Section 1 - Introduction

On behalf of the Division III Men's Golf Committee, thank you for being an important part of the 2026 NCAA Division III Men's Golf Championships.

Administration of the NCAA Division III Men's Golf Championships is under the direction of the Division III Men's Golf Committee. Further, this manual will provide specific information on hotel arrangements and travel as well as a schedule of events at the championships site. It is designed to use in conjunction with, not in place of, the NCAA Division III Men's Golf Pre-Championships Manual, which provides more general policies for the administration of the championships.

Section 2 - NCAA Mission Statement

The core purpose of the NCAA is to govern competition in a fair, safe, equitable and sportsmanlike manner, and to integrate intercollegiate athletics into higher education so that the educational experience of the student-athlete is paramount.

Administrative Meeting

The mandatory coaches' meeting will be held at 4 p.m. Monday, May 11 at El Moro at Mission Resort. We will review the format, procedures and any other pertinent information at this meeting.

Banquet

The NCAA will host a block party for the NCAA Travel Party. The event will be Sunday, May 10, at Mission Resort + Club in the Legends Ballroom on the Clubhouse side at 5:30 p.m. The presentation of the Elite Scholar-Athlete Award and GCAA All-Region awards will be presented beginning at 7:00 p.m. Come for a night of fun and celebration of all your hard work this season. This party is open to only the official NCAA travel party. Attire is golf casual.

Special Olympics

A Special Olympics ceremonial first tee shot will take place before the practice round on Sunday, May 11, at Mission Resort + Club's Las Colinas Hole #1 at 9:40 a.m. All teams should be in attendance to celebrate the partnership between Special Olympics and NCAA Division III.

Folds of Honor

Each team and individual not on a team will be playing in honor of a fallen soldier on Wednesday, May 13. A special announcement of each fallen soldier will take place at each starting tee box at the start of each pairing. Student-athletes will be given a bag tag memento with a QR code to the list of fallen soldiers for whom they will be playing. The QR code will be available on the videoboard and American pin flags will be located on various holes throughout the courses. We ask that student-athletes lean the flags against their golf bags as to not let the American pin flags touch the ground.

Practices

Two 18-hole practice rounds (one round on each course) will be scheduled before the national championship finals on Sunday and Monday. Ten days before the first practice round, participants and coaches will not be permitted to set foot on either golf course or use the practice facilities. No exceptions will be made; however, the host institution's team shall be exempt from this policy, provided the championships are conducted on the institution's home course. Violations of this policy may result in sanctions listed under NCAA misconduct provisions or disqualification for a team or an individual(s), with no substitution permitted.

2026 NCAA DIVISION III MEN'S GOLF CHAMPIONSHIPS
Mission Resort and Club – Howey-in-the-Hills, FL

To maintain the conditions of the course and speed of play, it is encouraged that each participant spends only 17 minutes per hole. Participants may utilize their time on each hole as they see fit, but the expected pace of play will allow all participants to have equitable access during the practice round.

Teams are limited to five players during practice rounds. Groups of six are not allowed, and coaches are not allowed to play during any practice round.

Head coaches or designated official institutional representatives will be required to be with their teams during the entire practice round. Coaches will be provided time schedules and will be responsible for monitoring pace of play and any misconduct.

All practice-round starting hole assignments will be assigned by the NCAA Division III Men's Golf Committee and provided after selections.

Weather Policy

The NCAA will provide a weather detection system for the championships and access will be shared with the host. The games committee will do everything possible to complete 72 holes. However, the committee reserves the right to modify pairings for weather.

In the event of a weather emergency please follow the evacuation procedures as set forth in the Championships Operations section of this manual.

Section 8 - Championship Format

The NCAA Division III Men's Golf Committee, subject to the approval of the Division III Championships Committee, determines the format for the NCAA Division III Men's Golf Championships.

The team and individual champions will be determined after 72 holes of play or the conclusion of the last fully completed round. Forty-three (43) teams and ten (10) individuals not on one of those teams will be selected to participate in the championships. After 36 holes of competition, the field will be cut to the top 18 teams and top six (6) individuals not on one of those teams. Ties for the cut will be broken by a sudden death playoff or, if necessary, by the non-sudden death tiebreaking procedures set forth in this section.

