## INTRODUCTION

This manual outlines the responsibilities of an institution/conference hosting this round of an NCAA championship. It is essential that each host institution/conference staff become familiar with the information and policies included in this manual.

The NCAA considers this hosting opportunity a partnership between the host institution/conference, competition site, committee and the NCAA. The primary objective of each individual involved in the administration of the championship shall be to provide a memorable championship experience for each participating student-athlete, coach, institutional staff member and championship attendee.

## DEFINITIONS

**Championship:** Postseason competition conducted by the NCAA in a particular sport, in which eligible student-athletes and teams of active member institutions compete to determine the division champion (or National Collegiate champion in sports that do not have a separate division championship) in that sport.

**Governing Sports Committee:** The NCAA membership committee responsible for developing policies and procedures governing the administration and conduct of the championship under its jurisdiction, subject to the approval of the applicable division's governance structure and the requirements, standards and conditions prescribed by NCAA Bylaw 31.

**Host Institution/Conference:** An active NCAA member institution and/or conference selected to serve as host for a championship. The host shall administer the finances of an NCAA championship in accordance with the institutional/conference championship budget, as submitted during the selection process and approved by the governing sports committee.

**Local Organizing Committee:** A local organization formed in the city where a member institution/conference proposes to host an NCAA championship, to provide to the NCAA services and assistance in connection with the various activities related to the championship. The host institution/conference must be a part of the leadership of the local organizing committee.

**NCAA Championships Manager:** The staff member(s) representing the NCAA championships and alliances staff assigned to serve as administrator(s) for a championship.

## ROLE OF NCAA

The NCAA championships and alliances staff, working in conjunction with the NCAA sport committees and other NCAA partners, will lead the planning efforts, management and execution of all NCAA championships and events. The NCAA will oversee all aspects of the championship and its related activities, including facility operations and space allocations, hotel accommodations, media and team operations, hospitality functions and social events, in venue entertainment, fan and sponsor events, broadcast programming, youth events, as well as many other aspects.

The NCAA will work closely with the host institution/conference, competition venue and local organizing committee to ensure that the championship provides a positive and rewarding experience for student-athletes and fans.

## ROLE OF GOVERNING SPORT COMMITTEE

The NCAA's core purpose, values and envisioned future provide the framework for all actions in the committee's administration of the championship and its stewardship of the game. Within the framework and spirit of its charge, the governing sport committee will balance the principle of student-athlete well-being with its efforts to maximize exposure for intercollegiate athletics and revenues from the championship through policies and activities that are subject to the final authority of the NCAA Division I Board of Directors.

# Section 1 • Alcoholic Beverages and Tobacco Products

## ALCOHOLIC BEVERAGES

Alcoholic beverages (beer, wine, malt beverages or other alcoholic beverages with similar alcohol by volume content – i.e., ciders, seltzers) may be sold and dispensed at NCAA Division I and National Collegiate championship and ancillary events, provided that the host, venue, and/or concessionaire:

- Comply with, and certifies in writing the compliance with, the NCAA Championship and Ancillary Event Alcohol Sales Policy, as amended by the NCAA from time to time, which addresses such matters as:
  - Permissible types of alcoholic beverages;
  - Eligibility for the sale and distribution of alcoholic beverages;
  - Indemnity, warranty, and insurance obligations; and
  - Verification.
- Agree to (i) keep and maintain, or cause its designated vendor or concessionaire to keep and maintain, complete and accurate records of all (a) alcohol-related incidents (e.g., expulsions, arrests) and (b) sales transactions related to the sale of concessions at the NCAA Championship and related ancillary events, including gross revenue, cost of goods, allocable overhead, and applicable taxes; (ii) no later than sixty (60) days after the conclusion of the event, provide the NCAA with a report setting forth in reasonable detail such information, together with the corresponding dates of transaction, including (a) alcohol-related revenue generated on each day of the event, (b) the direct cost of selling alcohol at the event (including the cost of goods), and (c) the indirect cost of selling alcohol at the event (including overhead and increased security needs at the event venue site); and (iii) permit the books, records, and accounts of host, venue, and vendor/concessionaire pertaining to the sale of concessions at the event to be inspected, audited, and copied by NCAA or its agents at any time during normal business hours upon giving reasonable notice to host, venue, and vendor/concessionaire.
- Agree to pay the NCAA an amount of twenty percent (20%) of the gross revenue generated from the sale of alcohol during the event (and any approved ancillary events), less the pro rata applicable sales tax and credit card fees (without deduction of any operating, costs of goods, indirect, or other expenses, such as overhead, marketing, fulfillment, general & administrative, interest, or other expenses), with such agreement to be reflected in a written agreement between the NCAA and the applicable parties (host, venue, and/or concessionaire) executed prior to, or simultaneously with, the NCAA's official selection of the host for the applicable championship.
- Following the championship conclusion, provide the NCAA with certain information regarding the concessions activity—including gross sales, direct costs, and applicable taxes—for food, non-alcoholic beverages, and alcoholic beverages sold during the event.
- Execute, as part of the bid submission, the applicable policy and agreement documents maintained in the NCAA Championships Bid and Profile System.

### General

The NCAA shall determine in its sole discretion whether alcohol will be sold or distributed at the ancillary events.

The venue, LOC/host and/or caterer shall be responsible for any permits unless otherwise directed by the NCAA.

Promotional items (e.g., cups, shakers, flags, signs) with commercial slogans or identification or other unauthorized markings are not permitted inside the practice, competition and/or ancillary event venue(s), inside surrounding areas/facilities that are to be used, or outside on practice, competition and/or ancillary event venue property unless expressly approved in advance by the NCAA. Items such as newspapers, handbills, flyers, memorabilia, T-shirts, caps, etc., (except products sold or authorized by the NCAA or its vendors) may not be distributed on these premises. Demographic or other studies may not be conducted unless approved in advance by the NCAA.

An economic impact study can be executed at an NCAA championship to examine the effect of the championship(s) on the local economy. In some cases, the NCAA will conduct an on-site study and will provide the data to the host once the study is completed. In other cases, the NCAA will support the hosts' efforts to execute a study. This can be done using the hosts' own approach/tools or the NCAA's Economic Impact Study "In-a-Box" tool."

## **TOBACCO PRODUCTS**

Tobacco products shall not be advertised, sold or dispensed at any championship event sponsored by or administered by the NCAA. Smoking is not permitted anywhere in the venue.

## Section 2 • Americans with Disabilities Act

The Americans with Disabilities Act, Title III prohibits private places of public accommodation (e.g., sports arenas) from discriminating against individuals with disabilities. The host institution/conference is required to confirm that each facility in which an NCAA championship or ancillary event occurs is in compliance with the ADA. The host institution/conference is responsible for determining if the competition site will be in compliance as of the dates of the championship. If the host institution/conference becomes aware that a competition site hosting an NCAA championship event will not be in compliance, it shall immediately notify the NCAA national office staff member with responsibility for the event in order to discuss the issue.

If the host institution/conference receives a request for an accommodation, which may require input from the NCAA, the host institution/conference shall immediately notify the NCAA national office staff member with responsibility for the event in order to address the request.

## Section 3 • Awards

### CHAMPIONSHIP AWARDS PRESENTATION ENHANCEMENT TEMPLATE

To celebrate and enhance the student-athlete experience at the championship site, the NCAA will work with the LOC to implement a unique and fun way to recognize the champion(s) at the end of competition during the awards. These enhancements should help increase the excitement of the awards presentation and the level of championship branding exposure in photos for student-athlete's memories when looking back on their experience.

This should not add any additional time or delay to TV taking the winning celebration.

When considering what enhancements could work at your championship site, please consider your site and playing surface, whether your championship is indoor or outdoor and weather elements could be a factor, how many teams or individual student-athletes you may have participating in the awards presentation and your budget.

In most cases, enhanced staging and unique signage opportunities are great options for both indoor and outdoor sports. These items can be freestanding or attached to another item easily. Other ideas to consider would be logo cut outs, confetti, streamers, pyrotechnics/fireworks, a short video recap of championship performance(s), champion(s) or coach interview, utilizing pep bands or using an emcee or notable sport representative (i.e., Olympic Medalist) for the presentation.

These items can be covered through the operations budget, as well as the LOC budget. The NCAA has preapproved artwork with pricing available. (Awards\_Staging PDF) If you need assistance with ideas or ordering the preapproved items, please contact Nathan Arkins at 317-966-6790 or [narkins@ncaa.org](mailto:narkins@ncaa.org). Otherwise, please work directly with your primary signage contact at the NCAA on overall ideas, approvals, production and implementation with the operations staff.

### CHAMPIONSHIP AWARDS

The NCAA shall provide all awards for participation in an NCAA championship. The championship manager will provide a manifest of the awards being shipped to your site. You should inventory each box and award ensuring the appropriate quantity and label for the event.

The championship manager will also describe how the awards will be distributed during the championship event.

No additional awards, unless otherwise approved by the championships manager, should be presented to the student-athletes and coaches of the participating teams.

### ELITE 90 AWARD PRESENTATION

The NCAA Elite 90 award was created to recognize the true essence of the student-athlete by honoring the individual who has reached the pinnacle of competition at the national championship level in their sport, while also achieving the highest academic standard among their peers. The Elite 90 award is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA's championships. Award winners must meet certain criteria including being a sophomore or above, participating in their sport for at least two years at their school, being an active member of their team, and being a designated member of the squad size at their championship. The member institution is responsible for submitting its student-athlete who has the highest GPA and meets all other requirements. The NCAA championships and alliances staff and the NCAA academic and membership affairs staff will determine the winner of this award for each championship and provide the name of the recipient to the NCAA championships manager as well as the local host shortly before the championship begins. The winner's name should not be released to the public until after they are publicly recognized. If appropriate, the championships manager can share the information with the coach of the winning student-athlete to make sure of that person's attendance. However, they should not inform the student-athlete. Mark Bedics or a member of the NCAA media coordination staff will typically send a template of a release and the logo to the sports information director of the winner's institution the morning of the announcement to allow them time to prepare. In addition, the information will be given to the NCAA social media staff in order for them to prepare a graphic which will post shortly after the announcement.

Each championship should provide an appropriate forum to adequately recognize and celebrate this award winner among their peers and fans of the championship. In addition, information about this award winner may be included in local press releases about the championship and in public address and/or video board announcements during the championship.

### Award presentation

When determining the most appropriate time to present the Elite 90 award, the NCAA and host staff should evaluate the time and venue that will create the greatest impact and amount of exposure for the award winner while also appropriately honoring and celebrating their accomplishments. The presentation should be semi-formal in nature and not be rushed or overshadowed by other presentations or events surrounding it. The award winner should be visible, the announcement clearly audible and the award presentation should receive the full attention and respect of all of those in attendance. The standard award script is listed below:

*At this time, we would like to present the Elite 90 Award. This award was instituted to recognize the true essence of the student-athlete by honoring the individual who has reached the-pinnacle of competition at the national championship level in their sport, while also achieving the highest academic standard among their peers. The Elite 90 is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA's 90 championships.*

*The recipient of the Elite 90 Award for Division X (sport) with a GPA of X.XXX in (major, is student-athlete and institution).*

### Presentation at the student-athlete banquet

This award has traditionally been presented at the student-athlete banquet for most NCAA championships. In many cases the student-athlete banquet provides the best forum for the award presentation and greatest exposure for the winner as it is the one time when all championship participants and administrators are gathered in one place with a controlled, semi-formal environment complete with a sound system and set program. Presenting at the student-athlete banquet also alleviates any potential conflicts with the winning student-athlete's participation in or preparation for an NCAA championship event. Guidelines for presentation of this award at the student-athlete banquet are:

- The award should be presented by either the banquet emcee, the NCAA committee chair or the NCAA championships manager.
- The award should be presented near the end of the program and be clearly recognizable as the premier award being given (see student-athlete banquet page for sample run of show).
- The award should be presented after attendees have had a chance to finish their meals.
- If video screens are available, the video slide or footage of the winning student-athlete provided by Van Wagner may be run as the individual is introduced.
- The coach of the winning student-athlete should be informed to help assure the winner's attendance.
- If a photographer is at the student-athlete banquet or championship, a photo of the recipient receiving the award should be taken. This may be used in-venue during competition days to showcase the academic achievement of the student-athlete or provided to the student-athlete as a memento. The host sports information director should arrange to provide the winner's SID with a copy of the photo.
- If the award winner is recognized primarily at the student-athlete banquet, public address and video board announcements should be made whenever possible and applicable at the actual championship for additional exposure to fans who do not have access to the banquet.

### In-venue presentation

The NCAA and host staffs are encouraged to look for opportunities for the Elite 90 award winner to be presented their award in the championship venue during a time when most participants and fans are in attendance. While this may not be appropriate for championships that are spread out over multiple venues, large areas, or have multiple games in one day that disperses the crowd chronologically - it should be explored for championships in which the majority of fans are gathered during a predetermined time frame and can provide their undivided attention to the award presentation. The presentation must also not conflict in any way with the student-athlete's participation or preparation for the championship. Examples could be:

- In a championship with two semifinals played on one day, the award winner could be recognized during the semifinal in which they are not participating.
- If the award winner is not participating or completes competition in the championship rounds of a sport but is still in attendance, they may be recognized during breaks between events, weight classes, heats or during a scheduled break in the game.
- The award winner could be recognized during a scheduled opening or closing ceremony in which all participating student-athletes are in attendance and fans are encouraged to attend.

#### Other in-venue recognition

If the Elite 90 award winner is not introduced live inside of the competition venue, public address and/or video board announcements recognizing the winner should be played during the championship to recognize this individual. Van Wagner will provide the following standard PA announcement sometimes accompanied by a video board slide. The championships manager (or Branding and Fan Experience representative at Equity and Growth championships) will need to provide Van Wagner the name of the winning individual and a headshot photo if a video board is used for the championship.

*The Elite 90, an award founded by the NCAA, recognizes the true essence of the student-athlete by honoring the individual who has reached the pinnacle of competition at the national championship level in their sport, while also achieving the highest academic standard among their peers. The Elite 90 is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA's championships.*

*The recipient of the Elite 90 Award for the 2024 National Collegiate Skiing Championship, with a cumulative grade-point average of (list GPA) in (list Major of Study), is (list winner and school: Jane Doe of State University).*

#### Press release

On the day of/or prior to the winner of the Elite 90 award being publicly recognized, the NCAA media coordination staff will send out a template of a standard press release to the sports information director of the winner's institution and to the NCAA championships administrator. For selected championships, a press release will be written by a member of the communications or media coordination staff and be provided to national media by the NCAA public relations. If appropriate, this press release may also be provided to the host for distribution to local media.

#### Social Media

The NCAA twitter account will promote the 90 winners after the on-site announcement has been made. Mark Bedics will work with the social media staff to make sure they have the appropriate information, including photo to make the graphic and the timing of when to post.

For more information on the Elite 90 award winners, log on to [NCAA.com/elite-90](https://www.ncaa.com/elite-90).

## **PARTICIPATION**

### **Preliminary Rounds**

Due to the financial burden on a host institution, to be consistent with NCAA policy, and to provide each student-athlete participating in NCAA preliminary-round competition the same experience, **mementos will NOT be permitted at preliminary rounds.**

### **Finals**

Participation awards are permissible (one per participant) as long as they meet the conditions outlined in Bylaws 16.1.4.2 and 16.1.4.3 and **are provided by the NCAA selected student-athlete participation awards licensee.** The NCAA championships and alliances group will be responsible for selecting the participation awards that will be provided. The NCAA championship administrator will work with the participating institutions regarding delivery of mementos after championship competition. Participant awards will not be distributed at the site of the championship(s).

## **LOCKER ROOM PROGRAM**

The NCAA has partnered with select NCAA licensees to celebrate the national champions of each of the 90 NCAA championships. Each team champion shall receive a national champions T-shirt and hat to commemorate the experience

of winning a national title. A detailed explanation of the logistics of the locker room program will be provided in championship specific section of the manual. However, listed below is a summary of steps that should be followed when implementing the locker room program at all final championship sites.

