#### **SECTION 7 – CHAMPIONSHIP OPERATIONS**

For regional competition, the top 36 teams based on the NQS will be selected, with the top 16 teams seeded. Qualification for regional competition is based on a team's, an all-around competitor's and an individual event specialist's six best regular season meet scores, three of which must be contested away. To obtain the NQS, the high score is eliminated and the remaining five scores are averaged. Meet officials must be assigned using the Judges Assigning System (JAS).

In case of ties for the last berth into the regional competition and for seeding purposes, the team, all-around competitor or event specialist with the highest score, not including the six used for the regional qualifying score, will qualify. If a tie still exists, the process is continued until the tie is broken.

The top 12 all-arounders and top 16 event specialists based on national qualifying score and not on a qualifying team will be selected. The list of top 12 all-arounders and top 16 individual event

specialists will include individual qualifying scores from the teams competing in the first round to ensure those individuals compete in the individual competition, regardless of whether their teams advance from the first round.

Individuals will compete in the second round at regionals. Scores achieved in the second round will be used to determine advancing individuals once the regional final is finished (to account for individuals on teams that are eliminated in the regional final) and then the top all-arounder (not on an advancing team) and top specialist for each event (not on an advancing team) will advance to the national championship, in that event only. This method ensures 4 all-arounders and 16 specialists advance to the championship.

## **ADMINISTRATIVE MEETINGS**

### **Thursday, April 2**

A mandatory administrative meeting of the head coaches of the first round teams will be held at 11 a.m. in the Courtside Club of the Lloyd Noble Center. At this meeting the NCAA site representative, tournament director and meet referee will review meet format, march in, meet procedures, etc. The meet referee also will collect tentative lineups (Appendix C).

The administrative meeting for all second-round teams and AA/IES head coaches will be at 6 p.m. in the Courtside Club of the Lloyd Noble Center.

## **LOCKER ROOMS AND CORRALS**

Four locker rooms are available in the Lloyd Noble Center for teams, all-around and individual event specialists for use during all warm-up and competition sessions (Appendix F). Signs with team/individual competitors' names will be posted on the assigned locker room door. Additionally, separate locker rooms will be provided for male and female coaching staff members. Security personnel will be posted outside each locker room. Towels, bottled water and electrolyte replacement drinks will be placed in each locker room.

The host team shall remain in its regular-season locker room with the next best locker room assigned to the remaining highest seeded team, etc. A copy of the assigned team's march-in order shall be affixed in the locker room along with a timing sheet.

In the second round, teams in the first session must vacate the locker room by the end of the third

rotation. A secured area will be provided to store belongings.

## **PARTICIPANT HOSPITALITY**

Hospitality [oranges, bananas, apples, trail mix, yogurt, bagels (cream cheese/peanut butter), power bars, etc. as well as PowerAde and DASANI water] will be provided in each team locker room of the Lloyd Noble Center during all competition sessions.

## **LOOK THROUGHS**

All participating teams and individuals will be permitted to look through the competition venue prior to the meet. Visualizations are allowed but no touching or mounting of equipment.

## **OPEN STRETCH**

Teams/individual competitors will use the matting surrounding the first event for open stretch. There are no restrictions on flight or inverted skills for the duration of the open stretch. Gymnasts warming up on vault, bars and beam may use the apparatus for stretching purposes without mounting the equipment. On bars, the low bar may be raised or removed only when proper facility staff are present to ensure the bar is replaced safely and correctly; the high bar may not be used.

In the first round, both teams may open stretch on the floor. In the second round, IES/AA competitors may use the floor for open stretch or the matting surrounding their first event.

## **TIMED WARM UPS (TIME ALLOTMENTS)**

Each warm-up rotation will be 15 minutes. Each team (plus all-around competitor and event specialist) will begin the warm-up session on the same event on which it begins the competitive rotation and will follow Olympic order. If an event specialist is rotating with a team, an additional two minutes will be added to the 15-minute warm-ups (total 17 minutes).

