**29. Would you be in favor of eliminating the current penalty administration and carding system and instead penalize categories of fouls with releasable and non-releasable penalties ranging from 30 seconds to 3 minutes (and change of possession when applicable)? If a team accumulated 6 minutes of penalties in a half, the next foul would be non-releasable. Substitutions would take place freely during this time and officials would not wait for the completion of substitutions to commence play.**