- The product is for team champions only. Individual championships are not a part of the locker room distribution.
- Please remove all hangtags and stickers (if needed) on the merchandise before being distributed.
- The merchandise should be distributed to the winning team only immediately after the handshake as soon as the game has officially concluded. Extra product (if any) should be given to the team's equipment manager.
- All winning team inquiries about obtaining additional locker room product should be directed to Jared Hunt with Event 1 for T-shirts ([jared.hunt@hanes.com](mailto:jared.hunt@hanes.com)) or Jane Ford with Underground Printing for hats ([jford@undergroundprinting.com](mailto:jford@undergroundprinting.com)). Please contact David Clendenin, associate director of licensing, at the NCAA national office should you have any questions, [dclendenin@ncaa.org](mailto:dclendenin@ncaa.org) or 317-917-6496.

## Section 4 • Banquets

To celebrate and welcome all participating student-athletes and championship personnel, the host will provide a banquet (or other student-athlete recognition event) on the evening prior to the championship. The banquet location should be centrally located. Approximately 220-260 individuals will attend this function, including student-athletes, coaches, NCAA representatives and local organizing committee members. Per NCAA policy, race officials are not permitted to attend the banquet.

NCAA corporate champions, partners or official equipment suppliers may receive approval to sponsor the banquet, but no local sponsors are permitted.

The NCAA may provide a video featuring the teams and student-athletes advancing to the final site depending on the amount of footage available and cost of obtaining. If practical, the NCAA staff will request the video from the NCAA Broadcasting group or Van Wagner.

The host will be responsible for coordinating all other details and logistics of the banquet including location, emcee, speakers, transportation, catering, A/V equipment, a printed program, etc., in consultation with the NCAA staff. The exact run of show and presentations included can be altered slightly to accommodate the number of student-athletes, teams and guests present as well as unique venue, sport or local elements. However, the run of show listed below and the 90-minute time frame should be used as a guiding template. Please note, that a 60-minute event is ideal and the event should not last longer than 90 minutes.

Words of reflection or invocation are not required but may be included at NCAA student-athlete banquets. The NCAA supports a flexible policy which allows each host to follow the traditions and protocols of their university. If included, any words of reflection or invocation should be respectful and inclusive of all.

### Run of show

- Greet teams and student-athletes, direct to tables or attractions (emcee or NCAA chair).
- Soft A/V presentation (e.g., music, slideshow of participating teams and student-athletes, NCAA anthem video).
- Welcome/comments to student-athletes and guests from NCAA committee chair and LOC.
- Dinner buffet lines open or plated dinner served.
- Guest speaker (optional).
- Comments by head coaches or Q&A with selected student-athletes (optional).\*
- Presentation of Elite 90 Award.
- Championship video (if applicable).
- Closing comments (emcee with talking points from NCAA or NCAA chair).

### Best Practices

While the guidelines above provide a standard framework for the student-athlete banquet, the event should be tailored to suit the needs, size and unique aspects of the championship. The purpose of the event is primarily to congratulate, celebrate and welcome all of the participating student-athletes to the NCAA championship and the host community.

The most successful NCAA student-athlete banquets have often been enhanced by unique venues, décor, interactive features, program enhancements or keepsake items that showcase the uniqueness of the host city or region and their excitement to host the NCAA championship. The NCAA will rely on the creativity of the host for development of these items. The formality of the event, attendee attire, appropriate number and type of speakers, level of interaction between student-athletes, etc., varies from sport to sport. The NCAA point person can help advise the host on sport specific nuances.

The host will assume the lead production role for the student-athlete banquet, but should seek the advice and approval

of the NCAA point person on such items as location, budget, timing, final run of show, speaker, menu, giveaway items (some may be provided free of charge by NCAA official equipment suppliers) and additional enhancements. Some past student-athlete banquet enhancements that have been well received are listed below. Please note, however, that the potential impact of all possible banquet enhancements on student-athletes should be weighed against appropriateness, available budget and other needs of the overall championship.

### Sample Enhancements

- Unique venue – a skybox club overlooking the host university’s football stadium; a historical or cultural center; an aquarium or museum where brief tours can be incorporated into the programming; an iconic restaurant, theater or arena in the area; a beach party setting; etc.
- Slideshow – before and/or after the formal presentation, a slideshow of participating team or student-athlete images is shown on video boards or mixed with NCAA branding messages (host would be responsible for collecting images from schools or preliminary round hosts).
- Speakers – relevance to the participating student-athletes is the most important factor. Former NCAA champions or graduating student-athletes who went on to professional or Olympic fame in the given sport are ideal, however other options available at no or little expense to the host should be explored as some speakers transcend their sport or profession. Examples of previous speakers include: Todd Martin – Tennis, Dot Richardson – Softball, President of the USGA – Golf, Bill Belichick – Lacrosse (Boston), ESPN personalities, comedians, motivational speakers, well-known football or basketball coaches at the host institution, etc.
- Photo opportunities – opportunities for teams or individuals to pose for a photo in front of a championship backdrop (possibly with the championship trophy) or in conjunction with unique or iconic elements of the area (e.g., with giant hanging shark in Florida, with longhorn steer in Texas, in winners circle at Churchill Downs, overlooking city skyline, football stadium).
- Favors unique to the sport or area – examples include: mini soccer balls, mini lacrosse sticks, baseball shaped cheese – Wisconsin, make-your-own beach flip flops – Florida; please check with your championship administrator regarding budget, appropriateness and possibility of items provided by official equipment suppliers before pursuing.
- Special entrances for student-athletes – red carpet into venue, spotlights, limos, local youth teams wearing team colors or with pom poms/signs to greet the student-athletes.
- Band/DJ/Interactive Games – are generally only appropriate in more informal settings with numerous teams of both genders, relaxed time constraints, fun atmosphere, etc.
- Event 1/Championship merchandise – sales booth or display area with order forms on-site.

### Coaches’ association award guidelines

The primary purpose of NCAA student-athlete banquets is to honor, celebrate and welcome participating student-athletes in a concise and entertaining manner. Coaches’ association awards and other presentations not directly related to the championship itself may be considered for inclusion if they are in the best interest of the attending student-athletes:

- The presentation should be relevant and provide a significant enhancement to the banquet programming for the student-athletes (awards or speakers which have limited relation to the championship or significance to the student-athletes will detract from their enjoyment and the attention they pay to other programming).
- The presentation should be brief (in most cases it should be limited to 5-10 minutes, but should never exceed 30 minutes).
- Awards presented should be limited to those presented to participating student-athletes and coaches or those which have some special significance to the student-athletes in attendance.
- The presentation should be secondary in significance and placement in the programming to any official NCAA championship presentations.
- If conditions are not met, other championship related platforms should be explored by the NCAA to assist the

coaches' association.

- All final decisions on inclusion of coaches' association awards, other presentations, scripts and presenters should be made by the NCAA staff with the best interest and overall experience of the student-athlete in mind.
- NCAA staff may call on leadership team members to assist in delivering and explaining the specific decisions to the coaches association as needed.

## Section 5 • Broadcasting/Internet

Please log on to [NCAA.com/media](http://NCAA.com/media) for information regarding broadcast/Internet rights.

### INTERNET POLICY

The NCAA website, NCAA.com, serves as the official online resource for NCAA championships.

The NCAA and its partners own the Internet rights to all of its 90 championship events. Rights include live statistics, video and audio streaming, electronic commerce, and post-event footage use. The NCAA and its partners own all game action, practice footage, press conferences, one-on-one interviews or any other content on the NCAA website.

#### Internet Live Statistics

The NCAA reserves the right to deny permission to produce live statistics for NCAA championship play. In the event the NCAA takes on the responsibility of producing a live statistical representation from an NCAA championship event, no other entity will be permitted to do so. Live statistics are considered a protected right as part of a bundled rights agreement, referenced above. For clarification purposes, a live statistical representation includes play-by-play, score updates, shot charts, updated box scores, photos with captions, etc.

In the event the NCAA does not produce live statistics for a specific championship, the host institution is given priority to produce exclusive live statistics. The host institution will be given the same exclusivities the NCAA would reserve for its rights holder in such an instance.

Once it is determined that neither the NCAA or the host institution plan to exercise their exclusive rights, the ability to produce live statistics will be granted – on a non-exclusive basis – to each participating school. A “participating school” is defined as a school playing in the same event at a specific site.

In each case, no commercial advertising is permitted within the live statistics window, unless permission is specifically granted by the NCAA. Any questions pertaining to live statistics should be sent to Nate Flannery, NCAA director of digital and social media ([nflannery@ncaa.org](mailto:nflannery@ncaa.org)).

### TELEVISION/RADIO/INTERNET AUDIO COVERAGE

Radio broadcast rights and made-for Internet audio at any NCAA championship may take place only through advance written request and permission of the NCAA media services group. (Refer to [NCAA.com/media](http://NCAA.com/media).)

All stations broadcasting any round of an NCAA championship shall be required to fill out the NCAA Championship Radio/Internet Streaming form online. To access the form, log onto [NCAA.com/media](http://NCAA.com/media) then click “2019-20 Audio Policy.”

Any secondary use of any picture, audio description, film/tape or drawing of the competition taken or made by the accredited organization or individual to whom this credential has been issued (including but not limited to use in delayed editorial or non-editorial, advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the National Collegiate Athletic Association.

Television stations, networks or cable systems taping NCAA championship competition recognize that any tapes may be used only in connection with a regularly scheduled television newscast within a seven-day period following the competition and the film clip or taped portion of each such showing will not exceed two (2) minutes in length. Videotape game coverage may only be presented on a sports news broadcast after the game being documented has been completed.

Television stations, networks or cable systems are prohibited from making available game film or tape to any other organization, even though the planned use may be editorial in nature, without advance written permission from the NCAA. Such film or tape may be aired only by the specific station or entity to who this credential is issued. These rights may not be assigned, transferred or otherwise disposed to any person, firm or corporation. Any agency wishing to use NCAA film or tape in any other manner must obtain written permission for such use from the NCAA.

Radio stations that have not purchased rights may report on events of the championship for broadcast within a newscast and are not precluded from reporting or updating the score of a game while it is in progress, but they may not provide live play-by-play.

# Section 6 • Championship Presentation/Fan Engagement

## BRANDING

### Ancillary Events

The NCAA prohibits host institutions/conferences from conducting special ancillary entertainment activities for fans in conjunction with the championship. Should another entity (e.g., convention and visitor's bureau) elect to stage such activities, the following policies shall apply:

- All plans must be approved in advance by the NCAA.
- NCAA marks, logos, name or references to the championship or tickets may not be used.
- No activity connected with the championship may be sponsored by an entity that is not an NCAA Corporate Champion/Corporate Partner (CC/P).
- Such an activity may not take place on property controlled by the competition venue.

No entity may contact NCAA CC/Ps directly. All such contact shall be directed through the NCAA staff.

### Logos

The NCAA owns and controls all rights and interests in its name, logo, seal, trademarks and service marks. Use of these marks is prohibited without advance written approval by the NCAA. Host institutions/conferences should review information outlined in NCAA Bylaw 31.6.1. Only official NCAA Corporate Champions/Partners (CC/Ps) and licensees are permitted to use NCAA marks and logos in commercial advertising and promotions, unless written approval is provided by NCAA Marketing. All and any proposed commercial advertising and promotions, if not by a CC/Ps, must be reviewed by NCAA Marketing staff prior to approval and production.

### Public Address Scripts

The public address announcer scripts allow game management to keep the flow of the championship moving through the communication of important information to those in attendance. Communicate with your NCAA championship liaison to secure a PA script and run of show for the championship you are hosting.

### Video Boards

The NCAA will provide video board content to sites that have such capabilities. The video board content is important to the overall championship experience for student-athletes and those in attendance. Please work directly with your NCAA championship liaison to identify if there is a Van Wagner producer assigned to you (final sites) or if content should be downloaded from the Van Wagner box site directly (preliminary rounds).

Questions related to video board content logistics should be directed to:

Fred Bowen – Senior Producer  
Van Wagner  
Telephone: 574-807-5287  
Email: [fbowen@vanwagner.com](mailto:fbowen@vanwagner.com)

**Electronic Messages.** No host or venue specific electronic messaging or video board advertising may be displayed during NCAA championships, other than those messages promoting the championship and information provided by the NCAA and Warner Media/CBS. This includes promotion of upcoming events at the championship site. All messages must be approved in advance by the championship staff liaison.

## IN-VENUE ENTERTAINMENT

NCAA championship hosts are encouraged to explore in-venue entertainment options during the championship to keep fans engaged, excited and to enhance the atmosphere for both the fans and student-athletes. Various potential areas of in-venue entertainment and the guidelines associated with them are discussed below. Please discuss any forms of in-venue entertainment you would recommend with your NCAA staff point person for approval.

## NATIONAL COLLEGIATE SKIING

### Break in action contests or promotions

Hosts should consider continuing regular season halftime/quarter break/timeout contests and promotions or creating new, unbiased or non-sponsored versions of these promotions to use during NCAA championships. Entertainment can also include local performance groups or youth scrimmages. Guidelines and ideas for consideration:

- Must not include any commercial recognition (unless approved/provided by an NCAA corporate champion, partner or official equipment supplier and signed off by a member of the NCAA Corporate Relations staff).
- Must be appropriate and in good taste.
- Must fit safely within given time constraints with no chance of interfering with the competition.
- Must not negatively impact the championship playing surface in anyway.
- No links or resemblance to gambling.
- Participants must be randomly selected.
- No bias toward or against any participating team.
- Campus and venue rules must be considered when developing the contest or promotion.
- NCAA championship merchandise purchased by the host (e.g., extra volunteer apparel, committee or contributor gifts, items or certificates purchased from Event 1) make good prizes for these contests as prizes with commercial recognition would not be permitted.

### National anthem singers

Hosts are encouraged to explore their resources to bring in local, regional or even nationally recognized celebrities or groups to sing the national anthem (e.g., state beauty pageant winners, recording artists with strong local ties, famous local choir groups or bands). Guidelines and ideas for consideration:

- Local groups or personal contacts who could provide this service at no cost are recommended.
- No bias toward or against any participating team (e.g., performers should not wear the apparel of a participating team).
- A brief description and “thank you” for the performing group or individual may be incorporated into the script, but no commercial recognition, sponsorship, sales or recruitment messages should be included.
- Anthem should take two minutes or less to perform, however please build extra time into the script for introduction and placement of the color guard (if applicable), and introduction/applause for the performer.

### Enhanced team introductions

Examples of this could include using special music or video introductions provided by each team, smoke machines or on-field fireworks, inflatable tunnels, youth athletes forming a tunnel or holding hands with student-athletes as they are introduced, local or school bands playing, etc. Guidelines and ideas for consideration:

- Must be appropriate and in good taste.
- Must fit safely within given time constraints with no chance of interfering with the competition.
- No bias toward or against any participating team and should be equally executed for all participating teams.
- Should be discussed with the NCAA point person in advance.

### Musical entertainment

Participating school bands will be scheduled into the overall championship presentation when they are available. When they are not, the host institution marching band, other school bands or local bands may be appropriate for entertainment during pregame, halftime or other breaks in the action or for greeting fans in the stadium entrance or other congregating area.

### Affiliated award recognitions

If appropriate, national award winners for the given sport who are in attendance but not competing at the time of the scheduled recognition may be awarded on field during NCAA championships (e.g., Elite 90 award winner, coaches' association player of the year winner, coach of the year). Please consult with the NCAA point person to determine appropriateness.

### Military involvement

Military involvement in NCAA championships may include national anthem performances (military singer, instrumentalist or band), color guard, band performances of patriotic songs, fly-overs, parachute teams, precision drill teams, etc. *Please see Military Involvement section for full description and guidelines.*

## **MILITARY INVOLVEMENT**

The NCAA is supportive of inviting the military to participate at NCAA championships if their involvement enhances the championship experience for student-athletes and fans while at the same time honoring the military in an appropriate and unobtrusive manner. At many NCAA championships, local or national military groups have been arranged by the host to perform pregame, during halftime or other breaks in the action. These performances have included, but are not limited to, national anthem performances (military singer, instrumentalist or band), color guard, presentation of large flags, fly-overs, parachute teams, precision drill teams, eagle releases around the national anthem, reunions of troops returning from overseas with their families, honorary recognitions, etc. Please discuss any forms of military involvement which you would recommend with your NCAA staff point person for approval.

