Dear Coaches and Student-Athletes,

Welcome to Flagstaff and the campus of Northern Arizona University, the host for the 2026 NCAA Division I Zone E Diving Championship. We are excited to be hosting this event and hope all of you will have wonderful memories of your time in our community.

We encourage you and your fans to take advantage of the many remarkable sights in and around Flagstaff. The city is surrounded by the Coconino National Forest and is located just 80 miles from Grand Canyon National Park and 30 miles from beautiful Sedona. Other local attractions include Historic Downtown Flagstaff, world famous Route 66, the Lowell Observatory and the Museum of Northern Arizona.

If you have any questions about your time in Flagstaff, please do not hesitate to let us know.

We wish all of you the very best of luck during the NCAA Zone Diving Championship.

Sincerely,

Uri Farkas  
Vice President for Intercollegiate Athletics

## ***ENTRY INFORMATION***

### **Diving Entries**

- Qualification for a diving event must be achieved in bona fide competition. The definition and requirements for meeting bona fide competition is detailed in Rule 9 for the 2025-26 and 2026-27 NCAA Swimming and Diving Rules Book.
- In order to qualify for the diving events at the championships, a diver must participate in their respective zone-qualifying meet. In order to qualify to compete in a zone-qualifying meet, the diver must have achieved the qualifying standards for minimum point totals in bona fide competition in each event they want to participate in. The qualifying standards for divers are available online at [ncaa.org](http://ncaa.org).
- **DiveMeets** will be used at each of the zone diving championships and divers must register online for their respective zone meet.
- All coaches wishing to enter a diver into their respective zone diving championship must submit the zone diving entry form by 11:59 p.m. Eastern time, Monday, March 2. Late and/or incorrect submissions will result in a fine of \$500.

### **Procedures**

- All springboard diving events will consist of a preliminary round of six optional dives, including one from each of the five groups plus an additional dive that may be selected from any group. The top 18 finishers from the preliminary round will advance to the final round and will perform a second list of six optional dives, including one from each of the five groups plus an additional dive that may be selected from any group. All dives will be performed in any order without limit on degree of difficulty. Scores on all dives performed by each of the divers in the prelims and the finals shall be used to determine finals placing.
- For platform prelims, each diver will do six optional dives (men), including one from each of six groups, or five optional dives (women), including one from each of five groups, from any competitive platform level (i.e. 5, 7.5 or 10 meters), in any order, without limit on degree of difficulty. The top 18 finishers from the preliminary round will advance to the final round and will perform a second list of six optionals (men) including one from each of the six platform groups or five optionals (women) including one from each of five groups. All dives will be performed from any competitive level in any order without limit on degree of difficulty. Scores on all dives performed by each of the divers in the prelims and the finals shall be used to determine finals placing.
- Divers in the finals are allowed to practice during the 10-minute break. The diving order for finals will remain the same, with the non-qualifying divers being removed from the starting order.

## ***SCORING***

**In all events, preliminary scores will carry forward and be added to the scores in the finals to determine final placement.**

### **Tie-Breaking Procedures at Zone Qualification Meets**

In the event of a tie between two or more divers who are vying for a final selection spot from a zone qualifying meet, the tie will be broken by comparing each of the diver's highest score from both their two lists (preliminary and finals). The diver with the highest score would advance to the championships, and the other diver will become the first alternate from that respective zone.

### **Judges**

Panels of judges shall be drawn by the NCAA Diving Subcommittee members in attendance before the coaches meeting. Panels should be drawn so that all conferences are represented equally, if possible. The panels of judges shall then be presented to all coaches for final approval at the coaches meeting. Any coach wanting to observe the drawing of panels may do so.

## ***RESULTS***

Divers will qualify for the NCAA championships based on performances at their respective zone meet.

### **Qualifying Procedures**

The top five female and top four male divers from each event at their respective zone diving championship will be eligible to compete at the NCAA Championships. Additional place finishers in each event at each zone will be eligible based on the number of student-athletes from that zone who finished in the top 16 in that event at the previous year's contested or completed NCAA Championships. All eligible divers must have achieved the zone qualifying score prior to the NCAA championships in all events they wish to participate.

