### INTRODUCTION

This manual outlines the responsibilities of an institution/conference hosting this round of an NCAA championship. It is essential that each host institution/conference staff become familiar with the information and policies included in this manual.

The NCAA considers this hosting opportunity a partnership between the host institution/conference, competition site, committee and the NCAA. The primary objective of each individual involved in the administration of the championship shall be to provide a memorable championship experience for each participating student-athlete, coach, institutional staff member and championship attendee.

### DEFINITIONS

**Championship:** Postseason competition conducted by the NCAA in a particular sport, in which eligible student-athletes and teams of active member institutions compete to determine the division champion (or National Collegiate champion in sports that do not have a separate division championship) in that sport.

**Governing Sports Committee:** The NCAA membership committee responsible for developing policies and procedures governing the administration and conduct of the championship under its jurisdiction, subject to the approval of the applicable division's governance structure and the requirements, standards and conditions prescribed by NCAA Bylaw 31.

**Host Institution/Conference:** An active NCAA member institution and/or conference selected to serve as host for a championship. The host shall administer the finances of an NCAA championship in accordance with the institutional/conference championship budget, as submitted during the selection process and approved by the governing sports committee.

**Local Organizing Committee:** A local organization formed in the city where a member institution/conference proposes to host an NCAA championship, to provide to the NCAA services and assistance in connection with the various activities related to the championship. The host institution/conference must be a part of the leadership of the local organizing committee.

**NCAA Championships Manager:** The staff member(s) representing the NCAA championships and alliances staff assigned to serve as administrator(s) for a championship.

### ROLE OF NCAA

The NCAA championships and alliances staff, working in conjunction with the NCAA sport committees and other NCAA partners, will lead the planning efforts, management and execution of all NCAA championships and events. The NCAA will oversee all aspects of the championship and its related activities, including facility operations and space allocations, hotel accommodations, media and team operations, hospitality functions and social events, in venue entertainment, fan and sponsor events, broadcast programming, youth events, as well as many other aspects.

The NCAA will work closely with the host institution/conference, competition venue and local organizing committee to ensure that the championship provides a positive and rewarding experience for student-athletes and fans.

### ROLE OF GOVERNING SPORT COMMITTEE

The NCAA's core purpose, values and envisioned future provide the framework for all actions in the committee's administration of the championship and its stewardship of the game. Within the framework and spirit of its charge, the governing sport committee will balance the principle of student-athlete well-being with its efforts to maximize exposure for intercollegiate athletics and revenues from the championship through policies and activities that are subject to the final authority of the NCAA Division I Board of Directors.

The meet committee will consist of the NCAA diving subcommittee members available. Additional meet committee members may be selected from coaches attending the zone-qualifying meet. An effort should be made to select additional meet committee members so as to give geographical distribution and conference representation to the committee.

If possible, the meet referee shall be a member of the NCAA diving subcommittee. When more than one diving subcommittee member is present, meet referee responsibilities may be shared. The meet committee shall handle any unforeseen problems, disputes or protests. The diving subcommittee chair may be called to settle disputes or make decisions regarding tiebreaking votes, or in the case of a rule dispute in which a diving subcommittee member is out voted by a meet committee of non-NCAA diving subcommittee members.

# Section 1 • Alcoholic Beverages and Tobacco Products

## ALCOHOLIC BEVERAGES

Beer, wine and prepackaged/premixed beverages (in the latter case, with alcohol by volume of not greater than 15%, such as most hard seltzers) may be sold and dispensed at NCAA Division I, II and National Collegiate championship and ancillary events, provided that the host, venue and/or concessionaire:

- Comply with, and certifies in writing the compliance with, the NCAA Championship and Ancillary Event Alcohol Sales Policy, as amended by the NCAA from time to time, which addresses such matters as:
  - Permissible types of alcoholic beverages;
  - Eligibility for the sale and distribution of alcoholic beverages;
  - Indemnity, warranty, and insurance obligations; and
  - Verification.
- Agree to (i) keep and maintain, or cause its designated vendor or concessionaire to keep and maintain, complete and accurate records of all (a) alcohol-related incidents (e.g., expulsions, arrests) and (b) sales transactions related to the sale of concessions at the NCAA Championship and related ancillary events, including gross revenue, cost of goods, allocable overhead, and applicable taxes; (ii) no later than sixty (60) days after the conclusion of the event, provide the NCAA with a report setting forth in reasonable detail such information, together with the corresponding dates of transaction, including (a) alcohol-related revenue generated on each day of the event, (b) the direct cost of selling alcohol at the event (including the cost of goods), and (c) the indirect cost of selling alcohol at the event (including overhead and increased security needs at the event venue site); and (iii) permit the books, records, and accounts of host, venue, and vendor/concessionaire pertaining to the sale of concessions at the event to be inspected, audited and copied by NCAA or its agents at any time during normal business hours upon giving reasonable notice to host, venue, and vendor/concessionaire.
- Agree to pay the NCAA an amount of twenty percent (20%) of the gross revenue generated from the sale of alcohol during the event (and any approved ancillary events), less the pro rata applicable sales tax and credit card fees (without deduction of any operating, costs of goods, indirect, or other expenses, such as overhead, marketing, fulfillment, general and administrative, interest, or other expenses), with such agreement to be reflected in a written agreement between the NCAA and the applicable parties (host, venue and/or concessionaire) executed prior to, or simultaneously with, the NCAA's official selection of the host for the applicable championship.
- Following the championship conclusion, provide the NCAA with certain information regarding the concessions activity—including gross sales, direct costs and applicable taxes—for food, nonalcoholic beverages and alcoholic beverages sold during the event.
- Execute, as part of the bid submission, the applicable policy and agreement documents maintained in the NCAA Championships Bid Portal.

### General

The NCAA shall determine in its sole discretion whether alcohol will be sold or distributed at the ancillary events.

The venue, LOC/host and/or caterer shall be responsible for any permits unless otherwise directed by the NCAA.

Promotional items (e.g., cups, shakers, flags, signs) with commercial slogans or identification or other unauthorized markings are not permitted inside the practice, competition and/or ancillary event venue(s), inside surrounding areas/facilities that are to be used, or outside on practice, competition and/or ancillary event venue property unless expressly approved in advance by the NCAA. Items such as newspapers, handbills, flyers, memorabilia, T-shirts, caps, etc. (except products sold or authorized by the NCAA or its vendors) may not be distributed on these premises. Demographic or other studies may not be conducted unless approved in advance by the NCAA.

## **DIVISION I ZONE DIVING**

---

An economic impact study can be executed at an NCAA championship to examine the effect of the championship(s) on the local economy. In some cases, the NCAA will conduct an on-site study and will provide the data to the host once the study is completed. In other cases, the NCAA will support the hosts' efforts to execute a study. This can be done using the hosts' own approach/tools or the NCAA's Economic Impact Study "In-a-Box" tool."

### **TOBACCO PRODUCTS**

Tobacco products shall not be advertised, sold or dispensed at any championship event sponsored by or administered by the NCAA. Smoking is not permitted anywhere in the venue; this includes cigars.

## Section 2 • Americans with Disabilities Act

The Americans with Disabilities Act, Title III prohibits private places of public accommodation (e.g., sports arenas) from discriminating against individuals with disabilities. The host institution/conference is required to confirm that each facility in which an NCAA championship or ancillary event occurs is in compliance with the ADA. The host institution/conference is responsible for determining if the competition site will be in compliance as of the dates of the championship. If the host institution/conference becomes aware that a competition site hosting an NCAA championship event will not be in compliance, it shall immediately notify the NCAA national office staff member with responsibility for the event in order to discuss the issue.

If the host institution/conference receives a request for an accommodation, which may require input from the NCAA, the host institution/conference shall immediately notify the NCAA national office staff member with responsibility for the event in order to address the request.

## Section 3 • Awards

No NCAA awards will be presented during or after the zone diving championships.

## Section 4 • Banquet/Social

No banquets or social events for student-athletes should be held at the zone diving championships.

## Section 5 • Broadcasting/Internet

Please log on to [ncaa.com/media](http://ncaa.com/media) for information regarding broadcast/Internet rights.

# Section 6 • Championship Marketing

## CONTACTS

The host institution should designate a marketing contact or marketing team for the championship. This person should be familiar with marketing strategies that have worked in the community where the championship will be held to sell tickets and drive attendance. It is the primary responsibility of the marketing contact to work closely with the NCAA championships marketing contact to create and implement the championship marketing plan. While many host institutions may have a marketing contact in the athletics department, this individual may also be from the local organizing committee, convention and visitor's bureau, sports commission or a combination thereof. Contact information for the designated marketing contact(s) should be submitted through the key contact portion of the Championships Bid Portal.

## EXPECTATIONS

- Know the marketing budget. The tournament manager on your campus or the NCAA championships manager can communicate your marketing budget.
- Develop marketing goals. The primary focus should be driving ticket sales and attendance at the championship by developing inclusive promotion and awareness opportunities and utilizing diverse targeting strategies.
- Map out the time frame to market the championship.
- Determine how to best use the marketing materials provided by the NCAA.
- Establish grassroots initiatives to implement in your local and regional communities by creating and promoting messaging that resonates with people of all race, sex, class, national origin, creed, education background, religion, gender identity, disability, gender expression, geographical location, income, marital status, parental status, sexual orientation and which appeals to diverse communities.
- Explore opportunities with traditional media (print, radio and television) in your area.
- Track marketing efforts and analyze results postchampionship to share with your NCAA marketing contact.

## MARKETING PLAN

Host institutions/conferences shall establish a marketing plan in coordination with the NCAA Championships Marketing contact. The marketing should reflect the host's commitment to creating an environment where all guests feel welcome and see themselves represented throughout the championship experience. All marketing plans, marketing budgets and collateral must be approved by the NCAA Championships Marketing contact prior to implementation.

