

DIVISION I WOMEN'S GOLF
(Effective for 2020)

PLAYER SUBSTITUTION – Match Play Only at Championships Finals

Substitution Conditions – Match Play Only (Championships Finals Site)

Prior to a match play round (quarterfinals, semifinals or finals), a team may substitute a sixth player for any member of the team provided that:

- a. The NCAA Division I Women's Golf Committee or the NCAA Rules Committee is notified of the substitution at least 30 minutes prior to that team member's starting time.
- b. The sixth player is an eligible member of the institution's team.

***Note 1:** When a team has substituted a sixth player, no further substitutions may be made by the team for that round. The team member that was substituted for becomes the sixth player and the team is limited to that player if the team wishes to substitute a player prior to any subsequent match play round.

***Note 2:** Unless a team chooses to substitute a sixth player prior to a match play draw, the team's five players that played in the previous round will be used for the draw.

Should institutions bring a sixth player as a substitute for match play, that player may use the practice facilities during the women's championships but would not be allowed to participate in the team's practice round.

Player Substitutions – NCAA Finals During Team Match Play Competition.

- Coaches would be allowed to bring one additional student-athlete to the championships.
- The additional student-athlete would be accounted for within the current NCAA Official Travel Party of eight (provides for six student-athletes and two non-student-athletes).
- The additional player could use the practice facilities throughout the championships but not be allowed to participate in the team's practice round.
- Substitutions would be permitted at the coach's discretion (injury, illness, coach's decision, etc.).
- Coaches would be allowed one substitution per stipulated match play round.
- The additional player would not be permitted to provide advice at any time.
- Coaches may substitute a player at least 30 minutes prior to that team member's starting time.
- Substitutes are not permitted during a match once competition in a match has started.
- Team lineups for match play will be set using the five players that completed the previous round.