### **Number of Qualifying Spots per Zone for 2026**

<b><u>Women</u></b>	<b><u>1m</u></b>	<b><u>3m</u></b>	<b><u>PI</u></b>
Zone A	6	5	6
Zone B	11	9	7
Zone C	7	10	10
Zone D	11	10	11
Zone E	6	7	7

<b><u>Men</u></b>	<b><u>1m</u></b>	<b><u>3m</u></b>	<b><u>PI</u></b>
Zone A	4	5	4
Zone B	8	6	7
Zone C	8	10	9
Zone D	7	7	10
Zone E	9	8	6

### **Optional Entry**

Any diver that is eligible to compete as noted above will be allowed to optionally enter any other event(s) at the championships, provided that the diver finished in the top 12 at the same zone meet and has achieved the zone qualifying score for that event prior to the NCAA Championships.

### **Example**

Zone A had two divers finish in the top 16 on 1-meter at last year's NCAA women's championships; therefore, the top seven divers (5+2) would then be eligible to compete at this year's NCAA championships

in the 1-meter event. Additionally, those seven divers may dive the 3-meter and or platform events provided they have met the requirements noted above.

### **Reimbursement Procedure**

The reimbursement system for divers who are eligible to compete in the NCAA championships will remain the same as the 2024-25 season qualifying system. Divers will be eligible for reimbursement based on performances at their respective zone meet. The results from the previous year's NCAA championships, along with a priority-placement grid (Figure 1) will be used to determine the total allocated reimbursement spots for each zone. Each zone will receive a minimum of four reimbursements for men and women. These guaranteed reimbursements will fill 20 of the 41 and 20 of the 35 allotted for women and men respectively. The priority-placement grid will then be used to fill the remaining 21 spots for women and 15 for men. All remaining eligible divers that do not receive reimbursement will be allowed to attend the NCAA championships as an institutionally-funded participant.

### **NUMBER OF REIMBURSEMENT SPOTS PER ZONE**

	Women	Men
Zone A	5	5
Zone B	10	6
Zone C	8	9
Zone D	11	7
Zone E	7	8

**Figure 1 – Priority Placement Grid**

Place	1M	3M	PL
1	2	1	3
2	5	4	6
3	8	7	9
4	11	10	12
5	14	13	15
6	17	16	18
7	20	19	21
8	23	22	24
9	26	25	27
10	29	28	30
11	32	31	33
12	35	34	36
13	38	37	39
14	41	40	42
15	44	43	45
16	47	46	48

Once all of the zone diving championships have concluded, and not later than Sunday, March 15, the list of selected and institutionally funded divers will be posted on [ncaa.org](https://ncaa.org) and [divemeets.com](https://divemeets.com). Institutions with divers selected to the championships will be notified by the NCAA national office.

The scratch deadline for declaring participating in the NCAA Division I Men's and Women's Swimming and Diving Championships shall be 6 p.m. (local time), the day after the conclusion of the diver's respective zone championship. Women's scratches should be sent to John Bugner ([jbugner@ncaa.org](mailto:jbugner@ncaa.org)); men's scratches should be sent to Paige Newman ([pnewman@ncaa.org](mailto:pnewman@ncaa.org)).

If an eligible diver declines his or her spot, the next diver in that event will then be notified and will be provided an opportunity to accept or decline the invitation to participate. If the alternate diver declines the invitation, the next alternate in that event will be extended an opportunity to participate until the spot is filled.

It is important to note that divers outside the top 12 and divers who have not achieved the qualifying score will not be eligible for consideration as an alternate.

## ***AQUATIC AND TENNIS COMPLEX (ATC)***

The Northern Arizona University Athletic Department and Campus Recreation Department have partnered together on the state-of-the-art Aquatic and Tennis Complex (ATC). The facility is located at 821 S. San Francisco St., Flagstaff, Ariz. 86011 (Building 86).

The diving well is 17 feet deep and has two 1-meter springboards, two 3-meter springboards, as well as 1, 3, 5, 7.5, and 10-meter platforms, water surface agitators, and a Sparger System.

## **CREDENTIALS**

Lanyard credentials will be issued to all coaches, athletic trainers and other staff listed in the official travel party. Credentials will gain staff and student-athletes access to areas closed to spectators, such as the pool deck. **Credentials must be worn at all times while on-site.**

Please fill out the Team Travel Party Form (page 19-20) to ensure we have the proper number of credentials made for your staff upon arrival.