### Guidelines

- Involvement from military groups often requires substantial government paperwork. Fly-overs and parachute jumps will also require FAA approval to be handled by the host. Please allow adequate lead time to coordinate.
- Involvement from national touring military groups such as the Air Force Wings of Blue or Army Golden Knights may require costs of travel such as hotel rooms, per diems, rental vehicles and even air travel if a military transport cannot be arranged.
- Host connections with local military bases may be more cost-effective in arranging military involvement.
- No messages about military recruitment should be incorporated into on-field performances.
- General messages paying tribute to all military personnel and thanking the particular military unit which has performed are encouraged (e.g., "Let's give a big round of applause for tonight's performance from the United States Air Force Heartland of America Band... and for all of the American military service personnel who they proudly represent.>").
- Request for any type of presence on-site (e.g., booth space, interactive elements, inflatables, giveaway items or space within an NCAA fan festival) is not permitted unless discussed with your NCAA point person who would in turn discuss with the NCAA corporate relationships team.
- Campus and venue rules must be considered when developing the presentation.
- All performing or volunteering military groups should be provided complimentary access to watch the championship before or after their presentation if possible. Please discuss this with your NCAA point person.
- When several military groups are in attendance and recognized during one game/session of a multi-day championship, you may want to consider a theme night "Military Appreciation Day/Night." This should be discussed with your NCAA point person. Marketing should also be involved if you do a theme night.

## **STUDENT-ATHLETE BANQUET**

To celebrate and welcome all participating student-athletes and championship personnel at the final site, the host may provide a banquet (or other student-athlete recognition event). The number of guests, financial assistance provided by the NCAA and total budget shall be determined after consultation with the NCAA staff. NCAA corporate champions, partners or official equipment suppliers may receive approval to sponsor the banquet, but no local sponsors are permitted.

Officials should not be included in this or any social event including the participating coaches and student-athletes. Per NCAA policy, student-athlete banquets (or other celebratory events) are not permitted at preliminary-round sites.

The NCAA may provide a video featuring the teams and student-athletes advancing to the final site depending on the amount of footage available and cost of obtaining. If practical, the NCAA staff will request the video from the NCAA Broadcasting group or Van Wagner and inform the host.

The host will be responsible for coordinating all other details and logistics of the banquet including location, emcee, speakers, transportation, catering, A/V equipment, a printed program, etc. in consultation with the NCAA staff. The exact run of show and presentations included can be altered slightly to accommodate the number of student-athletes, teams and guests present as well as unique venue, sport or local elements. However, the run of show listed below and the 90-minute time frame should be used as a guiding template. Please note, that a 60-minute event is ideal, and the event should not last longer than 90 minutes.

Words of reflection or invocation are not required but may be included at NCAA student-athlete banquets. The NCAA supports a flexible policy which allows each host to follow the traditions and protocols of their university. If included, any words of reflection or invocation should be respectful and inclusive of all.

### Best Practices

While the guidelines above provide a standard framework for the student-athlete banquet, the event should be tailored to suit the needs, size and unique aspects of the championship. The purpose of the event is primarily to congratulate, celebrate and welcome all of the participating student-athletes to the NCAA championship and the host community.

The most successful NCAA student-athlete banquets have often been enhanced by unique venues, décor, interactive features, program enhancements or keepsake items that showcase the uniqueness of the host city or region and their excitement to host the NCAA championship. The NCAA will rely on the creativity of the host for development of these items. The formality of the event, attendee attire, appropriate number and type of speakers, level of interaction between student-athletes, etc., varies from sport to sport. The NCAA point person can help advise the host on sport specific nuances.

The host will assume the lead production role for the student-athlete banquet but should seek the advice and approval of the NCAA point person on such items as location, budget, timing, final run of show, speaker, menu, giveaway items (some may be provided free of charge by NCAA official equipment suppliers) and additional enhancements. Some past student-athlete banquet enhancements that have been well received are listed below. Please note, however, that the potential impact of all possible banquet enhancements on student-athletes should be weighed against appropriateness, available budget and other needs of the overall championship.

### Coaches' association award guidelines

The primary purpose of NCAA student-athlete banquets is to honor, celebrate and welcome participating student-athletes in a concise and entertaining manner. Coaches' association awards and other presentations not directly related to the championship itself may be considered for inclusion if they are in the best interest of the attending student-athletes:

- The presentation should be relevant and provide a significant enhancement to the banquet programming for the student-athletes (awards or speakers which have limited relation to the championship or significance to the student-athletes will detract from their enjoyment and the attention they pay to other programming).
- The presentation should be brief (in most cases it should be limited to 5-10 minutes, but should never exceed 30 minutes).
- Awards presented should be limited to those presented to participating student-athletes and coaches or those which have some special significance to the student-athletes in attendance.
- The presentation should be secondary in significance and placement in the programming to any official NCAA championship presentations.
- If these conditions are not met, other championship related platforms should be explored by the NCAA to assist the coaches' association.

- All final decisions on inclusion of coaches' association awards, other presentations, scripts and presenters should be made by the NCAA staff with the best interest and overall experience of the student-athlete in mind.
- NCAA staff may call on leadership team members to assist in delivering and explaining the specific decisions to the coaches' association as needed.

## STUDENT-ATHLETE RED CARPET ARRIVALS/TEAM WALKS

At many NCAA championships, a red-carpet arrival or team walk featuring the participating teams and their band and/or cheer squads can be a significant fan enhancement. A red-carpet arrival/team walk allows fans to feel a greater connection with the student-athletes through brief personal interaction that provides lasting memories for young fans and may help create a greater overall impression of the championship for both fans and participating student-athletes, if conducted properly. Listed below are some elements to consider before deciding to conduct a red-carpet arrival/team walk, a list of guidelines for a red-carpet arrival/team walk, and a checklist of items needed for the event.

### Elements to consider

- Number of fans – will there be an adequate number of fans to support a red-carpet arrival/team walk and make it a positive experience for the participating student-athletes.
- Timing and location – is there a time and place available in which there will be an adequate number of fans, space and the event will not conflict with the student-athletes' preparation for or participation in the championship (e.g., before each semifinal match concludes, during a highly attended ancillary event surrounding the championship or only before the championship game).
- Equitable participation – will all participating teams have equal opportunities to participate (it is permissible to have a red-carpet arrival/team walk only on championship night with the two final teams only versus semifinal day and championship day).
- Team's experience – this should be a positive experience for all participating student-athletes, and it should not interrupt their team's normal schedule for a competition. It should be communicated to the team's that a 5-15-minute window between teams is needed. Depending on the schedule of the teams you can pre-determine the arrival times or if they do not have any other commitments prior to the arrival at the venue, you can allow the teams to pick their arrival time as long as they are between the 5-15-minute window of separation, giving them more control of their schedule and not interrupting their normal game-day routine.
- Fan's experience – consider the location of the red-carpet arrivals/team walks for the fans as well. Consider using one of the main entrances or going through a fan fest location (if applicable) to the venue so that even if they did not know a red carpet/team walk event was happening, they still might see it and participate.
- Visibility and promotion – is the red-carpet arrival/team walk in a place that will be highly visible and accessible to all fans and/or can it be adequately promoted through social media, NCAA.com, e-blast, signage? Ask each participating team to send out the red-carpet arrival/team walk times to their ticket holders and on their social media platforms as well.
- Timing of buses – Consider the route that the buses will need to drive in order to arrive on the correct side of the street and the time it will take them to get from the hotel to the location of the red-carpet arrivals/team walk.

### Guidelines

- The host staff will have primary responsibility for coordinating and managing the red-carpet arrivals/team walk, as well as all staff, volunteer, equipment and logistical needs associated with them.
- The host staff should work with the NCAA staff point person to determine if red carpet arrival(s) or team walk(s) are appropriate, for advice, approval, look and collateral.
- The host should arrange for a walkthrough of the event with the NCAA point person as well as security, the facility rep, bus drivers, team hosts the event sponsor and/or fire marshal when appropriate.
- If a team has a band and/or spirit squad, communicate to the team that they should also participate in the red-carpet arrivals/team walks. If only one team has a band, ask the other team for a copy of their fight song to play over a speaker, if sound is available at the red-carpet arrival/team walk area.

## NATIONAL COLLEGIATE SKIING

---

- Select a time when the most fans can be accommodated and student-athletes will be least inconvenienced, consider what time the venue opens to the fans and what time the teams would normally choose to arrive.
- Student-athletes should wear game apparel or matching team issued warmup gear.
- Student-athletes should be escorted by staff, volunteers or security to the security check-in area or their locker room.
- Red carpet arrivals/team walks should have stanchions or barricades to create a safe environment for the student-athletes. Security should also be considered.
- No local sponsorship of student-athlete red carpet arrivals/team walks will be permitted.
- A sound system which can be used in conjunction with the red-carpet arrivals/team walks can be effective in communicating which team is arriving, providing fans with additional championship events and for keeping fans entertained with music and/or team statistics.

### Checklist

- Carpet – red, blue or black are all acceptable if the venue has one of these colors on hand, otherwise rent red carpet when the budget allows. Carpet is always preferred, but not essential to making this a successful event.
- Stanchions or other form of a barrier between the student-athletes and fans.
- Red carpet arrival/team walk sign or entrance way (e.g., balloon arch), if appropriate.
- Staff or volunteers.
- Security, if appropriate.
- Lighting elements if it is going to be dark out, depending on the time of the arrivals.
- Tents over the carpet if it is raining, unless the location of the red-carpet arrivals/team walk is already under a covered location, consider cancelation plan (notifying the teams and fans if the weather is not conducive to hold the red-carpet arrivals/team walk).
- Announcements for emcee – instructional, NCAA branding, NCAA corporate champion or partner recognition, team stats, if appropriate.
- Radios or cell phone numbers for communication. Essential for either the team host or bus driver to notify someone at the red-carpet arrival/team walk location of the arrival time changes, if appropriate.
- Other entertainment (e.g., DJ/music, local drum line) to keep fans entertained before and in-between team arrivals, if appropriate.

# Section 7 • Commercialism/Contributors

## SPACE REQUIREMENTS

**Activation of Corporate Champion and Corporate Partner Program.** The NCAA may request/require that certain areas of the competition site be made available for use by NCAA Corporate Champions or Corporate Partners (CC/Ps) for the purpose of marketing/promotional events/activities. If such requests are made, the host institution will provide requested space or similar accommodations.

**Local Organizing Committee Hospitality.** If approved by the NCAA, the Local Organizing Committee (LOC) has the option to host specified events during the championship. Commercial identification of any kind at any LOC function is prohibited unless specifically approved by the NCAA. The NCAA must approve all uses of NCAA logos, names, or other graphics (including school logos). The LOC shall submit detailed proposals (e.g., location, date, time, food and beverage, entertainment, budget), to the NCAA for review and approval at least 60 days in advance of the event. Any such events conducted are conducted at the LOC's expense.

**Other Functions.** To enhance the experience for participating institutions, fans, and alumni during NCAA championships, the NCAA (in conjunction with a third-party agency) may facilitate an official hospitality program in or outside of the competition site.

## PREMIUMS GUIDELINES

Competition Venue shall provide to the NCAA a set of guidelines, similar to those outlined below, that identify items that are not permitted in the venue no fewer than 120 days prior to the first NCAA championship related event. The NCAA will then utilize and share that information with its NCAA Corporate Champions and Corporate Partners.

**Laser Pointers.** Laser pointers of any kind are not permissible.

**Noisemakers.** Artificial noisemakers of any kind including but not limited to, air horns, electronic instruments, inflatable noisemakers, etc. are not permissible. Facility personnel are responsible for confiscating prohibited items at the entrance points or removing such items from the facility. Megaphones may be used for voice amplification, but they shall not be used as a distraction.

**Promotional Items.** Promotional items (e.g., cups, shakers, flags) with commercial slogans or identification are not allowed on the premises. Items such as newspapers, handbills, flyers, memorabilia, T-shirts, caps, etc., except products sold/distributed by the NCAA or its agents, may not be distributed on the premises.

**Signs, Flags, Banners.** Large signs, flags or banners are not permissible. It is the facility personnel's responsibility to confiscate all prohibited articles. Items that can be held by one individual, reflect good sportsmanship and do not block the view of other ticketed patrons may be permitted. In no case may a sign, flag or banner be affixed to the facility.

**Video Camera/Still Camera Policies.** Ticketed patrons shall not bring video equipment into the facility on game days. Still cameras with a lens no longer than four inches are permissible on any day.

## NCAA CORPORATE CHAMPION AND CORPORATE PARTNER PROGRAM

---

The NCAA Corporate Champions and Corporate Partners Program (i.e., corporate sponsors of the NCAA), managed by the NCAA along with Turner and CBS Sports, authorizes the exclusive rights to license NCAA trademarks, tickets and taglines in commercial promotions with respect to the NCAA championships.

The host shall not solicit or permit involvement by any corporations or entities whose products may be in competition with any of the NCAA corporate champions or corporate partners. All proposed commercial involvement must receive prior approval of the NCAA.

NCAA Corporate Champions and Corporate Partners are dedicated to emphasizing the role of athletics in higher education, support all 90 NCAA Championships and are granted a wide variety of benefits, including certain category exclusivity around use of NCAA logos, trademarks, designations and championship tickets.

For more information and a current list of corporate champions and partners, please click on the following link:

[NCAA Corporate Champions & Partners](#)

### LOCAL CONTRIBUTOR PROGRAM

---

Currently, local non-CCP corporate entities are not permitted to utilize the NCAA's registered marks, logos, tickets, name or references to the championship in a promotional/commercial manner. If a host institution/conference has an interest in using value-in-kind contributors, the contributor plan must be approved in advance by the NCAA Corporate Relationships staff. The LOC is permitted to involve a local contributor in the championship only as a sponsor of LOC activities or as a ticket package purchaser (pending NCAA approval of said local entities and approval of the arrangement).

Local contributors may only be referred to as "local contributors of the LOC". Local contributors may not use the word "official", "official sponsor of", or "corporate champion/partner" in any manner. Local contributors will not receive any in-venue or on-site recognition/branding/exposure, with the exception of small signage in private hospitality locations; in the souvenir (print or digital) game program, and/or additional digital advertisement space. In being recognized, these local contributors must be referenced as supporters of the local organizing committee, and not of the NCAA. Any recognition, branding and/or exposure creative must be submitted to the NCAA Corporate Relationships staff for review and approval.

Local contributors may be provided an opportunity to purchase an advertisement in the souvenir game program, provided the corporation is not a competitor of any NCAA Corporate Champion. All advertisements must be submitted to the NCAA Corporate Relationships staff for advance approval. As noted above, local contributors who purchase an NCAA-approved ticket package may not receive recognition of any kind without the advanced approval of the NCAA staff.

### NCAA TRADEMARKS

NOTE: These general guidelines do not include merchandise designs. All product designs must be submitted through the NCAA's licensing program administered by The Collegiate Licensing Company. Inquiries should be directed to the NCAA licensing staff. [Click here for more information about the NCAA licensing program.](#)

1. ALL uses of NCAA trademarks or logos must be submitted to the NCAA for approval.
2. [Click here for the most current list of NCAA licensed or owned trademarks.](#)
3. Downloads of NCAA logos may be obtained through the [NCAA Digital Library](#).
4. The NCAA's position on inclusion of ® and ™ marks is first and most prominent use.

The location of the trademark and how it is used is the primary factor in determining if a trademark symbol should be included in text. If the protected logo location is prominent and the primary focus on the page or product design, an ® or ™ in the text is not necessary. However, if the logo location is placed lower on the page or is secondary to the message being delivered, an ® or ™ in the text or header (first use only) should be inserted.

