SECTION 4 – Bands/Cheerleaders/Mascots

The Lone Star Conference encourages the participating teams to bring their cheerleaders, band and uniformed mascot to McKinney. Involvement of all parties adds to the excitement of the championship game. Live animal mascots are not permissible. Please note that the bands, cheerleaders, and uniformed mascot will not be permitted to form any tunnels on the field for team introductions/run-outs.

The Lone Star Conference requests that the following information be sent to Colby Peek (cpeek@mckinneyisd.net), no later than 5 p.m. Central time on Monday, December 16, 2024:

- Name(s) of Director and Assistant Director for the band. **Please include email addresses and cell phone numbers.**
- Arrival date and time and mode of transportation for the band.
- Copy of script and general plans for halftime shows for the band. Each school is tentatively allotted six minutes in the halftime performance (this includes on and off the field movement).
- Names of individuals who need field passes and those needing press box passes for halftime.

Due to a time constraint of painting logos on the field, the bands will not be able to practice on the game field.

The intermission will be 20 minutes. Seventeen (17) minutes will be allotted for the halftime entertainment, with the understanding that the field must be cleared three minutes before the start of the second half. The time clock for the 17 minutes allotted for halftime entertainment will commence when the teams leave the field. Under no circumstance will the intermission be extended for entertainment.

- **Band members**, who are in uniform and performing at the championship, will not be charged admission to the competition. Bands, or any component thereof, are allowed to play during timeouts and before and after the competition. Bands may only play when their team has the ball. Bands shall not play while the game is in progress. Halftime activities are the responsibility of the host; however, the participating teams may request an opportunity to participate. Bands will be dropped off on the north side of McKinney ISD Stadium.
- **Cheerleaders and/or spirit squad team members**, not to exceed 24 in number, plus the uniformed mascot and one cheerleader coach, shall be admitted, if in uniform, via the gate list furnished to the hosts; all other institutional representatives will be admitted only upon presentation of a ticket. Live mascots are not permissible. Cheerleaders and/or spirit squad team members will be dropped off on the north side of McKinney ISD Stadium and will enter the facility through the Fine Arts Plaza Gates. The championship hosts (Lone Star Conference and McKinney ISD representatives) can determine the number of cheerleaders and/or spirit squad members permissible on the sidelines based on the respective facility capacity and make that number known during the pre-championship conference call the Monday in advance of the game. This number needs to be the same for both participating teams and the space allocated on the end zone/sideline area must be the same for both participating teams. The cheerleaders and/or spirit squad will only be allowed to perform in their designated area designated by the tournament manager.

Please notify Colby Peek at cpeek@mckinneyisd.net or 469-302-3999 if your cheerleaders will be in attendance.

SECTION 11 – Participant Expectations and Guidelines

Ethical Behavior by Coaches

Members of the coaching profession have certain inherent obligations and responsibilities to the profession, to the student-athletes and to all those with whom they come into contact. Coaches are expected to be role models who conduct themselves with integrity and high ethical standards at all times.

The words and actions of a coach carry tremendous influence, particularly on the young people under their direction. It is, thus, imperative that he or she demonstrate and demand high principles of sportsmanship and ethical behavior.

Misconduct

[Reference: Bylaw 18.02.4 in the NCAA Division II Manual.]

Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship, that discredits the event or intercollegiate athletics.

Please note that any use of alcohol and/or tobacco products (e.g., smoking cigars) as part of any postgame celebration either on the field and/or in the locker room is strictly prohibited. Any violations of such policy could be deemed as an alleged act of misconduct.

Sportsmanship

The primary goal of the rules is to maximize the safety and enjoyment of the student-athlete. Sportsmanship is a key part of that goal. Sportsmanship should be a core value in behavior of players and bench personnel, in crowd control by game management and in the officials' proper enforcement of the rules governing related actions.

