

Roster Download Instructions For NCAA Coaches

The online roster download tool will be used by the host teams to download Hy- Tek rosters for all teams competing in a meet. The following step- by- step instructions will help guide you through downloading the rosters from the USA Swimming website and importing into Meet Manager 2.0 or higher for use during competition.

Step 1: Navigate to the NCAA page on the USA Swimming website (*you might have issues if using Chrome or Firefox*): www.usaswimming.org/ncaa

Step 2: Click on your division's main menu

NCAA INFORMATION

USA Swimming and the NCAA have partnered to keep track of all Division I, II, & III performance times. By utilizing USA Swimming's SWIMS database, which records times for USAS members, college coaches and swimmers are now able to search for their best times, event rank within the NCAA and even look up team rosters. Included below are some important documents for your information.

Step 3: You will be prompted for a USA Swimming username & Password at an Account Login page. If you do not already have a USA Swimming username & password, please create one. If you have one from past affiliations, you are free to use it for these purposes. Enter your username & password, then click login.

The screenshot shows a web interface with two main sections: 'SIGN IN' and 'REGISTER'. Under 'SIGN IN', there are input fields for 'Username' and 'Password', and a blue 'SIGN IN' button. Under 'REGISTER', there is a blue 'SIGN UP' button and a paragraph of text: 'Manage your times; set goals and earn patches for your achievements; bookmark and manage documents; and track your or team performance over time.' At the bottom left, there are links for 'Forgot your username?' and 'Forgot your password?'.

Step 4: Once you are signed in click on Roster Download

Step 5: At this time, it may ask you to verify your coaching contact information. Once verified, it should not ask you do this again under that username and password. After you bypass this step, you will be taken to the Roster Download page shown below.

The screenshot shows the 'NCAA DIVISION I ROSTER DOWNLOAD' page. It features a section titled 'SWIMMERS BY TEAM' with a dropdown menu labeled 'Select: -- All --'. Below this is a 'Show Team as of:' field with the date '9/1/2016' and a calendar icon. A 'Search' button is located at the bottom of the form.

The system defaults to the current season. Select the division & conference of the team you wish to find in the drop-down menu and click search.