Timing at beam and bars will begin once the first student-athlete touches the apparatus. Any team (or individual competitor) not using the full allotted time segment [3:15 (:30) on bars; 6:25 (1:05) on beam] may carry over a maximum of 15 seconds (calculated in five-second increments) to the next warm-up time segment (maximum four segments for bars and two for beam). Likewise, any overtime will be deducted from the next warm-up segment in five-second increments. If team(s) has completed its warm-up(s) before the 3:15 segment on bars or the 6:25 segment on beam expires, then the AA or IES may begin her allotted warm-up time. Time required to adjust the bars between team and individual event specialist/all-around competitor, as well as the time required to prepare the balance beam area, is not included in the timed warm-up. This protocol will be followed during warm-ups on the days of competition.

| <b>Bars*</b>                             | <b>Beam*</b>                              |
|------------------------------------------|-------------------------------------------|
| Team = 3:15<br>AA/Event Specialist = :30 | Team = 6:25<br>AA/Event Specialist = 1:05 |
| Team = 3:15<br>AA/Event Specialist = :30 | Team = 6:25<br>AA/Event Specialist = 1:05 |
| Team = 3:15<br>AA/Event Specialist = :30 |                                           |
| Team = 3:15<br>AA/Event Specialist = :30 |                                           |

\* In the second round, if a team does NOT have anybody rotating with them, they receive a 13-minute warm-up on bars and 12:50 on beam to be consistent with what teams receive who do have individuals rotating with them.

If team(s) have completed their warm-up(s) before the 3:15 segment expires, then the AA or IES may begin her allotted warm-up time. The 15-minute warm-up for bars and beam will be split to guarantee warm-up time for the all-around competitor. If an event specialist is rotating with the group, she will follow the all-around competitor.

## **MARCH-IN**

Teams will be introduced in competitive order (vault, bars, beam, floor exercise). During march-in (by each team's shortest to tallest gymnasts) the name of the institution, the head coach and names of the gymnasts will be announced expediently, followed by any all-around competitors, and then any event specialists assigned to rotate with the team.

## **NATIONAL ANTHEM**

The national anthem will be performed before each regional competition.

## **TOUCH WARM-UP**

During NCAA postseason competition, as competitors arrive at each event for competition there will be a 4:00 touch warm-up on each event. At the NCAA regionals and national championships, 0:30 will be added for each all-around and individual competitor. All participants on each event may use the entire touch warm-up time and all warm-ups will begin at the same time, regardless of duration. At the NCAA regionals and national championships, the two-minute transition between events will begin at the conclusion of the march-in ceremony, when all teams reach their respective corrals. After each rotation and the initial score is flashed, the PA announcer will announce the beginning of the two-minute transition period.

(Note: During the competition, all participants and coaches must remain in uniform and on the competition floor (or in team seating) until the completion of the awards ceremony.)

(Note: For all competition, if an injury or equipment failure occurs and competition is halted for 20 minutes or more, a 30-second touch warm-up per student-athlete will be allowed.)

## **CORRAL PROTOCOL**

All gymnasts, coaches and team personnel shall be in the designated corral from the end of the timed warm-up to the completion of the competitive rotation.

The next two gymnasts scheduled to compete in any event are the only gymnasts permitted outside of the corral and may warm-up in the designated area.

Teams should remain in the apparatus warm-up area of the current event until announced. They may use the designated warm-up area at that event to prepare for the next rotation.

All support staff must remain in the corral. The athletic trainer may leave the corral only on vault or to address an injury.

Teams and individual competitors are required to take their personal belongings with them as they move from corral to corral.

## **COACHES (ATHLETIC TRAINING PERSONNEL) VIEWING BOXES**

Regional hosts shall use tape to outline designated viewing boxes outside the team corrals (maximum of two per event) for coaches to watch their student-athletes compete. The designated viewing areas will be placed throughout the competition floor to not impede meet operations or jeopardize the safety of the student-athletes.

*One athletic trainer per competing institution will be permitted in a designated area near the vault landing area in instances where the vault corral is located at the beginning of the vault runway. The athletic trainer is there to observe and must refrain from engaging in any communication and/or cheering with the student-athlete, coach or other team personnel while in the vault landing area.*

## **EQUIPMENT AND MUSIC**

Equipment and matting as listed in Appendix D will be provided. Teams, all-around and individual competitors may bring one vaulting board and one small beam pad (not a sting or suede mat). The small beam pad may not be left on the floor during the competition. Plywood to be used beneath vault boards and spotting blocks will be supplied by the host.

