Section 1 • Introduction

During the 2023-24 academic year, the Association will sponsor 90 national championships – 42 for men, 45 for women and three for both men and women. Of the men's championships, three are National Collegiate Championships, 13 are Division I championships, 12 are Division II championships and 14 are Division III championships. Of the women's championships, six are National Collegiate Championships, 12 are Division I championships, 13 are Division II championships and 14 are Division III championships. The combined men's and women's championships are National Collegiate Championships.

The Pre-Championship Manual will serve as a resource for institutions to prepare for the championship. This manual is divided into three sections: General Administrative Guidelines, Sport-Specific Information and Appendixes.

Sections one through nine apply to policies applicable to all 90 championships, while the remaining sections are sport specific.

Selection Criteria. Policies and procedures in place to guide the team selection process.

Site Selection Criteria. Policies and procedures in place to guide the site selection process.

Section 2 • Championship Core Statement

The championships and alliances staff strives to administer competition in a fair, safe, equitable and sportsmanlike manner so that the experience of the student-athlete is paramount.

This is attained by:

Ensuring student-athletes' optimal experience.

Executing championship events reflecting appropriate quality and values to/for stakeholders – student-athletes, coaches, administrators, member institutions, sport committees, fans, broadcast partners and corporate champions/partners.

Coordinating all aspects of the championship in an efficient, effective manner through common operating policies and practices, using internal and external resources.

Integrating championships with broadcast and corporate relationships in a manner that maintains the integrity of the championship.

Assuring effective management of the business aspects of the operation.

Enhancing the assets of the NCAA and their value by collaborating with internal and external expertise to achieve heightened exposure (e.g., community programs, fan events, banquets, anniversaries).

Section 3 • Conduct

Section 3.1 Certification of Eligibility/Availability

[Reference: Certification of Eligibility/Availability in Bylaws 12, 13, 14, 15, 16, 20.2.4, 31.2.1.7.1, 31.2.1.7.1.2 and 31.2.2 in the NCAA Division I Manual, Bylaws 7.3.1.5 and 18.2.1.1 in the NCAA Division II Manual and Division II Championships Committee Policy and Bylaws 31.2.1.5, 31.2.1.5.2, and 31.2.2 in the NCAA Division III Manual.]

Only student-athletes eligible under Bylaws 12, 13, 14, 15 and 16 may compete in NCAA championships. Member institutions are required to certify the eligibility of their student-athletes before the beginning of each academic year and to withhold ineligible student-athletes from all intercollegiate competition.

Member institutions are reminded to notify the NCAA national office before the selection date for each championship of any student-athlete who may have participated in regular-season competition but subsequently is determined to be ineligible or unavailable for NCAA championship competition.

DISCOVERY OF INELIGIBILITY OF A STUDENT-ATHLETE AFTER SELECTION

If an institution fails to report an ineligible student-athlete and the omission is not discovered until after the institution is selected to participate in the championship, necessitating the institution's withdrawal from the championship, that withdrawal shall be considered as one of the years of ineligibility, provided another institution participates in the championship in place of the disqualified institution. If the discovery of the ineligible student-athlete occurs so near the beginning of the championship that the governing sport committee does not have a reasonable period of time to replace the disqualified institution in the bracket, that fact shall be taken into consideration in determining the number of years the disqualified institution shall be ineligible to participate.

Section 3.2 Drug Testing

As part of preparation and planning to participate in championship events, member institutions are reminded and encouraged to review all applicable policy and legislative requirements pertaining to banned substances, drug testing and related eligibility requirements with their student-athletes. Student-athletes who compete in NCAA championships may be subjected to drug tests in accordance with legislation and may be determined to be ineligible as a result thereof. Only student-athletes who have consented in writing to such testing are initially eligible for these championships; and thereafter, student-athletes who are tested shall remain eligible only if they test negative.

Section 3.3 Honesty and Sportsmanship

Individuals employed by (or associated with) a member institution to administer, conduct or coach intercollegiate athletics and all participating student-athletes shall act with honesty and sportsmanship at all times so that intercollegiate athletics as a whole, their institutions and they, as individuals, shall represent the honor and dignity of fair play and the generally recognized high standards associated with wholesome competitive sports.

