

MEMORANDUM

August 6, 2025

TO: Head Coaches and Sports Information Directors at NCAA Division I, II and III Member Institutions that Sponsor Men's Golf.

FROM: John Baldwin
Managing Director, Championships and Alliances

Antonio Cannavaro
Coordinator, Championships and Alliances

Ryan Richardson
Assistant Director, Championships and Alliances.

SUBJECT: 2025-26 Tournament and Roster Registration Information.

The NCAA is pleased to partner with Scoreboard by Clippd as the service provider for processing regular-season results for selection purposes for the 2026 NCAA Division I, II and III Men's Golf Championships.

The [Scoreboard Coach Portal](#) will open for registration beginning on Monday, August 11, at which time you will be able to login using the same email and password as last season. If you have changed institutions or do not have login details, please email support@clippd.io.

Upon the opening of the Coach Portal on August 11, we request that you please complete the registration process and update team rosters and team schedules prior to the start of the fall season.

All competitions must be registered in the Coach Portal in order to be used for selection purposes. If you are planning to host an event this season, it is crucial that you register your event within the Scoreboard Coach Portal in order for others to add these events to their team schedules. Detailed instructions regarding this process are provided [here](#).

Additionally, please note the following schedule submission deadlines for Divisions I and II:

- For Division I, all schedules must be submitted in full in the Scoreboard Coach Portal by Sept. 1, 2025. Additional information regarding schedule submissions can be found [here](#).
- For Division II, spring schedules must be submitted in full in the Scoreboard Coach Portal by Feb. 1, 2026.

After these dates, any Division I or Division II schedule adjustments must be approved by the respective men's golf committee. Additionally, institutions that fail to submit schedules by the established deadlines may be assessed a financial penalty from the NCAA.

- For Division III, the Men's Golf Committee encourages institutions to submit spring schedules in the Scoreboard Coach Portal by Feb. 1, 2026. The committee will not review any additions after this date, and institutions will not be assessed a financial penalty for late submissions.

Per NCAA policy, the host institution of a regular season event will be required to submit results from their tournament to Scoreboard by Clippd within 48 hours of the conclusion of the event. For example, if a tournament ends on Tuesday, the host institution will be required to submit its results to Scoreboard no later than Thursday. Host institutions that fail to submit tournament results within the established timeframe may be assessed a financial penalty.

When hosting a tournament, you must report scores electronically through Scoreboard by Clippd via ScoreboardLive Scoring, manual entry, or via live scoring software that is integrated with Scoreboard by Clippd using Scoreboard's open API. Tournament hosts will be required to enter scores manually if using a live scoring software that does not integrate with Scoreboard via the open API. Fully integrated live scoring partners are listed as options when creating a tournament in the Coach Portal.

For tournament results to be considered for selection purposes, the competition must be played according to the Rules of Golf and conducted on a golf course that meets the following minimum yardages in relation to par: **Par 70: 6,100 yards; Par 71: 6,300 yards; Par 72: 6,500 yards.**

Support questions for registration, scoring and statistics can be sent to support@clippd.io.

Access to the Coach Portal, team and tournament registrations, and non-live manual scoring software are all provided free of charge through the NCAA's agreement with Scoreboard by Clippd. If you wish to receive Analytics and Statistics, ScoreboardLive Scoring, or any of the other Scoreboard services, you may sign up for those directly through Scoreboard during the season opening registration process.

The first ranking of the 2025-26 season will be published on Scoreboard in mid-October.
