Use the drop-down menus to select the race number, race type, distance (which is defaulted to 2,000m, but can be changed), and select boat category. Then click “Add Race Result”.

Add institutions from the drop-down menu; you can type in a key word to search for a team name to do a search. Select the boat classification from the dropdown, then enter their time. When entered, click “Save” or “Save and Add New” to enter more results.

You will notice that there are choices of I Eight or II Eight or Other for an Eights race. This is where you can indicate which boat is in that race. Sometimes, it is all “I Eights” in a race. Other times, there may be a “II Eight” racing in a “I Eights” race. If you know that information, enter it. If you do not, just enter it in as a “I Eight” and a team can send a comment or a dispute when they go in to verify the race and enter lineups. If this happens, you will be notified of the dispute and you can go back in to change it to the correct category. If a team races two boats in a race, only one can be the “I Eight”, the second entry must be entered as a “II Eight” or an “Other”.

The screenshot shows the 'Add Race Result' form. At the top, there are two radio buttons: 'NCAA Institution' (selected) and 'Other'. Below this is a dropdown menu for 'Institution' with 'University of Central Florida' selected. The 'Boat Classification' dropdown menu is open, showing three options: 'I Eight' (highlighted in blue), 'II Eight', and 'Other'. At the bottom of the form are three buttons: 'CANCEL', 'SAVE', and 'SAVE AND ADD NEW'.

If it is not a “I Eight” or a “II Eight”, select “Other”. Once you select “Other”, a line appears titled “Boat Classification – Other”. Here you can enter in the type, such as “Novice” or “III Eight”.

The screenshot shows the 'Add Race Result' form. The 'NCAA Institution' radio button is selected. The 'Institution' dropdown menu shows 'University of Central Florida'. The 'Boat Classification' dropdown menu is set to 'Other'. Below this, a new text field labeled 'Boat Classification - Other' is visible, containing the text 'Novice'. Below this field is a 'Time' field with the instruction 'Enter as MM:SS.MS format'. At the bottom of the form are three buttons: 'CANCEL', 'SAVE', and 'SAVE AND ADD NEW'. Two red arrows point to the 'Boat Classification' dropdown and the 'Boat Classification - Other' text field.

If one of the boats racing is from an NCAA institution, but it is a club team, you can select the institution from the drop-down menu, but you will notice that in the line titled “Boat Classification”, the only choice is “Other” because it isn’t a varsity team. In the line “Boat Classification – Other”, you can enter in “Club” or other designation. Then enter the time and click “Save” or “Save and Add New”.
