Annual Meeting.

The Division I Men's Lacrosse Committee will meet July 29-30, 2019. If you have issues that you would like the committee to discuss, please forward them in writing to Ryan Tressel at the NCAA national office by **June 1**.

Regular Season and Conference Schedule.

The men's lacrosse committee strongly recommends that there be no regular season games played on Selection Sunday. The committee also strongly recommends that all conference tournaments be completed by Saturday of selection weekend. In the event a conference tournament game is contested on Sunday; it should not begin after 1 p.m.

Automatic Qualifying Conferences.

There are nine (9) eligible automatic-qualifying conferences for 2019: America East Conference, Big East Conference, Big Ten Conference, Colonial Athletic Association, The Ivy League, Metro Atlantic Athletic Conference, Northeast Conference, The Patriot League and Southern Conference. However, only eight (8) conferences will receive automatic qualification for the 2018 championship. The two lowest ranked automatic qualifying teams as determined by the committee, regardless of the conference RPI, will compete in one Opening Round game to determine the final AQ spot in the bracket of 16.

Opening Round Game. The opening round game will be conducted after selections, on Wednesday, May 8, 2019. The competing teams will consist of the lowest ranked automatic qualification teams (regardless of conference RPI) based on committee selection. The NCAA will pay expenses for the opening round game, and all applicable statistics will be included in the NCAA postseason record books. Competing teams will be recognized in the championship programs and receive any applicable participation awards.

Selection Criteria. To be considered during the at-large selection process, a team must have an overall won-lost record of .500 or better against Division I opponents. Division I teams must play at least 10 games against Division I opponents.

- Eligibility and availability of student-athletes for NCAA championship
- Won-lost record
- Strength of schedule
- Results of the RPI
- Record against ranked teams 1-5; 6-10, 11-15; 16-20; 21+;
- average RPI win.
- average RPI loss.
- Head-to-head competition.
- Results versus common opponents.
- Significant wins and losses. (wins against teams ranked higher in the RPI and losses against teams ranked lower in the RPI)
- Location of contests.

Additionally, input is provided by a regional advisory committee for consideration by the Division I Men's Lacrosse committee. Coaches' polls and/or any other outside polls or rankings are not used as a selection criterion by the committee for selection purposes.

The top eight teams will be seeded and separated in the bracket. The remaining eight teams will be placed geographically to create the least number of flights, while also maintaining bracket integrity, and separating conference opponents during first-round competition.
