

**NCAA Division II Men's Lacrosse Championship
Travel Party Roster**

Institution: _____

Round: _____

Please list each student-athlete and their uniform number from your institution's squad list (Maximum of 28).

Travel party size is the max number of NCAA-paid travelers. For the 2020-21 championship season, the NCAA requires one non-athlete member of the (reimbursed) travel party to be designated as the Team Health Officer.

| 31. _____ | 34. _____ |

Please list the five additional individuals who will be included in your team's Tested Travel Party and permitted in your bench area for a total of 39.

Due to limitations on venue capacities, the Tested Travel Party allowance by sport indicates the maximum number of individuals permitted in the school's travel party for the purpose of administering the COVID-19 testing protocol for Tier 1 participants (click [HERE](#)) and related credential distribution.
