7. **Regional Rankings.** Regional rankings will be published on [NCAA.com](https://www.ncaa.com) April 16, 23, and 30. A fourth regional ranking will be published after the selection announcement on May 12.

8. **Championship Field Selection.** The committee will select 225 participants for the championships. 43 teams and 10 individuals will be selected: 34 automatic qualifying teams and nine at-large teams.

9. **2024-25 Selection Process.** To be eligible for at-large berths to the championships, all teams and individuals must play twelve 18-hole rounds, including at least three rounds after Jan. 1 of each year. Both fall and spring schedules will be considered. Institutions that earn their conference's automatic qualifier in the fall are not required to play the three rounds after Jan. 1, but the men's golf committee recommends that a spring schedule is conducted. Waivers will be accepted by the men's golf committee for teams or individuals that have not met eligibility requirements due to weather or other extenuating circumstances. Waivers must be submitted in writing to the NCAA sport manager before the selection date.

All teams must play at least 25% of its contests against Division III in-region opponents (see Division III Bylaw 31.3.2.2), unless a waiver has been approved by the Division III Championships Committee.

It is encouraged that all teams have their spring rosters and schedules submitted by Feb. 1, 2025. All tournaments must be completed by 6:00 p.m. local time on May 11, 2025, before the final scheduled selection call of the men's golf committee.

#### 10. **Selection Criteria.**

##### **Primary:**

- Won-lost percentage against Division III opponents;
- Division III head-to-head competition;
- Results versus common Division III opponents;
- Division III strength of schedule;
- Strokes gained on a neutral course;
- Stroke differential;
- Place/Finish in all contests; and
- Nullification (Bylaw 31.02.4)

##### **Secondary:**

- Won-lost percentage against non-Division III opponents;
- Results versus common non-Division III opponents;

- Strength of schedule against non-Division III opponents; and
- Late-season performance, defined as an institution's last three tournaments, which may include the conference championship.

Additionally, input is provided by regional advisory committees for consideration by the men's golf committee. Coaches' polls and/or any other outside polls or rankings are not used by the men's golf committee for selection purposes.

11. **Championships Format.** The team and individual champions will be determined after 72 holes of play. After 36 holes of competition, the field will be cut to the top 18 teams and top six individuals not on one of those teams. Ties for the cut will be broken by a sudden-death playoff or, if necessary, by the non-sudden-death tiebreaking procedures set forth in the pre-championships manual.
