game clock prior to the start of play.

## ***SECTION 5 – Championship Operations***

---

### **Emergency/Evacuation Plan**

#### **Evacuation/Severe Weather Plan**

During any storm with lightning, stadium patrons will be instructed to leave the stadium and seek refuge in their personal vehicles. Teams will be instructed to take shelter in their locker rooms or team bus. In the event of a Tornado Warning, occupants and athletes from both teams, in an orderly manner, should

take refuge in areas located inside locker rooms. If there is not enough room, then the overflow will be directed by event staff to go into the back storage room to take refuge.

Spectators will be advised through PA announcement of inclement weather or delays. If inclement or severe weather occurs, fans should exit the stadium through the main entrance and follow directions from event staff at that point.

If injuries or building damage occurs, notify campus police by calling 911 or 860-486-4800.

Once the all clear is given, the event management staff will give the word for employees and/or fans to return to the stadium.

### **Severe Weather Policy for NCAA Field Hockey Championship**

For the safety of all spectators, student-athletes, officials and coaches the following will be used in case of severe weather (e.g., cold temperatures, heavy snow, lightning):

1. The tournament director and NCAA Field Hockey Committee will monitor the weather during the week and days of the championship games.
2. The NCAA Field Hockey Committee, in consultation with the host and head umpire, will determine whether the start of the game(s) should be delayed or if the game(s) should be postponed until the following day.
3. If necessary, competition may be postponed until the next day, per NCAA policy, with similar if not the same start times. This information must be communicated with all involved institutions.

### **Hazardous Materials, Unattended Item or Suspicious Object Found**

Hazardous materials are not to be brought into the facility. If suspected hazardous materials are found notify event staff immediately. Unattended or suspicious items are to be reported immediately to the event staff.

### **Fire Safety**

Anyone that becomes aware of a fire shall immediately notify event staff or activate the building fire alarm system. UConn Fire Department will be notified.

As a reminder, the NCAA championships and alliances group has developed a dedicated website to retain key information from every conference and institution that may participate in an NCAA championship. All sports information administrators, members of the media, the NCAA and our partners (i.e., Turner/CBS, ESPN, IMG College, Van Wagner) will be required to use the site to access logos, fight songs, rosters, photos of student-athletes, teams, coaches, administrators and campus for use on [naaa.com](http://naaa.com), game programs, banquet videos and video boards at NCAA championships. For this site to be completely effective, it requires your full cooperation. The SID for your team should have received information on how to upload onto the [NCAA Box site](#). If they did not receive instructions and are unable to upload content, please reach out to Carrie Snyder at [csnyder@naaa.org](mailto:csnyder@naaa.org) in order to gain access.

### Hospitality

Coaches/Committee Members: Coaches and committee member hospitality is located at the tented area on the inside of the track area behind the netting closest to the main entrance. This area will be restricted to credentialed personnel only.

Media: Media hospitality will be located in the Guyer Gym in the Hugh S. Greer Field House. Snacks and drinks will be provided throughout competition.

Officials: Officials' hospitality is in the designated space in the officials' locker room. Snacks and drinks will be provided throughout competition. Boxed lunches will be delivered to the locker room.

Student-athletes: PowerAde, Dasani water, nutrition bars, and fruit will be provided on practice and game days in the Greer Gym in the Hugh S. Greer Field House.

### **National Anthem**

The National Anthem will be played before the first game of each day.

### **Officials**

Selection/Assignments. All umpires for all tournament games will be selected and assigned by the Field Hockey Committee in coordination with the NCAA national coordinator of officials. The umpires must be certified.

Two umpires shall be assigned to each game; in addition, a table umpire will be assigned to each game and shall have supervision over the timer's and scorer's table and ball persons. A video umpire will be assigned to each game. A minimum of six, adult ball persons will be assigned to all games.

### **Player Introductions**

Due to ESPN broadcast coverage, the player introduction sequence differs from the regular season as noted below.

It is required that the following format be used for the semifinals and championship: The teams are led onto the field in two lines by the three officials. The captain of each team heads the line of players (both starters and nonstarters). The officials will stop at midfield. At midfield, the teams, in single file, will turn 90 degrees and move toward their respective goals, ultimately forming a single line at center field facing the direction as determined by the venue. Face the flag for the national anthem. The national anthem will be played during the first game of each day. The officials are the first to be introduced after the anthem. The announcer then introduces the "visiting" team's nonstarters, followed by the starters, assistant coach(es), and head coach. The announcer then introduces the "home" team using the same format. After both teams have been introduced, the players should return to their respective benches to prepare for the start of the game.