Teams, all-around competitors and those individual event qualifiers on floor exercise are asked to bring their floor exercise music in two different forms. If your primary method is via iPod, please bring a CD and vice-versa as backup.

## **REGIONAL MAT COLOR**

Regional hosts may use any solid color floor exercise carpet, provided any corporate logos are covered. If the host institution rents or borrows a mat for the regional competition, then a blue AAI mat shall be used.

## **FOREIGN SUBSTANCE**

Foreign substances may NOT be placed on the hands and/or feet of the gymnasts or any piece of equipment (e.g., honey and sugar, tuff skin, etc.).

## **LINEUP/SCRATCHES**

A written official team lineup must be submitted to the NCAA scoring coordinator at the mandatory administrative meeting and again 1½ hours before the start of the competition. The lineup may be changed before the competition but is requested in advance for media and administrative purposes. Scratches for individual event finals must be made to the site representative or meet referee in writing by the head coach.

During open stretch on competition day, the official scorer shall print the lineup entered into the ScoreKeeper system. The head coach shall review the official lineup against the one submitted at the administrative meeting for accuracy. Once verified or corrected, the head coach shall initial the official lineup. The site representative will assist with the verification process.

## **SUBSTITUTIONS**

Before the start of an event, changes in the lineup may be made by notifying the NCAA scoring coordinator, who will notify the scoring table personnel, meet referee and chief judge at the event (via the chief judge's headset person).

After the event starts, the head coach must notify the chief judge on the event. The chief judge's

headset person will notify the scoring table.

Once a team begins an event (chief judge raises the flag for the first student-athlete), a substitute may replace a gymnast in that same position in the lineup; the order of competition may not be changed. A gymnast who is removed from one event lineup may compete in other events.

## **RESULTS**

The top two teams and the top all-around competitor (who is not on an advancing team) from each regional will receive an automatic berth to the national championships. In addition, the top event specialist not on an advancing team at each regional will advance to the national championships (in that event only). Please refer to the 2019-20 NCAA Women's Gymnastics Pre-Championship Manual for the rotation order for semifinals at the national championship.

## **TIES**

In regional team competition, ties for second place will be broken by counting six scores per event. If a tie still exists, the team score will be determined by using six scores per event, dropping the high and low scores, and adding the four middle scores.

Ties for the advancing all-arounder will be broken by evaluating the highest event score, then the next highest, and will continue until the tie is broken. If not broken, all four judges' scores will be counted for all four events. Ties for advancing event specialists will be broken by counting all four scores on the event. If not broken, the head judge score will be the tiebreaker. If a tie still exists, the advancing individual will be the one with the higher NQS.

The results of the meet will be verified by the on-site scoring director and meet referee immediately after each event.

## **AWARD CEREMONIES**

There will be no formal award ceremonies. The top all-arounder and all event winners from the second round will be announced during regional final competition. The advancing teams will be announced after regional final competition.

## **VIDEO REVIEW**

For regionals, the video review process will mimic the review process used in the regular season. Please refer to Section 7 of the 2019-21 NCAA Women's Gymnastics Rules Modifications and Meet Procedures for more details.

## **JUDGES**

Judges will be selected by the NCAA Women's Gymnastics Committee. The meet referee will be present at all competition sessions.

## **SECTION 8 – LOGOS, UNIFORMS AND COMPETITOR NUMBERS**

---

### **LOGO POLICY**

*[Reference: Bylaw 12.5.4 in the NCAA Division I Manual.]*

The provisions of Bylaw 12.5.4 indicate that an institution's official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer's or distributor's normal

trademark, not to exceed 2 1/4-square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, parallelogram).

In addition, an institution's official uniform cannot bear a design element similar to the manufacturer's that is in addition to another logo or that is contrary to the size restrictions.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2 1/4-square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity, other than the student-athlete's institution.