In the case of NCAA Women's Final Four, an ® is required after NCAA and after Women's Final Four. The NCAA owns "NCAA" and "Women's Final Four", but "NCAA Women's Final Four" is not a registered mark in itself: NCAA® Women's Final Four®.

To further expand, if the NCAA primary logo, which displays the registered mark, is used in a prominent position; NCAA Women's Final Four would require an r-ball only after the Four because the NCAA has already been identified as a registered mark. NCAA Women's Final Four®.

5. In radio and television advertising, NCAA should only be pronounced as N-C-A-A or N-C-double-A. It should not be referenced as "N-C-two-A" or in any other fashion.
6. Official names cannot be changed or abbreviated unless specifically trademarked (Final 4, F4).
7. There may be no registration of or use of NCAA marks within Internet domain names unless advance approval from the NCAA is secured and ownership of the URL is maintained by the NCAA. Such use of NCAA marks in Internet directories is prohibited; however, members may use an NCAA mark within a member URL, provided such NCAA mark does not appear in the domain name portion of the URL. By way of example, members may use the following URL: [www.memberx.edu/ncaa](http://www.memberx.edu/ncaa).

**Identification of commercially named venues on NCAA materials**

- For the purposes of providing information about and promoting the location of an NCAA championship, the venue/competition site of any round of NCAA championships can be printed, in text-only, on any and all pertinent materials bearing NCAA marks (subject to NCAA approval of the graphics).
- The logo of a commercially named venue cannot be used on any materials bearing NCAA logos or trademarks.
- The venue's name and information (without use of logos) will also be included on the dedicated website that the NCAA will provide to sell tickets.

**NCAA logo use by commercially named venues**

For the purposes of providing information about and promoting the sale of NCAA tickets, the venue/competition site of any round of NCAA championships is permitted to display (subject to NCAA approval of the graphics) the championship site-specific logo as recognition of the event being held in its facility. The NCAA logo must be in the form of a link to a dedicated web page that will be established and/or assigned by the NCAA championship administrator to sell the NCAA tickets.

The following conditions apply to this NCAA logo use:

- The NCAA championship site-specific logo can be used by the venue to communicate the NCAA event as one of the variety of upcoming events at the facility. The NCAA logo must be used only once and only as a part of a group of other logos of events being held at the venue.
- The one-time logo use is limited to the site's "home web page" or "event web page".
- The NCAA logo must be placed in a location on the venue's web page so that there is clear and defined separation between the NCAA logo and any other commercial logos (including that of the commercially named venue). [This is because NCAA Corporate Champions/Corporate Partners and Turner/CBS have graphic exclusivity in the use of NCAA logos and marks.] Logos of the venue's or the website's advertisers/sponsors may be used on the home/event web page even with the NCAA's championship site-specific logo on the same page if those commercial entities are clearly separated from the NCAA logo (e.g., are on a different colored background and are located at the bottom of the website page).
- The venue is not permitted to claim to be "the home", a host or co-host of any session of the NCAA championship.
- The logo provided by the NCAA championship staff cannot be modified in any way.
- ALL uses of NCAA logos must be submitted to the NCAA staff for approval.

**NCAA trademarked protection language:**

NCAA trademarks benefit from consistent "source identification" to the public through basic legal language attributing ownership.

The legal statement should be used on "printed" materials of all types for all NCAA trademarks, except where there is agreement by key staff stakeholders that aesthetic or space limitations prevent legal language. The legal statement is NOT required when the NCAA blue disk or the word NCAA is used alone and part of NCAA-produced materials without any of the conditions below.

- Printed items that display logos of other business entities/organizations (i.e., corporate champions/corporate partners, network partners, official suppliers, official licensees, local organizing committees and NCAA members).
- Printed items that are produced to be "used" by other business entities/organizations including NCAA members and host institutions.
- Printed items produced for advertisement/promotional purposes (i.e., magazine and newspaper ads, NCAA souvenir publication ads, posters, newsletters).

The NCAA requires protection language as outlined below. This does not have to be prominently displayed language and is expected to be included as some form of "mouse print".

## NATIONAL COLLEGIATE SKIING

## **OFFICIAL CHAMPIONSHIPS/LICENSEE SUPPLIERS**

The NCAA licensing program is designed to ensure the quality and consistency of all of the NCAA's Championship Event merchandise, protect the intellectual property of the NCAA and our member schools, and generate revenue to enhance programs that support NCAA student-athletes.

Any premiums and/or other merchandise that bear NCAA Marks, Brackets, Taglines or other NCAA references must be produced by an official NCAA Licensee or NCAA Official Equipment Supplier. There may be royalties or other related costs associated with such items. If the NCAA is unable to identify a current NCAA Licensee or NCAA Official Equipment Supplier to provide a specific piece of merchandise, the NCAA will work to sublicense (on a short-term basis) a company that can provide the specific item.

## **ADVERTISING/SIGNS/"LOOK AND DÉCOR"**

- Advertising/Banners/Signs/Displays.** The host shall not permit advertising, marketing identification, banners, signs or displays of any kind to be hung, posted or displayed anywhere within the general public seating/viewing area of the competition, practice and/or ancillary event venue(s) (i.e., any place that can be seen from the playing surface or seats), including the scoreboard and the playing surface prior to or during the conduct of the championships, other than NCAA, media partner or NCAA corporate champion/partner branding/recognition (e.g., signage, banners, scoreboards, LED scorer's table, video board, ribbon board, PA announcements) approved by the NCAA. Any permanently affixed (or previously leased) advertising banners, signs, cup holders, select equipment bearing corporate marks (e.g., TVs, computer monitors, stats monitors or displays), product/exhibit displays (e.g., car displays, branding exhibits/kiosks) shall be covered with décor elements or other NCAA directed elements by the competition, practice and/or ancillary event venue(s) and at the expense of the venue(s) as specified by the NCAA, including costs of production and installation and strike. Similarly, for any surrounding areas/facilities that are to

be used by the NCAA for official events, no advertising, marketing, identification, banners, signs, decals, sampling, distribution or displays of any kind shall be hung, posted or displayed anywhere within those areas unless authorized by the NCAA. All professional signage/marks/pennants/banners/retired numbers/etc. may continue to be displayed. NCAA staff representatives have the discretion, during their site visit or when on-site in advance of the tournament, to have the building staff remove a sign/banner. Collegiate championship banners or those with retired numbers of collegiate performers can remain. All usage of marks must follow NCAA brand guidelines and must be approved by NCAA staff in advance.

- b. **Alcohol/Tobacco/Gambling.** All alcohol, tobacco and gambling advertisements/corporate identification within broadcast view or viewable by game attendees in the competition venue bowl must be covered at the expense of the host or venue. Any alcohol, tobacco or gambling advertising that is deemed by the NCAA as not viewable from within the bowl does not need to be covered, whether in the concourse or in ancillary venues. All other advertisements/corporate identification in the noted areas must, at a minimum, not be backlit unless otherwise authorized by the NCAA. This would apply to preliminary rounds and the championship rounds for all the NCAA's 90 championships.
- c. **External Signs.** All exterior venue corporate signage, other than professional franchise identification, must be covered as specified by the NCAA and must be covered with décor elements as specified by the NCAA at the expense of the competition, practice and/or ancillary event venue(s).
- d. **Commercially Named Venues.** Commercially named competition, practice and/or ancillary event venue(s) may display no more than two pre-existing interior signs consisting only of the competition, practice and/or ancillary event venue(s) name at the top of the venue, with placement designated by the NCAA. The competition, practice and ancillary event venue(s) signage design and placement must be approved by the NCAA. If the commercially named competition, practice and/or ancillary event venue(s) is an existing NCAA Corporate Champion or Corporate Partner, the NCAA, in its sole discretion, may allow additional branding of the commercially named venue(s).
- e. **Covering existing signage/product branding.** In regard to any signage that is to be covered in accordance with these bid specifications, the practice, competition and/or ancillary event venue(s) shall not limit or prohibit the ability of the NCAA to use signage or other elements of its own third-party designees in covering such existing signage/product branding.
- f. **NCAA Corporate Champion and Partner Branding/Recognition.** The NCAA shall have the right to display branding/recognition (e.g., signage, banners, scorer's table, video board, ribbon board, PA announcements, inflatables, projections, kiosks, decals, window clings, lighting, street teams, logos) for the Association, its corporate champions & partners and media partners inside and outside of the competition, practice and/or ancillary event venue(s). These locations, include but are not limited to the concourse, within the competition bowl and venue exterior without limitation.
- g. The NCAA shall provide the competition venue with the appropriate stickers/field stencils for the approved playing surface markings for the championship.
- h. If facility approves, patrons are permitted to bring in small signs (signs which can easily be held by one person and cannot block the view of anyone seated around them), as long as any writing or slogans on them are in good taste. In addition, it is permissible for patrons to bring in non-noise-making items (in compliance with NCAA and facility premium guidelines) as long as they do not include any (non-CCP) commercial identification.
- i. At no charge, the NCAA will have full access to, and control of, any and all LED and other digital signage inventory, both internal and external to the competition venue. This includes TV monitors, video screens, video walls, LED fascia, and all external signage, digital or otherwise. This includes any and all digital inventory to be made available at the time of the championship, inclusive of any inventory that may be added by the venue after this bid document is signed.

## Section 8 • Drug Testing

The NCAA is dedicated to fair and equitable competition throughout each round of NCAA championships and strongly supports the drug-testing program established by its membership, to safeguard the health and safety of the participating student-athletes.

Comprehensive drug testing details for hosts can be found in the Championship Site Coordinator Manual [here](#).

# Section 9 • Facility, Equipment & Space Requirements

## NEUTRALITY

Host institutions should keep in mind that an NCAA event is not a home event. Neutrality is important; therefore, hosts should not create a “home atmosphere” through the use of players on programs, displaying host institutional signage or similar measures.

## CONCESSIONS

Food and beverage prices shall be no higher than similar events or primary tenants in the facility. The host should make every effort to ensure concessions are available at each venue.

## DATA

The host should provide adequate data at both venues (Nordic and Alpine) for all internet, timing, and webstreaming needs throughout the entirety of the championships.

## DECORATING AND ADVERTISING

Banners at facility. The following banners are permissible inside the facility:

- Television Banners (two).
- NCAA Radio Banners (one). *(These may be used to cover non-permissible signage.)*
- NCAA Banner.
- Appropriate institutional (team) banners (authorized by NCAA representative).

Covering. The facility shall not permit any advertising banners, signs or displays of any kind to be hung, posted or displayed anywhere within the seating area (i.e., any place that can be seen from the competition area or spectator viewing areas), including the scoreboard, during the championships session or practices, other than NCAA, television and radio banners, as specified by the NCAA. No local /school radio banners are allowed.

Institutional Signage. Institutional signage does not need to be covered. Championships banner may remain if permanent (not hung seasonally). If temporary and hung on a seasonal basis, they must be taken down.

Directional Signs. Directional signs should be posted in all areas used by the participants and the media.

Video Boards and Electronic Messages. The NCAA will provide video board content to sites that have such capabilities. The video board content is important to the overall championship experience for student-athletes and those in attendance. Please work directly with your NCAA championship liaison to identify if video board content will be provided directly or if downloading from the Van Wagner Box site is necessary.

Questions related to video board logistics should be directed to:

Fred Bowen, Senior Producer, Van Wagner, 574-807-5287 or [fbowen@vanwagner.com](mailto:fbowen@vanwagner.com)

No host or venue specific electronic messaging or video board advertising may be displayed during NCAA championships, other than those messages promoting the championship and information provided by the NCAA and Turner/CBS. This includes promotion of upcoming events at the championship site. All messages must be approved in advance by the championship staff liaison.

## MEDIA WORKROOM

The media workroom should be equipped with an adequate number of telephones, wireless internet, electrical outlets and other necessary supplies. NCAA logos should be displayed appropriately.

## OFFICIAL NOTICE BOARDS

Hosts should establish one board at each venue where the unofficial results and disqualifications shall be posted. In addition, temperature reports and other vital information shall be posted in this area.

### PARKING

Specific parking areas should be designated for team vehicles and NCAA committee members. This information should be included in the participant manual.

### RACE INFORMATION

The host shall designate an area that will be accessible to the general public, parents, etc., for distribution of start orders and other pertinent materials. This area should be promoted in the advance information provided to the schools. In addition, this site shall be promoted during championships registration.

### REGISTRATION

A registration area must be set up to handle the distribution of materials at the race headquarters throughout race week at appropriate times. This area will serve as the initial registration location for all teams when arriving at the site. Open hours should include one hour prior to all coaches' meetings. An information board may be located in the headquarters for the coaches to view.

#### Race Packet (received at registration)

- Schedule of events.
- Training times (Alpine and Nordic).
- Key contacts with cell phone numbers.
- Waxing facilities (on site and hotels).
- Maps of area.
- Dining opportunities.
- List of participants and coaches.
- Credentials.
- Lift tickets/trail passes.
- Parking passes.

### SCOREBOARDS

Scoreboards should be located at the start and finish areas for listing of times. The scoreboard should be located as close to the finish area as possible. Proper radio communication should be established between the scoreboard and the timing house. Use of electronic scoreboards is encouraged and may be sourced directly by the NCAA.

### SIGNAGE

Each round of every NCAA championship will receive a shipment of official NCAA signage that helps identify the event as an NCAA championship. The signage includes a quantity of banners and decals displaying NCAA logos in a variety of sizes.

Possible uses of NCAA signage include displaying it at the championships site, especially in the competition area within camera angles, and all related championships functions. Signage should always be displayed during news conferences and banquets.

NCAA-produced signage materials may be reused at other championships. Before discarding materials, please check with your NCAA championships manager. Materials containing NCAA marks and logos may not be sold.

### TIMING SYSTEMS

The host shall have an electronic timing system and appropriate backups for each event. The host shall also ensure that appropriate video review equipment is available for the championships.

## UNOFFICIAL AND OFFICIAL TRAINING

The race courses, including the start area, lap area, and the finish area, must be clearly marked and completely prepared for the official training day(s) for the competition. Start signs, Finish signs, Lap signs, directional arrows and kilometer markers must be in place for the official training day(s). The course shall be marked for unofficial training days with directional arrows in place.

## WARMUP AREAS

For Nordic and Alpine events, a warmup area must be available on race mornings that provides sufficient length and similar terrain. This warmup area must be groomed in the same condition as the race course.

Warmup tracks must be provided. Tracks separate from the race course are preferable. Separate warm up tracks should be clearly marked and must be separated from the competition course. Warmup areas in low snow circumstances fall to the decision of the jury. At no time will designated warmup areas allow skiing backwards on the race course. Cutoffs for on-course warmup areas are highly encouraged, but must be clearly marked closed during competition.

## WATER, CUPS AND COOLERS (FINAL SITE ONLY)

### Equipment Information

The NCAA will provide certain championships relevant equipment (sidelines hydration, competition playing equipment, etc.) on a sport-by-sport basis that must be used in all championship activity. The purpose of the equipment is to hydrate student-athletes for competition. Each championship will receive information from the NCAA pertaining to any equipment that will be provided. Following the championships, each host site will be required to provide the NCAA with a completed inventory sheet (template provided by the NCAA) and pictures for proof of performance.

### Cups, Coolers and Water Bottles

Drinking cups, water coolers, ice chests, cooler carts and water bottles should be provided for each scheduled practice or competition of any round of an NCAA championship. Participating teams shall place any premix fluid replacement in the NCAA-issued coolers and water bottles when applicable. Only cups, cans, coolers or water bottles may be used during championships that are provided by the NCAA. If applicable, the host may retain the coolers, cooler carts and ice chests after the competition. Reoccurring host sites are strongly encouraged to use the same equipment the following year unless otherwise notified by the NCAA. Participating teams may retain the water bottles and bottle carriers after the competition.