Sports Wagering

The NCAA defines sports wagering as putting something at risk – such as an entry fee or a wager – with the opportunity to win something in return. Student-athletes and athletics administrators cannot place a sports wager on any NCAA-sanctioned championship sport. This includes wagering on the intercollegiate, amateur or professional level.

Tobacco Ban

The use of tobacco products is prohibited by all game personnel (e.g., coaches, athletic trainers, managers and game officials) in all sports during practice and competition. Uniform penalties (as determined by the applicable rules-making committees and sport committees with rules-making responsibilities) shall be established for such use.

The use of tobacco products by a student-athlete is also prohibited during practice, competition, and news conferences.

Community Engagement

All Division II championships will provide community engagement experiences for participating student-athletes and coaches. As a key part of Division II's strategic position, community engagement emphasizes the relationship of athletics in strengthening communities.

This year's Division II's unique approach to community not only connects athletics with outreach opportunities, but also brings communities inside the division's championship experience. Division II is committed to developing student-athletes and communities by actively engaging in shared experiences. The objective of community engagement is to build relationships by bringing communities to experience Division II events.

For more information, or if you have any questions, please contact Jill Willson (Email: jwillson@ncaa.org; Phone: 717-360-3556). We sincerely appreciate your assistance with this NCAA Division II Community Engagement Event.

SECTION 12 – Practices

Practices

Practices will be held at McKinney Boyd High School and McKinney High School. Both fields have indoor, artificial turf fields. Please see the schedule of events for practice site assignments. Teams need to come dressed for practice as locker rooms for showering and changing will not be available. Water will be provided for teams.

The first practice session must be an open session, and all players and coaches must be available for interviews for a minimum of one-half hour after the practice.

The media will be informed when the interview schedules are available.

In case of inclement weather, teams will still practice at McKinney Boyd High School and McKinney High School. Teams will be assigned a practice time by the NCAA Division II Football Committee.

SECTION 13 – Pregame Meeting

Pregame Meeting

The mandatory pregame meeting will be held at 5 p.m. Central time on Friday, December 20, at the McKinney ISD Community Event Center (4201 South Hardin Boulevard, McKinney, Texas 75070). The meeting includes the head coaches, directors of athletics (or a designated representative), and sports information directors from both schools. In addition, the Division II Football Committee, Lone Star Conference representatives, McKinney ISD representatives, game officials, a chain crew representative, security, public address announcer, television representatives from ESPN, DVSPORT, Inc. and NCAA representatives will be in attendance.

SECTION 14 – Squad Size

Squad Size

Participating teams are limited to no more than 58 players in uniform. The official travel party may consist of as many as 80 individuals. Please note; however, that should the party exceed this number, the institution, itself, must be responsible for the expenses of those in excess of that number. Additional

non-competing student-athletes are allowed in the team bench area at the discretion of the head coach, but they must count against the 125 maximum limit in the team bench area. Non-competing student-athletes must wear an opposite color jersey than that which the team is wearing in the game and must show their uniform number on the sideline. In the event of inclement weather, matching institutional-issued team apparel may be worn over the jersey. Non-competing student-athlete behavior is the responsibility of the head coach from the moment they enter the competition venue until the team leaves and a list of those individuals (names and numbers) must be provided to the Division II Football Committee at the pre-championship administrative meeting. Credentials are necessary for those individuals on the list provided at the administrative meeting.

SECTION 15 – Team Credentials

Team Credentials

The maximum number of team credentials issued to each team is 82 exclusive of players in uniform. The NCAA shall provide each team with a maximum of 67 team credentials that shall be distributed to only the coaches and those individuals in a working capacity that have performed these duties throughout the regular season. It should be noted that the 67 credentials should include the coaches who will be working in the press box during the game. There will be six credentials provided for coaches with access to the press box. The remaining 15 credentials provide sideline access during the game and can be distributed at the discretion of the respective participating institution.

The team credentials will be provided to the director of athletics either Wednesday or Thursday of championship week at the team's assigned hotel. It is anticipated that team credentials will be provided upon your arrival at the hotel. Credentials will only be issued once you provide a list of the individuals in the team bench area, and their function related to the team.