These restrictions apply to all apparel worn by student-athletes, and any and all credentialed personnel in the bench area during the conduct of competition, which includes any pregame or postgame activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff. Non-compliance with this legislation could result in loss of eligibility, forfeiture of points earned by those ineligible student-athletes and adjustment of team standings.

## UNIFORMS AND COMPETITOR NUMBERS

An institution's official uniform and all other items of apparel (i.e., tights, T-shirts, warm-ups, tennis shoes) must be identical if worn on competition day. During the march-in and awards ceremony, team members must be in identical warm-up apparel.

1. Gymnasts must wear one-piece leotards that include briefs and sports bra that are the same color of the leotard or are skin tone in color.
2. Leotard straps must be a minimum of 2 cm (7/8") in width. Following a warning, a .10 deduction may be assessed for leotards above the hipbone.
3. The meet referee will instruct a gymnast who does not meet the uniform policies that she is "out of uniform."
4. The gymnast must comply with the uniform rules or a .30 team deduction will be taken during team competition or a .30 deduction off the individual's score during individual competition.
5. Gymnasts are only permitted to wear stud earrings. No other jewelry is permitted. After a warning, a .20 deduction will be taken from the gymnast's score for each occurrence.

A gymnast who does not conform to the uniform policies will be considered "out of uniform" and will be required to conform to the uniform rules prior to competing. Being "out of uniform" also applies to wearing an incorrect number, in which case a warning will be issued and the deduction as stated in number five above taken, if not corrected.

Competition numbers assigned to each gymnast are considered a part of the official uniform and must be worn without alteration (e.g., folded over, cut, etc.) on the **backs** of all gymnasts' **competition leotards**. Two sets of adhesive numbers will be provided for each gymnast for each session and MAY NOT BE ALTERED IN ANY WAY. The gymnast must wear her competition number during the competition, unless she is performing a backspin on beam or floor, in which case the coach should display the number to the judges prior to the routine. Gymnasts should **NOT** wear numbers during warm-ups.

---

## SECTION 9 – COMPETITION SITE

---

The NCAA is dedicated to fair and equitable competition throughout each round/session of the championships and strongly supports an environment to safeguard the health and safety of the participating student-athletes, coaches, officials and spectators.

### **BAND/SPIRIT SQUADS/SPIRIT TEAMS/MASCOT**

Band members, not to exceed 25, who are in uniform and performing at the championships will not be charged admission to the competition. The host institution must designate seating off the competition floor. Bands, or any component thereof, may play only before the competition when the floor is cleared and during the 4-minute and 30-second touches.

In the event there is more than one band, the tournament director will divide the time before competition and the 4-minute and 30-second touches equally among the bands. The host will play last with all others performing in alphabetical order. Bands MAY NOT interfere with the announcer.

FIGHT SONGS MAY NOT BE PLAYED DURING THE 4-MINUTE TOUCHES. A participating institution must notify Bryant Houk, tournament director, [bhok@ou.edu](mailto:bhouk@ou.edu) no later than March 31, if it intends to bring a pep band, mascot and/or spirit squad.

### **BANNERS AND ARTIFICIAL NOISE MAKERS**

Any banners other than the approved NCAA and television and radio banners may not be posted on arena walls without the permission of the NCAA Women's Gymnastics Committee or its representatives. Hand-held team banners are permissible as long as they do not interfere with the competition or view of spectators and they do not contain any commercial identification. Banners advertising equipment or manufacturing are prohibited.

Artificial noise makers, laser lights, buttons with flashing lights, air horns, electronic amplifiers and the like are not permitted and shall be removed upon discovery.

### **COMPETITION SITE MAPS**

See Appendices.

### **STUDENT-ATHLETE/TEAM ENTRANCES AND PARKING**

All participants will enter through the South Tunnel Loading Dock of the Lloyd Noble Center. Credentials must be worn as specified to gain entry to the arena and for access to designated areas (competition floor, press conferences, locker rooms, etc.). Wristbands will be provided at the venue on arrival each competition day and are needed to access the competition floor. The respective credential or wristband must be worn at all times in order to gain access to the competition floor (this also pertains to any student-athlete NOT competing but traveling with team and included as part of the official travel party). The athletic trainer traveling with the team must be included as one of the 24 individuals permitted to be in the corral.

