

REPORT OF THE  
NCAA WOMEN'S GYMNASTICS COMMITTEE  
JANUARY 29, 2025, VIDEOCONFERENCE

**ACTION ITEMS.**

- **None.**

**INFORMATIONAL ITEMS.**

1. **Requests to add meets.** The committee reviewed information from two schools requesting changes to their Schedule of Meets Form. The teams initially completed this form with their schedule of meets for the season by the deadline of Dec. 2, 2024. Only scores from meets conducted between Jan. 1 and March 22, 2025, and listed on these forms are accepted for qualification purposes. To avoid in-season schedule changes that could favor teams for championship qualification, schedule changes can be requested after the deadline only due to extenuating circumstances. The requirement to notify the NCAA of schedule changes dates back to the 2017 championship year.

The committee approved the request from the University of Minnesota to add a home meet after a neutral meet organized by a third party originally scheduled for March 15, was canceled due to lack of venue availability.

The committee denied a request from the University of Georgia to add an away quad meet at Clemson University Feb. 28. Georgia secured participation in the Clemson meet anticipating that the Jan. 12 meet at the University of Denver risked cancelation due to weather and travel concerns. However, Georgia was able to compete at the Denver meet and preserve its schedule as originally submitted on the Schedule of Meets Form without experiencing extenuating circumstances.

2. **Future meetings.** The committee will meet Tuesday, Feb. 11.