If a team or individual wishes to withdraw from the championship, the head coach of that institution is required to notify the championships manager and the NCAA Division III Men's Golf committee chair, in person. Failure to do so falls under the misconduct section of both the pre-championships and this manual and the violating institution may face penalties outlined in that section.

The head coach must notify the games committee before the first tee time. The substitute must assume the position of the replaced player.

Tiebreakers

Tiebreaking Procedures

Team ties shall be broken by a sudden-victory playoff counting the low four scores relative to par on each hole. Play shall continue with new scoring on each successive hole until a winner is determined. The games committee will determine the starting holes. If a playoff involves more than two teams, a shotgun format shall be used. The team playoff will be conducted first, with the playoff for individual spots to follow immediately after the conclusion of the team playoff. Once the shotgun sudden-victory format is started, that format shall be used until a winner is determined.

Sudden-Victory Playoff Procedures

Teams will draw for positions. For a two-team playoff, the winner of the draw shall have the option of the A or B positions set forth below. For a playoff involving more than two teams, the teams shall assume the drawn letter position (A, B, C, etc.) set forth below:

Players will play the numbered position they held at the start of the tournament.

The format in pairings for a playoff of six teams or more shall be consistent with the foregoing format as determined by the games committee.

Individuals

Individuals will draw for order using the same procedure and order as noted in the teams section. Ties shall be broken during a sudden-victory playoff. The committee will determine the sequence of holes. The tied participants will play one extra hole at a time, with those still tied for the lowest score moving on to the next hole until a winner has been determined.

Non-Sudden-Victory Tiebreaking Procedure

For the purposes of ranking teams for third round pairings, and for situations in which a sudden-victory playoff cannot be completed, the following system shall be used to break ties, except as provided elsewhere when ties need not be broken at the championships:

Teams

1. First tiebreaker – cumulative total of the non-counting scores.
2. Second tiebreaker – cumulative total of the lowest player score from each round
3. Third tiebreaker – cumulative total of the second lowest player score from each round.
4. Fourth tiebreaker – cumulative total of the third lowest player score from each round.
5. Fifth tiebreaker – cumulative total of the fourth lowest player score from each round.
6. Sixth tiebreaker – revert to original seeding of teams.

Teams finishing with four players only instead of five will be held to the same tiebreaking standards.

Individuals

1. That round's score.
2. Score from previous round(s).
3. Coin toss.

When a tie exists within a team, the individual with the lowest team position will be given the later tee time. The foregoing procedure will also be used if a cut becomes necessary at any time after the completion of the second round of play at the championships.

Officials

Members of the NCAA Division III Men's Golf Committee, NCAA Rules Officials and other designated individuals will serve as the Games Committee and will make decisions pertaining to the conduct of the championship, such as pairings, rulings, protests, etc.

The rules officials will be represented by USGA-certified volunteer officials from across the country. Arrangements have been made for Scoreboard by Clippd to provide the computerized scoring system for the championships.

Post-Championship & Competition Site Evaluations

All evaluations will be sent from the NCAA after the championship. For credentialed host staff and administrators, a QR code to access the evaluation will be located on the back of each credential.

Registration

Registration will be from 4 – 8 p.m. in the main lobby of the Mission Resort + Club on Saturday, May 9. If your plans are to arrive after 8 p.m. on Saturday night, you can pick up your packets in the Vista Room at the Clubhouse before the practice round.

Teams, coaches and individual competitors will be provided with packets that include credentials, welcome information and participant gifts. Coaches will be asked for confirmation of their final lineups at registration (if different than what was submitted on the Participant Google Form).

Scoring

A daily team score is computed by totaling the lowest scores of four of the five team members. The final team score is determined by totaling each daily score.

Official scorecards for the 2026 Division III Men's Golf Championships will be kept on Scoreboard by Clippd's digital scoring platform. Every player in the field will keep their own score and mark for one other competitor in their pairing on their phone. Players will be given a paper scorecard as a backup in the event their phone or the marker's phone becomes unusable during the round for any reason. Scorecards shall be deemed returned to the Committee when the player uses the Clippd platform to verify their hole-by-hole scores with an NCAA scoring official, submits the scores of the competitor and leaves the scoring area.