Coaches and staff will be required to wear the wristband (visible location, i.e., can be affixed to belt loop, etc.), while the laminated bag tag will be secured to the competing student-athletes' equipment/apparel bags.

EXAMPLE: Team buses will be able to unload in the south tunnel loading dock and then be directed to parking by security personnel. Parking for those in vans or cars will be available in a

surface parking lot located just to the west of the South Tunnel. Coaches will be able to drop off student-athletes in the loading dock prior to parking. Parking passes will be provided.

### **ADMINISTRATORS' ENTRANCE**

Each participating institution will be provided up to three additional parking passes to be used by team administrators not traveling with the teams or all around/individual event qualifiers. The parking passes will allow the administrators to park in Southwest lot of the Lloyd Noble Center. Entrance into the Lloyd Noble Center is located at the South Tunnel, which is at the loading dock area on the south side of the arena. **See Appendix.**

### **EMERGENCY AND EVACUATION PLAN**

Shelter in place: in the case of weather, criminal, or other major event – teams and judges will be directed to their respective locker rooms and meeting rooms. Follow the instructions of CSC event staff and OU staff. OU staff will notify teams of all clear and resumption of play protocols.

Should a situation require complete evacuation of Lloyd Noble Center- Teams will be returned to their buses or vans and directed to either the Headington Family Tennis Indoor or to the Coats Hall college of law shelter in the basement of the building. OU staff will notify teams of all clear and provide updates.

## **SECTION 10 – DRUG TESTING**

The following statement will be read at the mandatory administrative meeting:

**NCAA championships committees, following a recommendation from the NCAA drug-testing subcommittee, have discontinued the practice of announcing whether drug testing will be conducted at NCAA championship events.**

**Although knowing prior to competition whether NCAA drug testing was to occur had value for reasons of convenience, it left open the possibility that student-athletes might be tempted to use banned substances if they knew that NCAA testing was not being conducted at the site of competition.**

**Therefore, all coaches and student-athletes should presume that NCAA drug testing will occur at this championship event. Please inform your student-athletes that in the event they are notified of their selection for drug testing, the student-athlete must inform an official representative of your institution (e.g., coach, athletic trainer) before proceeding to the drug-testing site. Student-athletes will be reminded by the courier to contact their team representative.**

### **STUDENT-ATHLETE NOTIFICATION**

For individual championships, testing could occur at any time after the first event and may conclude many hours after the last event of the championships. The individual championship drug-testing program provides for a courier system to facilitate the notification of student-athletes

selected for drug testing at individual championships. The courier will hand the student-athlete the *Individual Championship Student-Athlete Notification Form*. The notification form will instruct the student-athlete to accompany the courier to the testing room within **60 minutes** unless otherwise directed by the crew chief or designee. Student-athletes who are scheduled to compete in additional events will be instructed to defer testing until completion of her final event of that session, of that day, or to defer until completion of her final event of the championships. The student-athlete and courier must obtain a signature from an institutional representative.

Typically, nine randomly chosen student-athletes are tested.

## **MEDIA OBLIGATIONS**

Within the allotted 60 minutes, the student-athlete must complete all NCAA required responsibilities (e.g., media obligations, awards ceremonies, etc.). The courier must remain in visual contact with the student-athlete always.

## **TESTING PROCESS**

Student-athletes are drug tested through urinalysis and must provide a specimen in view of a drug-testing collector of the same gender. The length of the collection process depends on the student-athlete's ability to provide an adequate specimen. If a student-athlete provides an adequate specimen immediately on arriving in the drug-testing area, the entire process can be completed within 20 minutes. If the student-athlete is unable to provide an adequate specimen, she must remain in the drug-testing area until one is provided. There is no maximum allotted time for a student-athlete to provide an adequate specimen.

## **SECTION 11 – LODGING**

---

Twenty non-smoking rooms (mostly doubles) have been reserved for each team. In addition, rooms are being held for all-around and individual event qualifiers and their coaches at the hotel listed below. Ideally, head coaches shall be provided with a suite and/or team meeting room.