SECTION 16 – Team Travel/Transportation

Arrival

Teams participating in the National Championship game shall arrive no later than Noon Central time on Thursday, December 19, 2024; however, lodging is available at both team hotels as early as Wednesday, December 18, 2024.

Exceptions to arrival times at competition sites must be approved by the Division II Football Committee.

Team Travel

The Lone Star Conference and McKinney ISD requests that each school designate a team travel coordinator to act as the main contact, on behalf of the institution. This individual is asked to contact Jennifer Frazier with the following information:

Assigned seating will be used in the press box while the Community Event Center is open seating during and after the game on a first-come, first-serve basis.

Press Row Seating

Press row seating is limited. Requesting a seat does not guarantee a seat. Priority will be given to national media with a large circulation, local media with a daily circulation, media who have covered a participating team on a regular basis throughout the season and participating SID's. Overflow seating is available in other areas of the press box, but be advised, some of this seating is outside. Please dress accordingly.

Pregame notes, current statistics, media guides and programs may be available in the press box prior to the contest and will also be available on the NCAA Virtual Press Box. Halftime statistics, play-by-play, final box scores, notes and quotes are distributed in the press box, via email and on the Virtual Press Box.

Press Row/Box Decorum

If someone around you is causing a disturbance, please report it to Phil Pierce, Greg Weghorst or Amy Carlton. Violators risk forfeiture of credentials for this and future events.

Practice Media Policy

The teams initial practice in McKinney, Texas, is open and players and coaches are available to the media for one-half hour after the scheduled practice time on Thursday, Dec. 19. For practice times and locations, please see the schedule in Appendix 3. In the case of inclement weather, the practice will be moved indoors. Emails will be sent to credentialed media with specific times.

Truck Feeds

Television stations/institutions that are present at the championship may take a live feed of the ESPN broadcast at the production truck. If desired, outlets must provide all of their own HDSDI recording equipment including cables. Native format is 720p with four channels of embedded audio.

Video Footage - What You Can and Can't Shoot

ESPN owns the exclusive broadcast rights to the NCAA Division II Football Championship. Media outlets may shoot their own footage up to 12:30 p.m. local time on Saturday, Dec. 21. Once the ESPN blackout window opens, outlets may not shoot again until ESPN has concluded their live broadcast, this usually ends after the trophy presentation. A member of the media coordination staff will let outlets know when they may begin to shoot their own footage.

Team Content

Each institution is permitted to designate no more than two persons for the purpose of collecting team content (photo, video, social media) and must be identified with armbands distributed by the media coordination staff. Team content personnel must adhere to all media policies and are permitted to work from any area that serves all photographers. Video highlights must adhere to NCAA policies regarding such footage. Institutions may contact Veritone about licensing footage at sports@veritone.com or 866-825-6599 should they wish to use more than is allowed during the contest.

Photographers Meeting

There is a meeting for all photographers/team videographers in the photo workroom beginning at 11:30 a.m. Central time on Saturday, Dec. 21. While not mandatory, all photographers/team videographers are highly encouraged to attend this 15-minute session to get last minute instructions on shooting locations, policies and postgame procedures. Non-attendance at the meeting is not an excuse for not knowing policies and procedures.

Photographers/Photo Workroom

Photographers are asked to use the workroom in the Community Event Center accessible from the field in the southwest corner of the facility. Photographers will receive their armbands in the Community Event Center and then be directed to field level. There is no space allotted in the main press area for photographers to work. Photographers are allowed in the press box to access media hospitality.

When at the field level, photographers must wear armbands provided at all times. Photographers not wearing armbands will be asked to put them on, or will be escorted to the Community Event Center in order to retrieve them. Photographers are asked to adhere to all on-field markings as to where they may stand and where photographs may be taken from. Photographers not taking photographs are asked to move to the back to allow room for more photographers close to field level. **NO MEDIA IS PERMITTED IN THE TEAM BENCH AREA.**
