### Bid Checklist

---

The following materials must be submitted by institutions that wish to be considered as hosts for preliminary-round competition. All materials are due by **5 p.m. Eastern time, Friday, October 31**.

**Each of the online forms listed below may be accessed and submitted through the championships bid portal at <https://championships.ncaa.org>.** The application is now part of My Apps and new users need to go through their SSO administrator to have it added to their My Apps account.

**To begin the process of submitting a bid, you will need to locate the specific divisional sport and round in the Championships Available for Bidding section and click on Start Bid.**

- ☐ **Proposed Budget(s).** An online proposed budget must be completed for **each** round of competition you wish to host. For those institutions submitting bids for multiple rounds, a 'copy' function is available in the system and will allow you to copy the budget or bid for another round. The appropriate round and date of competition must be indicated on each budget. Please be sure to include projected ticket sales in the Receipts section.

**Note: Due to budget system upgrades, budgets submitted before the 2023-24 academic year can no longer be copied. Any newly submitted budgets will again be available for copying for future years/additional rounds. Previous budgets may still be accessed via the Home tab.**

Free-form fields in the budget templates have been eliminated. Bidders will have to make their selections from a predetermined menu of options for each category. To assist with determining the appropriate option, bidders can hover over each option for examples/details.

Please carefully review pages 19-20 of the [2025 NCAA Division III Field Hockey PreChampionship Manual](#) before submitting a proposed budget, and make note of the following for all preliminary-round competition:

- All lodging expenses for officials and site representatives (if needed) must be included in your budget. Officials' fees, per diem and travel expenses do not need to be included, nor do per diem and travel expenses for site representatives – the NCAA will pay those expenses directly.
  - Minimum ticket prices for adults should be \$5.00. For specific group/youth, etc. prices please reach out to Caleb Kolby directly via email at [Ckolby@ncaa.org](mailto:Ckolby@ncaa.org).
  - Institutions will not receive an honorarium for hosting non-predetermined competition. NCAA staff will override the honorarium listed upon the host's submission of the financial report.
- ☐ **Facility Profile.** An online facility profile must be completed and/or maintained as necessary by each institution interested in hosting preliminary-round competition. Information regarding video board, LED board and/or ribbon boards should be entered via the "Boards/Control Room" tab of the applicable venue profile.

A facility profile can be maintained and updated on a regular basis. If a facility can host multiple sports, check the appropriate box(es) under the Sports tab of the facility profile to provide the information for that facility. Refer to page 19-20 of the PreChampionship manual for facility requirements and site selection procedures. Facility information must be reviewed for completeness and accuracy once a year. Instructions on the process are included in the bid portal.

- ☐ **Key Contacts.** The key contacts for your institution should be entered and/or maintained as necessary within your profile. Please enter the information for the key personnel associated with running a championship at your site.

When starting a bid, you will be prompted to enter new key personnel or edit or confirm your existing key personnel. In addition, you will be asked to designate individuals who should receive the various host shipments (e.g., sport equipment, merchandise, awards, etc.). Please include the proper mailing address for overnight deliveries. P.O. box addresses will not be accepted.

Personnel who will administer the competition also will be listed and can be edited within the Profile section of the Championships Bid Portal. When entering individuals in this manner, information must be entered on both the General tab and the Role/Titles by Sport or Facility tab.

- ☐ **Critical Incident Response Team Contact Information.** The system automatically will generate a critical incident response team contact information form based on data entered into the key contacts form and the new Emergency Numbers tab in the facility profile. Individual points of contact from each agency are preferred, followed by LOCAL emergency numbers. The use of 911 should be avoided. If applicable, site representative information will be added by the championship manager once a site has been selected for hosting.

- **Safety and Security Plan.** Based on a review of current and future championships competition venues, discussions with safety and security experts, and their own expertise and knowledge, the NCAA has established a Safety and Security Advisory Group.

As part of your bid, **please submit a safety and security plan** for your venue. Your safety and security plan documents should be uploaded in the Documents tab of the facility profile, under in the Safety and Security Plan tab. Safety and security plans should, at a minimum, be replaced if they were established five years ago or before.