Section 3•4 Misconduct/Failure to Adhere to Policies

MISCONDUCT

Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship, that discredits the event or intercollegiate athletics. Each games committee shall hold an administrative meeting with the representatives of participating institutions to review and explain the policies related to misconduct.

FAILURE TO ADHERE TO POLICIES AND PROCEDURES

A governing sport committee may assess a financial penalty against an institution for failure of any of its representatives to adhere to the policies and procedures governing the administration of the competition. This includes, but is not limited to, failure to comply with the procedures and deadlines for submitting scores, score sheets, schedules, rosters and entry/march-in forms for qualification and other materials necessary for the efficient administration of the competition.

[Click here](#) to see the full misconduct/failure to adhere to policies and procedures online.

Section 3•5 Sports Wagering Policy

Sports wagering includes placing, accepting or soliciting a wager (on a staff member's or student-athlete's own behalf or on the behalf of others) of any type with any individual or organization on any intercollegiate, amateur or professional team or contest. Examples of sports wagering include, but are not limited to, the use of a bookmaker or parlay card; internet sports wagering; mobile betting; auctions in which bids are placed on teams, individuals or contests; and pools or fantasy leagues in which an entry fee is required and there is an opportunity to win a prize.

The current NCAA legislation against sports wagering prohibits NCAA student-athletes, member institutions' athletics staff and non-athletics staff with athletics responsibilities, and conference office staff from participating in sports wagering activities or providing information to individuals involved in or associated with any type of sports wagering activities concerning intercollegiate, amateur or professional athletics practice or competition in a sport in which the NCAA conducts championship competition, in bowl subdivision football and in emerging sports for women.

A wager is any agreement in which an individual or entity agrees to give up an item of value (e.g., cash, shirt, dinner) in exchange for the possibility of gaining another item of value.

STUDENT-ATHLETES

A student-athlete found in violation of the prohibition against knowingly participating in any sports wagering activities or providing information to individuals involved in or associated with any type of sports wagering activity that involves intercollegiate, amateur or professional athletics competition shall be ineligible for further intercollegiate competition, subject to appeal to the Committee on Student-Athlete Reinstatement for restoration of eligibility.

POSTSEASON

In championships in which a bracket format is used, student-athletes, coaches and administrators may not participate in bracket competitions where there is both a required entry fee and an opportunity to win a prize. Student-athletes and administrators may participate under current NCAA rules in bracket contests where there is no entry fee but a possibility of winning a prize. Some NCAA member schools, however, have chosen to ban student-athletes from participating in these types of bracket contests.

HOSTING OPPORTUNITIES

It is permissible for NCAA championships to be conducted at locations in states that permit sports wagering.

Section 3•6 Student-Athlete Experience Survey

During the NCAA championships, the student-athlete experience is paramount. NCAA staff and hosts dedicate themselves to planning the best experiences for all involved. As part of our commitment to getting better, following the championship, participants will receive a survey to provide feedback on their experience and input on how championships

can be improved for future NCAA student-athletes. Institutional administrators and coaches will receive an email containing a link to the survey and will be asked to forward the survey to student-athletes. Additionally, this survey will be accessible via QR code found on the back of NCAA-issued championship credentials.

We also understand that sometimes certain circumstances or conditions occurring during the events may require real-time consideration. When this is the case, student-athletes may reach out to their site representative or NCAA national office staff on-site.

Section 4 • Elite 90™ Award

The Elite 90 award was created to recognize the true essence of student-athletes by honoring individuals who have reached the pinnacle of competition at the national championship level in their sport, while also achieving the highest academic standard among their peers. The award is presented in every sport, every division, and goes to the student-athlete who has the highest cumulative grade-point average of all student-athletes competing at the finals site. One student-athlete per championship will receive the award, and the announcement of the winner will be made at the finals site.

