

**REPORT OF THE
NCAA DIVISION I WOMEN'S ROWING
OVERSIGHT COMMITTEE
NOV. 13, 2025, VIDEOCONFERENCE**

ACTION ITEMS.

- None.

INFORMATIONAL ITEMS.

1. **Welcome and roll call.** NCAA staff welcomed new oversight committee members.
2. **Squad size adjustment.** Following a referral from the Division I Cabinet to review championship squad size, the committee voted to increase the championship squad size from 25 to 28. This will allow institutions to bring five total spare athletes to the championship, but will not change the reimbursable travel party size from 31. The committee will continue to review how this change may impact championship policies and will note any changes in the prechampionships and participant manuals. This change is effective for the 2026 championship.
3. **Commercial logos.** The committee discussed draft language from the playing rules staff regarding commercial logos on equipment and uniforms and provided sport-specific recommendations.
4. **Legislative cycle.** The Women's Rowing Oversight Committee reviewed the four legislative cycles occurring during the 2025-2026 legislative year.
5. **Future meetings.** Staff will work to build a comprehensive meeting schedule for the oversight committee and the championship subcommittee.
