INFORMATIONAL ITEMS.

1. **Division III Championships Committee update.** The committee received updates from recent Division III Championships Committee meetings, including an update on the request for a fourth camera at the finals site of the championship, the discontinuation of Regional Advisory Committees, and the installation of minimum ticket prices during the 2026 championship. All of those items are outlined in the May Division III Championships Committee report.
2. **Committee meetings.** The committee reviewed and confirmed the meeting cadence for the 2026-27 academic year. The committee also confirmed its desire to conduct the annual meeting in person due to the cancellation of last year's annual meeting due to adverse weather.
3. **2026 championship planning.** The committee was provided with an update from NCAA staff and committee chair after the recent site visit to the 2026 championship host. The committee confirmed several changes to the championship schedule, including ordering additional student-athlete gifts in lieu of the championship banquet, longer practice windows for practice day, and moving semifinal game times earlier in the day. The committee believes this will provide the best student-athlete experience for the 2026 championship and will reevaluate the schedule during the annual meeting post-championship based off participant feedback.
