NCAA WOMEN’S GYMNASTICS COMMITTEE

2. Nonlegislative items.

- **2022 National Collegiate Women’s Gymnastics Championships regional host.**

a. Recommendation. That the Division I Competition Oversight Committee approve the University of Illinois at Urbana-Champaign as the host for one of the 2022 National Collegiate Women’s Gymnastics Championships regional locations.

b. Effective date. Immediately.

c. Rationale. The committee solicited bids for one of the 2022 regional locations after the originally selected host withdrew due to a change in the facility construction timeline.

The committee noted the following priorities when reviewing received bids: geographical location sites, conference affiliation of selected hosts and time zones of sites. With the regional format recently decreasing from six sites to four, it is important to select hosts in various parts of the country and on various time zones to assist with travel and time adjustments for selected institutions. The committee reviewed all bids and noted Illinois matched all outlined priorities and the facility provided ample floor space and locker rooms for student-athletes. It was also noted Illinois had been selected to host a regional during the previous bid cycle, but when the new format reduced the number of sites from six to four, they were removed as a host.

d. Estimated budget impact. Nothing outside traditional operating expenses.

e. Student-athlete impact. The committee believes the recommended host will provide a memorable championship experience for all participating student-athletes.
