

**REPORT OF THE
NCAA DIVISION II MEN'S AND WOMEN'S TENNIS COMMITTEE
OCT. 5, 2026, VIDEOCONFERENCE**

ACTION ITEMS.

- None.

INFORMATIONAL ITEMS.

- 1. Transfer window feedback.** The committee received an update on the NCAA Division II Legislation Committee's review of transfer windows. The NCAA Division II Management Council asked the Athletics Directors Association, Coaches Connection groups, Conference Commissioners Association Compliance Administrators, sport committees and the Student-Athlete Advisory Committee to provide feedback on whether transfer windows should be established for Division II sports and if so, when should the windows occur. The committee reviewed sport-specific data regarding Transfer Portal entry and the applicable Division I legislation. The committee's feedback will be shared with the Legislation Committee for review at a future meeting.
- 2. ITA Scoring Live Platform.** The committee received an update on ITA Live and its potential use at the Division II Tennis Championships. The ITA has indicated that institutions competing in ITA events will be required to use the platform, which should increase familiarity with the system across Division II. The committee was also informed that Division I is exploring the use of ITA Live for its fall individual championships. NCAA staff are waiting to hear back from the championship broadcast provider Cracked Racquets regarding whether the platform could be integrated with its live-streaming operations. Once that feedback is received, the ITA will be invited to demonstrate the platform during a future committee meeting, and the committee will also monitor any feedback from Division I as it continues evaluating the system for championship use.
- 3. Future meetings.** The committee will next convene on Nov. 9, 2026.