### Hydration Program

Coca-Cola will provide a bottled water product (e.g., Dasani), POWERADE powder, and when applicable, POWERADE in bottles. Participating teams and student-athletes in NCAA championships continue to be free to use/consume permissible hydration beverage(s) of their own choice in the NCAA-provided equipment. Equipment carrying any branding other than POWERADE, however, will not be permitted on the sidelines during NCAA championships.

If a championship also receives POWERADE-branded squeeze bottles, they should be provided to student-athletes. Non-POWERADE-branded squeeze bottles brought by teams/student-athletes will not be allowed.

If the host has to provide and/or purchase product for any NCAA championship use (e.g., student-athlete banquet, committee tent/suite, hospitality areas, media areas), the host must purchase and provide only Coca-Cola products (e.g., Dasani, POWERADE, Coca-Cola, Sprite).

Competitors of NCAA Corporate Champion Coca-Cola may not provide product (beverages, water, isotonic) for any NCAA championship, even if the competition offers product for free or at a reduced cost. The championship budget will cover the purchase of Coca-Cola beverage products.

### Use of NCAA-Provided Coolers from Previous Years

The host may use previously supplied equipment from the NCAA, specifically POWERADE equipment with approval from the NCAA; however, unless approved by the NCAA (which is often possible), they must be used in areas not within television or photographer view [they may not be used on the sidelines or within the competition area(s)].

If you have any questions regarding any of this information, please contact Kevin Alcox (317-917-6222; [kalcox@ncaa.org](mailto:kalcox@ncaa.org)).

### WAXING FACILITIES

It is preferred that waxing areas be in a central location to the lodging venues used by the teams (e.g., basement of condominiums, garages of condominiums). Waxing facilities are required at the Nordic venue and recommended at the Alpine venue. The facilities should be secure, vented, heated and lighted in a manner that would permit the teams access as early in the morning as possible (no later than 7 a.m.) and until as late as possible (no earlier than 11 p.m.) each night. It is recommended that waxing areas have floors and partitions to separate spaces for teams. There should be eight 10 x 15 tents or the equivalent square footage available.

It is recommended that there is enough power to handle 40,800 watts of power.

Heat Guns - 1200 Watts x 24 = 28,800

Irons - 500 Watts x 24 = 12,000

TOTAL - 40,800

Therefore, there should be at least two 25,000 Watt generators or three 20,000 Watt generators.

*Note: For the Nordic events, teams may ask to open the waxing areas prior to 7 a.m. Hosts are encouraged to consider opening at 6 a.m. or earlier on race day.*

### WAX TESTING AREAS (NORDIC)

Ski testing tracks must be provided. Tracks separate from the race course are advisable, but portions of the race course may be used for ski testing. For classic competitions, a significant uphill with tracks should be provided for testing. If ski testing will be allowed on course: 1) it must be open only to properly accredited coaches during competition; 2) cutoff loops for on-course ski testing are strongly advised; and 3) at no time will backwards skiing on the race course be allowed.

# Section 10 • Financial Administration

## AUDIT

Sites will be randomly selected for financial and box office audits following the championship.

The NCAA will make every effort to notify sites selected for audits within 30 days after the submission of financial reports, but reserves the right to audit a site up to one year after the championship. Receipts, facility settlements, expense reimbursements and honorariums are subject to change until the audits are reviewed and accepted by the NCAA. If selected for audit, the following documentation will be requested: box office audit reports or sales summaries; ticket purchase invoices or statements; unsold tickets; invoices, contracts or timesheets supporting all expenses; general ledger; bank statements; check copies and reconciliations; and competition venue rental agreement. The documentation should support all information reported on the host financial report.

## APPROVAL OF THE BUDGET

As part of the site-selection process, each prospective host must submit a proposed budget for approval by the NCAA. All receipts and expenses associated with the conduct of the championship competition shall be included in the proposed budget. This includes lodging expenses for officials and site representatives, if applicable. The proposed budget must be submitted and approved by the NCAA prior to the first date of competition of the championship. Additionally, best efforts should be made by the host to reasonably forecast expected ticket sales from the given championship.

The host institution is responsible for adhering to championship expenses as approved by the NCAA, including (but not limited to) competition site rental, maintenance, insurance, printing of tickets, ushers, maintenance personnel, ticket sellers, ticket takers, minor officials, police and security, promotion, publicity, advertising, meetings, banquets, medical staff. Other expenses not included in the original proposed budget must be approved in advance by the NCAA.

It is also incumbent upon the host to understand and remit all necessary taxes related to the sale of tickets to the given championship for sales made by both the NCAA and the host at their given state and locality. All consideration must be given by the host for certain relief of taxes with respect to the NCAA's not for profit status under 501(c)3 of the Internal Revenue Code. Additionally, certain championships may be required to provide an outside letter of attestation speaking to their tax status provided by an outside CPA/accounting firm.

## FINANCIAL REPORT

Host institutions must complete the online financial report, which includes accurately reporting all revenues and expense, and must include payment of the amount due to the NCAA, within 60 days after the final date of competition at the site (if applicable). If requested, the host may be required to provide all supporting documentation to validate the revenues and expenses of their site. As a best practice, hosts are encouraged to upload all appropriate receipts, ticket audits and other supporting documentation to their host report on the "documents" tab as documentation supporting their revenue and expense figures.

Financial reports showing net receipts are not considered complete until payment is received at the national office. Institutions that fail to meet the 60-day reporting period will be assessed the following penalties: 60-90 days past due (25% reduction in honorarium), 91-120 days (50% reduction in honorarium) and 121 days or more (100% reduction in honorarium). If there is a shortfall in the funds available to reimburse approved expenses and honorariums, the NCAA will make best efforts to reimburse the host within 5 business days of the report being approved by the NCAA finance and accounting department.

## DRUG TESTING EXPENSES

The budget for drug testing expenses should only be completed and returned to Drug Free Sport if the host has been notified that drug testing will occur. The drug-testing budget and expenses are separate from the financial report form. The drug-testing budget form is an appendix in the [drug testing manual](#) ([ncaa.org/Student-Athlete Programs/Health and Safety](http://ncaa.org/Student-Athlete Programs/Health and Safety)).

### **PARTICIPANTS**

The NCAA will reimburse the competing institutions for transportation and per diem expenses in accordance with the NCAA travel policies. Once the championship is completed, participating institutions should submit reimbursement through the **Travel Expense System (TES)** within 45 days of the competition. Please note that if you host a championship, the submission of per diem and/or transportation reimbursement is in addition to the host budgeting and approval process defined above.

### **SITE REPRESENTATIVES**

The NCAA representative's hotel room and tax shall be paid (via direct bill) by the host institution and submitted on the financial report. All other expenses (i.e., per diem, travel) will be paid directly by the NCAA.

### **TRANSPORTATION**

Transportation. The NCAA shall pay for the rental of cars for a predetermined number of game officials and the NCAA committee representative(s). The championships staff will approve the individual to get a rental car and the individual will need to call Short's Travel to book.

Local Transportation for Teams. For team sports, eligible for reimbursable ground transportation, must arrange ground transportation through Short's Travel. Individual sports, eligible for reimbursable ground transportation receive mileage reimbursement in accordance with the travel policy.

Air Transportation for Teams. If a school is eligible for air transportation, all air travel must be booked through Short's Travel.

### **NCAA Championship Travel Policies**

# Section 11 • Game Management

## GAMES COMMITTEE

The games committee shall be comprised of the National Collegiate Men's and Women's Skiing Committee.

## RESULTS

Daily results shall be prepared in three categories: 1) event specific; 2) team by team; and 3) points earned by team in each discipline and gender. Results should be posted as soon as possible following the conclusion of the race. The following provides the format for the team standings report:

### NATIONAL COLLEGIATE MEN'S AND WOMEN'S SKIING CHAMPIONSHIPS TEAM STANDINGS

RANK	SCHOOL	MFS	WFS	MGS	WGS	MCL	WCL	MSL	WSL	TOTAL

## RESULTS TO NCAA WEBSITE

A primary responsibility of the host sports information director is to report the results according to the following procedures:

- During the championships and at the conclusion of the competition, the host sports information director, media coordinator or designee is responsible for reporting official results to the NCAA official website. Please email a copy of results to [ncaa-content@turner.com](mailto:ncaa-content@turner.com). Please be sure to submit all information in the following manner:
  - Send the information to [ncaa-content@turner.com](mailto:ncaa-content@turner.com).
  - Specify the sport (division, championship and round) in the SUBJECT area.
  - Paste the text directly into an email or send email as an attachment in an MS Word document or Windows Notepad text document.
  - Please convert photos to JPEG format and attach to the email.

## START LISTS

Hosts should be prepared to present electronic copies of the start lists soon after each draw meeting. Every effort should be made to have a professional and clean look to the start lists and results packet (i.e., include individual institutional and NCAA logos).

# Section 12 • Health & Safety Considerations

As part of preparation and planning to host and/or participate in championship events, member Institutions are reminded and encouraged to review all applicable health and safety policy and legislative requirements and guidance with event staff and personnel including, among others, those relating to concussion management, catastrophic injury prevention, inclement weather and independent medical care, consulting with institutional legal, medical and risk management personnel as necessary. These requirements and related information can be found in applicable division manuals, sports playing rules and the materials located on the [NCAA Sport Science Institute website](#). A non-exhaustive list of some of the key health and safety considerations is provided below. More detailed information on each of these topics can be found in the [Interassociation Recommendations: Preventing Catastrophic Injury and Death in Collegiate Athletes](#) and the [NCAA Sports Medicine Handbook](#).

- Blood-Borne Pathogens and Other Biohazards.
- Catastrophic Incidents and Emergency Action Plans.
- Cleaning and Disinfection.
- Inclement Weather, Air Quality and Other Environmental Considerations.
- Independent Medical Care.
- Medical Facilities.
- Medical Disqualification, Removal and Return to Activities.

  - Cardiac Emergencies.
  - Cervical Spine Injuries.
  - Concussion and Traumatic Brain Injury.
  - Diabetic Emergency.
  - Head and Neck Injury.
  - Heat Illness and Heat Stroke.
  - Hypothermia.
  - Mental Health Emergencies.
  - Rhabdomyolysis.
  - Sickle Cell and Other Exertional and Non-Exertional Collapse.
  - Skin Infections.
- Prescription Medications, Banned Substances and Drug Testing.
- Protective Gear and Equipment.
- Sexual Violence.
- Visiting Team Care and Coverage.

In addition, and as a supplement to the legislative and policy requirements and related guidance described above, the following health and safety considerations and expectations will also apply to all championship events.

## **Ambulance Service**

Planned access to an ambulance shall be provided by the championship host. If it is determined that an ambulance should be provided on site, the championship host shall obtain the ambulance service and the incurred cost is reimbursable by the NCAA. Any ambulance used must be equipped in accordance with all applicable government regulations and industry medical and safety standards.

**Coaches, Officials, Event Staff and Spectators**

Host institutions should consult as necessary with applicable institutional legal, medical and risk management personnel to determine and appropriately plan for the management of emergency and other health and safety incidents involving individuals other than student-athletes that may occur at the championship event or venue.

**Medical Staff Credentials and Access**

Travel party credentials for participating institutions will include credentials for medical personnel; provided it is the responsibility of the participating institution to include medical personnel in their normal credential numbers. Institutions may include medical staff beyond travel party limits provided they pay for the additional numbers with institutional funds. Competition site access can be secured by acquiring session tickets through purchase or an institutional pass list.

Any medical staff traveling with participating teams will have access to their team participants with the assistance of host medical staff, should an injury occur. If medical staff are not to be seated with the team during any championship event for any reason, they should communicate to host medical staff their seat locations and host medical staff should be prepared to provide all participant medical staff with the necessary credentials to access and provide necessary escort to the team locker room or athletic training room in the event of an emergency. Typically, an access point from the stands supervised by security will allow access by medical personnel to student-athletes.

**Portable Immersion Tubs**

Portable immersion tubs (hot or cold) are permitted at championship events only where use is a component of an established emergency or other health and safety plan and managed under the direction of sports medicine staff, an athletic trainer or physician in accordance with all applicable institutional and government health regulations and requirements.

# Section 13 • Hydration Product

## **POWERADE**

### **Equipment Information**

The NCAA will provide certain championships relevant equipment (sidelines hydration, competition playing equipment, etc.) on a sport-by-sport basis that must be used in all championship activity. The purpose of the equipment is to hydrate student-athletes for competition. Each championship will receive information from the NCAA pertaining to any equipment that will be provided. Following the championships, each host site will be required to provide the NCAA with a completed inventory sheet (template provided by the NCAA) and pictures for proof of performance.

### **Cups, Coolers and Water Bottles**

Drinking cups, water coolers, ice chests, cooler carts and water bottles should be provided for each scheduled practice or competition of any round of an NCAA championship. Participating teams shall place any premix fluid replacement in the NCAA-issued coolers and water bottles when applicable. Only cups, cans, coolers or water bottles may be used during championships that are provided by the NCAA. If applicable, the host may retain the coolers, cooler carts and ice chests after the competition. Reoccurring host sites are strongly encouraged to use the same equipment the following year unless otherwise notified by the NCAA. Participating teams may retain the water bottles and bottle carriers after the competition.

### **Hydration Program**

Coca-Cola will provide a bottled water product (e.g., Dasani), POWERADE powder, and when applicable, POWERADE in bottles. Participating teams and student-athletes in NCAA championships continue to be free to use/consume permissible hydration beverage(s) of their own choice in the NCAA-provided equipment. Equipment carrying any branding other than POWERADE, however, will not be permitted on the sidelines during NCAA championships.

If a championship also receives POWERADE-branded squeeze bottles, they should be provided to student-athletes. Non-POWERADE-branded squeeze bottles brought by teams/student-athletes will not be allowed.

If the host must provide and/or purchase product for any NCAA championship use (e.g., student-athlete banquet, committee tent/suite, hospitality areas, media areas), the host must purchase and provide only Coca-Cola products (e.g., Dasani, POWERADE, Coca-Cola, Sprite).

Competitors of NCAA Corporate Champion Coca-Cola may not provide product (beverages, water, isotonic) for any NCAA championship, even if the competition offers product for free or at a reduced cost. The championship budget will cover the purchase of Coca-Cola beverage products.

### **Use of NCAA-Provided Coolers from Previous Years**

The host may use previously supplied equipment from the NCAA, specifically POWERADE equipment with approval from the NCAA; however, unless approved by the NCAA (which is often possible), they must be used in areas not within television or photographer view [they may not be used on the sidelines or within the competition area(s)].

If you have any questions regarding any of this information, please contact Kevin Alcox (317-917-6085; [kalcov@ncaa.org](mailto:kalcov@ncaa.org)).

### **Preliminary-Round Sites NOT Receiving POWERADE-Branded Equipment and Product**

The host institution may use items other than POWERADE-branded equipment. These items, however, must not display any commercial marks (e.g., logos and graphics of commercial products such as Gatorade), or such marks must be covered completely (this requirement applies on the sidelines and in competition areas, media areas or any other back-of-house areas).

If the host must provide and/or purchase product for any NCAA championship use (e.g., student-athlete banquet, committee tent/suite, hospitality areas, media areas), the host must purchase and provide only Coca-Cola products (e.g., Dasani, POWERADE, Coca-Cola, Sprite). Participating teams and student-athletes in NCAA championships continue to be free to use/consume permissible hydration beverage(s) of their own choice; however, equipment carrying any branding other than POWERADE, as referenced above, must be absent of any commercial marks.

# Section 14 • Insurance

## LIABILITY

If event is held on-campus:

Host institution must maintain and provide proof of at least \$1 million of Commercial General Liability (CGL) insurance on an occurrence form for Bodily Injury and Property Damage, including Products Liability (including completed-operations coverage), coverage for contractual liability, independent contractors, and personal and advertising injury. Coverage cannot exclude liability arising from athletic participation, spectators, alcohol, or food-borne illness. Certificate must be submitted to NCAA prior to competition. State institutions subject to state governing tort laws are permitted to provide proof of limited liability under state laws instead of CGL coverage. (This is the minimum requirement per NCAA bylaws).

