2020 Course Access During Regular Season – Finals Site

The NCAA Division I Men's and Women's Golf Committees have adopted the following policy for the regular season specific to the finals site that will conduct the respective back-to-back national championships:

Student-athletes and coaches are prohibited from walking, playing or practicing at the championship finals course (i.e., practice facilities and any additional golf course at the venue) beginning August 1 of the championship academic year other than those student-athletes and coaches who are members of the course or who are competing in sanctioned events of the state's amateur or professional golf associations, the USGA, LPGA, and PGA. Violations of this policy may result in sanctions listed under NCAA misconduct provisions or disqualification for a team or an individual(s), with no substitution permitted. The host institution will be prohibited from walking, playing or practicing on the championship finals course beginning 10 days prior to the men's championship.
