CAMERA MAP

Color Key
Required Positions
Option #1 to meet required Camera Minimum
Option #2 to meet required Camera Minimum
Additional Options for Manned Cameras
Not Required - Fixed Cams

#	Position	Config	Lens
1	High Left 25	Hand	55x
2	High 50	Hand	55x
3	High Right 25	Hand	55x
4	High Endzone	Hand	72x
6	Handheld	HH	22x
7	Low Endzone	Hand	72x
10	Booth	Fixed	Wide
11	Scoreboard	Fixed	24x

Additional Notes

Camera numbering reflects broadcast production standards and is not required to replicate

All lens sizes are recommended minimums based on ESPN standards and are not required

If only meeting 2 camera minimum, would recommend a combination of Cams 1 + 3 or Cams 2 +4

Low Endzone should always be opposite of High Endzone, but can be placed on either side of the field