Institutions that wish to nominate a student-athlete must do so through an online nomination process. For more information or to access the online form and submit a nomination, [click here](#).

Section 5 • Fan Travel

Through support from Marriott International as the Official Hotel Partner of the NCAA, NCAA championships are pleased to provide easy and affordable accommodations for family and fans to follow their favorite student-athlete(s) and team(s) as they participate in NCAA championships competition. Travel arrangements completed through Marriott and NCAA Travel help support NCAA student-athletes. Please direct your fans to [NCAA.com/travel](https://ncaa.com/travel) to search and book online hotel reservations.

Section 6 • Health and Safety

As part of preparation and planning to host and/or participate in championship events, member institutions are reminded and encouraged to review all applicable health and safety policy and legislative requirements and guidance including, among others, those relating to concussion management, catastrophic injury prevention, inclement weather and independent medical care. These requirements and related information can be found in applicable division manuals, sports playing rules and the materials located on the [NCAA Sport Science Institute website](#). In addition, a summary of some of the key health and safety considerations related to traveling to championship events can be found in the [NCAA's Guidance for Medical Care and Coverage for Student-Athletes at Away Events](#).

Section 7 • Logo Policy

[Reference: Bylaws 12.5.4, 31.1.7 and 31.1.8 in the NCAA Division I Manual, Bylaw 12.5.4 in the NCAA Division II Manual and Bylaw 12.5.3 in the NCAA Division III Manual .]

A student-athlete may use athletics equipment or wear athletics apparel that bears the trademark or logo of an athletics equipment or apparel manufacturer or distributor in athletics competition and pre- and postgame activities (e.g., celebrations on the court, pre- or postgame press conferences), provided the following criteria are met:

1. Athletics equipment (e.g., shoes, helmets, baseball bats and gloves, batting or golf gloves, hockey and lacrosse sticks, goggles and skis) shall bear only the manufacturer's normal label or trademark, as it is used on all such items for sale to the general public; and

2. The student-athlete's institution's official uniform (including numbered racing bibs and warmups) and all other items of apparel (e.g., socks, head bands, T-shirts, wrist bands, visors or hats, swim caps and towels) shall bear only a single manufacturer's or distributor's normal label or trademark (regardless of the visibility of the label or trademark), not to exceed 2-1/4 square inches in area (rectangle, square, parallelogram) including any additional material (e.g., patch) surrounding the normal trademark or logo. The student-athlete's institution's official uniform and all other items of apparel shall not bear a design element similar to the manufacturer's trademark/logo that is in addition to another trademark/logo that is contrary to the size restriction.

Section 8 • Research

In order to avoid inappropriate and unnecessary participant distraction and disruption of championship events, it is expected any data collection or other research efforts conducted at or during championship events will be coordinated through the national office, with notice and a description of any research proposal to be submitted to the NCAA research staff at least six weeks before the championships event begins.

Section 9 • Travel Party

Please refer to the NCAA travel policies for all information regarding transportation and per diem expenses. NCAA Travel policies are updated annually and can be found online [here](#). Please reference Appendix A of the travel policies for reimbursable travel party numbers. The travel policies supersede all other documents.

Section 10 • Division III

Section 10•1 Division III Philosophy

The Division III championships philosophy is to field the most competitive teams within a regular-season philosophy that emphasizes regional competition and minimizes missed class time; and to provide representation in NCAA championship competition by allocating berths to eligible conferences, independent institutions and at-large teams.

Section 10•2 Commencement Conflicts

[Reference: Bylaw 31.1.4.5 in the NCAA Division III Manual.]

If an institution's commencement conflicts with participation in the championship, it shall inform the NCAA championship manager in writing one week before the selection date for the governing sport committee to consider an accommodation and a change to the championship schedule.

The following guidelines apply to commencement requests:

- Applies to team sports only.
- The governing sport committee, in consultation with participating institutions, may reschedule the game on the nearest possible date.
- Does not apply to predetermined finals sites.
- The governing sport committee shall make a good-faith effort to accommodate participating institutions in non-predetermined preliminary-round contests with multiple teams participating at the same site.