During competition, players should enter their score and the marker score before teeing off on the next hole. If a player and marker enter a score on a hole that does not match, the Scoreboard by Clippd software will highlight that hole on both phones with a bright red box. Players are encouraged to correct that as soon as they notice it.

There will be an official scoring area for both courses where players will verify and submit final hole by hole scores with an official and their marker. Please have all players report to the scoring area immediately following the completion of their round.

Login information for paperless scoring will be available at the Coaches' Meeting and at the first tee.

For Clarification:

Players will not be penalized if they verify before entering the scoring area, but the committee would prefer they do that in the scoring area with the official.

Video Recording

Institutions are permitted to videotape championship competitions by their teams or their individual student-athletes for archival, coaching or instructional purposes. Each institution is permitted to use one camera and may videotape only that portion of the competition in which it participates. The videotapes may not be used for commercial purposes.

Mission Resort and Club – Howey-in-the-Hills, FL

Athlete Notification

Couriers will notify student-athletes selected for drug testing. Student-athletes will be instructed to read and sign the Individual Championship Student-Athlete Notification Form. Depending on the sport, student-athletes may need to report to drug testing within 60 minutes of notification, after their last event of the session, after their last event of the day or at the end of their participation in the championship.

Media Obligations

At individual/team championships, student-athletes who are selected for drug testing must fulfill all media obligation before reporting to the drug-testing area.

If the student-athlete and/or institution incurs additional expenses because of the delay (e.g., hotel, transportation back to campus, etc.), the institution may request reimbursement from the NCAA.

Testing Process

Student-athletes are drug tested through urinalysis and must provide a specimen in view of a drug-testing collector of the same gender. The length of the collection process depends on the student-athlete's ability to provide an adequate specimen. If a student-athlete provides an adequate specimen immediately upon arriving in the drug-testing area, the entire process can be completed within 20 minutes. If the student-athlete is unable to provide an adequate specimen, he must remain in the drug-testing area until one is provided. There is no maximum allotted time for a student-athlete to provide an adequate specimen.

Medical Examinations

As the event sponsor, the NCAA seeks to ensure that all student-athletes are physically fit to participate in its championships and have valid medical clearance to participate in the competition. The NCAA tournament physician, as designated by the host school, has the unchallengeable authority to determine whether a student-athlete with an injury, illness or other medical condition (e.g., skin infection) may expose others to a significantly enhanced risk of harm and, if so, to disqualify the student-athlete from continued participation. For all other instances, the student-athlete's on-site team physician can determine whether a student-athlete with an injury or illness should continue to participate or is disqualified.

Section 19 - Participant Expectations & Guidelines

Ethical Behavior by Coaches

Members of the coaching profession have certain inherent obligations and responsibilities to the profession, the student-athletes and to all those with whom they come into contact in the field. Coaches are expected to be role models who conduct themselves with integrity and high ethical standards always.

2026 NCAA DIVISION III MEN'S GOLF CHAMPIONSHIPS
Mission Resort and Club – Howey-in-the-Hills, FL

The words and actions of a coach carry tremendous influence, particularly on the young people under his or her direction. It is, thus, imperative that he or she demonstrate and demand high principles of sportsmanship and ethical behavior.

Therefore, coaches must:

1. Always place the safety and welfare of student-athletes above the value of winning and above any personal prestige or glory.
2. Ensure that the coaching staff and all others associated with the program treat the student-athletes under their control with fairness and respect.
3. Remember that they are on public display and that their conduct reflects upon the image of their respective institutions.
4. Teach their student-athletes strict adherence to the rules and regulations of the sport, the institution and other governing bodies to which they are responsible.
5. Firmly establish with their student-athletes the standards of acceptable conduct.
6. Treat opponents and assigned officials with respect and demand that student-athletes do the same, instilling in their student-athletes the importance of respect and sportsmanship over winning.
7. Ensure that student-athletes understand that taunting, intimidating and baiting opponents is unacceptable behavior and will not be tolerated.
8. Monitor their coaching staff and student-athletes to ensure that they do not use profane and vulgar language while representing the institution.
9. Ensure, along with institutional administration, that fans are reminded of the expectations of sportsmanship and respect for officials and opponents and their supporters.

