ENTRY INFORMATION

Diving Entries

- Qualification for a diving event must be achieved in bona fide competition. The definition and requirements for meeting bona fide competition is detailed in Rule 9 for the 2025-26 and 2026-27 NCAA Swimming and Diving Rules Book.
- In order to qualify for the diving events at the championships, a diver must participate in their respective zone-qualifying meet. In order to qualify to compete in a zone-qualifying meet, the diver must have achieved the qualifying standards for minimum point totals in bona fide competition in each event they want to participate. The qualifying standards for divers are available online at ncaa.org.
- [DiveMeets](#) will be used at each of the zone diving championships and divers must register online for their respective zone meet.
- All coaches wishing to enter a diver into their respective zone diving championship must submit the zone diving entry form by 11:59 p.m. Eastern time, Monday, March 2. Late and/or incorrect submissions will result in a fine of \$500.

Procedures

- All springboard diving events will consist of a preliminary round of six optional dives, including one from each of the five groups plus an additional dive that may be selected from any group. The top 18 finishers from the preliminary round will advance to the final round and will perform a second list of

six optional dives, including one from each of the five groups plus an additional dive that may be selected from any group. All dives will be performed in any order without limit on degree of difficulty. Scores on all dives performed by each of the divers in the prelims and the finals shall be used to determine finals placing.

- For platform prelims, each diver will do six optional dives (men), including one from each of six groups, or five optional dives (women), including one from each of five groups, from any competitive platform level (i.e. 5, 7.5 or 10 meters), in any order, without limit on degree of difficulty. The top 18 finishers from the preliminary round will advance to the final round and will perform a second list of six optionals (men) including one from each of the six platform groups or five optionals (women) including one from each of five groups. All dives will be performed from any competitive level in any order without limit on degree of difficulty. Scores on all dives performed by each of the divers in the prelims and the finals shall be used to determine finals placing.
- Divers in the finals are allowed to practice during the 10-minute break. The diving order for finals will remain the same, with the non-qualifying divers being removed from the starting order.

SCORING

In all events, preliminary scores will carry forward and be added to the scores in the finals to determine final placement.

Tie-Breaking Procedures at Zone Qualification Meets

In the event of a tie between two or more divers who are vying for a final selection spot from a zone qualifying meet, the tie will be broken by comparing each of the diver's highest score from both their two lists (preliminary and finals). The diver with the highest score would advance to the championships, and the other diver will become the first alternate from that respective zone.

Judges

Panels of judges shall be drawn by the NCAA Diving Subcommittee members in attendance before the coaches meeting. Panels should be drawn so that all conferences are represented equally, if possible. The panels of judges shall then be presented to all coaches for final approval at the coaches meeting. Any coach wanting to observe the drawing of panels may do so.

RESULTS

Divers will qualify for the NCAA championships based on performances at their respective zone meet.

Qualifying Procedures

The top five female and top four male divers from each event at their respective zone diving championship will be eligible to compete at the NCAA Championships. Additional place finishers in each event at each zone will be eligible based on the number of student-athletes from that zone who finished in the top 16 in that event at the previous year's contested or completed NCAA Championships. All eligible divers must have achieved the zone qualifying score prior to the NCAA championships in all events they wish to participate.

Number of Qualifying Spots per Zone for 2026

<u>Women</u>	1m	3m	PI	<u>Men</u>	1m	3m	PI
Zone A	6	5	6	Zone A	4	5	4
Zone B	11	9	7	Zone B	8	6	7
Zone C	7	10	10	Zone C	8	10	9
Zone D	11	10	11	Zone D	7	7	10
Zone E	6	7	7	Zone E	9	8	6

Optional Entry

Any diver that is eligible to compete as noted above will be allowed to optionally enter any other event(s) at the championships, provided that the diver finished in the top 12 at the same zone meet and has achieved the zone qualifying score for that event prior to the NCAA Championships.

Example

Zone A had two divers finish in the top 16 on 1-meter at last year's NCAA women's championships; therefore, the top seven divers (5+2) would then be eligible to compete at this year's NCAA championships in the 1-meter event. Additionally, those seven divers may dive the 3-meter and or platform events provided they have met the requirements noted above.

Reimbursement Procedure

The reimbursement system for divers who are eligible to compete in the NCAA championships will remain the same as the 2024-25 season qualifying system. Divers will be eligible for reimbursement based on performances at their respective zone meet. The results from the previous year's NCAA championships, along with a priority-placement grid (Figure 1) will be used to determine the total allocated reimbursement spots for each zone. Each zone will receive a minimum of four reimbursements for men and women. These guaranteed reimbursements will fill 20 of the 41 and 20 of the 35 allotted for women and men respectively. The priority-placement grid will then be used to fill the remaining 21 spots for women and 15 for men. All remaining eligible divers that do not receive reimbursement will be allowed to attend the NCAA championships as an institutionally-funded participant.