Section 10•3 Gameday the DIII Way

Division III promotes an atmosphere that is a respectful and engaging educational environment through athletics, for everyone through Gameday the DIII Way. Gameday the DIII Way establishes an expectation for championship hosts, coaches, student-athletes and spectators to focus on the common standards of safety, responsiveness, dignity and experience while participating or attending a championship event. We ask that each participant and attendee be personally accountable for their actions and do their part to ensure this event is a positive reflection of Gameday the DIII Way.

Section 10•4 Religious Conflicts

[Reference: Bylaws 31.1.4.1 and 31.1.4.2 in the NCAA Division III Manual.]

Institutional Policy. If a participating institution has a written policy against competition on a particular day for religious reasons, it shall inform the NCAA national office before May 1 of the preceding academic year to be excused from competing on that day. The notification shall be valid for a period of two years. The championship schedule shall be adjusted to accommodate that institution, and such adjustment shall not require its team or an individual competitor to compete before the time originally scheduled.

Individual Championships. In individual championships, a student-athlete must compete according to the institution's policy regarding Sunday competition (i.e., if the institution has no policy against Sunday competition, the student-athlete shall compete Sunday if required by the schedule).

Section 1•5 Equipment

The type of equipment (i.e., balls, clubs) to be used shall be determined by the individual team and must be acceptable under USGA rules. The one-ball rule will not be in effect. Golf bags must have the name or logo of the school on them.

Players and coaches will be required to use soft-spike or tennis shoes during championships competition. This includes all practice rounds. The penalty for breach of this condition is two strokes per hole, with a maximum of four strokes. As soon as a breach has been discovered, the player must immediately make the appropriate changes to conform to the policy. Electronic communication devices (e.g., cellphones, two-way radios) may be used only during practice rounds. Cellphones can be used by coaches on days of competition to check Scoreboard by Clippd results. During stipulated competition rounds, range finders may be utilized to measure distance only. Devices measuring other variables may be utilized during the practice rounds.

Section 1•6 Rules

Per NCAA Bylaw 17.32, member institutions shall conduct all of their intercollegiate competition in accordance with the playing rules of the Association in all sports for which the NCAA develops playing rules. For those sports in which the Association follows rules that are developed by other governing bodies and modified by the governing sports committee, the adopted playing rules shall be used. The governing sports committee will not consider any results for selection purposes that are not played in accordance with NCAA rules, or those rules adopted by an outside organization.

The Rules of Golf shall be followed, with the conditions listed below, along with the Division III Women's Golf hard card and any Local Rules the games committee deems necessary. Rules officials will be available for interpretations of the rules and other decisions governing the competition. For additional rules information, please see the Division III Women's Golf [hard card](#). Decisions regarding the Rules of Golf shall be final and cannot be appealed.

The following rules apply to championships competition.

Advice. In accordance with Rule 24.4 (except that a team member playing in the competition or current student-athlete may not be an Advice Giver), and in modification to Model Local Rule H-2, each team may appoint up to two persons who may give advice to members of that team provided that:

- Such persons are designated by the institution's athletics department to perform coaching duties and who serve in that capacity on a volunteer or paid basis.
- Immediately before each stipulated round, the designated coaches must be identified to the tournament committee by signing in and wearing the appropriate credential at all times.
- Advice must be given in a private manner that does not disrupt play.
- Coaches shall not give advice to, or ask for advice from, another team's players or coaches.
- A coach is not considered part of the player's side and therefore is not directly subject to the Rules of Golf; nevertheless, there are certain actions that a coach could take that might result in a penalty to the player (e.g., if a coach's action, such as improving a line of play or moving loose impediments or obstructions, is in violation of the rules).
- Such persons must not deliberately stand behind a player.
- A violation by a coach of a team is a two-stroke penalty against the team score for each violation; a violation by the coach of an individual competitor is a two-stroke penalty against that individual for each violation.
- A violation by a player is a two-stroke penalty.