## MARKETING COLLATERAL

**NCAA Marketing Portal.** The NCAA Marketing Portal is a comprehensive tool designed to help hosts create marketing products which will generate awareness, drive ticket sales and promote attendance at championship events. The [NCAA Marketing Portal](#) can be accessed at [ncaachampspromotion.com](https://ncaachampspromotion.com).

Championship hosts should customize and download all necessary artwork to promote the championship from the website. Hosts should utilize imagery from the artwork provided, produce the items locally and obtain reimbursement for production costs, up to the reimbursable allocation provided for the championship round you are hosting.

Each NCAA Championships host marketing contact and tournament manager will receive an email with the marketing website address, username and password. Please contact [ncaachampspromotions@ncaa.org](mailto:ncaachampspromotions@ncaa.org) if you are unable to locate this information.

## SOCIAL MEDIA GUIDELINES

Host institutions/conferences may use already established social media accounts (Facebook, X, etc.) as a place to promote the hosting of an NCAA championship. However, host institutions/conferences should use marketing messages and assets supplied from or approved by the NCAA (links, web banners, flyers, updates, etc.). If the championship does not have an official NCAA social media page, a host is NOT permitted to create a social media page. The NCAA will make efforts to promote this championship on the established pages, as necessary. Please refer to [ncaa.org/sports/2021/3/3/digital-social-media.aspx](https://ncaa.org/sports/2021/3/3/digital-social-media.aspx) for a listing of official NCAA social media accounts.

# Section 7 • Championship Merchandise/Licensing

## ADMINISTRATION

The NCAA licensing department has oversight for the event merchandising program at all rounds and sites of NCAA championships. All licensing and merchandising questions should be directed to David Clendenin (317-917-6496; [dclendenin@ncaa.org](mailto:dclendenin@ncaa.org)).

## AVAILABILITY

An online ordering system will be available to participating institutions interested in ordering Event 1, Inc., merchandise in advance of the championship. Orders will be shipped by Event 1 directly to the participating institution's campus.

## GENERAL POLICIES

The NCAA retains the exclusive right to sell souvenir products at all rounds and sites of the 90 championships; host institutions/conferences and sponsoring agencies for all NCAA championships are required to sell items provided by the official NCAA event souvenir merchandiser. The official NCAA event souvenir merchandiser is Event 1.

Event 1, Inc. will enter into an agreement with the official vendor of the host institution/conference or sponsoring agency and will supply merchandise and inventory reconciliation forms to the official vendor. The official vendor of the host institution/conference or sponsoring agency at the site of the championship(s) is responsible for complete retail vending accountability, including full responsibility for inventory. When the requirements listed below are met, the host institution/conference will receive a 20% commission fee for providing these services. The 20% commission fee will be from net sales, which is defined as gross sales minus taxes and credit card fees. The following is a list of the requirements that must be met to qualify for the 20% commission fee:

- a. Receive and count in all merchandise upon arrival from Event 1, Inc., as well as receiving all reorders required to meet customers demand. Reorders could arrive any day of the week and could be as early as 8 a.m. on Saturday or Sunday.
- b. Locked and supervised storage adequate to accommodate all championship merchandise.
- c. Immediate notification (within 24 hours of receipt) to Event 1, Inc. of any discrepancies in initial inventory counts. Nonnotification will represent host or vendor acceptance of initial inventory provided by Event 1, Inc.
- d. Total management, control and accountability of the merchandise. If goods are lost, stolen or damaged, those goods are the responsibility of the host institution/conference or vendor.
- e. At the conclusion of the event, everything sent must be returned to Event 1 within two days of the conclusion of the event.
- f. An appropriate number of selling locations and sellers throughout the facility in order to meet the demands of the projected crowds.
- g. Selling locations that are well displayed and fully stocked prior to the public's access to them.
- h. Strict adherence to the merchandising and display standards as outlined below:
  - Merchandise made available for sale at all times during the event.
  - Each item neatly displayed with correct prices clearly marked.
  - Merchandise should be neatly folded at all times.
  - Neatly dressed personnel that are customer-oriented.
  - Skirted tables for display and checkout.
  - Display boards and grids to properly display product at all selling locations.
  - Selling locations located in high traffic and easily located locations.
  - Vendor shall be responsible for hanging any display or signage material provided by concessionaire.
  - Keeping selling areas clean and neat at all times.

## DIVISION I ZONE DIVING

- Restocking of back-up inventory in a fast and efficient manner.
  - Transferring merchandise between the slower and higher volume stands to meet the demands of the consumers.
  - Providing electricity and either hard internet lines or dedicated secured Wi-Fi network connection to support the merchandise sales effort at no extra cost.
  - Calling Event 1, Inc. to request reorders should sales warrant.
- i. A complete inventory accounting of all merchandise sold with a final inventory count and merchandising report supplied to Event 1, Inc., not later than 24 hours after the conclusion of the event.
  - j. Total gross sales revenues and a final copy of the inventory report must be sent to Event 1, Inc., within two business days of the conclusion of the event.
  - k. The remaining inventory forwarded to Event 1, Inc., or the next event site as determined by Event 1, Inc., within two days of the conclusion.
  - l. Having met each of the above requirements, Event 1, Inc. will pay to the host institution/conference, sponsoring agency or its assigned vendor, a commission equal to 20% of sales net of taxes and credit card service fees. The host institutions will keep commissions earned and the remaining money owed to Event 1 must be sent within seven days of the conclusion of the event.

The host institution/conference may not sell or allow for sale any merchandise that infringes upon the exclusive rights of Event 1, Inc.

**Institutional Merchandise.** A buy-out option can be made with Event 1/NCAA when the host institution/conference wants to sell merchandise that features the host mark or logo at the NCAA competition. This can only be done when the host institution/conference agrees to purchase the entire product that Event 1 provides. The host institution/conference will receive a 20% commission fee of net sales, gross sales minus credit card fees and taxes, on product supplied by Event 1. The host institution or official vendor will provide the NCAA 15% of sales (net of taxes and credit card service fees) of all non-NCAA championship merchandise. The quantity of NCAA merchandise available for sale shall not be less than a comparable shipment to a comparable site of the previous year's championship.

**Reordering Process.** The host institution/conference may contact Event 1 to place an order for additional merchandise during the event. The concessionaire must contact Event 1 no later than the conclusion of each day to evaluate inventory levels. The more time Event 1 has to react to the request, the better the chance a reorder can be processed and shipped in a timely manner. Event 1 cannot guarantee that additional merchandise will be available.

**Event 1 will provide an event manual, which will include the contact information for the event coordinator assigned to the event as well as additional merchandising guidelines.**

## DIVERSE SUPPLIERS

The NCAA strongly encourages the participation, directly or indirectly, when possible, by diverse businesses in providing goods and services in support of NCAA championships and requests local organizing committees/hosts to explore opportunities for diverse businesses to provide any necessary goods and services for awarded championships. At the NCAA, diverse suppliers are defined as entities that are majority (at least 51%) owned, managed and controlled by ethnic minorities, women, LGBTQ people, people with disabilities or veterans. At a minimum, we encourage local organizing committees/hosts to ensure that at least 10% of the suppliers invited to participate in the championship are diverse suppliers.

# Section 8 • Championship Presentation/Fan Engagement

## BRANDING

### Ancillary Events

The NCAA prohibits host institutions/conferences from conducting special ancillary entertainment activities for fans in conjunction with the championship. Should another entity (e.g., convention and visitor's bureau) elect to stage such activities, the following policies shall apply:

- All plans must be approved in advance by the NCAA.
- NCAA marks, logos, name or references to the championship or tickets may not be used.
- No activity connected with the championship may be sponsored by an entity that is not an NCAA Corporate Champion/Corporate Partner (CC/P).
- Such an activity may not take place on property controlled by the competition venue.

No entity may contact NCAA CC/Ps directly. All such contact shall be directed through the NCAA staff.

### Logos

The NCAA owns and controls all rights and interests in its name, logo, seal, trademarks and service marks. Use of these marks is prohibited without advance written approval by the NCAA. Host institutions/conferences should review information outlined in NCAA Bylaw 31.6.1. Only official NCAA Corporate Champions/Partners (CC/Ps) and licensees are permitted to use NCAA marks and logos in commercial advertising and promotions, unless written approval is provided by NCAA Marketing. All and any proposed commercial advertising and promotions, if not by a CC/P, must be reviewed by NCAA Marketing staff prior to approval and production.

### Game Presentation

NCAA championship hosts are required to utilize NCAA provided public address announcer scripts, run-of-shows and video board content. Host and participating team messaging or video board content is not allowed. This includes promotion of upcoming events at the championship site, recognitions and sponsorships. Any enhancements that you would like to propose for the event must be approved in advance by the championships manager

### Public Address Scripts

The public address announcer scripts allow game management/game presentation to keep the flow of the championship moving through the communication of important information to those in attendance. Communicate with your NCAA championship manager to secure a timing sheet, PA script and run-of-show for the zone championship you are hosting.

### Video Boards

The NCAA will provide video board content to sites that have such capabilities. The video board content is important to the overall championship experience for student-athletes and those in attendance. Please work directly with your NCAA championship manager to identify if there is a Van Wagner producer assigned to you (final sites) or if content should be downloaded from the Van Wagner box site directly (preliminary rounds).

Questions related to video board content logistics should be directed to:

Brandon Anthony – Senior Producer  
Van Wagner  
Telephone: 925-354-5721  
Email: [banthony@vanwagner.com](mailto:banthony@vanwagner.com)

### IN-VENUE ENTERTAINMENT

NCAA championship hosts are encouraged to explore in-venue entertainment options during the championship to keep fans engaged, excited and to enhance the atmosphere for both the fans and student-athletes. Various potential areas of in-venue entertainment and the guidelines associated with them are shared below. Please discuss any forms of in-venue entertainment you would recommend with your NCAA championships manager for approval.