NUMBER OF REIMBURSEMENT SPOTS PER ZONE

	Women	Men
Zone A	5	5
Zone B	10	6
Zone C	8	9
Zone D	11	7
Zone E	7	8

13	38	37	39
14	41	40	42
15	44	43	45
16	47	46	48

Once all of the zone diving championships have concluded, and not later than Sunday, March 15, the list of selected and institutionally funded divers will be posted on ncaa.org and divemeets.com. Institutions with divers selected to the championships will be notified by the NCAA national office.

The scratch deadline for declaring participating in the NCAA Division I Men's and Women's Swimming and Diving Championships shall be 6 p.m. (local time), the day after the conclusion of the diver's respective zone championship. Women's scratches should be sent to John Bugner (jbugner@ncaa.org); men's scratchings should be sent to Paige Newman (pnewman@ncaa.org).

If an eligible diver declines his or her spot, the next diver in that event will then be notified and will be provided an opportunity to accept or decline the invitation to participate. If the alternate diver declines the invitation, the next alternate in that event will be extended an opportunity to participate until the spot is filled.

It is important to note that divers outside the top 12 and divers who have not achieved the qualifying score will not be eligible for consideration as an alternate.

CREDENTIALS

Lanyard credentials will be issued to all coaches, athletic trainers and other staff listed in the official travel party. Student-athletes will receive bag-tag credentials in the coaches’ packet at the Sunday coaches meeting. Credentials will gain staff and student-athletes access to areas closed to spectators, such as the pool deck. **Credentials must be worn at all times while on-site.**

Please fill out the Team Travel Party Form (page 15/16) to ensure we have the proper number of credentials made for your staff upon arrival.

COACHES MEETING

A mandatory coaches meeting will be held **Sunday, March 8 at 6:30 p.m.** in Presidential Lounge at Kyle Field. Each coach will receive their championships packet containing credentials, parking placards, and updated information pertinent to the championships at this meeting. The judges’ panel will be reviewed by the coaches in this meeting.

CONCESSIONS

Shake Smart is located just inside the main entrance to the Texas A&M Recreation Center. This café location will offer smoothies, coffee, shakes, bowls, and wraps.

Wednesday-Friday:	8 a.m. to 6 p.m.
Saturday:	8 a.m. to 6 p.m.

DRUG TESTING

All student-athletes are subject to NCAA drug testing at all NCAA championships or in conjunction with all postseason certified events. The goal of the drug-testing program is to provide safe, fair and equitable competition as well as to protect the health and safety of all NCAA student-athletes participating in NCAA championships and postseason certified events.

The drug-testing program involves collecting urine specimens from student-athletes at various times throughout an NCAA championship. Student-athletes may be selected for drug testing based on their place of finish, position and/or an approved random selection method. A student-athlete may be selected for drug testing on more than one occasion during the championship event. All urine specimens provided by student-athletes are analyzed by a World Anti-Doping Agency accredited laboratory and the results are then reported to the institution’s director of athletics.

The WADA laboratory analyzes each urine specimen for substances and related compounds from a list of banned-drug classes developed by the NCAA Executive Committee. Refer to the 2025-26 Drug-Testing Programs booklet on the [NCAA website](#) for the procedural guidelines for testing. Also review the published list of [banned drug classes](#). Athletic administrators are urged to review the NCAA Drug Education and Testing video, the NCAA Banned Drug Classes List as well as the NCAA Drug-Testing Program booklet with all coaches and student-athletes in advance of any NCAA championship or postseason certified event. Student-athletes who test positive as a result of a drug test administered by the NCAA or who breach the NCAA drug-testing program protocol shall lose one year of eligibility and shall be charged with the loss of a minimum of one season of competition in all sports.

Please note, if NCAA drug testing does not occur during a championship round and/or a drug test is required outside of the standard championship protocol (e.g., national record, world junior record, etc.), the cost associated with such a drug test will be the responsibility of the tested student-athlete's institution.

Additional information regarding the NCAA's championship drug-testing program is located on the [NCAA website](#).

EMERGENCY CONTACTS

Emergency: 911

Texas A&M University Police: [\(979\) 845-2345](#)

College Station Police Department: [\(979\) 764-3600](#)

Walker County Sheriff's Office: [\(936\) 435-2400](#)

LOCKERS

Team locker rooms are located on the south side of the pooldeck underneath the spectator seating where the end of the Main pool and Diving well meet. Participating teams will not have assigned lockers.

