10. Submission of Competition Schedules.

Now in its sixth year, teams will be required to submit their fall and spring competition schedules, and any team that withdraws from a regularly scheduled tournament or cancels a scheduled tournament without reason will incur losses to each team in the field. However, should a tournament be cancelled for reasons beyond the control of the team, no penalties will be incurred.

The policy reads as follows:

“Teams are required to submit their fall schedules by the first Friday in September and spring schedules by the first Friday in February. Any team that withdraws from a regularly scheduled tournament or cancels a scheduled tournament will incur losses to each team in the field. However, should reasons beyond the team’s control cause a tournament cancellation or team withdrawal, the team will not incur any penalties. Review and approval of these cases will be the responsibility of the Division II Men’s Golf Committee.”

11. Golf Scoring Services Provider RFPs

Following normal operating purchasing policy at the NCAA, the NCAA is accepting bids for our Golf Scoring Services Provider. The NCAA is accepting bids and RFPs until December 16th and finalists will be selected for presentations sometime after the first of the year.

12. Student-Athlete Advice Giver Survey

On October 24th, Ashley Caldwell, Assistant Director, Championships and Alliances at the NCAA sent a survey to all DII Men’s and Women’s Head Golf Coaches to better understand the makeup of each coaching staff and each Head Coach’s thoughts on the role of student-athlete advice givers. The survey results will be reviewed and discussed by both the DII Men’s and Women’s Golf Committees in future meetings.

13. Coaches Connection Program.

Men’s Golf is in its fifth year with the Division II Coaches Connection program, in an effort to better serve coaches throughout the division. One coach has been appointed from each conference for men’s golf, and monthly conference calls are held with the coaches’ connector, conference representatives, GCAA and NCAA staff. For more information about the program, contact Fran Reidy, Director of Athletics at Saint Leo University (Fran.Reidy@saintleo.edu).

14. 2023 Annual Meeting.

The national committee will meet in mid-July, 2023 for their annual meeting. If you wish to add any items to committee’s agenda for discussion, those topics should be sent to a member of the national committee or to the national office staff by June 30.