- **Alcoholic Beverages.** All Division I, Division II and National Collegiate championships are eligible to engage in the sale of beer, wine and prepackaged/premixed beverages (the latter with alcohol by volume of not greater than 15%), provided certain criteria are met. After starting a bid in the NCAA Bid Portal, users will be prompted to answer a few questions that will determine their institution's eligibility to sell alcoholic beverages at a given venue. If a school is deemed eligible and is interested in selling permissible alcoholic beverages, it will be required to complete one of the agreement options that must be signed and uploaded into the bid portal. Please thoroughly review the Championships Alcohol Sales Policy before determining and completing the appropriate agreement. A host that indicates it plans to sell alcohol at its site will see a new "Concessions Reporting" section in the budget. This section will need to be completed AFTER the conclusion of competition and submitted along with the actual expenses.
- **Lodging.** The host institution/agency shall negotiate a courtesy hold for the participating institutions/student-athlete(s). The selected hotel properties shall be priced at a fair and reasonable market room rate, while remaining sensitive to daily divisional per diem allowances. The selection of a competition site may be dependent on availability and quality of rooms for participating institutions/student-athletes. A [letter of intent template](#) is provided by the NCAA for the host to use to confirm the hold with the hotel(s).

All prospective hosts for non-predetermined sites will be required to identify the hotel properties they secured for the event via the Hotels tab, along with an upload of signed hotel agreement(s)/letter(s) of intent.

For participating institutions, at minimum a block of (20) rooms per institution shall be held. Each participating institution will need to confirm their arrival dates. For the first round, hotels should be held Tuesday and Wednesday night. For the second and third round, hotels should be held Thursday-Saturday night. In rare occasions, a institution might need hotel rooms Monday night prior to the first round, or Sunday night after the third round. Institutions' travel plans dictate their room needs, with a cut-off date of Monday at 5 p.m. local time for first round, and Thursday at 5 p.m. local for second round. We ask the participating institutions to let the hosts and hotel know as soon as possible to assist in accommodations.

For officials and site reps, first round umpires should have (4) rooms held the night before competition through the game date should it be needed. For second/third rounds (7) rooms should be held Friday with a check-out date of Sunday.

Team hotels are expected to be located within 30-45 minutes of travel time from the venue, with a preference for 30 minutes. Hotels beyond 45 minutes may be considered by the sport committee as part of an acceptable bid, but additional information and rationale is required with the bid. Hosts should also ensure that the locations of the hotels for all visiting teams are equitable to the greatest extent possible. Hosts should indicate the quality of hotels in the bid submission on both the hotel letter of agreement and in the bid portal so committees have an additional understanding before awarding bids.

Hotels with internal doors and beds (i.e., no pullouts) are the only permissible lodging options. Full-service properties are preferred while limited-service properties can be acceptable if they meet quality and amenity requirements as specified by the respective sport committee.

The NCAA championship manager will reach out to each host, as necessary, to confirm hotel arrangements or if the hotel arrangements submitted are not satisfactory to the requirements.

- **Liability Insurance.** Host institutions must maintain and provide proof of at least \$1 million of general liability insurance on an occurrence form for Bodily Injury and Property Damage, including Products Liability (including completed-operations coverage), coverage for contractual liability, independent contractors, and personal and advertising injury. Coverage cannot exclude liability arising from athletic participation, spectators, alcohol, or food-borne illness. The certificate must be submitted to NCAA prior to competition. State institutions subject to state governing tort laws are permitted to provide proof of limited liability under state laws instead of general liability coverage. (This is the minimum requirement per NCAA bylaws).

If applicable, off-campus venues must also maintain and provide a minimum of \$1 million in general liability insurance on an occurrence form for Bodily Injury and Property Damage, including Products Liability (including completed-operations coverage), coverage for contractual liability, independent contractors, and personal and advertising injury. Coverage cannot exclude liability arising from athletic participation, spectators, alcohol, or food-borne illness. The NCAA must be named as an additional insured.

All insurance must be provided by an insurance company with an A.M. Best Rating of A-, VII or higher.

Host institutions must provide the national office with the appropriate certificates of insurance or documentation of self-insurance. This information must be provided via the Certificate of Insurance link in the bid portal. As this is a new feature in the portal, all prospective hosts must upload their documentation once. Depending on the coverage, users must subsequently verify their documentation is still valid, or upload a new certificate once the previous version has expired.

- **Game and practice ball requirement.** New in 2025, the hosts must select the type of ball they want to use during game competition based off their facility surface. Hosts must confirm this information via the bid portal and confirm it can meet minimum practice ball requirements based off the ball selected. More information can be found on page 11 of the [2025 Division III Field Hockey PreChampionship manual](#).

- ☐ **Video review.** Hosts must indicate their desire to use video review during the preliminary rounds by the bid deadline.
- ☐ **Game time adjustments.** All game time adjustments must be requested by the bid deadline in-order to be considered.
- ☐ **Minimum ticket prices.** The minimum ticket prices for the NCAA DIII Field Hockey preliminary rounds shall be \$5 for an adult. Hosts may propose a higher ticket price in their bid submission if desired. Children aged two and under are admitted free with a paying adult.