In addition, if a player asks or allows the Advice Giver to violate a Rule on their behalf, or if the player does not take steps to stop such an action by the Advice Giver, the player will be subject to penalty for the violation in question.

Misconduct. In addition to the following policies, coaches, administrators and student-athletes shall be subject to the misconduct policies described in NCAA Bylaws 31.02.3 and 31.1.8. Unsporting conduct – a player (or coach, if coach violation) will be notified immediately on the golf course and provided a warning for unsporting conduct (e.g., willful acts of defacing the golf course; misuse of electronic devices, including MP3 players and cellphones, etc.; club throwing

or breaking; abusive language; or violation of the tobacco policy). The NCAA Division III Women's Golf Committee is responsible for assessing all penalties at the championships.

- Second occurrence in the same day – the player (or coach, if coach violation) will be disqualified for that round.
- Third occurrence any time during the championships will result in disqualification from the championships.
- Use of a nonconforming range finder shall result in disqualification for that round.

Pace of Play. In accordance with Rule 5.6a and b in part, “A player must not unreasonably delay play, either when playing a hole or between two holes.” In order to prevent any such penalty, it is suggested that the following guidelines be carefully reviewed.

- “Out of Position” – The first group to start will be considered out of position if, at any time during the round, the group is behind the prescribed schedule as detailed in the Pace of Play Time Chart provided to the head coaches.
- Following groups – Any following group will be considered out of position if it:
 - Is taking more than the allotted time to play; and
 - Reaches the tee of a par-3 hole and the hole is clear; fails to clear the tee of a par-4 hole before the preceding group clears the putting green; or arrives at the teeing ground of a par-5 hole when the preceding group is on the putting green. Note: Both must apply for a group to be out of position.
- Group Out of Position – Rules officials have been instructed to inform the players in a group if they are lagging behind but are not yet out of position.
 - Actual timing of an out-of-position group will be handled by the designated rules official.
 - Immediately after all players have left the teeing ground, but before any subsequent strokes have been played, the designated rules officials will inform any group that is out of position that it will be monitored and timed.
- Monitoring – Any player in a group out of position who takes 40 seconds or more to play a stroke will receive a warning for the first violation, will incur a penalty of one stroke for the second violation and will be disqualified for the third violation under Rule 5.6a.
- Note: If the group in question regains its proper position, any previous timings of more than 40 seconds will be carried over for the remainder of that round, in the event that group requires additional monitoring.
- Timing – The timing of a player's stroke will begin when the player has had a reasonable opportunity to reach her ball, it is the player's turn to play and the player can play without interference or distraction.
 - Except on the putting green, if a player has reached her ball, it is her turn to play and there are no distractions, timing will begin after she has had reasonable time to select a club. Time spent walking backward or forward for determining yardages will count as part of the time taken for the next stroke.
 - On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace the ball, repair her ball mark and other ball marks on the line of the putt, and remove loose impediments on the line of the putt.
 - Rulings or Other Incidents – If a ruling or some other legitimate delay occurs that causes the group in question to lose its position, that group is expected to regain its position within a reasonable time.

Players are encouraged to play “ready golf” in a safe and responsible way.

Section 1•7 Tobacco Policy

The use of tobacco or vaping products by student-athletes, or team or game personnel (e.g., coaches, athletic trainers, managers and game officials), is prohibited during competition. Any student-athlete, or team or game personnel, who uses tobacco or vaping products during competition shall be disqualified for the remainder of that competition.

Section 1•8 Uniforms

Contestants must wear uniforms of the same color during practice and competition. Walking or Bermuda shorts are permitted, provided they are team shorts and are of similar color. The inseam of the shorts must be at least four inches in length. Players may wear slacks or shorts at the individual's discretion, provided they are of similar color and are considered the team uniform. Institutions should make every effort to order uniforms with sizes adequate for all team members.

In the best interest of intercollegiate golf and the championships, participants must wear appropriate golf attire at all times at the tournament site. Denim is not considered appropriate attire.