If event is held off-campus:

# Section 15 • Lodging

## **NCAA Non-Predetermined Preliminary-Round Competition**

For all NCAA non-predetermined preliminary round competition, unless otherwise stated, the host institution/agency or the NCAA (see sport specific section for details) shall make reservations for the participating institutions/student-athlete(s) and advise them of the arrangements. The selected hotel properties shall be within no more than 30 miles (30 minutes) of the competition site and be priced at a fair and reasonable market room rate. The selection of a competition site may be dependent on availability and quality of rooms for participating institutions/student-athletes. Each participating institution/student-athlete is obligated to confirm or cancel the accommodations.

## **NCAA Predetermined Preliminary-Round Competitions and Predetermined Championships**

For select individual-team sports, the NCAA will secure risk-free hotel accommodations with favorable concessions and contract terms on the participating teams and individuals' behalf. Teams are encouraged but not required to use NCAA-secured hotels.

## **MERCHANDISING**

The hotel understands that the NCAA exclusively will have first right of refusal to sell products licensed by the NCAA for merchandising at the selected hotels. If the NCAA executes this right, the hotel agrees to provide space in its lobby, tables, electricity, dedicated phone line and a secure storage location for such sales at no charge to the NCAA merchandising agent. The NCAA guarantees that the merchandise will be displayed in a neat, professional manner.

In return, the NCAA merchandising agent will pay to the hotel a percentage of the net sales from the hotel location. Net sales are defined as gross sales minus sales tax and credit card fees. The percentage rate will be a predetermined, non-negotiable rate included in the contract between the two parties, except as specified in the following sections.

# Section 16 • Marketing

## CONTACTS

The host institution should designate a marketing contact or marketing team for the championship. This person should be familiar with marketing strategies that have worked in the community where the championship will be held to sell tickets and drive attendance. It is the primary responsibility of the marketing contact to work closely with the NCAA Championships Marketing contact to create and implement the championship marketing plan. While many host institutions may have a marketing contact in the athletics department, this individual may also be from the local organizing committee, convention and visitor's bureau, sports commission or a combination thereof. Contact information for the designated marketing contact(s) should be submitted through the Key Contact portion of the Host Reporting System.

## EXPECTATIONS

- Know the marketing budget. The NCAA championship tournament manager on your campus or the NCAA Tournament Operations point person can communicate your marketing budget.
- Develop marketing goals. The primary focus should be driving ticket sales and attendance at the championship by developing inclusive promotion and awareness opportunities and utilizing diverse targeting strategies.
- Map out the time frame to market the championship.
- Determine how to best use the marketing materials provided by the NCAA.
- Establish grassroots initiatives to implement in your local and regional communities by creating and promoting messaging that resonates with people of all race, sex, class, national origin, creed, education background, religion, gender identity, disability, gender expression, geographical location, income, marital status, parental status, sexual orientation and which appeals to diverse communities.
- Explore opportunities with traditional media (print, radio and television) in your area.

## MARKETING PLAN

Host institutions/conferences shall establish a marketing plan in coordination with the NCAA Championships Marketing contact. The marketing should reflect the host's commitment to creating an environment where all guests feel welcome and see themselves represented throughout the championship experience. All marketing plans, marketing budgets and collateral must be approved by the NCAA Championships Marketing contact prior to implementation.

## MARKETING COLLATERAL

**NCAA Marketing Portal.** The NCAA Marketing Portal is a comprehensive tool designed to help hosts create marketing products which will generate awareness, drive ticket sales and promote attendance at championship events. The [NCAA Marketing Portal](#) can be accessed at [NCAACHampsPromotion.com](https://www.ncaachampspromotion.com).

Championship hosts should customize and download all necessary artwork to promote the championship from the website. Hosts should utilize imagery from the artwork provided, produce the items locally and obtain reimbursement for production costs, up to the reimbursable allocation provided for the championship round you are hosting.

Each NCAA Championships host marketing contact and tournament manager will receive an email with the marketing website address, username, and password. Please contact [ncaachampspromotions@naaa.org](mailto:ncaachampspromotions@naaa.org) if you are unable to locate this information.

All requests must be approved by the national office staff before you proceed. Artwork requests and approvals will be managed through the website. If you do not have a local print vendor, we have listed NCAA preferred vendors on the website.

Collateral should not be created outside of the NCAA Marketing Portal. The website ensures proper usage of NCAA logos and trademarks, as well as ensures consistent branding across each championship round and all 90 NCAA Championships.

\*Please note, a limited number of Division I predetermined hosts will create all marketing collateral by coordinating directly with the NCAA Championship Marketing contact; they will not have access to the NCAA Marketing Portal.

**Television/Video and Radio Ticket Spots.** The marketing website allows hosts of select predetermined championship sites to download TV, video, and radio spots for immediate use. Questions regarding the availability of these spots for your championship event should be directed to your NCAA Championship Marketing contact.

## SOCIAL MEDIA GUIDELINES

Host institutions/conferences may use already established social media accounts (e.g., Facebook, Twitter) as a place to promote the hosting of an NCAA championship. However, host institutions/conferences should use marketing messages and assets supplied from or approved by the NCAA (links, web banners, flyers, updates, etc.). If the championship does not have an official NCAA social media page, a host is NOT permitted to create a social media page. The NCAA will make efforts to promote this championship on the established pages, as necessary. Please refer to [NCAA.org/socialmedia](http://NCAA.org/socialmedia) for a listing of official NCAA social media accounts.

## Section 17 • Media Services

The NCAA considers this hosting opportunity a partnership between the host school/conference, facility and the NCAA. The primary objective of everyone involved in the administration of the championship, shall be to provide a memorable championship experience for each participating student-athlete, coach, administrator and tournament attendee.

Note that health and safety protocols related to preparedness, response and protocols might have an effect on the media services detailed below, with any changes provided to all hosts in advance of each championship.

### BROADCASTING/INTERNET

Please log on to [NCAA.com/media](https://www.ncaa.com/media) for information regarding broadcast/internet rights.

### CHAMPIONSHIP RECORDS

NCAA championship records are available in PDF format at [ncaa.org](https://www.ncaa.org) - [ncaa.org/championships/statistics/ncaa-records-books](https://www.ncaa.org/championships/statistics/ncaa-records-books).

### CREDENTIALS

All media credentials are authorized and issued by the host or NCAA media coordinator. The NCAA provides credentials for all final championship sites and selected preliminary rounds sites. Hosts should contact the NCAA media coordinator or championships administrator to confirm who will produce credentials for preliminary sites. **PDF templates are available for preliminary round credentials if desired. Please contact Jenn Rodgers ([jrodgers@ncaa.org](mailto:jrodgers@ncaa.org)) for more information.** If you are producing your own credentials, the “Conditions Placed on Use of Credentials” should be placed on the back of all credentials. That text, located at [NCAA.com/credentialterms](https://www.ncaa.com/credentialterms), should also be visible at credential pickup.

The following is a sample of the types of credentials that can be produced, if applicable:

- All Access - For event management-type people who need access to every area, including game surface.
- Event Management - For event management staff who does not need all access (based on space and demand, it may not be necessary to produce an event management and an all-access pass).
- Media - For members of the media to provide them access to press areas (press box, media room, interview room, locker rooms (postgame only)).
- Participant - For student-athletes, coaches, equipment managers (essentially anyone in the official travel party).
- Photo - For still photographers and television camera operators (if the contest is not going to be televised) to allow them access to appropriate areas [playing surface, locker rooms (postgame only), press box and media room].
- SID - For sports information directors of the participating teams (may allow access to media areas and locker rooms as needed).
- Television Network - If the game is going to be televised by ESPN, Turner Sports, etc., those entities should have their own credential to allow them to specific places such as the truck compound.

It is up to the tournament director to determine which areas may be accessed with each credential type.

### CREDENTIAL QUALIFICATION AND ACCEPTANCE

Final-Round Site - Approximately one month before the start of final site competition, the site media coordinator should send credential application information to media representatives who regularly cover intercollegiate athletics in their markets. The information should direct media to [NCAA.com/media](https://www.ncaa.com/media), which includes credential application instructions, credential criteria and links to the NCAA media policies. The site media coordinator will approve or deny all credential requests in the online credentialing system (Sport Systems) Credential system training sessions will be conducted. The system will notify via email all media members who apply for credentials whether their request has been approved or denied. If a media member is granted a credential, the site media coordinator is responsible for sending that member of the media information regarding game times, press conference schedules, credential pickup times and location, parking and any other pertinent information.

Preliminary-Round Site - Preliminary-round/site media coordinators should send a credential request form to members of the local media to determine who will be covering the event.

\*\* Working credentials will not be mailed. The media coordinator should issue credentials individually at an appropriate site at the venue or at the designated headquarters hotel. A government-issued photo ID is required to pick up credentials. Credentials are non-transferable and will only be issued to the person whose name appears on the credential. Credential pickup for others is not allowed.

### CREDENTIAL BOARDS

The NCAA will provide credential boards to all final sites. These are to advise security personnel at the competition venue which credentials are allowed into specific areas of the venue. For credentials that are not allowed into a specific area, use a black marker to cross out the credentials not permitted.

### FINAL RESULTS BOOKS AND STATISTICS

The final results book for team championships should include, at a minimum, final statistics and results as well as a quote sheet from at least the two head coaches (inclusion of at least one student-athlete per team is preferred). For individual/team championships, the media coordinator should include quotes from at least any individual champion(s) as well as from the head coach of the team champion, if applicable. It is preferred to also include quotes from a student-athlete of the team champion and the head coach of the second-place team. The final book also may include a cover sheet, recap, postgame notes, and/or a play-by-play summary.

The host institution shall provide complete statistics of all NCAA championships competition.

### FLIP CARDS

Flip cards should be provided to all media members for easy reference to participating team information, where applicable. The flip cards should include all players on the roster and a minimum of their uniform numbers along with the head coach and any assistants. The flip card should include team results as well as standard information regarding the game, such as date, location and opponent.

### INTERNET POLICY

The NCAA website, [NCAA.com](http://NCAA.com), serves as the official online resource for NCAA championships.

The NCAA and its partners own the Internet rights to all of its 90 championship events. Rights include live statistics, video and audio streaming, electronic commerce, and post-event footage use. The NCAA and its partners own all game action, practice footage, press conferences, one-on-one interviews or any other content on the NCAA website.

#### **Internet Live Statistics**

The NCAA reserves the right to deny permission to produce live statistics for NCAA championship play. In the event the NCAA takes on the responsibility of producing a live statistical representation from an NCAA championship event, no other entity will be permitted to do so. Live statistics are considered a protected right as part of a bundled rights agreement, referenced above. For clarification purposes, a live statistical representation includes play-by-play, score updates, shot charts, updated box scores, photos with captions, etc.

In the event the NCAA does not produce live statistics for a specific championship, the host institution is given priority to produce exclusive live statistics. The host institution will be given the same exclusivities the NCAA would reserve for its rights holder in such an instance.

Once it is determined that neither the NCAA nor the host institution plan to exercise their exclusive rights, the ability to produce live statistics will be granted - on a non-exclusive basis - to each participating school. A "participating school" is defined as a school playing in the same event at a specific site.

In each case, no commercial advertising is permitted within the live statistics window, unless permission is specifically granted by the NCAA. Any questions pertaining to live statistics should be sent to Nate Flannery, NCAA director of digital and social media ([nflannery@ncaa.org](mailto:nflannery@ncaa.org)).

## MEDIA GUIDES AND POSTSEASON GUIDES

The NCAA or host media coordinator should notify each school that qualifies for the championship how many media guides and/or postseason guides should be sent to the championship site and/or if media guides and postseason information should be uploaded to the NCAA box library. If wanting to provide a printed version, the media coordinator should provide an overnight address where the schools can send the information (their office or the facility) and a deadline as to when it should arrive. Consider security when selecting the location where these materials will be shipped.

## MEDIA ACCOMMODATIONS

**Hotel.** If necessary, the media coordinator should arrange for a block of rooms to be set aside for media, preferably at the headquarters hotel. Media members should be given a contact/link at the hotel whom they can call or link to make reservations; this can be listed on the credential application form along with the room rate and deadline for making reservations.

**Meals.** Media meals are not required at all championships. Disbursements should be guided by the budget which was originally submitted by the tournament manager and approved by the NCAA national office.

**Parking.** Media parking should be provided at all championship host sites. The media coordinator should determine if it would be more effective to use parking passes or a parking list. If passes are used, the host institution must generate them. Media shuttle systems may also be used provided any costs are approved in advance by the specific sport committee and NCAA championships staff liaison.

**Media Workroom.** If necessary, a media workroom should be designated at each site, where media members can file stories following competition. The workroom should provide an adequate amount of media seating, electrical outlets, complimentary wireless internet access and a pool of high-speed internet lines, if possible. Each school's media guides and/or postseason guides, along with any materials the host institution distributes (statistics, game notes, quotes, etc.), should be located in this area.

## NEWS FILM AND MINI-CAMS

Please visit [NCAA.com/media](http://NCAA.com/media) for updated information related to television, video and ENG policies.

## OFFICIATING QUESTIONS/POOL REPORTER

The host media coordinator shall appoint one member of the media to serve as the pool reporter at the competition site and must be approved in advance by the NCAA staff. In most cases, the media coordinator should designate the reporter from the Associated Press or the local newspaper as the pool reporter. The pool reporter should be clearly designated on the media seating chart and should be listed on the starting lineup sheets (if applicable) distributed prior to competition.

When a game includes a potential fighting situation that results in a technical foul and/or ejection of a participant, a rules interpretation is requested or there is a clock or timing issue, the pool reporter shall accompany the NCAA staff representatives to the officials' locker room to receive an interpretation in order to enhance the media's understanding of the activities that occurred. Interpretations are not given if the situation in question is a judgment call. Prior to entering the officials' locker room, the pool reporter shall go to the interview room or media workroom to speak to other media members and compile a list of questions to ask the involved official.

The host media coordinator, who will prepare the statement, will distribute the information to the media after it is reviewed and approved by an NCAA staff representative. Any statement involving an official's interpretation can be read by the news conference moderator in the interview room while the statement is being distributed.

If the involved official does not elect to speak to the pool reporter, the referee will decide whether the referee or the standby official will provide the interpretation on behalf of the officiating crew. The interpretation shall apply exclusively to the specific situation and will only be used to provide an interpretation of a rule.

## PERSONNEL

Each media coordinator is responsible for organizing workers to assist in the media operations of the championship. It is important to remind volunteers that they may see very little of the championship competition because of their responsibilities and the NCAA will not pay any expenses. All volunteers should be a minimum of 16 years or older. It is preferred that all media coordination volunteers have experience with media relations or championships.

The number of workers will depend upon the media demand for the games at the site. Communication with the participating SIDs and the media coordinator's knowledge of the area media will help with advance planning.

The following is a basic list of duties for volunteers (if applicable):

- Copy Machine Personnel - Photocopies materials (stats, notes, quotes, etc.).
- Credential Distribution - Pass out credentials to the media; check government-issued photo ID.
- External PA - Announcer for fans.
- Internal PA - Announcer for the media.
- Locker Room Attendant - Person to identify when the locker room is open and closed to the media.
- Mixed Zone Coordinator - Coordinates interviews in the mixed zone in events such as track and field and swimming and diving. Depending on the number of participants, this individual may need several assistants.
- Note Takers - Compiles worthy notes during and after the game or day.
- Photo Marshall - Makes sure photographers work in approved event coverage locations. Hands out photo armbands, if necessary.
- Press Conference Moderator - Introduces players and coach; directs questions from media.
- Quote Takers - Records postgame quotes from the press conferences/locker rooms. A minimum of one person should be designated to take quotes for each team. They should get quotes from the head coach and student-athletes.
- Results Disseminator - Transmits stats, notes, quotes, through appropriate delivery means (website, email, social media, etc.).
- Runner(s) - Distributes photocopied materials (stats, notes, quotes, etc.).
- Spotter - Helps the official scorer identify assists and any other assistance for official scorer.
- Stat Crew - Records the official stats. Note that when applicable, NCAA LiveStats software must be used at all NCAA championships.
- Team Escorts - People to escort the coaches and student-athletes to the postgame press conference.