**Rooming lists are due to hotel contact by 5 p.m. Eastern time, Thursday, March 26.**

An institution is not obligated to stay at the designated property; however, it is responsible for canceling its reservations and then securing its own accommodations. If an institution prefers to stay in another hotel, it must: (1) Obtain a release for the rooms from the hotel manager and tournament director; or (2) use the rooms for persons accompanying the official traveling party. The competing institution is responsible for the first night's room charges even if it fails to use those rooms.

If an institution fails to make satisfactory arrangements for use of rooms with the hotel, full charges for the rooms will be billed to the institution. The tournament director of the host institution is to be advised of the plans of each institution sufficiently before the competition.

Credentials may be claimed inside the entrance of the south tunnel of the Lloyd Noble Center.

Selected media outlets will be granted access to the championships in order to shoot video highlights of the championships for use on their news program under the news access rules. To gain credentials for shooting any video, an ENG Authorization Form available at [www.ncaa.com/media](http://www.ncaa.com/media) must be completed and submitted to the championship's media coordinator. Media cameras must shoot from a designated area determined by the championship's media coordinator.

The interview area will be open to all certified members of the news media. Each head coach of a team/individual that has competed in a session and has been requested by the media is required to attend the press conference. Press conferences will be held 10 minutes after the conclusion of the competition. The coach will be escorted to the press conference room by an athletics administrator from his or her institution. Student-athletes requested by the media are required to

attend. The schools' communications (sports information) department will be responsible for escorting the student-athletes to the press conference room.

Coaches cannot make themselves available to selected media representatives before the conclusion of the 10-minute cooling-off period.

### **VIDEOTAPING, FILMING AND STILL PHOTOGRAPHS**

Institutions are permitted to videotape championship competition of their teams or their individual student-athletes for archival, coaching or instructional purposes only and not for any commercial purpose. Each institution is permitted to use **one** camera and may videotape only that portion of the competition in which it participates from either the designated area provided by the host institution, or from their respective corral with the following provisions: to shoot video from the corral, the team videographer must have been included as one of the 24 permitted in the corral and must use a hand-held or stationary-tripod camera that does not obstruct fan viewing. A team or individual may have one person video a routine for video review purposes only and that person may be separate from the team videographer. That person must be included in the 24 allowed in the corral.

Still photography is permitted but use of flashes is not. Locations for still photographers will be stipulated by the NCAA media coordinator, with every effort being made to allow photographers to take good shots without interfering with the competition.

### **RADIO COVERAGE**

Space automatically will be reserved for each participating institution's radio station as designated by that institution. All other stations in the institution's area will be served on a space-available basis. Broadcasts of any championship competition must conform to the general broadcasting policies established by the NCAA. All stations broadcasting a game will be required to sign a radio agreement available at [www.ncaa.com/media](http://www.ncaa.com/media).

### **TELEVISION/VIDEO**

Shooting video for news coverage of event(s) is allowed from designated photo areas. All television media entities observing NCAA championship competition recognize that any representations may be used only in connection with news/sports coverage within a 72-hour period following the competition, and the representations portion of each such showing will not exceed three (3) minutes in length. All internet media entities observing NCAA championship competition recognize that representations may be used only in connection with news/sports coverage within a 24-hour period following the competition, and the representations portion of each such showing will not exceed three (3) minutes in length.

At NONTELEVISED events a television station may be allowed to broadcast a live report and/or competition highlights from the site of the competition, not to exceed three minutes in its regularly scheduled sports-news segment in a 72-hour window, starting with when the event begins. A television station may not sell, loan, or give away tournament footage to any individual or agency, or use it for any non-sports news program produced or aired by the station. A television station may broadcast any news conference live, regardless of whether they hold the broadcast rights. The rights to these news conferences remain with the NCAA and are under the same guidelines as the news footage usage. (For more information, go to [www.NCAA.com/media](http://www.NCAA.com/media)).