#### Break in action contests or promotions

Hosts should consider continuing nonsponsored regular season halftime/quarter break/timeout contests and promotions or creating new, unbiased/nonsponsored promotions to use during NCAA championships. Entertainment can also include local performance groups or youth scrimmages. Guidelines and ideas for consideration:

- Must not include any commercial recognition (unless approved/provided by an NCAA corporate champion, partner or official equipment supplier and signed off by a member of the NCAA Corporate Relations staff).
- Must be appropriate and in good taste.
- Must fit safely within given time constraints with no chance of interfering with the competition.
- Must not negatively impact the championship playing surface in anyway.
- No links or resemblance to gambling.
- Participants must be randomly selected.
- No bias toward or against any participating team.
- Campus and venue rules must be considered when developing the contest or promotion.
- NCAA championship merchandise purchased by the host (e.g., extra volunteer apparel, committee or contributor gifts, items or certificates purchased from Event 1) make good prizes for these contests as prizes with commercial recognition would not be permitted.

#### National anthem singers

Hosts are encouraged to explore their resources to bring in local, regional or even nationally recognized celebrities or groups to sing the national anthem (e.g., recording artists with strong local ties, military, local individuals, choir groups or bands). Guidelines and ideas for consideration:

- No bias toward or against any participating team (e.g., performers should not wear the apparel of a participating team).
- Performances should not come at a cost and will not be reimbursed by the NCAA.
- A brief description and “thank you” for the performing group or individual may be incorporated into the script, but no commercial recognition, sponsorship, sales or recruitment messages should be included.
- Anthem should take two minutes or less to perform, however please build extra time into the script for introduction and placement of the color guard (if applicable), and introduction/applause for the performer.
- Highly recommend a preevent rehearsal with the performer(s) and others involved.

#### Affiliated award recognitions

If appropriate, award winners for the given sport who are in attendance but not competing at the time of the scheduled recognition may be awarded during NCAA championships (e.g., Elite 90 award winner, coaches’ association player of the year winner, coach of the year). Please consult with the NCAA championships manager to determine appropriateness. Sponsored awards should not be incorporated without approval from an NCAA Corporate Relations staff member.

## MILITARY INVOLVEMENT

The NCAA is supportive of inviting the military to participate at NCAA championships if their involvement enhances the championship experience for student-athletes and fans while at the same time honoring the military in an appropriate and unobtrusive manner. At many NCAA championships, local or national military groups have been arranged by the host to perform pregame, during halftime or other breaks in the action. These performances have included, but are not limited to, national anthem performances (military singer, instrumentalist or band), color guard, presentation of large flags, fly-overs, parachute teams, precision drill teams, eagle releases around the national anthem, reunions of troops returning from overseas with their families, honorary recognitions, etc. Please discuss any forms of military involvement which you would recommend with your NCAA championships manager who would in turn discuss with the NCAA Corporate Relations and Game Presentation teams as some elements may be influenced by partnership agreements.

### Guidelines

- Involvement from military groups often requires substantial government paperwork. Fly-overs and parachute jumps will also require FAA approval to be handled by the host. Please allow adequate lead time to coordinate.
- Host connections with local military bases will be most cost-effective in arranging military involvement.
- No messages about military recruitment should be incorporated into on-field performances.
- General messages paying tribute to all military personnel and thanking the particular military unit which has performed are encouraged (e.g., "Let's give a big round of applause for tonight's performance from the United States Air Force Heartland of America Band... and for all of the American military service personnel who they proudly represent.").
- Request for any type of presence on-site (e.g., booth space, interactive elements, inflatables, giveaway items or space within an NCAA fan festival) is not permitted unless discussed with your NCAA championships manager who would in turn discuss with the NCAA Corporate Relations team.
- Campus and venue rules must be considered when developing the presentation.
- Please discuss with your NCAA championships manager if providing complimentary access to watch the championship before or after their presentation is appropriate and possible.
- When several military groups are in attendance and recognized during one game/session of a multi-day championship, you may want to consider a theme night "Military Appreciation Day/Night." This should be discussed with your NCAA championships manager. Marketing should also be involved if you do a theme night.

# Section 9 • Commercialism/Contributors

## SPACE REQUIREMENTS

**Activation of Corporate Champion and Corporate Partner Program.** The NCAA may request/require that certain areas of the competition site be made available for use by NCAA Corporate Champions or Corporate Partners (CC/Ps) for the purpose of marketing/promotional events/activities. If such requests are made, the host institution will provide requested space or similar accommodations.

**Local Organizing Committee Hospitality.** If approved by the NCAA, the Local Organizing Committee (LOC) has the option to host specified events during the championship. Commercial identification of any kind at any LOC function is prohibited unless specifically approved by the NCAA. The NCAA must approve all uses of NCAA logos, names, or other graphics (including school logos). The LOC shall submit detailed proposals (e.g., location, date, time, food and beverage, entertainment, budget), to the NCAA for review and approval at least 60 days in advance of the event. Any such events conducted are conducted at the LOC's expense.

**Other Functions.** To enhance the experience for participating institutions, fans, and alumni during NCAA championships, the NCAA (in conjunction with a third-party agency) may facilitate an official hospitality program in or outside of the competition site.

## PREMIUMS GUIDELINES

Competition Venue shall provide to the NCAA a set of guidelines, similar to those outlined below, that identify items that are not permitted in the venue no fewer than 120 days prior to the first NCAA championship related event. The NCAA will then utilize and share that information with its NCAA Corporate Champions and Corporate Partners.

**Laser Pointers.** Laser pointers of any kind are not permissible.

**Noisemakers.** Artificial noisemakers of any kind including but not limited to, air horns, electronic instruments, inflatable noisemakers, etc., are not permissible. Facility personnel are responsible for confiscating prohibited items at the entrance points or removing such items from the facility. Megaphones may be used for voice amplification, but they shall not be used as a distraction.

**Promotional Items.** Promotional items (e.g., cups, shakers, flags) with commercial slogans or identification other than those from NCAA Corporate Champions and partners are not allowed on the premises. Items such as newspapers, handbills, flyers, memorabilia, T-shirts, caps, etc., except products sold/distributed by the NCAA or its agents, may not be distributed on the premises.

**Signs, Flags, Banners.** Large signs, flags or banners are not permissible. It is the facility personnel's responsibility to confiscate all prohibited articles. Items that can be held by one individual, reflect good sportsmanship and do not block the view of other ticketed patrons may be permitted. In no case may a sign, flag or banner be affixed to the facility.

**Video Camera/Still Camera Policies.** Ticketed patrons shall not bring video equipment into the facility on game days. Still cameras with a lens no longer than four inches are permissible on any day.

## NCAA CORPORATE CHAMPION AND CORPORATE PARTNER PROGRAM

The NCAA Corporate Champions and Corporate Partners Program (i.e., corporate sponsors of the NCAA), managed by the NCAA along with TNT Sports and CBS Sports, authorizes the exclusive rights to license NCAA trademarks, tickets and taglines in commercial promotions with respect to the NCAA championships.

The host shall not solicit or permit involvement by any corporations or entities whose products may be in competition with any of the NCAA corporate champions or corporate partners. All proposed commercial involvement must receive prior approval of the NCAA.

NCAA Corporate Champions and Corporate Partners are dedicated to emphasizing the role of athletics in higher education, support all 90 NCAA Championships and are granted a wide variety of benefits, including certain category exclusivity around use of NCAA logos, trademarks, designations and championship tickets.

For more information and a current list of corporate champions and partners, please click on the following link:

## LOCAL CONTRIBUTOR PROGRAM

Currently, local non-CCP corporate entities are not permitted to utilize the NCAA's registered marks, logos, tickets, name or references to the championship in a promotional/commercial manner. If a host institution/conference has an interest in using value-in-kind contributors, the contributor plan must be approved in advance by the NCAA Corporate Relations staff. The LOC is permitted to involve a local contributor in the championship only as a sponsor of LOC activities or as a ticket package purchaser (pending NCAA approval of said local entities and approval of the arrangement).

Local contributors may only be referred to as "local contributors of the LOC." Local contributors may not use the word "official," "official sponsor of" or "corporate champion/partner" in any manner. Local contributors will not receive any in-venue or on-site recognition/branding/exposure, with the exception of small signage in private hospitality locations; in the souvenir (print or digital) game program, and/or additional digital advertisement space. In being recognized, these local contributors must be referenced as supporters of the local organizing committee, and not of the NCAA. Any recognition, branding and/or exposure creative must be submitted to the NCAA Corporate Relationships staff for review and approval.

Local contributors may be provided an opportunity to purchase an advertisement in the souvenir game program, provided the corporation is not a competitor of any NCAA Corporate Champion. All advertisements must be submitted to the NCAA Corporate Relationships staff for advance approval. As noted above, local contributors who purchase an NCAA-approved ticket package may not receive recognition of any kind without the advanced approval of the NCAA staff.

## NCAA TRADEMARKS

*NOTE: These general guidelines do not include merchandise designs. All product designs must be submitted through the NCAA's licensing program administered by The Collegiate Licensing Company. Inquiries should be directed to the NCAA licensing staff. [Click here for more information about the NCAA licensing program.](#)*

1. ALL uses of NCAA trademarks or logos must be submitted to the NCAA for approval.
2. Downloads of NCAA logos may be obtained through the [NCAA Digital Library](#).
3. The NCAA's position on inclusion of ® and ™ marks is first and most prominent use.

The location of the trademark and how it is used is the primary factor in determining if a trademark symbol should be included in text. If the protected logo location is prominent and the primary focus on the page or product design, an ® or ™ in the text is not necessary. However, if the logo location is placed lower on the page or is secondary to the message being delivered, an ® or ™ in the text or header (first use only) should be inserted.

In the case of NCAA Women's Final Four, an ® is required after NCAA and after Women's Final Four. The NCAA owns "NCAA" and "Women's Final Four", but "NCAA Women's Final Four" is not a registered mark in itself: NCAA® Women's Final Four®.

