Selection of Participants for Division II.

[Reference: Selection of Participants in the Division II General Section and Bylaws 31.01.2, 31.01.3, 31.02.4 and 31.3 in the NCAA Manual.]

Selection Requirements. To be considered for rankings and the selection process, a team must have an overall win-loss-record of .500 or better versus Division II opponents.

Bylaw 31.3.3.1.1 – Countable Competition.

For NCAA team-championship selection purposes, competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see Constitution 3.3.4.4) of four-year, degree-granting institutions located in Canada and the United States, its territories or possessions. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded.

Selection Criteria:

The following criteria shall be employed by a governing sports committee in selecting participants for NCAA championships competition [*Bylaw 31.3.3; criteria for selection of participants*]:

- Availability of student-athletes;
- Application of nullification;
- Division II in-region winning percentage;
- Division II winning percentage;

- Division II strength of schedule (opponents' average winning percentage and opponents' average winning percentage).
- Division II head-to-head competition; and
- Results versus Division II common opponents.

Sports-Specific Criteria (in no particular order):

- Division II results versus teams with a winning record;
- In-region strength of schedule (opponents' average winning percentage and opponents' average winning percentage);
- In-region Ratings Percentage Index (RPI).

Additionally, input is provided by regional advisory committees for consideration by the Division II Men's Lacrosse Committee. A Division II governing sports committee must contact a regional advisory committee prior to making its final selection of teams if the committee selection differs from the regional advisory committees. Coaches' polls and/or any other outside polls or rankings are not used by the Division II Men's Lacrosse Committee for selection purposes. Conference tournament games will be included for selections.