## FOOTAGE ON THE INTERNET

Under no circumstances may any highlights be broadcast or otherwise distributed on the internet or via any other online service, mobile application, digital medium or computer network, without the prior written permission from the NCAA or its designee.

### CONCUSSION MANAGEMENT

The NCAA has adopted legislation that requires all active member institutions to have a concussion management plan for their student-athletes. Participating institutions shall follow their concussion management plan while participating in NCAA championships. If a participating team lacks appropriate medical staff to activate its concussion management plan, the host championship concussion management plan will be activated.

The legislation notes, in part, that a student-athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be removed from athletics activities (e.g., competition, practice, conditioning sessions) and evaluated by a medical staff member (e.g., sports medicine staff, team physician) with experience in the evaluation and management of concussions; a student-athlete diagnosed with a concussion is precluded from returning to athletics activity for

at least the remainder of that calendar day; and medical clearance for return to athletics activity shall be determined by the team physician or the physician's designee from the student-athlete's institution. In the absence of a team physician or their designee, the NCAA tournament physician will examine the student-athlete and will determine medical clearance.

A concussion is a brain injury that may be caused by a blow to the head, face, neck or elsewhere on the body with an "impulsive" force transmitted to the head. Concussions can occur without loss of consciousness or other obvious signs. A repeat concussion that occurs before the brain recovers from the previous one (hours, days or weeks) can slow recovery or increase the likelihood of having long-term problems. In rare cases, repeat concussions can result in brain swelling, permanent brain damage and even death.

For further details please refer to the "NCAA Sports Medicine Handbook Guideline on Concussions" online at [www. NCAA.org/health-safety](http://www.NCAA.org/health-safety).

## **EQUIPMENT AND SUPPLIES**

The following modalities are available in the athletic training rooms:

- Ice bags and cups
- Warm whirlpool before and cold whirlpool after (Only available in training room B)
- Hydrocollator

- Emergency equipment (biohazard kit, AED, spine board, splint bag)
- Hydrocollator
- Ice bags
- Water and electrolyte replacement drink
- Taping table

If you have a special request for use of the athletic training room and its equipment, please inform Jenn Richardson in advance, and she will do her best to accommodate you. If a certified athletic trainer will not be traveling with your team/individual competitor, sufficient materials for their needs and written permission for use of modalities must accompany the student-athlete(s).

## **SECTION 14 – PARTICIPANT EXPECTATIONS AND GUIDELINES**

---

### **ETHICAL BEHAVIOR BY COACHES**

Members of the coaching profession have certain inherent obligations and responsibilities to the profession, to the student-athletes and to all those with whom they come into contact. Coaches are expected to be role models who conduct themselves with integrity and high ethical standards at all times.

The words and actions of a coach carry tremendous influence, particularly on the young people under his or her direction. It is, thus, imperative that he or she demonstrate and demand high principles of sportsmanship and ethical behavior.

## FINANCIAL PENALTIES

The NCAA Women's Gymnastics Committee may assess a financial penalty (up to a maximum of \$1,500) against an institution for failure of its representatives to adhere to the policies and procedures governing the administration of the competition. This includes failure to comply with the procedures and deadlines for submitting score sheets, entry forms for qualification, line-ups, failing to attend media obligations and other materials necessary for the efficient administration of the competition.

## MISCONDUCT

[Reference: Meetings (see pages in sports-specific handbooks) and NCAA Division I Bylaws 31.1.10 and 31.1.11.]

**31.02.4 Misconduct.** Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship that discredits the event or intercollegiate athletics. *(Revised: 8/15/89, 8/13/92, 1/14/08 effective 8/1/08)*

**Criticism of Officials.** Members of the coaching staff or other representatives of participating institutions or conferences shall not make public statements critical of officiating in any NCAA championship event. Failure to comply with this policy may subject the individual, institution or conference to the misconduct provisions of Bylaw 31.1.10.

**Hearing Opportunity.** An act of misconduct may be found upon an administrative hearing granted to the student-athlete or the institutional representative involved by the governing sports committee or the games committee authorized to act for it.