To further expand, if the NCAA primary logo, which displays the registered mark, is used in a prominent position; NCAA Women's Final Four would require an R-ball only after the Four because the NCAA has already been identified as a registered mark. NCAA Women's Final Four®.

4. In radio and television advertising, NCAA should only be pronounced as N-C-A-A or N-C-double-A. It should not be referenced as "N-C-two-A" or in any other fashion.
5. There may be no registration of or use of NCAA marks within internet domain names unless advance approval from the NCAA is secured and ownership of the URL is maintained by the NCAA. Such use of NCAA marks in Internet directories is prohibited; however, members may use an NCAA mark within a member URL, provided such NCAA mark does not appear in the domain name portion of the URL. By way of example, members may use the following URL: [memberx.edu/ncaa](http://memberx.edu/ncaa).

### **Identification of commercially named venues on NCAA materials**

- For the purposes of providing information about and promoting the location of an NCAA championship, the venue/competition site of any round of NCAA championships can be printed, in text-only, on any and all pertinent materials bearing NCAA marks (subject to NCAA approval of the graphics).

## DIVISION I ZONE DIVING

- The logo of a commercially named venue cannot be used on any materials bearing NCAA logos or trademarks.
- The venue's name and information (without use of logos) will also be included on the dedicated website that the NCAA will provide to sell tickets.

### **NCAA logo use by commercially named venues**

For the purposes of providing information about and promoting the sale of NCAA tickets, the venue/competition site of any round of NCAA championships is permitted to display (subject to NCAA approval of the graphics) the championship site-specific logo as recognition of the event being held in its facility. The NCAA logo must be in the form of a link to a dedicated web page that will be established and/or assigned by the NCAA championships manager to sell the NCAA tickets.

The following conditions apply to this NCAA logo use:

- The NCAA championship site-specific logo can be used by the venue to communicate the NCAA event as one of the variety of upcoming events at the facility. The NCAA logo must be used only once and only as a part of a group of other logos of events being held at the venue.
- The one-time logo use is limited to the site's "home web page" or "event web page."
- The NCAA logo must be placed in a location on the venue's web page so that there is clear and defined separation between the NCAA logo and any other commercial logos (including that of the commercially named venue). [This is because NCAA Corporate Champions/Corporate Partners and Turner/CBS have graphic exclusivity in the use of NCAA logos and marks.] Logos of the venue's or the website's advertisers/sponsors may be used on the home/event web page even with the NCAA's championship site-specific logo on the same page if those commercial entities are clearly separated from the NCAA logo (e.g., are on a different colored background and are located at the bottom of the website page).
- The venue is not permitted to claim to be "the home," a host or co-host of any session of the NCAA championship.
- The logo provided by the NCAA championship staff cannot be modified in any way.
- ALL uses of NCAA logos must be submitted to the NCAA staff for approval.

### **NCAA trademarked protection language:**

NCAA trademarks benefit from consistent "source identification" to the public through basic legal language attributing ownership.

The legal statement should be used on "printed" materials of all types for all NCAA trademarks, except where there is agreement by key staff stakeholders that aesthetic or space limitations prevent legal language. The legal statement is NOT required when the NCAA blue disk or the word NCAA is used alone and part of NCAA-produced materials without any of the conditions below.

- Printed items that display logos of other business entities/organizations (i.e., corporate champions/corporate partners, network partners, official suppliers, official licensees, local organizing committees and NCAA members).
- Printed items that are produced to be "used" by other business entities/organizations including NCAA members and host institutions.
- Printed items produced for advertisement/promotional purposes (i.e., magazine and newspaper ads, NCAA souvenir publication ads, posters, newsletters).

The NCAA requires protection language as outlined below. This does not have to be prominently displayed language and is expected to be included as some form of "mouse print."

The examples below are written only to represent the most typical examples. If you are unsure of exact wording for a specific example, please contact Nathan Arkins at [narkins@ncaa.org](mailto:narkins@ncaa.org) or 317-790-7596.

### **For blue disc and/or secondary (word) mark, please use:**

- NCAA is a trademark of the National Collegiate Athletic Association.

**For blue disc/secondary marks plus another NCAA trademark, please use (for example):**

- NCAA and March Madness are trademarks of the National Collegiate Athletic Association.
- NCAA, NCAA Sweet Sixteen and Road to the Final Four are trademarks of the National Collegiate Athletic Association.

For Blue Disc/Secondary marks plus another NCAA trademark used with other authorized business entities, please use (for example):

- The NCAA, March Madness, Men's Final Four and Women's Final Four are trademarks owned by the National Collegiate Athletic Association. All other licenses or trademarks are property of their respective holders.

**NCAA Licensed Trademarks:**

College World Series and Women's College World Series: The NCAA is the exclusive licensee of these marks, registered by Major League Baseball, in connection with the NCAA Division I Men's Baseball Championship and the Division I Women's Softball Championship.

All other licenses or trademarks are property of their respective holders.

**OFFICIAL CHAMPIONSHIPS/LICENSEE SUPPLIERS**

The NCAA licensing program is designed to ensure the quality and consistency of all of the NCAA's Championship Event merchandise, protect the intellectual property of the NCAA and our member schools, and generate revenue to enhance programs that support NCAA student-athletes.

Any premiums and/or other merchandise that bear NCAA marks, brackets, taglines or other NCAA references must be produced by an official NCAA Licensee or NCAA Official Equipment Supplier. There may be royalties or other related costs associated with such items. If the NCAA is unable to identify a current NCAA Licensee or NCAA Official Equipment Supplier to provide a specific piece of merchandise, the NCAA will work to sublicense (on a short-term basis) a company that can provide the specific item.

For a list of NCAA licensees and official equipment suppliers, [ncaa.org/championships/marketing/ncaa-official-licensee-list](http://ncaa.org/championships/marketing/ncaa-official-licensee-list).

**ADVERTISING/SIGNS/"LOOK AND DÉCOR"**

- Advertising/Banners/Signs/Displays.** The host shall not permit advertising, marketing identification, banners, signs or displays of any kind to be hung, posted or displayed anywhere within the general public seating/viewing area of the competition, practice and/or ancillary event venue(s) (i.e., any place that can be seen from the playing surface, seats or within broadcast view), including the scoreboard and the playing surface prior to or during the conduct of the championships, other than NCAA, media partner or NCAA corporate champion/partner branding/recognition (e.g., signage, banners, scoreboards, LED scorer's table, video board, ribbon board, PA announcements) approved by the NCAA. Any permanently affixed (or previously leased) advertising banners, signs, cup holders, select equipment bearing corporate marks (e.g., TVs, computer monitors, stats monitors or displays), product/exhibit displays (e.g., car displays, branding exhibits/kiosks) shall be covered with décor elements or other NCAA directed elements by the competition, practice and/or ancillary event venue(s) and at the expense of the venue(s) as specified by the NCAA, including costs of production and installation and strike. The NCAA must be notified a minimum of 60 days if any signage has changed after the site visit or before the championship. Similarly, for any surrounding areas/facilities that are to be used by the NCAA for official events, no advertising, marketing, identification, banners, signs, decals, sampling, distribution or displays of any kind shall be hung, posted or displayed anywhere within those areas unless authorized by the NCAA. Professional and collegiate signage/marks/pennants/banners/retired numbers/etc. may continue to be displayed. NCAA staff representatives have the discretion, during their site visit or when on-site in advance of the tournament, to have the building staff remove a sign/banner. All usage of marks must follow NCAA brand guidelines and must be approved by NCAA staff in advance.

- b. **Alcohol/Tobacco/Gambling.** All alcohol, tobacco and gambling advertisements/corporate identification within broadcast view or viewable by game attendees in the competition venue bowl must be covered at the expense of the host or venue. Any alcohol, tobacco or gambling advertising that is deemed by the NCAA as not viewable from within the bowl does not need to be covered, whether in the concourse or in ancillary venues. All other advertisements/corporate identification in the noted areas must, at a minimum, not be backlit unless otherwise authorized by the NCAA. This would apply to preliminary rounds and the championship rounds for all the NCAA's 90 championships.
- c. **External Signs.** All exterior venue corporate signage, other than professional franchise identification, must be covered as specified by the NCAA and must be covered with décor elements as specified by the NCAA at the expense of the competition, practice and/or ancillary event venue(s).
- d. **Commercially Named Venues.** Commercially named competition, practice and/or ancillary event venue(s) may display no more than two preexisting interior signs consisting only of the competition, practice and/or ancillary event venue(s)' name at the top of the venue, with placement designated by the NCAA. The competition, practice and ancillary event venue(s) signage design and placement must be approved by the NCAA. If the commercially named competition, practice and/or ancillary event venue(s) is an existing NCAA Corporate Champion or Corporate Partner, the NCAA, in its sole discretion, may allow additional branding of the commercially named venue(s).
- e. **Covering Existing Signage/Product Branding.** Regarding any signage that is to be covered in accordance with these bid specifications, the practice, competition and/or ancillary event venue(s) shall not limit or prohibit the ability of the NCAA to use signage or other elements of its own third-party designees in covering such existing signage/product branding.
- f. **NCAA Corporate Champion and Partner Branding/Recognition.** The NCAA shall have the right to display branding/recognition (e.g., signage, banners, scorer's table, video board, ribbon board, PA announcements, inflatables, projections, kiosks, decals, window clings, lighting, street teams, logos) for the Association, its corporate champions and partners and media partners inside and outside of the competition, practice and/or ancillary event venue(s). These locations, include but are not limited to the concourse, within the competition bowl and venue exterior without limitation.
- g. **Official Sticker and Stencils.** The NCAA shall provide the competition venue with the appropriate stickers/field stencils for the approved playing surface markings for the championship.
- h. **Fan Promotional Materials.** If facility approves, patrons are permitted to bring in small signs and non-noisemaking items in accordance with NCAA and venue policies. Item may not include any (non-CCP) commercial identification.
- i. **Digital Inventory.** At no charge, the NCAA will have full access to use and control all LED and other digital signage inventory, both internal and external to the competition venue. This includes TV monitors, video screens, video walls, LED fascia, and all internal and external signage, digital or otherwise. This includes all digital inventory to be made available at the time of the championship, inclusive of any inventory that may be added by the venue after this bid document is signed.