Misconduct

Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship, which discredits the event or intercollegiate athletics.

Unsportsmanlike Conduct

Unsportsmanlike Conduct (i.e. profanity, club throwing, acts of defacing the golf course, use of electronic devices including iPods and cellular phones [except for Scoreboard by Clippd scoring], etc.).

During the round, defined as from the time the player makes his first stroke until the score card is submitted, at the first offense of any act of unsportsmanlike conduct during the championships (regionals and finals), the student-athlete and coach will be notified immediately on the golf course and provided a warning. The offending institution's director of athletics will receive a letter from the NCAA, informing the institution that one of its student-athletes had been warned for unsportsmanlike conduct during the championships. The second offense of unsportsmanlike conduct will result in disqualification for that round and further unsportsmanlike conducts will result in disqualification from the championships. Any unsportsmanlike conduct incurred at the regionals would be carried over to the finals. However, the committee shall have the right, without warning, to disqualify an individual for that round (or championships) for any flagrant act of unsportsmanlike conduct.

Sportsmanship

The primary goal of the rules is to maximize the safety and enjoyment of the student-athlete. Sportsmanship is a key part of that goal. Sportsmanship should be a core value in behavior of players and team personnel, in crowd control by game management and in the officials' proper enforcement of the rules governing related actions.

Sports Wagering

The NCAA defines sports wagering as putting something at risk – such as an entry fee or a wager – with the opportunity to win something in return. The NCAA opposes all forms of legal and illegal sports wagering on college sports. Student-athletes and athletics administrators cannot place a sports wager for any NCAA-sanctioned sport. This includes wagering on the intercollegiate, amateur or professional level.

A student-athlete involved in sports wagering on the student-athlete's institution permanently loses all remaining regular-season and postseason eligibility in all sports. A student-athlete who is involved in any sports wagering activity that involves college sports or professional athletics, through Internet gambling, a bookmaker, a parlay card or any other method employed by organized gambling, will be ineligible for all regular-season and postseason competition for at least one year.

In championships in which a bracket format is used, student-athletes, coaches and administrators may not participate in bracket competitions where there is both a required entry fee and an opportunity to win a prize. Student-athletes and administrators may participate under current NCAA rules, in bracket contests where there is no entry fee but a possibility of winning a prize. Some NCAA member schools, however, have chosen to ban student-athletes from participating in these types of bracket contests.

Tobacco Ban

The use of tobacco products is prohibited by all game personnel (e.g., coaches, trainers, managers and game officials) in all sports during practice and competition. Uniform penalties (as determined by the applicable rules-making committees and sports committees with rules-making responsibilities) shall be established for such use.

The use of tobacco products by a student-athlete is prohibited during practice and competition. A student-athlete who uses tobacco products during a practice or competition shall be disqualified for the remainder of that practice or competition.

Section 24 - Uniforms

Contestants must wear uniforms of the same color during competition and practice. Walking or Bermuda shorts are permitted, provided they are team shorts and are of the same color. Slacks or shorts may be worn at the individual's discretion, provided they are of the same color and are considered the team uniform. If a student-athlete wears headgear during competition, it must display only an institutional, conference or NCAA logo, or no logo. If there is no logo, a coach's or team member's headgear must be of an institutional color. A manufacturer's logo may appear on the side or back of the item if it conforms to NCAA Bylaw 12.5.5. For television purposes, it is recommended that each institution attempt to wear a uniform that reflects its school colors during the final two rounds of the championships. Team members are not required to wear the same headgear.

In the best interest of intercollegiate golf and the championships, participants must wear appropriate golf attire at the tournament site. All participants and coaches should have their shirts tucked in while on the golf course for practice and competition rounds. Please refer to the host institution's pretournament mailing for the definition of appropriate attire at the golf course.

Logo Policy*

[Reference: Bylaw 12.5.4 in the NCAA Division I and II Manuals, and Bylaw 12.5.3 in the NCAA Division III Manual.]