LOGOS

[Refer to General Administrative Guidelines, Section 7.](#)

For golf, please note, shoes, golf gloves, towels, backpacks, sling bags, rain caps, rainsuits, outerwear and umbrellas are considered athletics equipment and are subject to equipment logo guidelines. Socks, headbands, T-shirts, wristbands, belts, belt buckles and visors or hats are considered uniforms and apparel and are subject to uniform and apparel logo guidelines.

Section 2 • Determination of Championship Participation

Section 2•1 Championships Format

The NCAA Division III Women’s Golf Committee, subject to the approval of the Division III Championships Committee, determines the format for the NCAA Division III Women’s Golf Championships.

The championships will consist of both team and individual competition conducted concurrently. The tournament is 72 holes. All participants will complete 54 holes of competition. After 54 holes of competition, the field will be cut to the top 15 teams and top six individuals not on one of those teams. Ties for the cut will be broken by a sudden-death playoff or, if necessary, by the non-sudden-death tiebreaking procedures set forth in [Appendix B](#). In the team competition, the low four scores for each team will count in each day’s total score.

The number of participants allowed at the finals is 151. A team may consist of four or five players. If a team is selected, additional individuals from that team are not permitted to compete as individuals in the championships.

SCHEDULE OF EVENTS

Tuesday, May 14	Conference call with selected teams and individuals at noon Eastern time.
Sunday, May 19	Course walk-through.
Monday, May 20	Practice day (shotgun start).
Tuesday, May 21–Friday, May 24	Championships finals.

Participants and coaches will not be permitted to walk, ride or play the golf course or use the practice facilities 10 days before the practice round. The host institution is exempt from this policy, provided the championships are conducted on the institution’s home course. If an individual or team does play or practice on the course, they will be disqualified.

PAIRINGS AND TEE TIMES

Walk-through, practice, pairings and tee times will be determined following selections.

SQUAD SIZE

An institution must begin competition with four or five student-athletes. A team must finish with four players in order to place in the team standings. Please refer to the NCAA Travel policies for all information regarding travel party size, transportation and per diem expenses. Travel policies can be found online at [ncaa.org](#).

Section 2•2 Results

SCOREBOARD POWERED BY CLIPPD

The NCAA Division III Women’s Golf Committee will use Clippd to assist with a computerized score-reporting system. As a result, it will not be necessary for institutions to submit season results forms to the committee or the NCAA national office. However, it will be necessary for institutions to submit a team roster to Clippd and register regular-season tournaments, according to the following procedures:

1. All tournaments must be registered with Clippd not later than Oct. 1, 2023. **Institutions that fail to meet the deadline will be assessed a \$200 fine.**
2. For any tournament results to be considered for selection purposes, the tournament host must submit results from their tournament into Clippd within 48 hours following the conclusion of the event. Results for tournaments conducted May 11 and 12 need to be submitted to Clippd by 6 p.m. Eastern time, Sunday, May 12.

REGISTERED TOURNAMENT STANDARDS

All tournaments and competition must meet specified minimum standards and be registered with Scoreboard by Clippd. The host coach is responsible for ensuring these standards are upheld. These standards include:

1. A golf course used for a tournament must have a minimum length as follows:
 - Par 70 and 71 - 5,500 yards
 - Par 72 - 5,600 yards
 - Par 73 - 5,700 yards

The yardage for the national championships will be set at a minimum of 5,800 yards.

2. The Rules of Golf, the Division III Women's Golf hard card, any Local Rules the games committee deems necessary, and Pace of Play Policy will be followed. All reported scores must be actual. No stroke limits are allowed.
3. The low four scores per 18-hole round from the designated five-player teams shall be used for team scoring. Players may participate as individuals.
4. Match play is an approved format for regular-season events and those results will be used for selections. Match play will report as a win, loss or tie for teams and individuals. In medal match play, all criteria will be reported in Scoreboard by Clippd. Please communicate with Scoreboard by Clippd personnel to report match play formats.
5. Disqualification for breach of the Rules of Golf applies only to that round.
6. If, due to injury or illness, a player is unable to start or finish a round, that player is eligible to play in subsequent rounds with the approval of the games committee.
7. Players must carry their own bags or use nonmotorized pull carts. An exception to this policy will be if the participant is permanently disabled or if carts are required to be used for a regular-season tournament round due to extenuating circumstances such as weather and/or lack of daylight that could result in play not being completed for an event, then the competing players only may share a cart.
8. For junior varsity contests, the respective school must inform the host institution that its junior varsity program will participate and that its team score should not appear on the tournament results form; however, individual scores must be reported.
9. For any tournament results to be considered for selection purposes, the tournament host must register the event with Scoreboard by Clippd before the start of competition.