# Section 10 • Competition Site Requirements

## CONCESSIONS

Food and beverage prices shall be no higher than similar events or primary tenants in the competition site. No food, beverage or merchandise, of any nature, may be vended or dispensed in the spectator areas, except before the meet begins. During competition, selling is restricted to the established selling locations. Facilities that do not have a relationship with Coca-Cola may sell other products in the concessions area only.

## DIVING WELL

Be sure that the pool is measured and specifications are approved prior to the meet. The diving well should adhere to Rule 1-1-4, as follows:

For facilities (those with architectural plans dated after Sept. 1, 1996), it is preferred that the diving facility be 60 feet [18.29m] in length by 75 feet, [22.86m] in width. It should be equipped with two, one-meter and two, three-meter springboards and a diving tower, providing takeoff platforms at 5, 7.5 and 10 meters. Recommended dimensions for diving facilities are specified on pages 8 through 10 of the rules book.

For existing facilities, it is acceptable that the diving facility be separated from or incorporated with the swimming pool. Recommended dimensions for diving facilities are specified on pages 8 through 10 of the rules book.

Be sure to include a facilities specifications summary in the preliminary information mailed to the coaches.

## DRYLAND AREA

An area must be designated for diving dry land activities. This area should be large enough to accommodate all divers, should be equipped with mats and should be on deck if possible.

## LOCKER ROOMS

Participating teams have preferred to carry their own gear and supply their own towels. Locker assignments are not necessary, but adequate space for changing should be provided.

## POOL USE

The pool and diving well must be made available for practice two days before the first day of competition. Available hours must be communicated with the visiting institutions based on other events in the venue. The day prior to competition, the pool must be available from 8 a.m. to 8 p.m. Practice times should also be made available before and after each day's competition. A warmup and practice schedule for the use of the pool for diving must be developed and posted.

## SCOREBOARD

Scoreboard(s) should have capability to interface with diving programs, score cards, or electronic pads in order to display diving scores.

## SIGNAGE

The NCAA will provide a basic signage package for all hosts. No signage except NCAA provided and/or approved signage should be displayed throughout the competition and practice areas.

## VIDEOTAPING

Each participating team is permitted to tape competition with a single camera and one person for institutional purposes only. Filming/videotaping areas will not be reserved for participants and should be designated and communicated to all participating teams.

Films or videotapes of the championships procured by any participating institution, whether filmed or videotaped by the institution or received from NCAA Productions, may be performed freely for the institution's own noncommercial purposes (not including television broadcast). Only with the advance written consent of the NCAA, may they be performed, reproduced or distributed for television purposes or other commercial purposes.

## Section 11 • Drug Testing

The NCAA is dedicated to fair and equitable competition throughout each round of NCAA championships and strongly supports the drug-testing program established by its membership, to safeguard the health and safety of the participating student-athletes.

Comprehensive drug testing details for hosts can be found in the Championship Site Coordinator Manual at the following link: [NCAA Drug Testing Program](#)

## Section 12 • Equipment and Facility Specifications

The host institution is responsible for equipment required to conduct the championships that is not provided by the NCAA. **Please refer to Rule 1 of the NCAA Swimming and Diving Rules Book to ensure compliance with facility and equipment specifications.** The rules book is located [here](#).

Although each facility is different, the following basic equipment must be available:

1. Electronic judging system.
2. Microphones for the officials' table.
3. Computer for scoring and interface with Dive Meets.
4. Public-address system.
5. Copiers(s).

### DIVING BOARDS/PLATFORMS

Specifications (length and width) for diving boards and platforms and information regarding water depth and facility construction are outlined in the NCAA Rules Book. Diving boards must be of the highest quality. New boards (not older than one year) are recommended for championships competition. Ensure that diving boards' surfaces are adequate (i.e., not slippery) to prevent injuries to divers. Inspect diving boards for proper heights, level (i.e., must be level with fulcrum set at mid-point) and stability. Have extra bolts available in case of breakage. Lubricate slides on fulcrums regularly throughout competition.

The facility must have 1-meter and 3-meter springboards, two of each. The diving platform must include 5-, 7.5- and 10-meter levels. Platform must have the same "acceptable" nonskid surface on all levels. Steps heading up to platform must be safe and nonskid.

The host must have all diving equipment and areas previewed by a qualified diving specialist prior to the arrival of the NCAA committee/staff, and will be responsible for any necessary adjustments, which must be made prior to the championships week.

### DIVING TABLE/JUDGES DETERMINATION

Comfortable seats for the diving judges, as well as a diving table for workers recording the diving scores, must be provided for the diving events. The host is responsible for securing the following diving table personnel:

- Head scorer.
- DiveMeets operator.
- Announcer(s).
- Five to seven coaches for judging panel as determined by zone.

Panels of judges shall be drawn by the NCAA Diving Sub-Committee members in attendance and the meet director prior to the coaches meeting. Panels should be drawn so that all conferences are equally represented, if possible. The panels of judges shall then be presented to all coaches for final approval at the coaches meeting. Any coach wanting to observe the drawing of panels may do so.

An announcer is needed for diving events, and two announcers are needed if simultaneous events are running. The host is responsible for securing two tables for the announcers, and it is recommended to have a competition monitor (two preferred) for student-athletes/coaches to keep up with scores especially if two events are being conducted simultaneously.

The host institution will work with the NCAA to secure DiveMeets as the acceptable computer program to run the competition. The host is responsible for securing someone to operate the diving computers and run the DiveMeets program. Scoreboard(s) should be available for displaying diving scores.

### HYDRATION PRODUCT AND EQUIPMENT

The NCAA will not provide hydration product and equipment for the zone diving championships. The host institution may use items other than POWERADE-branded equipment. These items, however, must not display any commercial marks (e.g., logos and graphics of commercial products such as Gatorade), or such marks must be covered completely (this requirement applies on the sidelines and in competition areas, media areas or any other back-of-house areas).

If the host has to provide and/or purchase product for any NCAA championship use (e.g., student-athlete banquet, committee tent/suite, hospitality areas, media areas), the host must purchase and provide only Coca-Cola products (e.g., Dasani, POWERADE, Coca-Cola, Sprite). Participating teams and student-athletes in NCAA championships continue to be free to use/consume permissible hydration beverage(s) of their own choice; however, equipment carrying any branding other than POWERADE, as referenced above, must be absent of any commercial marks.

# Section 13 • Financial Administration

## AUDIT

Sites will be randomly selected for financial and box office audits following the championship.

The NCAA will make every effort to notify sites selected for audits within 30 days after the approval of financial reports, but reserves the right to audit a site up to one year after the championship. Receipts, facility settlements, expense reimbursements and honorariums are subject to change until the audits are reviewed and accepted by the NCAA. If selected for audit, the documentation requested could include: box office audit reports or sales summaries; ticket purchase invoices or statements; unsold tickets; invoices, contracts or timesheets supporting all expenses; general ledger; bank statements; check copies and reconciliations; competition venue rental agreement; and any other documentation to support all information reported on the host financial report. In addition, overages between budgeted and actual numbers will be reviewed.

## APPROVAL OF THE BUDGET

As part of the site-selection process, each prospective host must submit a proposed budget for approval by the NCAA. All receipts and expenses associated with the conduct of the championship competition shall be included in the proposed budget. This includes lodging expenses for officials and site representatives, if applicable. The proposed budget must be submitted and approved by the NCAA prior to the first date of competition of the championship. Additionally, best efforts should be made by the host to reasonably forecast expected ticket sales from the given championship.

The host institution is responsible for adhering to championship expenses as approved by the NCAA, including (but not limited to) competition site rental, maintenance, insurance, printing of tickets, ushers, maintenance personnel, ticket sellers, ticket takers, minor officials, police and security, promotion, publicity, advertising, meetings, banquets, medical staff. Other expenses not included in the original proposed budget must be approved in advance by the NCAA.

It is also incumbent upon the host to understand and remit all necessary taxes related to the sale of championship tickets made by both the NCAA and the host at their given state and locality. All consideration must be given by the host for certain relief of taxes with respect to the NCAA's not for profit status under 501(c)3 of the Internal Revenue Code. Additionally, certain championships may be required to provide an outside letter of attestation speaking to their tax status provided by an outside CPA/accounting firm.

## FINANCIAL REPORT

Host institutions must complete the online financial report, which includes accurately reporting all revenues and expense, and must include payment of the amount due to the NCAA, within 60 days after the final date of competition at the site (if applicable). An automated email will be generated notifying the host of the final, approved settlement payable/receivable amount. Remittance of any amount due to the NCAA should be made to the NCAA upon approval of the financial report by the NCAA staff and receipt of this the automated email noted above. If requested, the host may be required to provide all supporting documentation to validate the revenues and expenses of their site. As a best practice, hosts are encouraged to upload all appropriate receipts, ticket audits and other supporting documentation to their host report on the "Summary" tab as documentation supporting each line of their revenue and expense figures.

Financial reports showing net receipts are not considered complete until payment is received at the national office. Institutions that fail to meet the 60-day reporting period will be assessed the following penalties: 60-90 days past due (25 percent reduction in honorarium), 91-120 days (50 percent reduction in honorarium) and 121 days or more (100 percent reduction in honorarium). If the financial report results in the NCAA paying the host, the NCAA will make its best effort to reimburse the host within five business days of the report being approved by the NCAA accounting department.

## DRUG TESTING EXPENSES

The budget for drug testing expenses should only be completed and returned to Drug Free Sport if the host has been notified that drug testing will occur. The drug-testing budget and expenses are separate from the financial report form. The drug-testing budget form is an appendix in the [drug testing manual](https://ncaa.org/Student-Athlete%20Programs/Health%20and%20Safety) (ncaa.org/Student-Athlete Programs/Health and Safety).