### **Post-Championship Evaluations**

The NCAA will send evaluations to head coaches and athletics directors via email after competition. It is important that we get your help in providing feedback. We would appreciate if you could also share the survey link with your team. Your responses will be held in confidence and used only to enhance the championship in the future. The survey should take less than five minutes to complete.

### **Scouting**

Scouting seats will be reserved only for the official members of the coaching staff of the teams participating in the tournament. These seats will be in a designated area at the top of the bleachers at the George J. Sherman Family Sports Complex.

### **Video Referral**

Video referral will be used during the semifinals and championship game.

Complete information regarding video referral protocol is in Appendix A of the [2022-23 NCAA Field Hockey Rules Modifications](#).

## Filming

The host will film all games and upload to the video sharing website for all teams.

Each participating team is automatically authorized to film all games. The filming location will be in a designated area under the scoreboard. Teams will be assigned areas by event staff before competition day.

Institutions that bring along a videographer for institutional highlight show purposes may receive a credential. Cage cameras for institutional highlight shows must be approved by the Field Hockey Committee. These cameras must have NO AUDIO and must be removed after the institution's game.

Institutions are permitted to duplicate championship competition by their teams or their individual student-athletes for archival, coaching or instructional purposes. Each institution is permitted to use one camera.

The game film may not be used for any commercial purposes.

**SECTION 11 – Lodging**

**Team Hotels**

Twenty-four (24) non-smoking, double-double rooms, one (1) king and one (1) suite have been reserved for each team at the hotels listed below beginning Wednesday, November 16. A complimentary meeting space for the team may be requested. The hotel will make every effort to ensure team rooms are on the same floor and not more than two (2) floors.

By **Monday, November 14 at 5 p.m. Eastern**, the institution is responsible for contacting the hotel to which it has been assigned to confirm the reservations and provide the hotel a rooming list. Teams are obligated to stay at the assigned hotel. If a team prefers to stay at a hotel other than the one to which it has been assigned, it must (a) obtain from the hotel manager a written release of the team rooms, or (b) use the rooms for persons accompanying the official party. If an institution fails to make satisfactory arrangements with the hotel for use of the team rooms, full charges for the rooms will be billed to the institution for payment for one night.

Hotel assignment will be based on the order of the top four seeds in the championship, or the institution representing the pod if the seed does not progress in the championship.

**Concussion Management**

The NCAA has adopted legislation that requires all active member institutions to have a concussion-management plan for their student-athletes. Participating institutions shall follow their concussion-management plan while participating in NCAA championships. If a participating team lacks appropriate medical staff to activate its concussion-management plan, the host championship concussion-management plan will be activated.

The legislation notes, in part, that a student-athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be removed from athletics activities (e.g., competition, practice, conditioning sessions) and evaluated by a medical staff member (e.g., sports medicine staff, team physician) with experience in the evaluation and management of concussions; a student-athlete diagnosed with a concussion is precluded from returning to athletics activity for at least the remainder of that calendar day; and medical clearance for return to athletics activity shall be determined by the team physician or the physician's designee from the student-athlete's institution. In the absence of a team physician or their designee, the NCAA tournament physician will examine the student-athlete and will determine medical clearance.

A concussion is a brain injury that may be caused by a blow to the head, face, neck or elsewhere on the body with an "impulsive" force transmitted to the head. Concussions can occur without loss of consciousness or other obvious signs. A repeat concussion that occurs before the brain recovers from the previous one (hours, days or weeks) can slow recovery or increase the likelihood of having long-term problems. In rare cases, repeat concussions can result in brain swelling, permanent brain damage and even death. For further details please refer to the NCAA Sports Medicine Handbook on the [NCAA website](#).

## *SECTION 14 – Participant Expectations and Guidelines*

### Ethical Behavior by Coaches

Members of the coaching profession have certain inherent obligations and responsibilities to the profession, to the student-athletes and to all those with whom they come into contact. Coaches are expected to be role models who conduct themselves with integrity and high ethical standards at all times.

The words and actions of a coach carry tremendous influence, particularly on the young people under his or her direction. It is, thus, imperative that he or she demonstrate and demand high principles of sportsmanship and ethical behavior.

### Misconduct/Failure to Adhere to Policies and Procedures

*[Reference: Bylaw 31.02.4 in the NCAA Division I Manual.]*

**Misconduct.** Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship, that discredits the event or intercollegiate athletics.