### NEWS CONFERENCES

The media coordinator, or a member of the coordinator's staff, shall attend all press conferences, including any conducted before the start of championship play. A media coordinator can decide to have a pre-championship news conference if the number of media or interest in the championship warrants it. If a formal press conference will be held, the media coordinator should produce name (table) tents to place on the dais/riser to identify coaches and student-athletes.

ALL STUDENT-ATHLETES AND COACHES MUST BE MADE AVAILABLE FOR INTERVIEWS. With permission from the NCAA, exceptions may be made to the policy.

The open locker room policy applies to all formal press conferences and to any interview requests for coaches and/or student-athletes not involved in the press conferences. Failure to do so may result in a misconduct finding, as determined by the respective sport committee.

(Note: In the event that a student-athlete has been selected for drug testing, all media obligations must be fulfilled before going to the drug-testing center.)

1. **Individual Championships with no Post-Event News Conference.** Student-athletes are allowed a maximum 10-minute cooling-off period following an event before meeting with the media. If ready before 10 minutes, the student-athlete can participate in interviews sooner. However, student-athletes are not allowed to leave the competition area before conducting media interviews. Interviews will be conducted in the mixed zone or interview room. A student-athlete who is competing in more than one event on a given day may ask the media coordinator to delay the interview period until after the student-athlete's final event of the day. The only exception to this is if

a record is set, and then the student-athlete should be made available to the media shortly after that event. If time prohibits this, the media coordinator should get a quote from the student-athlete and distribute it to the media.

2. **Individual Championships with a Formal News Conference.** Student-athletes are allowed a maximum of a 10-minute cooling-off period following an event before meeting with the media. If ready before 10 minutes, the student-athlete can participate in interviews sooner. In individual championships, typically only the winner(s) needs to report to the press conference. If media requests warrant having the runner-up participate in the news conference, that person should answer questions before the champion.
3. **Team Championships with a Formal News Conference.** The losing team shall have a 10-minute cooling-off period before reporting to the interview room. The cooling-off period starts once the head coach and all of the student-athletes have reached the locker room area. The winning team will report to the interview room immediately following the completion of the losing team's press conference. (Note: For some championships, the governing sport committee has determined that the winning or visiting team should go first to the press conferences, before the losing team. Please refer to championship manual for the sport.)

It is mandatory for the head coach and at least one student-athlete to report to the press conference following the cooling-off period. However, media coordinators should request a minimum of two student-athletes. A coach can shorten the cooling-off period but cannot extend it.

As soon as one media member enters a locker room, it will be open to all media members. Locker rooms are open to the media for a minimum of 30 minutes, provided media are present the entire time.

The head coach must complete all NCAA championship media obligations before honoring any in-season radio or television contracts. Coaches or student-athletes may only conduct interviews with rights-holding television or radio networks (including ESPN or NCAA Radio Network, but not school radio stations) before the press conference following the conclusion of a game. These interviews are permitted during a period totaling no more than four minutes for all interviews, immediately after the game. The media coordinator or designee has the responsibility to terminate the four-minute interview period, NOT the network/station that has purchased rights. (Assistant coaches are not obligated to the entire media staffing the championship and may grant postgame radio interviews at any time after the conclusion of the game.)

### **Moderator Duties**

1. The moderator should give pertinent game statistics (i.e., leading rushers, passers, tacklers, game records) to media while they wait for the first team to arrive. Statistics should be distributed to the media, coaches and student-athletes as soon as they arrive.
2. Media coordination representatives should obtain the names of the student-athletes who will be attending the press conference and give them to the host or NCAA media coordinator, who then will provide them to the moderator so that they can be announced in advance.
3. The moderator should open the press conference by asking the head coach for his/her opening statement.
4. After the coach's comments, the moderator should invite questions from media.
5. If necessary, the moderator should direct a question to student-athletes to get them involved, if the media do not do so.
6. Limit the losing team to 10 minutes and the winning team to 20 minutes.
7. The moderator should keep the flow of the press conference moving. If there is a gap of time between questions, limit questions to one more and then thank the head coach and student-athlete(s).

**Press Conference Setup.** Each host media coordinator should designate an interview room or area at the facility, and an individual to coordinate the activities in it. The interview area should have a public address system and an elevated head table.

Media coordinators should use an audio mixer (mix down unit) in the interview area to permit individuals using microphones to attach their equipment to it, eliminating the presence of audio equipment and/or operators in front of, or adjacent to, the speakers at the dais.

The following is a checklist of suggested minimum requirements for the interview room:

- Seating for a minimum number of media or VIPs (check with the previous host for an approximate number).
- Risers or an area with an unobstructed view for television cameras.
- Table for a minimum of 4-6 interviewees.
- Sufficient electrical outlets.
- Sufficient lighting for dais and workspaces.
- Mult box.
- Wireless microphones.

For selected NCAA championships, press conference backdrops, interview room table tents and microphone flags will be sent to the institution by the NCAA. Quotes shall be distributed to the media immediately following each press conference.

### PHOTOGRAPHER

Commercial use of any still photographs is prohibited unless permission is obtained from the NCAA. Specific areas will be designated for photographers, and these areas will be limited by priority and space. Please see Appendix G for further information regarding photography done at the championships.

### PHOTOGRAPHY AREA POLICIES

The media coordinator shall be prepared to designate “photographer positions,” should media requests warrant it. “Prime” positions should be given to NCAA Photos and/or Getty Photos, or otherwise rotated among members of the media. ## TELEVISION

If an NCAA championship is to be televised, the media coordinator will be notified by the NCAA championships liaison, media coordinator or member of the broadcast staff. ### NCAA SOCIAL MEDIA GUIDELINES FOR CHAMPIONSHIP HOSTS

The official NCAA social media pages and official hashtags can be found here: [on.ncaa.com/SocialAccounts](https://on.ncaa.com/SocialAccounts)

#### Host Promotion of Championships

A lot of hosts already have an established presence in social media. Examples are school, LOC, Sports Corporation, venue or city pages/accounts. These pages/accounts are all acceptable places to promote hosting of an NCAA championship through the use of marketing messages and products supplied from the NCAA (links, web banners, fliers, etc.). The NCAA also promotes the championships (and the host involvement) on the appropriate NCAA social media pages/accounts. If the championship does not have an official NCAA account on a social media site, a host is still not permitted to create a page for it. The NCAA will make efforts to promote this championship on the other established methods, as necessary. Collaboration is encouraged through the use of cross-posting on Facebook (@ linking within text to drive fans to each other’s pages) and mentions on Twitter (@ links to show coordination in posts). In addition to collaboration, idea-sharing is also encouraged and can be coordinated through the championships associate director of social media, [cdion@ncaa.org](mailto:cdion@ncaa.org).

**A host should not create a social media account or page (Facebook page, Twitter feed, Instagram, TikTok, Snapchat, etc.) solely devoted to promoting an NCAA championship.** These pages become outdated, distract fans from established pages and fracture the NCAA message.

#### Top considerations when planning for social media event marketing:

1. **Know your social media audience.** Utilize account analytics to learn about your fan demographics and monitor the engagement levels on your posts. Figure out what engages your fans.
2. **Encourage community.** Ask for feedback and opinion. This helps engage the user and may provide you with some good input. Also, reply to user questions with correct and helpful answers.
3. **Cross-post.** Cross-posting or mentioning others will help increase your visibility and spread credit throughout social media platforms.
4. **Use images.** Pictures are necessary to grab attention and interest. Users are more likely to engage versus text only.
5. **Be concise.** Get to the point within two sentences. Less than that, if possible.
6. **Lead your video.** You have mere seconds to garner a user’s attention on social media. Make sure your videos have an immediate point of interest to keep users engaged.
7. **Like or Follow people to help you.** Networking with members of the media, partner organizations and constituents on Twitter and Facebook is just as beneficial as in real life. On Facebook, like their pages, cross-post to them when you mention them or make them one of your favorites. On Twitter, retweet, join in on hashtags (#NCAA) and mention feeds in your posts.

8. **Keep it light.** While it is important to stay on message and deliver the facts, this is social media, after all. Have fun with it.
9. **If you hesitate about posting something, you probably shouldn't.** There are no re-dos in social media. A “delete” doesn't mean you can delete someone seeing it.

Please send direct questions to Chris Dion, [cdion@ncaa.org](mailto:cdion@ncaa.org), or send ideas or news to the general box, [socialmedia@ncaa.org](mailto:socialmedia@ncaa.org).

# Section 18 • Meeting/Schedule of Events

## **DRAWS**

A coaches' representative and alternate are drawn for each event.

Draws will be made in accordance with the procedures outlined in the NCAA skiing pre-championships manual. All draws will be double blind draws.

Before the draw begins, an announcement will be made for coaches to check the board and make any changes regarding his/her team. Changes should be given to an official to charge and announced to the other coaches.

Names should be posted on a board or projected on a screen to be seen by coaches and officials attending the draw and should be prepared prior to the start of the meeting. Official running orders should be made available and posted at the earliest time after the meeting. Racing bibs should be handed out after the draw meeting.

## **MEETING ROOMS**

A coaches meeting will be conducted late afternoon Monday, Tuesday, Wednesday, Thursday and Friday. It will be done virtually every day, with the exception on Tuesday when it should be held in person. This meeting room should be set for 75, with a head table for 10 (skiing committee and race officials). The seed boards should be located at the front of the room and tables for bib distribution and refreshments should be in the rear of the room. Microphones should be included if needed.

## **SCHEDULE OF EVENTS**

The committee will approve the schedule of events (Appendix B).

# Section 19 • Merchandise/Licensing

## ADMINISTRATION

The NCAA licensing department has oversight for the event merchandising program at all rounds and sites of NCAA championships. All licensing and merchandising questions should be directed to David Clendenin (317-917-6496; [dclendenin@ncaa.org](mailto:dclendenin@ncaa.org)).

## AVAILABILITY

An online ordering system will be available to participating institutions interested in ordering Event 1, Inc., merchandise in advance of the championship. Orders will be shipped by Event 1 directly to the participating institution's campus.

## GENERAL POLICIES

The NCAA retains the exclusive right to sell souvenir products at all rounds and sites of the 90 championships; host institutions/conferences and sponsoring agencies for all NCAA championships are required to sell items provided by the official NCAA event souvenir merchandiser. The official NCAA event souvenir merchandiser is Event 1.

Event 1, Inc. will enter into an agreement with the official vendor of the host institution/conference or sponsoring agency and will supply merchandise and inventory reconciliation forms to the official vendor. The official vendor of the host institution/conference or sponsoring agency at the site of the championship(s) is responsible for complete retail vending accountability, including full responsibility for inventory. When the requirements listed below are met, the host institution/conference will receive a 20% commission fee for providing these services. The 20% commission fee will be from net sales, which is defined as gross sales minus taxes and credit card fees. The following is a list of the requirements that must be met to qualify for the 20% commission fee:

- a. Receive and count in all merchandise upon arrival from Event 1, Inc., as well as receiving all reorders required to meet customers demand. Reorders could arrive any day of the week and could be as early as 8 a.m. on Saturday or Sunday.
- b. Locked and supervised storage adequate to accommodate all championship merchandise.
- c. Immediate notification (within 24 hours of receipt) to Event 1, Inc. of any discrepancies in initial inventory counts. Non-notification will represent host or vendor acceptance of initial inventory provided by Event 1, Inc.
- d. Total management, control and accountability of the merchandise. If goods are lost, stolen or damaged, those goods are the responsibility of the host institution/conference or vendor.
- e. Everything sent must be returned to Event 1 within two days of the conclusion of the event.
- f. An appropriate number of selling locations and sellers throughout the facility in order to meet the demands of the projected crowds.
- g. Selling locations that are well displayed and fully stocked prior to the public's access to them.
- h. Strict adherence to the merchandising and display standards as outlined below:
  - Merchandise made available for sale at all times during the event.
  - Each item neatly displayed with correct prices clearly marked.
  - Merchandise should be neatly folded at all times.
  - Neatly dressed personnel that are customer-oriented.
  - Skirted tables for display and checkout.
  - Display boards and grids to properly display product at all selling locations.
  - Selling locations located in high traffic and easily located locations.
  - Vendor shall be responsible for hanging any display or signage material provided by concessionaire.
  - Keeping selling areas clean and neat at all times.

- Re-stocking of back-up inventory in a fast and efficient manner.
  - Transferring merchandise between the slower and higher volume stands to meet the demands of the consumers.
  - Providing electricity and either hard internet lines or dedicated secured Wi-Fi network connection to support the merchandise sales effort at no extra cost.
  - Calling Event 1, Inc. to request re-orders should sales warrant.
- i. A complete inventory accounting of all merchandise sold with a final inventory count and merchandising report supplied to Event 1, Inc., no later than 24 hours after the conclusion of the event.
  - j. Total gross sales revenues and a final copy of the inventory report must be sent to Event 1, Inc., within two business days of the conclusion of the event.
  - k. The remaining inventory forwarded to Event 1, Inc., or the next event site as determined by Event 1, Inc., within two days of the conclusion.
  - l. Having met each of the above requirements, Event 1, Inc. will pay to the host institution/conference, sponsoring agency or its assigned vendor, a commission equal to 20% of sales net of taxes and credit card service fees. The host institutions will keep commissions earned and the remaining money owed to Event 1 must be sent within seven days of the conclusion of the event.

The host institution/conference may not sell or allow for sale any merchandise that infringes upon the exclusive rights of Event 1, Inc.

**Institutional Merchandise.** A buy-out option can be made with Event 1/NCAA when the host institution/conference wants to sell merchandise that features the host mark or logo at the NCAA competition. This can only be done when the host institution/conference agrees to purchase the entire product that Event 1 provides. The host institution/conference will receive a 20% commission fee of net sales, gross sales minus credit card fees and taxes, on product supplied by Event 1. The host institution or official vendor will provide the NCAA 15% of sales (net of taxes and credit card service fees) of all non-NCAA championship merchandise. The quantity of NCAA merchandise available for sale shall not be less than a comparable shipment to a comparable site of the previous year's championship.

**Reordering Process.** The host institution/conference may contact Event 1 to place an order for additional merchandise during the event. The concessionaire must contact Event 1 no later than the conclusion of each day to evaluate inventory levels. The more time Event 1 has to react to the request, the better the chance a reorder can be processed and shipped in a timely manner. Event 1 cannot guarantee that additional merchandise will be available.

**Event 1 will provide an event manual, which will include the contact information for the event coordinator assigned to the event as well as additional merchandising guidelines.**

## Section 20 • Officials

The host institution shall submit to the committee a list of officials for the championships. The committee will approve this list as soon as it is available.

In Alpine events, the start and finish referees, technical delegate, referee, chief of race and course setters all must be certified. Gatekeepers are considered officials and must be properly trained. In Nordic events, the technical delegate and assistant technical delegate must be certified, and all other race officials must be properly licensed and trained.

### **HOTEL**

Officials' hotel rooms and tax is the responsibility of the host and should be included in the host's budget. Officials are responsible for incidental charges.

### **TRANSPORTATION, FEES AND REIMBURSEMENT**

Officials must be within driving distance to the competition site; airfare will not be reimbursed. The only exception to this policy is for the TD, in the event that they are assigned directly by the USSA and are not local. The following are the number of officials to be selected: two chief timers, two chiefs of races, two technical delegates, one referee (Alpine), one assistant technical delegate (Nordic) and two chiefs of course. Specific job descriptions are indicated in the NCAA Skiing rules modifications.

Two chief timers, two chiefs of races, two technical delegates, one referee (Alpine), one assistant technical delegate (Nordic) and two chiefs of course shall each be paid \$449 plus mileage; not including local transportation. These officials will be provided a \$45 per diem plus lodging expenses not to exceed single room rate and taxes (excludes incidentals).