### **PARTICIPANTS**

The NCAA will reimburse the competing institutions for transportation and per diem expenses in accordance with the appropriate NCAA policies. Participants at the zone diving championships are not eligible for reimbursement. The competing teams shall be responsible for their local transportation, unless otherwise allowed under NCAA policy.

### **SITE REPRESENTATIVES**

The NCAA representative's hotel room and tax shall be paid (via direct bill) by the host institution and submitted in the financial report. All other expenses (i.e., per diem, travel) will be paid directly by the NCAA.

### **TRANSPORTATION**

Local Transportation for Teams. For team sports, eligible for reimbursable ground transportation, must arrange ground transportation through Short's Travel. Individual sports, eligible for reimbursable ground transportation receive mileage reimbursement in accordance with the travel policy.

Air Transportation for Teams. If a school is eligible for air transportation, all air travel must be booked through Short's Travel.

Hotel Room block for predetermined sites. If at an NCAA predetermined championship site On Location will assist with the management of those hotel room blocks.

### **NCAA Championship Travel Policies**

# Section 14 • Health & Safety Considerations

As part of preparation and planning to host and/or participate in championship events, member institutions are reminded and encouraged to review all applicable health and safety policy and legislative requirements and guidance with event staff and personnel including, among others, those relating to concussion management, catastrophic injury prevention, inclement weather and independent medical care, consulting with institutional legal, medical and risk management personnel as necessary. These requirements and related information can be found in applicable division manuals, sports playing rules and the materials located on the [NCAA Sport Science Institute website](#). A nonexhaustive list of some of the key health and safety considerations is provided below. More detailed information on each of these topics can be found in the [Interassociation Recommendations: Preventing Catastrophic Injury and Death in Collegiate Athletes](#), the [NCAA's Guidance for Medical Care and Coverage for Student-Athletes at Away Events](#) and the [NCAA Sports Medicine Handbook](#).

- Blood-Borne Pathogens and Other Biohazards
- Catastrophic Incidents and Emergency Action Plans
- Cleaning and Disinfection
- Inclement Weather, Air Quality and Other Environmental Considerations
- Independent Medical Care
- Medical Facilities
- Medical Disqualification, Removal and Return to Activities
- Medical Staff: Resources, Communications, Training and Responsibilities
- Medical Supplies and Equipment
- Medical Treatment (including for, among others, the following emergency conditions):
  - Asthma
  - Burners (Brachial Plexus Injuries)
  - Cardiac Emergencies
  - Cervical Spine Injuries
  - Concussion and Traumatic Brain Injury
  - Diabetic Emergency
  - Head and Neck Injury
  - Heat Illness and Heat Stroke
  - Hypothermia
  - Mental Health Emergencies
  - Rhabdomyolysis
  - Sickie Cell and Other Exertional and Nonexertional Collapse
  - Skin Infections
- Prescription Medications, Banned Substances and Drug Testing
- Protective Gear and Equipment
- Sexual Violence
- Visiting Team Care and Coverage

In addition, and as a supplement to the legislative and policy requirements and related guidance described above, the following health and safety considerations and expectations will also apply to all championship events.

### **Ambulance Service**

Planned access to an ambulance shall be provided by the championship host. If it is determined that an ambulance should be provided on site, the championship host shall obtain the ambulance service and the incurred cost is reimbursable by the NCAA. Any ambulance used must be equipped in accordance with all applicable government regulations and industry medical and safety standards.

### **Coaches, Officials, Event Staff and Spectators**

Host institutions should consult as necessary with applicable institutional legal, medical and risk management personnel to determine and appropriately plan for the management of emergency and other health and safety incidents involving individuals other than student-athletes that may occur at the championship event or venue.

### **Medical Staff Credentials and Access**

Travel party credentials for participating institutions will include credentials for medical personnel; provided it is the responsibility of the participating institution to include medical personnel in their normal credential numbers. Institutions may include medical staff beyond travel party limits provided they pay for the additional numbers with institutional funds. Competition site access can be secured by acquiring session tickets through purchase or an institutional pass list.

Any medical staff traveling with participating teams will have access to their team participants with the assistance of host medical staff, should an injury occur. If medical staff are not to be seated with the team during any championship event for any reason, they should communicate to host medical staff their seat locations and host medical staff should be prepared to provide all participant medical staff with the necessary credentials to access and provide necessary escort to the team locker room or athletic training room in the event of an emergency. Typically, an access point from the stands supervised by security will allow access by medical personnel to student-athletes.

### **Portable Immersion Tubs**

Portable immersion tubs (hot or cold) are permitted at championship events only where use is a component of an established emergency or other health and safety plan and managed under the direction of sports medicine staff, an athletic trainer or physician in accordance with all applicable institutional and government health regulations and requirements.

## Section 15 • Insurance

### LIABILITY

If event is held on-campus:

Host institution must maintain and provide proof of at least \$1 million of Commercial General Liability (CGL) insurance on an occurrence form for Bodily Injury and Property Damage, including Products Liability (including completed-operations coverage), coverage for contractual liability, independent contractors, and personal and advertising injury. Coverage cannot exclude liability arising from athletic participation, spectators, alcohol or food-borne illness. Certificate must be submitted to NCAA prior to competition. State institutions subject to state governing tort laws are permitted to provide proof of limited liability under state laws instead of CGL coverage. (This is the minimum requirement per NCAA bylaws).

If event is held off-campus:

Host institution must maintain and provide proof of at least \$1 million of Commercial General Liability insurance on an occurrence form for Bodily Injury and Property Damage, including Products Liability (including completed-operations coverage), coverage for contractual liability, independent contractors, and personal and advertising injury. Coverage cannot exclude liability arising from athletic participation, spectators, alcohol or food-borne illness. Certificate must be submitted to NCAA prior to competition. State institutions subject to state governing tort laws are permitted to provide proof of limited liability under state laws instead of CGL coverage. Coverage cannot exclude liability arising from athletic participation, spectators, alcohol or food-borne illness. NCAA must be named as an additional insured.

*NOTE: All insurance must be provided by an insurance company with an A.M. Best Rating of A-, VII or higher.*

## Section 16 • Lodging

Neither the host nor the NCAA is responsible for reserving lodging accommodations for zone diving. All participating teams are responsible for securing their own lodging accommodations.

## Section 17 • Media Services

The NCAA considers this hosting opportunity a partnership between the host school/conference, facility and the NCAA. The primary objective of everyone involved in the administration of the championship, shall be to provide a memorable championship experience for each participating student-athlete, coach, administrator and tournament attendee.

Note that health and safety protocols related to preparedness, response and protocols might have an effect on the media services detailed below, with any changes provided to all hosts in advance of each championship.

### BROADCASTING/INTERNET

Please log on to [ncaa.com/media](https://ncaa.com/media) for information regarding broadcast/internet rights.

### CHAMPIONSHIP RECORDS

NCAA championship records are available in PDF format at [ncaa.org](https://ncaa.org) - [ncaa.org/sports/2021/2/9/statistics.aspx](https://ncaa.org/sports/2021/2/9/statistics.aspx).

### CREDENTIALS

All media credentials are authorized and issued by the host or NCAA media coordinator. The NCAA provides credentials for all final championship sites and selected preliminary rounds sites. Hosts will produce credentials for preliminary sites. **PDF templates are available for preliminary round credentials if desired. Please contact Jenn Rodgers ([jrodgers@ncaa.org](mailto:jrodgers@ncaa.org)) for more information.** If you are producing your own credentials, the “Conditions Placed on Use of Credentials” should be placed on the back of all credentials. That text, located at [ncaa.com/credentialterms](https://ncaa.com/credentialterms), should also be visible at credential pickup.

The following is a sample of the types of credentials that can be produced, if applicable:

- All Access – For event management-type personnel who need access to every area, including game surface.
- Event Management – For event management staff who does not need All Access.
- Media – For members of the media to provide them access to press areas (press row/box, media room, interview room, locker rooms (postgame only)).
- Participant – For student-athletes, coaches, equipment managers (essentially anyone in the official travel party).
- Photo – For still photographers and television camera operators (if the contest is not going to be televised) to allow them access to appropriate areas [playing surface, locker rooms (postgame only), press box and media room].
- SID – For sports information directors of the participating teams (allows for access to media areas and locker rooms as needed).
- Television Network – If the game is going to be televised by ESPN, Turner Sports, etc., those entities should have their own credentials to allow them to specific places such as the truck compound.

It is up to the tournament director to determine which areas may be accessed with each credential type.

### CREDENTIAL QUALIFICATION AND ACCEPTANCE

Preliminary-round/site media coordinators should send a credential request form to members of the local media to determine who will be covering the event.

**\*\* Working credentials will not be mailed.** The media coordinator should issue credentials individually at an appropriate site at the venue or at the designated headquarters hotel. A government-issued photo ID is required to pick up credentials. Credentials are nontransferable and will only be issued to the person whose name appears on the credential. Credential pickup for others is not allowed.

### DISTRIBUTION OF INFORMATION

The SID/media coordinator should ensure that the media is included in the timely distribution of programs, heat sheets and results.

### INTERNET POLICY

The NCAA website, [ncaa.com](http://ncaa.com), serves as the official online resource for NCAA championships.

Please visit [ncaa.com/media](http://ncaa.com/media) for updated NCAA championship internet policies.

The NCAA and its partners own the Internet rights to all of its 90 championship events. Rights include live statistics, video and audio streaming, electronic commerce, and postevent footage use. The NCAA and its partners own all game action, practice footage, press conferences, one-on-one interviews or any other content on the NCAA website.

#### Internet Live Statistics

The NCAA reserves the right to deny permission to produce live statistics for NCAA championship play. In the event the NCAA takes on the responsibility of producing a live statistical representation from an NCAA championship event, no other entity will be permitted to do so. Live statistics are considered a protected right as part of a bundled rights agreement, referenced above. For clarification purposes, a live statistical representation includes play-by-play, score updates, shot charts, updated box scores, photos with captions, etc.