**Failure to Adhere to Policies and Procedures.** A governing sports committee may assess a financial penalty against an institution for failure of any of its representatives to adhere to the policies and procedures governing championships administration.

### Red Cards

Please refer to the [2022-23 NCAA Field Hockey Rules Modifications](#), especially Section 6 – “Conduct of Play: Players, Goalkeepers, Coaches.”

### Sportsmanship

The primary goal of the rules is to maximize the safety and enjoyment of the student-athlete. Sportsmanship is a key part of that goal. Sportsmanship should be a core value in behavior of players and

bench personnel, in crowd control by game management and in the officials' proper enforcement of the rules governing related actions.

### **Sports Wagering**

The NCAA defines sports wagering as putting something at risk – such as an entry fee or a wager – with the opportunity to win something in return. The NCAA opposes all forms of legal and illegal sports wagering on college sports. Student-athletes and athletics administrators cannot place a sports wager for any NCAA-sanctioned sport. This includes wagering on the intercollegiate, amateur or professional level.

A student-athlete involved in sports wagering on the student-athlete's institution permanently loses all remaining regular-season and postseason eligibility in all sports. A student-athlete who is involved in any sports wagering activity that involves college sports or professional athletics, through Internet gambling, a bookmaker, a parlay card or any other method employed by organized gambling, will be ineligible for all regular-season and postseason competition for at least one year.

In championships in which a bracket format is used, student-athletes, coaches and administrators may not participate in bracket competitions where there is both a required entry fee and an opportunity to win a prize. Student-athletes and administrators may participate under current NCAA rules, in bracket contests where there is no entry fee but a possibility of winning a prize. Some NCAA member schools, however, have chosen to ban student-athletes from participating in these types of bracket contests.

### **Tobacco Ban**

The use of tobacco products is prohibited by all game personnel (e.g., coaches, athletic trainers, managers and game officials) in all sports during practice and competition. Uniform penalties (as determined by the applicable rules-making committees and sports committees with rules-making responsibilities) shall be established for such use.

The use of tobacco products by a student-athlete is prohibited during practice and competition. A student-athlete who uses tobacco products during a practice or competition shall be disqualified for the remainder of that practice or competition.

**Squad Size**

*[Reference: Bylaw 31.1.5 in the NCAA Manual.]*

Teams participating in the championship are limited to a maximum of 24 players in uniform. Players must be designated at the coaches meeting through the official travel party list. After the game starts, no replacements will be permitted for any reason. An institution that is advised it is in violation of this regulation and does not promptly conform to it shall automatically forfeit the competition. It is recommended that each team requesting laundry service bring a large travel bag (or two) to transport all laundry. Please make all arrangements by **5 p.m. Eastern time, Tuesday, November 15.**

### Logo Policy

*[Reference: Bylaw 12.5.4 in the NCAA Division I and II Manuals, and Bylaw 12.5.3 in the NCAA Division III Manual.]*

The provisions of Bylaw 12.5.4 (Divisions I and II) or Bylaw 12.5.3 (Division III) indicate that an institution's official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer's or distributor's normal trademark, not to exceed 2 1/4-square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, parallelogram).

In addition, an institution's official uniform cannot bear a design element similar to the manufacturer's that is in addition to another logo or that is contrary to the size restrictions.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2 1/4-square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity, other than the student-athlete's institution.

These restrictions apply to all apparel worn by student-athletes, and any and all credentialed personnel in the bench area during the conduct of competition, which includes any practices and pregame or postgame activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff. Non-compliance with this legislation could result in loss of eligibility, forfeiture of points earned by those ineligible student-athletes and adjustment of team standings.

### Patches

At the championship site, each team will receive 48 NCAA blue disk patches for their student-athletes. Each student-athlete that is part of the official team roster should receive two patches. The preferred location for the patch is on the upper left corner of the jersey; however, the left sleeve is an acceptable alternative.

Use of the NCAA patch for NCAA championship participants has been endorsed the by NCAA Division I Competition Oversight Committee as a way to recognize the elite level of play that your student-athletes have attained.

It is recommended that you remove the patch before washing and drying your uniforms. The patches are pressure-sensitive, and heat will activate the pressure-sensitive backing possibly causing a residue to form

on your uniforms. Patches can be reapplied after you wash and dry your uniforms. The NCAA disclaims, and will otherwise not be responsible or liable for, any damages or injuries of any kind caused by or arising out of the patches or the use thereof.