MATCH PLAY

Format

- One point for each Individual match (tiebreak not mandatory on individual matches)
- Two-, four-, eight- or 16-Team event
- Team tiebreak should be determined as indicated below

Tiebreak for Medal-Match

1. Total score of all five players.
2. Winner of No. 1 players match (followed by No. 2 through No. 5).
3. Hole-by-hole score starting with hole 18 on No. 1 players and proceeding backward by hole (17-1). Then, No. 2 players and so on.
4. Coin flip.

Tiebreak for Match-Match

1. Total holes up by team. In other words, if Team A wins matches by 4&2 and 3&2 and Team B wins matches by 3&2 and 2&1, and the fifth match is tied: Team A would win with 4+3 being better than 3+2.
2. Total holes left. In the previous example, if Team B's winning matches were 4&3 and 3&2, then Team B would tie Team A at 4+3 under the first tiebreak. However, 2+2 is less than 3+2 (right-side totals after &), so Team B won one match a hole earlier and would win under the second tiebreak.

DIVISION III WOMEN'S GOLF

3. Match between No. 1 players followed by No. 2 through No. 5, if necessary.
4. Only needed if all five matches were ties: Same as tiebreak No. 3 in Medal-Match.
5. Coin flip.
 - Hole or Medal-Match format allowed.
 - No stroke or hole differentials reported. Only win-loss-tie Individually and win-loss Team reported.
 - Only have wins-losses-and/or-ties against opponent you actually played Team or Individually.

Section 2•3 Selections Information

The Division III Women's Golf Committee is responsible for the selection of all participants in the Division III Women's Golf Championships. Regional advisory committees assist in the evaluation of the teams and individuals and provide recommendations to the national committee. Coaches' polls and/or any other polls or outside rankings are not used by the Women's Golf Committee for selection purposes.

The Women's Golf Committee will meet via conference call on Monday, May 13 to select the participants for the 2024 championships. All regional advisory committee chairs (or their replacements) will participate on the call. Before the national call (completed not later than 1 p.m. Eastern time, Monday, May 13), the chairs will conduct a call with their respective regional advisory committee to determine recommendations.

ALLOCATION OF BERTHS

1. Pool A is reserved for the automatic qualifiers of conferences that meet the requirements for automatic qualification per NCAA Bylaw 31.3. Each conference eligible for automatic qualification is allocated one Pool A berth. After the determination of the Pool A berths, the committee will determine the Pool B selections followed by the Pool C selections.
2. Pool B is reserved for independent institutions and institutions that are members of conferences that do not meet the requirements for automatic qualification.
3. Pool C is reserved for institutions from automatic-qualifying conferences that are not their conference champion and the remaining teams in Pool B.
4. Berths from Pools B and C will be selected on a national basis, using regional selection criteria. There will be no predetermined regional allocations for Pools B and C.
5. There will be no maximum or minimum number of berths from one region.

SELECTION OF BERTHS

To be considered during the selection process either as an automatic berth (Pool A) or an at-large berth (Pool B and Pool C), an institution must play at least 25% of its competition against Division III in-region opponents, unless a waiver has been approved by the Division III Championships Committee. Competition rounds must be 18 holes on a course with the minimum yardage.

The national committee will select 151 participants for the championships. Twenty-nine teams and six individuals will be selected. Institutions must meet minimum sport sponsorship requirements as indicated in Bylaw 20.11.3.8 in order to be selected for the championships.