In the event the NCAA does not produce live statistics for a specific championship, the host institution is given priority to produce exclusive live statistics. The host institution will be given the same exclusivities the NCAA would reserve for its rights holder in such an instance.

Once it is determined that neither the NCAA nor the host institution plan to exercise their exclusive rights, the ability to produce live statistics will be granted – on a nonexclusive basis – to each participating school. A “participating school” is defined as a school playing in the same event at a specific site.

In each case, no commercial advertising is permitted within the live statistics window, unless permission is specifically granted by the NCAA. Any questions pertaining to live statistics should be sent to Nate Flannery, NCAA director of digital ([nflannery@ncaa.org](mailto:nflannery@ncaa.org)).

### NEWS FILM AND MINI-CAMS

Please visit [ncaa.com/media](http://ncaa.com/media) for updated information related to television, video and ENG policies.

### PHOTOGRAPHER

Commercial use of any still photographs is prohibited unless permission is obtained from the NCAA. Specific areas will be designated for photographers, and these areas will be limited by priority and space. Please refer [here](#) for further information regarding photography done at the championships.

### PHOTOGRAPHY AREA POLICIES

The media coordinator shall be prepared to designate “photographer positions,” should media requests warrant it. “Prime” positions should be given to NCAA Photos and/or Getty Photos, or otherwise rotated among members of the media. All special requests (i.e., placing a remote camera on the backboard) must be approved by NCAA staff or site representatives.

### SEAT ASSIGNMENTS

Media coordinators should provide preferred seat locations for media agencies that regularly staff games played by the participating and host institutions. Media seating charts should be posted to the media work areas in advance.

### SECURITY

Security personnel should be instructed to protect the working media areas and interview area and to limit access in all restricted areas to individuals wearing credentials.

## INTERNET

Complimentary wireless internet access must be available at all championship rounds for media use. The host institution may NOT assess an additional “hookup fee” to any media agency. Any wireless charges should be charged to the host or reflected in the proposed budget.

## NCAA SOCIAL MEDIA GUIDELINES FOR CHAMPIONSHIP HOSTS

The official NCAA social media pages and official hashtags can be found here: [on.ncaa.com/SocialLinks](https://on.ncaa.com/SocialLinks)

### Host Promotion of Championships

A lot of hosts already have an established presence in social media. Examples are a school, LOC, Sports Corporation, venue, or city pages/accounts. These pages/accounts are all good places to promote the hosting of an NCAA championship through the use of marketing messages and products supplied by the NCAA (links, web banners, flyers, etc.). The NCAA also promotes the championships (and the host involvement) on the appropriate NCAA social media pages/accounts. If the championship does not have an official NCAA page on a social media site, a host is still not permitted to create a page for it. The NCAA will make efforts to promote this championship on the other established pages/accounts, as necessary. Collaboration is encouraged through the use of cross-posting on Facebook or collabs on Instagram (@ linking within text to drive fans to each other’s pages) and mentions on Twitter (X) and Instagram (@ links to show coordination in posts). In addition to collaboration, idea-sharing is also encouraged and can be coordinated with the NCAA digital team through the championship’s marketing contact.

A host should not create a social media account or page (Facebook page, Twitter [X] feed, Instagram, Snapchat, TikTok account, etc.) solely devoted to promoting an NCAA championship. These pages become outdated, distract fans from established pages and fracture the NCAA message.

Please send direct questions, ideas, or news to Lynnea Phillips, [lphillips@ncaa.org](mailto:lphillips@ncaa.org).

## STROBE LIGHTS

The need for strobe lights for photography will be determined, administered and pooled as a result of discussions with the host tournament manager and media coordinator and at the discretion of the NCAA. Strobe lights are not permitted at zone diving.

## WEBCASTING

The NCAA strongly encourages hosts to webcast the meets.

Apply for NCAA Internet streaming rights online at [NCAA.com/rights-request](https://NCAA.com/rights-request). Questions about Internet streaming can be directed to Nate Flannery (317-917-6523; [nflannery@ncaa.org](mailto:nflannery@ncaa.org)).

## WORKING PRESS AREA

Adequate seating should be designated for media, with limited deck access. A working media room must be available, equipped with facsimile machines and telephones; a copier also may be a necessity if another copier is not available in the facility. Internet access for the media is required. An interview area should also be established.

## Section 18 • Meet Management

### COACHES MEETING

The day before competition begins, a coaches meeting shall be held. All coaches, referees and meet administration should be in attendance. At the meeting, there will be a review of the meet and judging panels. Additionally, the number of berths and championships rules and selections should be reviewed. A meet committee will be determined who will hear and decide all meet protests. Please reference the prechampionship manual during this meeting so that everyone is aware of the protocol for the meet and championships participation. An agenda will be sent to all hosts and diving subcommittee members prior to the meeting.

### ENTRIES

All coaches wishing to enter a diver into their respective zone diving championship must submit the zone diving entries via DiveMeets by 11:59 p.m. Eastern time, Monday, March 3. If a diver qualifies during the last weekend before the zone diving championships, a waiver request may be submitted to the committee to allow for late entries. Waivers must be emailed to John Bugner ([jbugner@ncaa.org](mailto:jbugner@ncaa.org)) for women and Paige Newman ([pnewman@ncaa.org](mailto:pnewman@ncaa.org)) for men. Directions for submitting the zone diving entries will be available online in January. Late and/or incorrect submissions will result in a fine of \$500.

### HOSPITALITY AREAS

Hospitality areas may be provided and readily accessible from the deck area for coaches, volunteers, host personnel, etc. Participant refreshments should be provided on deck. It is highly recommended to provide lunches all three days for the coaches, with snacks and drinks available throughout the day.

### ORDER OF EVENTS

Zone diving championship formats will be conducted over five days. Zone meets will use one of the following schedules of events:

OPTION 1	OPTION 2	OPTION 3
Days 1 and 2: Training days	Days 1 and 2: Training days	Day 1: Training day
Day 3: Women's 1M/Men's 3M (events simultaneous or consecutive)	Day 3: Women's 1M/Men's 3M (events simultaneous or consecutive)	Day 2 (morning): Training
Day 4: Women's 3M/Men's 1M (events simultaneous or consecutive)	Day 4: Women's 3M/Men's PL (events simultaneous or consecutive)	Day 2 (afternoon): Women's 1M
Day 5: Women's PL/Men's PL (events simultaneous or consecutive)	Day 5: Women's PL/Men's 1M (events simultaneous or consecutive)	Day 3: Women's 3M/Men's 1M (events simultaneous or consecutive)
		Day 4: Women's PL/Men's 3M (events simultaneous or consecutive)
		Day 5: Men's PL

### SPRINGBOARD EVENTS

For 1-meter and 3-meter preliminary rounds, each diver will do six optional dives, including one from each of the five groups plus an additional dive that may be selected from any group. The dives will be performed in any order without limit on degree of difficulty. For 1-meter and 3-meter events, the finals shall consist of six optional dives, including one from each of the five groups plus an additional dive that may be selected from any group. The dives will be performed in any order without limit on degree of difficulty. Scores on all dives performed by each of the divers in the prelims and finals shall be used to determine finals placing.

## PLATFORM EVENTS

For platform prelims, each diver will do six optional dives (men), including one from each of six groups, or five optional dives (women), including one from each of five groups, from any competitive platform level (i.e., 5, 7.5 or 10 meters), in any order, without limit on degree of difficulty. For platform finals, the finals shall consist of six optional dives (men), including one from each of five groups, or five optional dives (women), including one from each of five groups, from any competitive platform, in any order, without limit on degree of difficulty. Scores on all dives performed by each of the divers in the prelims and finals shall be used to determine finals placing.

**NOTE: In all events, preliminary scores will carry forward and be added to the scores in the finals to determine final placement.**

## FORMAT OPTIONS

The following formats are options for all zone diving championships:

1. Springboard preliminaries may be run as simultaneous events or separate events.
2. Finals may be run “straight through”, taking a 10-minute break between preliminaries and finals, or as a “split format” where a longer break is taken between the preliminaries and finals.
3. Springboard finals may be run as simultaneous events or separate events.
4. Platform events may be run as separate men’s and women’s events or as a combined men’s and women’s event.

Events that are run “straight through” will take a 10-minute break between the end of the preliminaries and the beginning of the finals. Divers in the finals are allowed to practice during the 10-minute break. The diving order for finals will remain the same, with the nonqualifying divers being removed from the starting order.

## TIES

**In the event of a tie between two or more divers who are vying for a final selection spot from a zone qualifying meet, the tie will be broken by comparing each of the diver’s highest score from both their two lists (preliminary and finals).** The diver with the highest score would advance to the championships and the other diver will become the first alternate from that respective zone.

## PERSONNEL

The host institution is responsible for providing personnel in the following areas. Although we have tried to identify most of the areas needed, please adapt the list to your particular facility.

1. Meet director.
2. Facility manager.
3. Drug testing coordinator (if applicable).
4. Announcer(s).
5. DiveMeets operator.
6. Volunteers for operational needs.

## NATIONAL ANTHEM

The national anthem shall be sung or played prior to the start of the first event each day.

## PARTICIPANT INFORMATION

An informational manual/document should be created for each respective zone-diving meet. The NCAA will send a template for this manual to all hosts. Hosts must send the finalized information to the NCAA championships manager for review before distributing to teams. Manuals should include information on the following:

## DIVISION I ZONE DIVING

---

### **Required Events**

Divers who qualify for the zone diving championships may only compete in the event in which the diver achieved a qualifying score.

## Section 19 • Neutrality

Host institutions should keep in mind that an NCAA event is not a home event. Neutrality is important; therefore, such items as host institutional signage should not be used to create a "home" atmosphere. Traditional premeet or between-meet activities are not permissible (e.g. tossing items to the crowd, permitting mascots to lead "trains" through the crowd).