The host shall be responsible for securing three or four super gatekeepers (see Section 2.3 of the NCAA Skiing rules modifications), for slalom only, that are referee level I certified. Each super gatekeeper will be paid a maximum of \$115, one day per diem at \$45 and mileage, if necessary. Housing must be preapproved by the NCAA championships manager. The cost to the championships operations budget shall be a maximum of \$640. In Nordic, the host shall provide one controller for each kilometer of the course.

The host shall directly pay officials through the host budget, which is reimbursable by the NCAA following the championships.

## Section 21 • Participating Teams

The NCAA will provide the host with a participant manual template. The final participant manual must be submitted to the national office for final approval. The NCAA will post the manual on its website at [ncaa.org](http://ncaa.org).

## Section 22 • Programs

This championship will feature a digital game program that can be viewed online or downloaded at no charge. This program will be available online generally no later than two days prior to the first day of the event.

All digital programs available can be found at [NCAA.com/gameprograms](https://www.ncaa.com/gameprograms).

### CONTENT/EDITORIAL

#### LEARFIELD Responsibilities

Responsible for all program production, including editorial content, layout and design, advertising, and printing.

#### Host Responsibilities

Media contact should provide LEARFIELD with text and photos for editorial pages about host institution/venue/city, if requested by LEARFIELD.

Any pages promoting the host institution/venue/city will not be display advertisements; those interested in purchasing advertising space for sponsors, etc., should contact Clerrinda Queen ([clerrinda.queen@learfield.com](mailto:clerrinda.queen@learfield.com)).

### PROMOTION

The NCAA will provide a PDF including a QR code that links to the digital program, a URL where the digital program can be accessed and imagery of the NCAA's Corporate Champions and Partners. This PDF, or digital handout, is also shared with participating schools for their promotional use.

If you would like this information ahead of time, please contact your NCAA administrator.

#### Best Practices

Below are a few best practices for promoting the championship digital program.

- Distribute the digital handout to fans.
- Create signage to direct fans to the digital program by using elements on the digital handout.
- Post the link on athletics and school-affiliated websites.
- Share the link on athletics and school-affiliated social media outlets.
- Share the link with student-athletes, faculty, alumni organizations and local media outlets, and any other group that may have interest.

### SUPPLEMENTAL HANDOUTS

At championships sites where a digital program is available, LEARFIELD allows the host institution/venue to distribute supplemental handouts (i.e., updated statistics and notes) provided any such materials:

- Do not include any advertisements, local sponsor logos, etc.
- Include the QR code and URL to the digital program.
- Include the NCAA Corporate Champions and Partners imagery.

Printed supplements may be distributed free or sold, with all proceeds retained by the host. The host should not include expenses for such supplements in the championship budget and/or financial report.

All supplemental content is subject to NCAA and LEARFIELD approval.

## Section 23 • Safety and Security

The NCAA has established a Safety and Security Advisory Group (SSAG) to develop Best Practices for all NCAA championships. The SSAG developed these Best Practices based on a review of current and future championships competition venues, discussions with safety and security experts, and their own experience and knowledge. All hosts and competition venues are strongly encouraged to refer to the [Best Practices for Venue Safety and Security](#) when developing a safety and security program.

The suggestions outlined in the Best Practices for Venue Safety and Security are based on practices that are employed by competition venues across the nation. The need and ability to implement them at each facility and event will vary. Properly trained and equipped personnel constitute the primary element of implementing a successful safety and security program.

Best Practices for championships competition venue safety are intended for guidance purposes only; they are not a requirement under NCAA or other regulations or legislation. In addition, because of the wide variety of designs and sizes of competition venues; and composition and profile of particular events, not all Best Practices will be reasonable or applicable.

The Best Practices should not be viewed as a complete or primary source of information for developing or implementing the safety program for the competition venue hosting an NCAA championship. Rather, facility managers and local public safety personnel should consider the current national threat level, nature of specific threats and the full range of resources available when responding to changes in the threat condition levels.

Please submit your final safety and security plan, which would be inclusive of the NCAA Championships Safety and Security Team Contact Information form. Items must be submitted once the opportunity to host has been awarded.

Unless otherwise expressly authorized by applicable law, no firearms or weapons are permitted on these premises for NCAA championships and events, excluding authorized law enforcement officers. Failure to abide may subject you to ejection as well as other applicable discipline or action. The foregoing shall not limit the applicable equipment used in and for fencing and rifle competitions in accordance with NCAA rules, at the venues for such competitions.

### WEATHER

If the tournament director and/or site representative determine that weather conditions could alter the approved championship event schedule, they should promptly contact the NCAA championship administrator with a summary and details of the anticipated weather/environmental issue and proposed alternate schedule prior to making or announcing any formal changes.

#### Lightning and Weather Detection Service

The NCAA has made arrangements to provide a lightning detection and weather monitoring system to all rounds of competition for outdoor championships. This system will assist the event management staff and the NCAA site representatives in case of inclement weather during the championship. A tournament staff member should be dedicated to weather monitoring. This service is provided complimentary so that all sites will have the resources available to ensure the safety of our student-athletes, spectators and event management staff. Both the site representative and host tournament director should request to include their emails and/or phone numbers via text to the weather monitoring system so updates will be received. The site representative and tournament director should also ensure that the address identified in the monitoring system is the actual physical location of where the event is taking place. It is also recommended that the tournament director make contact with a local meteorologist to further facilitate weather and environmental monitoring.

# Section 24 • Ticketing

## TICKET POLICIES/OPERATIONS

- 1. Ticket Design/Printing.** If championship tickets must be printed, the NCAA will manage the design and printing of the tickets, assigning specific duties to the LOC/host and competition venue as needed. The NCAA will forward artwork of the proposed ticket design to the LOC/host and competition venue for review and input. The NCAA logo shall be the only logo used on the front or back of the tickets unless specifically authorized by the NCAA. The name of the host institution/conference may be printed on the front of the ticket(s) and/or on the cover of the ticket booklet. The NCAA will coordinate the printing of the tickets unless the NCAA directs the LOC/host or competition venue to coordinate the printing. The LOC/host shall incur all expenses associated with ticket printing, unless directed otherwise by the NCAA.
- 2. Ticket Pricing.** With input and a recommendation from the LOC/host, the NCAA shall establish all ticket prices, including tickets for suites and standing room only. One hundred percent (100%) of the revenues from ticket sales shall be included in the championships receipts to help offset the NCAA guarantee (if applicable), championship expenses, and further revenue sharing opportunities. Revenue from the sale of championship tickets and championship-related event tickets will be exempt from sales, amusement, entertainment taxes and other surcharge obligations to the extent possible. The NCAA is a 501c(3) tax exempt organization. If a tax exemption is not applicable, then all applicable taxes and rates shall be disclosed (disclose in the sport-specific facility questionnaire) and any increases in the tax rates from the time the bid was submitted shall be absorbed by the bid respondent or rebated back to the NCAA.

Please note any minimum and maximum ticket prices as set forth by the committee or needed to meet financial guarantees.

The NCAA does not allow complimentary tickets to its championships. However, the NCAA will permit the purchase of tickets to use for championship promotional efforts. All ticket promotions must be approved in advance by the NCAA.

- 3. Control of Ticket Sales.** The NCAA shall control all ticket sales for the championship, assigning specific duties to the LOC/host and competition venue as needed. The LOC/host and competition venue shall cooperate fully with the NCAA's official ticketing vendors and/or ticketing partners (e.g., primary ticket sales system provider, official ticket and hospitality package provider, official ticket exchange). The NCAA shall not be responsible for securing an exemption to any exclusive contracts the LOC/host, competition venue or surrounding areas/facilities might have, nor will the NCAA be responsible for any buyout or other means necessary to secure such an exemption.

Admittance to the competition venue on game days will be by ticket or NCAA-issued credential only. Every individual, regardless of age, must have a game ticket for admission, unless specified by the NCAA or venue policy. Unless specifically granted an exception, the NCAA requires that the competition venue utilize a ticket scanning system at all general public access points into the competition venue. The host venue system will be used for access control, box office walk-up sales and day of event issue resolution in the box office.

- 4. Control of Venue Seating.** The NCAA shall control all seating assignments within the competition venue, including club seating, press boxes, hospitality clubs and restaurants.

The NCAA shall be responsible for determining the allocation and the location of all ticket allotments. Required allocations include:

The LOC/host or competition venue may not re-sell allotted championship game tickets at any price, nor may enter into a sponsorship agreement or hospitality/travel package agreement with any ticket broker, tour packager or other secondary ticket marketer to provide championship tickets in return for other considerations unless specifically authorized by the NCAA.

- 5. Suites.**
  - a.** The competition venue shall stipulate a quantity of private viewing suites available for the sole use of the NCAA or its designees at the time of the bid. All revenue from such suites will belong to the NCAA.

- b. The NCAA will provide tickets, as necessary to the LOC/host and/or competition venue for those suite holders displaced to fulfill the NCAA suite seat requirements.
- c. Subject to NCAA approval, suites not made available to the NCAA or its designees shall remain under the control of the competition venue, but the face value ticket revenue for such suite seats will belong to the NCAA.
- d. Suite holders will have the opportunity to purchase tickets for the suite to which they have purchased tenant rights. The venue's box office staff if assigned by the NCAA, shall solicit and confirm suite purchases by suite holders. At that time, suites not purchased by suite holders will be made available to the NCAA for additional use/sales opportunities in accordance with the agreed upon financial parameters.

### 6. LOC/Host Ticket Policies.

Student-athletes and prospect-aged individuals may apply to volunteer in the same manner as individuals from the general public. Student-athletes and prospect-aged individuals must be selected by the same criteria as the general public applicants.

The NCAA may request additional volunteers from the LOC as necessary.

## WAIVERS

Each volunteer must sign a waiver of liability before the start of the championship (Appendix E). If there is a written agreement governing volunteer service, a release component must be added if one does not already exist. After the championship, all waivers shall be collected and kept on file, in case requested.

BDA Sports and Event 1 have been selected as the official NCAA volunteer apparel providers for all 2023-24 championships. The NCAA will offer its Corporate Champions/Partners the opportunity to help offset the cost. The champion/partner would be permitted to place one logo on each apparel item, if a separate apparel item is provided for these volunteers.

The championship logo and the licensee's mark will be embroidered on the apparel. The licensee's logo may appear on the right chest or sleeve. The licensee's logo may be no larger than 2¼ inches square.

The LOC will distribute uniforms during the required volunteer training sessions to ensure each volunteer's commitment. When ordering uniforms, the LOC will ensure that apparel includes women's styles and sizes.

The games management staff, media coordination staff and host media operations staff should be included in overall volunteer numbers and should receive volunteer apparel.

*Note: Hosts shall work in collaboration with the championship administrator on the selection, ordering and distribution of volunteer apparel.*

## Appendix F • Live Video and Statistics Guide

**Tupelo Raycom** is responsible for video content and live productions at thousands of events annually. Since 2010, in partnership with Turner Sports and NCAA.com, Tupelo Raycom has provided championship coverage for hundreds of NCAA events. Its team will work with each host to ensure that live video streams from the championship are high quality and stress free.

### Network Connection

To deliver a high quality video production, we require 20 Mbps sustained upload speed with dependable QoS, dedicated to one wired Internet connection. This will connect to a Ubiquiti gateway appliance to route the network to our equipment. Support staff utilizes TeamViewer to diagnose and troubleshoot our equipment once on site, therefore, this connection must allow TeamViewer access. It is extremely important that the IP network be addressed early in the planning process. Our team will arrive a day or two prior to the event to test network connectivity with Turner Sports. An IT representative from the host venue should be available on site at this time, but must be available by phone to work through any issues during setup and throughout the event.

### Equipment

The producer and equipment will need to be located within 100' of the host network port. All equipment can be placed on one or two 8' tables. Please provide four chairs for announcers and production crew. NCAA.com broadcasts generally utilize three to four cameras. The location of cameras varies greatly by sport. In all cases, the cameras are cabled to the production position. Tupelo Raycom will request photos and/or a diagram of the venue during the planning process. Also, if the institution has streamed events in the past, an idea of where cameras have been located is helpful. The broadcast equipment requires minimal power. A standard power outlet (dedicated 20 AMP single phase 110V outlet. Non-GFI) will suffice. If available, an audio feed from the public address system should be provided to the production position on a standard XLR connector.

### Equipment Receiving/Shipping

Broadcast equipment will typically be shipped to the site via special courier. The shipment will contain on average 20-22 boxes ranging from cases the size of a laptop to larger boxes up to 100lbs. Once the equipment is set, the host will need to identify a location to store empty boxes that can be locked. Following the event, our on-site producer will coordinate pickup of the equipment.

### Crew/Announcers

Turner Sports provides all necessary equipment for a successful NCAA.com broadcast. The production crew and announcers are secured by Tupelo Raycom and Turner Sports.

If the host institution already has contacts with local camera operators, a production company or announcers, please pass that information along. We are happy to work with local crews and/or students at host institutions.

### Event Specific Accommodations

We will make every effort to accommodate video needs host institutions might have. Identifying these needs early in the planning process is important. Please do not hesitate to reach out if you have any questions regarding the NCAA.com championship productions. All live broadcasts can be found on NCAA.com.

**For additional information**, please contact Tupelo Raycom Director of Production, Remote Andrea Crawford at [acrawford@tupeloraycom.com](mailto:acrawford@tupeloraycom.com)

### NCAA Social Media Guidelines for Championship Hosts

The official NCAA social media pages and official hashtags can be found here: <http://www.ncaa.org/socialmedia>

#### Host Promotion of Championships

A lot of hosts already have an established presence in social media. Examples are school, LOC, Sports Corporation, venue or city pages/accounts. These pages/accounts are all acceptable places to promote hosting of an NCAA championship through the use of marketing messages and products supplied from the NCAA (links, web banners, fliers, etc.). The NCAA also promotes the championships (and the host involvement) on the appropriate NCAA social media pages/accounts. If the championship does not have an official NCAA page on a social media site, a host is still not permitted to create a page for it. The NCAA will make efforts to promote this championship on the other established pages/accounts, as necessary. Collaboration is encouraged through the use of cross-posting on Facebook (@ linking within text to drive fans to each other's pages) and mentions on Twitter (@ links to show coordination in posts). In addition to collaboration, idea-sharing is also encouraged and can be coordinated through the championships associate director of social media, [cdion@ncaa.org](mailto:cdion@ncaa.org).

**A host should not create a social media account or page** (*Facebook page, Twitter feed, Instagram, Snapchat, Tumblr account, etc.*) **solely devoted to promoting an NCAA championship.** These pages become outdated, distract fans from established pages and fracture the NCAA message.

#### Top 10 considerations when planning for social media event marketing:

- 1. Know your social media audience.** Utilize account analytics to learn about your fan demographics and monitor the engagement levels on your posts. Figure out what engages your fans.
- 2. Encourage community.** Ask for feedback and opinion. This helps engage the user and may provide you with some good input. Also, reply to user questions with correct and helpful answers.
- 3. Cross-post.** Cross-posting or mentioning others will help increase your visibility and spread credit throughout social media platforms.
- 4. Use images.** Pictures are necessary to grab attention and interest. Users are more likely to engage versus text only.
- 5. Be concise.** This is required on Twitter (140 characters) but should also be used on Facebook and other platforms without this limit. Get to the point within two sentences. Less than that, if possible.
- 6. Lead your video.** You have mere seconds to garner a user's attention on social media. Make sure your videos have an immediate point of interest to keep users engaged.
- 7. Like or Follow people to help you.** Networking with members of the media, partner organizations and constituents on Twitter and Facebook is just as beneficial as in real life. On Facebook, like their pages, cross-post to them when you mention them or make

them one of your favorites. On Twitter, retweet, join in on hashtags (#NCAA) and mention feeds in your posts.

**8. Keep it light.** While it is important to stay on message and deliver the facts, this is social media, after all. Have fun with it.

**9. If you hesitate about posting something, you probably shouldn't.** There are no re-dos in social media. A “delete” doesn't mean you can delete someone seeing it.