## **COACHES MEETING**

A mandatory coaches meeting will be held **Sunday, March 8 at 6:30 p.m.** in the meet management room off of the pool deck. Each coach will receive their championships packet containing credentials and updated information pertinent to the championships at this meeting. The judges' panel will be reviewed by the coaches in this meeting.

## **DRUG TESTING**

All student-athletes are subject to NCAA drug testing at all NCAA championships or in conjunction with all postseason certified events. The goal of the drug-testing program is to provide safe, fair and equitable competition as well as to protect the health and safety of all NCAA student-athletes participating in NCAA championships and postseason certified events.

The drug-testing program involves collecting urine specimens from student-athletes at various times throughout an NCAA championship. Student-athletes may be selected for drug testing based on their place of finish, position and/or an approved random selection method. A student-athlete may be selected for drug testing on more than one occasion during the championship event. All urine specimens provided by student-athletes are analyzed by a World Anti-Doping Agency accredited laboratory and the results are then reported to the institution's director of athletics.

The WADA laboratory analyzes each urine specimen for substances and related compounds from a list of banned-drug classes developed by the NCAA Executive Committee. Refer to the 2025-26 Drug-Testing Programs booklet on the [NCAA website](#) for the procedural guidelines for testing. Also review the published list of [banned drug classes](#). Athletic administrators are urged to review the NCAA Drug Education and Testing video, the NCAA Banned Drug Classes List as well as the NCAA Drug-Testing Program booklet with all coaches and student-athletes in advance of any NCAA championship or postseason certified event. Student-athletes who test positive as a result of a drug test administered by the NCAA or who breach the NCAA drug-testing program protocol shall lose one year of eligibility and shall be charged with the loss of a minimum of one season of competition in all sports.

***Please note, if NCAA drug testing does not occur during a championship round and/or a drug test is required outside of the standard championship protocol (e.g., national record, world junior record, etc.), the cost associated with such a drug test will be the responsibility of the tested student-athlete's institution.***

Additional information regarding the NCAA's championship drug-testing program is located on the [NCAA website](#).

## ***EMERGENCY CONTACTS***

Emergency: 911

NAU Police Department: 928-523-3611

## ***HOSPITALITY***

Hospitality will be available to all student-athletes, coaches and team personnel.

### **Coaches/ Championship Staff**

Snacks and drinks will be provided all day. Lunch will be provided Monday, Tuesday, and Wednesday.

### **Student-Athletes**

Snacks and drinks will be provided throughout the competition.

*\*\*All hospitality areas will require credentials to access.*

## ***LOCKERS***

All participants will be responsible for their personal items. The host site is not responsible for lost or stolen items.

## ***MEDIA INFORMATION***

### **Event Results**

Live results will be available at [www.divemeets.com](http://www.divemeets.com). Any SIDs in attendance will also be provided with results. Results will be distributed to coaches immediately following each event; and will be e-mailed to the SID of each participating institution.

### **Credentials**

All media members and SIDs interested in covering the championships should submit requests to Ashley Croft. She will individually work with each media personnel to distribute media credentials.

## ***MEDICAL INFORMATION***

All medical care will be coordinated through the NAU Sports Medicine Department. Gabi Medina will be the certified athletic trainer on site.

Questions can also be directed to the director of sports medicine listed below:

Lanny Bradford  
Office: 928-523-1040  
Cell: 520-979-2640  
Email: [Landon.Bradford@nau.edu](mailto:Landon.Bradford@nau.edu)

The athletic training room is located off the pool deck on the north side of the Wall Aquatic Center. At least one certified athletic trainer will be present during all practice and competition times. A team physician will be on-call for the competition preliminaries and finals.