## Section 20 • Safety and Security

The NCAA is committed to supporting a safe and secure environment for championship events and is appreciative of the many federal, state and local partners who aid in maintaining a safe events for all athletes, coaches, fans and staff.

The NCAA has established a Safety and Security Advisory Group to develop Best Practices for all NCAA championships. The SSAG developed these Best Practices based on a review of current and future championships competition venues, discussions with safety and security experts, and their own experience and knowledge. All hosts and competition venues are strongly encouraged to refer to the [Best Practices for Venue Safety and Security](#) when developing a safety and security program.

The suggestions outlined in the Best Practices for Venue Safety and Security are based on practices that are employed by competition venues across the nation. The need and ability to implement them at each facility and event will vary. Properly trained and equipped personnel constitute the primary element of implementing a successful safety and security program.

Best Practices for championships competition venue safety are intended for guidance purposes only; they are not a requirement under NCAA or other regulations or legislation. In addition, because of the wide variety of designs and sizes of competition venues; and composition and profile of particular events, not all Best Practices will be reasonable or applicable.

The Best Practices should not be viewed as a complete or primary source of information for developing or implementing the safety program for the competition venue hosting an NCAA championship. Rather, facility managers and local public safety personnel should consider the current national threat level, nature of specific threats and the full range of resources available when responding to changes in the threat condition levels.

Please submit your final safety and security plan with your bid materials. In addition, you will be prompted to provide information for the critical incident response team form when completing the bid via the NCAA Championships Bid Portal. Please be as specific as possible when providing emergency contacts and numbers.

Unless otherwise expressly authorized by applicable law, no firearms or weapons are permitted on these premises for NCAA championships and events, excluding authorized law enforcement officers. Failure to abide may subject you to ejection as well as other applicable discipline or action. The foregoing shall not limit the applicable equipment used in and for fencing and rifle competitions in accordance with NCAA rules, at the venues for such competitions.

### CROWD CONTROL

The responsibility of crowd control rests with meet director. Competing institutions are expected to communicate with their students and other fans to encourage enthusiastic support within the confines of good sportsmanship. Artificial noisemakers, air horns and electronic amplifiers shall not be permitted, and such instruments shall be removed from the competitive and spectator areas. The meet director is responsible for enforcing these provisions.

The following crowd control statement should be read by the public address announcer prior to the start of the event:

*"The NCAA promotes good sportsmanship by student-athletes, coaches and spectators. We request your cooperation by supporting the participants and officials in a positive manner. Profanity, racial comments or other intimidating actions directed at officials, student-athletes, coaches or team representatives will not be tolerated and are grounds for removal from the site of competition. Also, consumption or possession of alcoholic beverages is prohibited."*

### DECK ACCESS

Access to and from the pool deck and changing areas should be closely monitored at all times.

### PERSONNEL

At least one uniformed security guard (not necessarily uniformed police) must be in attendance throughout the championships. It is recommended that additional security is available to monitor the crowd control. Additionally, adequate personnel must be available for the respective areas that require deck pass access (on deck, media, hospitality, etc.).

## Section 21 • Tickets

Admission does not need to be charged for the zone diving championships.

# Section 22 • Volunteers

## GOAL AND RECRUITMENT

A volunteer program for the championship should be implemented to accomplish the following goals:

- Provide an enthusiastic and warm welcome to participants and guests.
- Answer questions and provide information to visitors.
- Contribute to the general excitement surrounding the championship.
- Assist the LOC with championship operations.

Championship volunteer programs should represent the student-athletes and communities we serve, embrace diversity and be inclusive of individuals from all backgrounds and identities. The NCAA and the LOC shall encourage recruitment and participation of volunteers from a talent pool of individuals that reflect diversity across all aspects, including race, age, sex, class, national origin, creed, educational background, religion, gender identify, disability, gender expression, geographical location, income, marital status, parental status, sexual orientation and work experiences. The LOC/host institution should keep the NCAA's commitment to diversity top of mind as they assign volunteers to the various roles and responsibilities throughout the championship.

Volunteers must be 18 years of age or older and must sign a volunteer release waiver. Individuals with driving responsibilities MUST be 25 years of age or older.

Student-athletes or prospect-aged individuals MAY NOT be recruited in any way different than general public volunteers. The Local Organizing Committee (LOC) cannot make a specific volunteer presentation to student-athletes of the host institution/conference. Student-athletes and prospect-aged individuals may apply to volunteer in the same manner as individuals from the general public. Student-athletes and prospect-aged individuals must be selected by the same criteria as the general public applicants.

The NCAA may request additional volunteers from the LOC as necessary.

## WAIVERS

Each volunteer must sign a waiver of liability before the start of the championship (Appendix A). If there is a written agreement governing volunteer service, a release component must be added if one does not already exist. After the championship, all waivers shall be collected and kept on file, in case requested.

## Appendix B • Diving Protest Procedure

At the coaches meeting, a meet committee must be designated who will hear and decide all protests.

The diving sub-committee members for each region are automatically on the meet committee; the additional members must be nominated or can volunteer to be part of the meet committee; however, there should be no more than five total meet committee members. If there are more nominations or volunteers than necessary, names will be drawn out of a hat. The meet committee shall have fair representation (i.e., two coaches from the same conference should not be allowed if there are more than five conferences in the zone).

If a protest should occur, the protesting coach should find a member of the meet committee to turn in the protest form.

Protests must be received within 30 minutes of the final diving results of that particular event.

A member of the meet committee must call Paige Newman – men's (317-917-6660) or John Bugner – women's (317-522-7220) to communicate what the protest entails.

The meet committee will review and vote on the protest; if a protesting coach is involved with the meet committee, they should remove themselves from discussion and voting.

The meet committee will communicate back to the protesting coach what action they agreed upon. All protests are final once action has been taken.

## Appendix C • NCAA Diving Protest Form

This protest form must be complete in full and submitted to the meet committee not later than 30 minutes after the final diving results of which the protest is applicable. Protests must be acted upon by the appropriate meet committee. The decision of this committee is final. Any protest before, during or immediately after a race should be resolved at the earliest opportunity, but not later than immediately following the current session.

### NCAA.COM BROADCAST/STREAMING REQUIREMENTS

**Tupelo Honey** is responsible for video content and live production at hundreds of events annually. Whether it's a network broadcast or single-camera stream, our team aims to provide unparalleled communication and professional results. Since 2010, in partnership with TNT Sports and NCAA.com, Tupelo Honey has provided championship coverage for hundreds of NCAA events.

#### **Network Connection**

To deliver a high-quality video production championship hosts must provide a sustained, symmetrical connection of at least 100 Mbps, dependable QoS, and at least one dedicated wired Internet connection. This will connect to a Ubiquiti gateway appliance to route the network to our equipment. Tupelo remote support staff utilizes Jump Desktop to diagnose and troubleshoot equipment once on site, therefore, this connection must allow remote support access. It is extremely important that network configuration be addressed early in the planning process; prior streaming from a venue does not guarantee success. Our team will arrive one day prior to the event to test network connectivity. An IT representative from the host venue should be available on site at this time, but must be available by phone to work through any issues during setup and throughout the event. Additional planning discussion and advance configuration between Tupelo and your IT team is strongly encouraged.

#### **Equipment**

The producer and equipment will need to be located within 100' of the host network port. All equipment can be placed on one or two 8' tables in a secure, climate-controlled production space. Please provide at least four chairs for announcers and production crew. NCAA.com broadcasts generally utilize three to four cameras. The location of cameras varies by sport ([see provided event layout guides](#)). In most cases, the cameras are cabled to the production position. Tupelo Honey will request photos and/or a diagram of the venue during the planning process. The equipment requires minimal power. A standard power outlet (dedicated 20 AMP single phase 110V, Non-GFI) at talent and production locations will suffice. If required, camera support (lifts, scaffold) are a host responsibility. If available, an audio feed from the public address system should be provided to the production position on a standard XLR connector.

#### **Equipment Receiving/Shipping**

Broadcast equipment will typically be shipped to the site via SOS Global Express. The shipment will contain up to 20 boxes ranging from cases the size of a laptop to larger boxes up to 100lbs. On arrival and throughout the event, the host will need to identify a secure location for working access to and storage of the production equipment. Following the event, our on-site personnel will typically coordinate pickup.

#### **Crew/Announcers**

The production crew and announcers are secured by Tupelo Honey and TNT Sports. If the host institution has existing relationships with local camera operators, a production company or announcers, please pass that information along. We are happy to work with local crews and/or students at host institutions.

#### **Replay/Video Boards**

The NCAA typically contracts DVSPORT to provide official replay services. Tupelo provides camera and program signal handoff (Typically 720P SDI) at the production location and is not responsible for delivering signals elsewhere in the venue. For select events, Tupelo supports limited official review. These situations are handled on a case-by-case basis and must be identified in advance to allow for additional support equipment on site.

A program video output is available for video board display and/or team recording needs. This handoff occurs at the production location and is a straight "dirty" program output, inclusive of graphics and announcer audio. Should Tupelo elect to utilize off-site (REMI or cloud) production methods, this feed may be delayed. Tupelo does not provide any video-board specific support (fan cams, video playback, on-field presentations, etc.). The feed should be utilized only during live competition and video board personnel should be in place to provide appropriate editorial control (i.e., replay screening). Audio from the feed should never be utilized in a PA system or redistributed in any way. Team courtesy feeds are bound by NCAA restrictions. Tupelo is not responsible for any editing, signal conversion or additional support for team needs.

#### **Event Specific Accommodations**

We will make every effort to accommodate video needs host institutions might have. Identifying these needs early in the planning process is important. It is suggested that hosts fill out the [broadcast site survey](#) before planning can begin. Please do not hesitate to reach out if you have any questions regarding the NCAA.com championship productions. All live broadcasts can be found on NCAA.com.