2023-24 SPORT SPONSORSHIP

Division III institutions sponsoring women's golf: 241

Provisional institutions sponsoring women's golf: 2

DIVISION III WOMEN'S GOLF

5. To be eligible for at-large berths to the championships, all teams and individuals must play twelve 18-hole rounds, including three rounds in the spring. Teams receiving automatic qualification berths (Pool A) must meet minimum sport sponsorship requirements, but otherwise will be determined as dictated by the conference (e.g., do NOT need to meet the minimum requirement of twelve 18-hole rounds, three rounds in the spring). Teams or individuals unable to meet eligibility requirements due to weather or other extenuating circumstances may submit a written request to the NCAA championships manager before the selection call for consideration by the women's golf committee.

Appendix B • Tiebreaking Procedures

Team and Individual Tiebreaking Procedures

Sudden-Death Tie-Breaking Procedure

Teams. Ties for first place shall be broken during a sudden-victory playoff counting the low four scores (relative to par). If there are three or more teams involved in a playoff, the shotgun format listed below shall be used. The committee will determine the sequence of holes. Time limitations may dictate a shotgun start as determined by the committee. The team playoff will be conducted prior to a playoff for individuals.

Team tiebreakers (teams will draw for positions):

Two teams (A & B; tee off alternately). Playoff Hole 1.

Tee Time	Team A	Team B
1 st	#5, #4	#5, #4
2 nd	#3, #2	#3, #2
3 rd	#1	#1

If the teams remain tied, the next hole in sequence will be played.

Draw Procedures. Teams will draw for order in the playoff by lot. For the playoff, the last team to have teed off on the final round of the competition will draw first; in the case of teams teeing off at the same time from hole #1 and hole #10, the team that played from hole #1 first will draw first. The same draw procedure would apply in the case of a playoff for individuals.

Shotgun Format

If a shotgun start is necessary, the scoring procedure will be the best four scores against par on each hole until a winner is determined.

Three teams

A #5	B #5	C #5	playoff hole 5
A #4	B #4	C #4	playoff hole 4
A #3	B #3	C #3	playoff hole 3
A #2	B #2	C #2	playoff hole 2
A #1	B #1	C #1	playoff hole 1

Four teams

A #5	B #5	C #5	D #5	playoff hole 5
A #4	B #4	C #4	D #4	playoff hole 4
A #3	B #3	C #3	D #3	playoff hole 3
A #2	B #2	C #2	D #2	playoff hole 2
A #1	B #1	C #1	D #1	playoff hole 1

Five teams

A #5	B #5	C #5	D #5	E #5	playoff hole 5
------	------	------	------	------	----------------

A #4	B #4	C #4	D #4	E #4	playoff hole 4
A #3	B #3	C #3	D #3	E #3	playoff hole 3
A #2	B #2	C #2	D #2	E #2	playoff hole 2
A #1	B #1	C #1	D #1	E #1	playoff hole 1

Players will play the numbered position they held at the **start** of the final round.

The format in pairings for a playoff of six teams or more shall be consistent with the foregoing format as determined by the committee.

Individuals. Individuals will draw for order using the same procedure and order as noted in the teams section. Ties shall be broken during a sudden-death playoff. The committee will determine the sequence of holes. The tied participants will play one extra hole at a time, with those still tied for the lowest score moving on to the next hole until a winner has been determined.

Non Sudden-Death Tie-Breaking Procedure

For pairings purposes and for situations in which a sudden-death playoff cannot be completed, the following system shall be used to break ties, except as provided elsewhere when ties need not be broken at the championships:

Teams

1. Cumulative total of the non-counting scores.
2. Cumulative total of the lowest player score from each round.
3. Cumulative total of the second lowest player score from each round.
4. Cumulative total of the third lowest player score from each round.
5. Cumulative total of the fourth lowest player score from each round.
6. Revert to original seeding of teams.

Individuals (within a team)

When a tie exists within a team, the individual with the lowest team position will be given the later tee time.

Individuals (not within a team)

1. Low score of the most recent round.
2. Low score next previous round.
3. Revert to original seeding of individuals.