### **Host Emergency Medical Plan**

#### **1. Student-athlete injured in the diving well**

- a. Natatorium lifeguard staff provide initial care while the student-athlete is in water.
- b. The injured student-athlete's athletic trainer will handle care of their student-athlete once the diver is removed from the pool.
- c. Assistance will be provided by the championships medical director (host athletic trainer) as required by the level of seriousness of the situation.
- d. In the event that the injury is a medical emergency, EMS will be called into action.
- e. In the event EMS personnel are present at the facility, they will be summoned by the following:
  - (1) The aquatics director or assistant aquatics director.
  - (2) Championships medical director or designee.
  - (3) Department of recreational services staff.
  - (4) Natatorium lifeguard.
- f. In the event EMS personnel are not present at the Natatorium, the EMS system will be activated by using a cellular telephone, a regular telephone located in the pool deck, or a regular telephone located in the athletic training room office.
- g. The call to the 9-1-1 dispatcher will be made by one of the following individuals:
  - (1) The aquatics director or assistant aquatics director.
  - (2) Championships medical director or designee.

- (3) Department of recreational services staff.
- (4) Natatorium lifeguard.
  - h. The following information will be provided to the 9-1-1 dispatcher in the event of a medical emergency:
    - (1) Name of individual placing the call.
    - (2) Nature of the emergency ("injured diver during diving competition").
    - (3) Type of injury (head injury, fracture, dislocation, loss of consciousness, collision with diving board).
    - (4) Location - Aquatics and Tennis Center 821 S. San Francisco St. Flagstaff, AZ, 86011.
    - (5) Access point: Side double doors, south entrance, McCreary St.
    - (6) The individual making call to the 9-1-1 dispatcher will meet the responding emergency personnel and escort them to the Natatorium and the injured diver.
    - (7) If the injury is not a medical emergency, the respective student-athlete's athletic trainer will manage the situation accordingly. They will be assisted by the Championships Medical Director or designee.

**2. Spectator medical issues.**

- a. Spectators in the stands will ask the nearest event staff worker or event security worker for assistance.
- b. A Natatorium lifeguard will provide first aid to any spectator.

**Miscellaneous Information**

- From the main entrance on San Francisco Street, turn LEFT onto San Francisco Street, heading North. Continue heading North on San Francisco St., passing through traffic lights in Downtown Flagstaff. Continue straight until you have passed Columbus Ave. and the emergency facility (0.4 mi.). Turn LEFT onto Forest Ave. (The Hospital will be on the LEFT hand side). Turn LEFT onto Beaver St. (700 ft.) Turn LEFT at the first driveway to enter the hospital (x-ray, MRI, etc.). Turn RIGHT at the first driveway to enter the Flagstaff Medical Center for Behavioral Health.

## ***MERCHANDISE***

Event1 is the official merchandiser for NCAA championships. Merchandise will be available in the spectator area starting 30 minutes prior to the start of the day's events. It will remain open throughout the competition.

## ***PROTEST PROCEDURE***

- At the coaches meeting, a meet committee must be designated who will hear and decide all protests.
- The diving subcommittee members for each region are automatically on the meet committee; the additional members must be nominated or can volunteer to be part of the meet committee; however, there should be no more than five total meet committee members. If there are more nominations or volunteers than necessary, names will be drawn out of a hat. The meet committee shall have fair representation (i.e., two coaches from the same conference should not be allowed if there are more than five conferences in the zone, etc.).
- If a protest should occur, the protesting coach should find a member of the meet committee to turn in the protest form.

- Protests must be received within 30 minutes of the final diving results of that particular event. (See the protest form at the back of this manual.)
- A member of the meet committee must call Paige Newman (317-778-9808) or John Bugner (317-522-7220) to communicate what the protest entails. Please consult the secretary-rules editor, Greg Lockard, to assist with any playing rules interpretations at 973-486-5501.
- The meet committee will review and vote on the protest; if a protesting coach is involved with the meet committee, they should remove themselves from discussion and voting. (Determine if there should be an alternate selected for the meet committee in case this situation occurred so there would always be five total members and eliminate opportunity for a tie vote.)
- The meet committee will communicate back to the protesting coach what action they agreed upon. All protests are final once action has been taken.

## ***UNIFORMS***

Regulations regarding uniforms for divers are detailed in Rule 3 of the 2025-26 and 2026-27 NCAA Swimming and Diving Rules Book. **If a student-athlete competes in an illegal swimsuit, that student-athlete shall be disqualified from that event.**

## ***VIDEOTAPING***

Videotaping for personal use is permitted if it does not interfere with spectators or media. Each participating team is permitted to have one person tape competition with a single camera for institutional purposes only. Flash photography is prohibited.