The provisions of Bylaw 12.5.4 (Divisions I and II) or Bylaw 12.5.3 (Division III) indicate that an institution's official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer's or distributor's normal trademark, not to exceed 2 1/4-square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, or parallelogram).

In addition, an institution's official uniform cannot bear a design element similar to the manufacturer's that is in addition to another logo or that is contrary to the size restrictions.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2 1/4-square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity other than the student-athlete's institution.

These restrictions apply to all apparel worn by student-athletes, and any and all credentialed personnel in the bench area during the conduct of competition, which includes any practices and pregame or postgame activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff. Non-compliance with this legislation could result in loss of eligibility, forfeiture of points earned by those ineligible student-athletes and adjustment of team standings.

(B) Tiebreakers - Printable

Tiebreaking Procedures

Team ties shall be broken by a sudden-death playoff counting the low four scores relative to par on each hole. Play shall continue with new scoring on each successive hole until a winner is determined. The games committee will determine the starting holes. If a playoff involves more than two teams, a shotgun format shall be used. The team playoff will be conducted first, with the playoff for individual spots to follow immediately after the conclusion of the team playoff. Once the shotgun sudden-death format is started, that format shall be used until a winner is determined.

Sudden Victory Playoff Procedures

Teams will draw for positions. For a two-team playoff, the winner of the draw shall have the option of the A or B positions set forth below. For a playoff involving more than two teams, the teams shall assume the drawn letter position (A, B, C, etc.) set forth below:

Two teams (A & B; tee off alternately)

#5A,	#5B,	#4A,	#4B,	#3A	playoff hole #1
#3B,	#2A,	#2B,	#1A,	#1B	playoff hole #1

SHOTGUN FORMAT

Three Teams

A #5	B #5	C #5	playoff hole 5
A #4	B #4	C #4	playoff hole 4
A #3	B #3	C #3	playoff hole 3
A #2	B #2	C #2	playoff hole 2
A #1	B #1	C #1	playoff hole 1

Four Teams

A #5	B #5	C #5	D #5	playoff hole 5
A #4	B #4	C #4	D #4	playoff hole 4
A #3	B #3	C #3	D #3	playoff hole 3
A #2	B #2	C #2	D #2	playoff hole 2
A #1	B #1	C #1	D #1	playoff hole 1

Five Teams

A #5	B #5	C #5	D #5	E #5	playoff hole 5
A #4	B #4	C #4	D #4	E #4	playoff hole 4
A #3	B #3	C #3	D #3	E #3	playoff hole 3
A #2	B #2	C #2	D #2	E #2	playoff hole 2
A #1	B #1	C #1	D #1	E #1	playoff hole 1

Players will play the numbered position they held at the start of the tournament.

The format in pairings for a playoff of six teams or more shall be consistent with the foregoing format as determined by the games committee.

Individuals

Individuals will draw for order using the same procedure and order as noted in the teams section. Ties shall be broken during a sudden-death playoff. The committee will determine the sequence of holes. The tied participants will play one extra hole at a time, with those still tied for the lowest score moving on to the next hole until a winner has been determined.

Non-Sudden-Victory Tiebreaking Procedure

For the purposes of ranking teams for third round pairings, and for situations in which a sudden-death playoff cannot be completed, the following system shall be used to break ties, except as provided elsewhere when ties need not be broken at the championships:

Teams

- First tiebreaker – cumulative total of the non-counting scores.
- Second tiebreaker – cumulative total of the lowest player score from each round
- Third tiebreaker – cumulative total of the second lowest player score from each round.
- Fourth tiebreaker – cumulative total of the third lowest player score from each round.
- Fifth tiebreaker – cumulative total of the fourth lowest player score from each round.
- Sixth tiebreaker – revert to original seeding of teams.

Teams finishing with four players only instead of five will be held to the same tiebreaking standards.

Individuals

1. That round's score.
2. Score from previous round(s).
3. Coin toss.

When a tie exists within a team, the individual with the lowest team position will be given the later tee time. The foregoing procedure will also be used if a cut becomes necessary at any time after the completion of the second round of play at the championships.