All participants will be responsible for their personal items. Team bags can be placed on or under team bleachers on the pool deck. The NCAA and host site is not responsible for lost or stolen items.

MEDIA INFORMATION

Event Results

Live results will be available at [12thman.com](#) and [www.divemeets.com](#). Any SIDs in attendance will also be provided with results. Results will be placed in at the main media table.

Credentials

All media members and SIDs interested in covering the championships should submit requests to Brad Marquardt. Brad Marquardt will individually work with each media personnel to distribute media credentials. Email - bmarquardt@athletics.tamu.edu

General Information

- The media work area will be located on the upper level landing on the North side of the facility.
- Wireless Internet access will be available only with a special code. These codes will be left on the media tables and where needed.

- There will be no designated interview area. Please contact Brad Marquardt to make any interview requests.

MEDICAL INFORMATION

All medical care will be coordinated through the Paup Pavilion's, Sharon & James Hail Athletic Training room by Senior Associate Athletic Trainer, Andrew Jarosz, MS, ATC, LAT, ITAT, Athletic Trainer, Rebekah Anderson, ATC, LAT and Associate AD, Director of Sports Medicine, Sheri Walters, PT, PhD, DPT, ATC, LAT, SCS, CPSS, CSCS. The athletic training room is located at the Northeast side of the pool deck between the visiting team entrance to the main competition pool and the diving pool. At least one Certified Athletic Trainer will be present during all practice and competition times. A team physician will be on-call for the competition preliminaries and finals. Emergency Medical Services will be on-site for all diving competition sessions. During the championships, the Sharon & James Hail Athletic Training Room hours will coincide with the hours the Natatorium is open and available for swimmers and divers.

Medical facilities available for the championships

- Student-athlete health care is provided at CHI St. Joseph Regional Hospital – Level III Trauma Center, Physicians Premier Emergency Room and The Physician's Centre Hospital.
- For the most urgent emergency medical issues that arise during the championships, Physician's Premier Emergency Room will be the contact hospital. The Physician's Premier Emergency Room is located 7 miles from Paup Pavilion at 187 Corrington Dr., College Station, TX.
- The CHI St. Joseph Regional Hospital – Level III Trauma Center is also appropriate for all emergencies. The Physician's Centre Hospital will be used for non-urgent medical care (x-rays, MRI, clinical examinations, laboratory work).

MERCHANDISE

Event1 is the official merchandiser for NCAA championships. Merchandise will be available near the Natatorium classroom in the hallway behind the spectator seating starting 60 minutes prior to the start of the day's events. It will remain open throughout competition.

PROTEST PROCEDURE

- At the coaches meeting, a meet committee must be designated who will hear and decide all protests.
- The diving subcommittee members for each region are automatically on the meet committee; the additional members must be nominated or can volunteer to be part of the meet committee; however, there should be no more than five total meet committee members. If there are more nominations or volunteers than necessary, names will be drawn out of a hat. The meet committee shall have fair representation (i.e., two coaches from the same conference should not be allowed if there are more than five conferences in the zone, etc.).
- If a protest should occur, the protesting coach should find a member of the meet committee to turn in the protest form.
- Protests must be received within 30 minutes of the final diving results of that particular event. (See the protest form at the back of this manual.)

- A member of the meet committee must call Paige Newman (317-778-9808) or John Bugner (317-522-7220) to communicate what the protest entails. Please consult the secretary-rules editor, Greg Lockard, to assist with any playing rules interpretations at 973-486-5501.
- The meet committee will review and vote on the protest; if a protesting coach is involved with the meet committee, they should remove themselves from discussion and voting. (Determine if there should be an alternate selected for the meet committee in case this situation occurred so there would always be five total members and eliminate opportunity for a tie vote.)
- The meet committee will communicate back to the protesting coach what action they agreed upon. All protests are final once action has been taken.

UNIFORMS

Regulations regarding uniforms for divers are detailed in Rule 3 of the 2025-26 and 2026-27 NCAA Swimming and Diving Rules Book. **If a student-athlete competes in an illegal swimsuit, that student-athlete shall be disqualified from that event.**

VIDEOTAPING

Videotaping for personal use is permitted if it does not interfere with spectators or media. Each participating team is permitted to have one person tape competition with a single camera for institutional purposes only. Flash photography is prohibited.

AREA INFORMATION

Information regarding area attractions, lodging and dining options is located online at <https://visit.cstx.gov> or <https://www.destinationbryan.com/>.