**Misconduct Incident to Competition.** If the act of misconduct occurs during the competition, under normal circumstances the individual shall be allowed to complete the competition in which he or she is participating at the time of the incident. An administrative hearing shall be held at the conclusion of the day's competition, during a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition and conduct the hearing after this action. Other acts of misconduct may be dealt with at the governing sports committee's convenience.

**Penalty for Misconduct.** In accordance with Bylaw 31.1.10.3, the governing sports committee (or the games committee authorized to act for it) may impose any one or a combination of the following penalties on an institution or any student-athlete or representative of an institution guilty of misconduct that occurs incident to, en route to, from or at the locale of the competition or practice:

1. Public or private reprimand of the individual;
2. Disqualification of the individual from further participation in the NCAA championship involved;
3. Banishment of the individual from participating in one or more subsequent championships of the sport involved;
4. Cancellation of all or a portion of payment to the institution of the Association's transportation and/or per diem allowance for the individuals involved;

5. Withholding of all or a portion of the institution's share of revenue distribution;
6. Banishment of the institution from participation in one or more subsequent championships in which its team in that sport otherwise would be eligible to participate;
7. Disqualification of an institution for a period of time from serving as host institution for one or more NCAA championships;
8. Cancellation of all or a portion of the honorarium for hosting an NCAA championship; and
9. Financial or other penalties different from Nos. 1 through 8, but only if they have prior approval of the Division I Championships/Sports Management Cabinet.

**Ban from Subsequent Championship.** When a student-athlete or institutional representative is banned from participation in a subsequent championship, such penalty shall be applied to the next tournament(s) in which the individual's team is involved and the individual otherwise is eligible to participate. In the case of an individual event, the penalty shall be applied to the next meet(s) or tournament(s) for which the individual qualifies and otherwise is eligible to participate.

**Review of Action.** Any action related to misconduct may be reviewed by the governing sports committee upon request of any institution participating in the championship.

## **SPORTSMANSHIP**

The primary goal of the rules is to maximize the safety and enjoyment of the student-athlete. Sportsmanship is a key part of that goal. Sportsmanship should be a core value in behavior of players and bench personnel, in crowd control by game management and in the officials' proper enforcement of the rules governing related actions.

## **SPORTS WAGERING**

The NCAA defines sports wagering as putting something at risk – such as an entry fee or a wager – with the opportunity to win something in return. The NCAA opposes all forms of legal and illegal sports wagering on college sports. Student-athletes and athletics administrators cannot place a sports wager for any NCAA-sanctioned sport. This includes wagering on the intercollegiate, amateur or professional level.

A student-athlete involved in sports wagering on the student-athlete's institution permanently loses all remaining regular-season and postseason eligibility in all sports. A student-athlete who is involved in any sports wagering activity that involves college sports or professional athletics, through Internet gambling, a bookmaker, a parlay card or any other method employed by organized gambling, will be ineligible for all regular-season and postseason competition for at least one year.

In championships in which a bracket format is used, student-athletes, coaches and administrators may not participate in bracket competitions where there is both a required entry fee and an opportunity to win a prize. Student-athletes and administrators may participate under current NCAA rules, in bracket contests where there is no entry fee but a possibility of winning a prize. Some NCAA member schools, however, have chosen to ban student-athletes from participating in these types of bracket contests.

## **TOBACCO POLICY**

The use of tobacco products is prohibited by all game personnel (e.g., coaches, trainers, managers and game officials) in all sports during practice and competition. Uniform penalties (as determined by the applicable rules-making committees and sports committees with rules-making responsibilities) shall be established for such use.

The use of tobacco products by a student-athlete is prohibited during practice and competition. A student-athlete who uses tobacco products during a practice or competition shall be disqualified for the remainder of that practice or competition.

Participating teams should attempt to distribute tickets in advance of competition day.

The host institution will invoice each team for the face value of their confirmed ticket quantity. Participating teams will be responsible for the ticket quantity confirmed by Monday, March 30 even if tickets are not used. No complimentary tickets are allowed; however, an institution may purchase tickets that can be used as complimentary tickets for student-athletes' guests provided they are distributed via pass list. Institutional ticket invoices not paid within 30 days may have fines levied by the NCAA.
